**Telephone: +45 33636363**

**E-mail: [kommunikation@nationalbanken.dk](mailto:kommunikation@nationalbanken.dk)**

**Att:**

**National Bank Director Lars Rohde.**

**National Bank Director Per Callesen.**

**National Bank Director Signe Krogstrup.**

**I have written to the national bank a few times, as I want a meeting in which I want to present evidence that Denmark's second largest bank Jyske Bank A/S is behind an extensive fraud, I want to submit this to the national bank's management.**

**I want the national bank to respond to my request to present documentation to the bank's management.**

**Also out of consideration for the other Danish banks that comply with the law, if the National Bank starts by reading the attached letter and uses the links in the letter, I have described in this letter a bit of the crime that Jyske Bank A/S is behind .**

**At the same time, I must point out that I have written many emails, which have been shared with the Danish National Bank, not once has the National Bank replied.**

**I have been trying since 2016 to get a meeting with Jyske Bank and their management at CEO Anders Christian Dam who do not want dialogue.**

**Jyske Bank and their lawyers knew that I would send this letter if CEO Anders Christian Dam would not respond to my inquiries, I cannot force Jyske Bank either to meet or to stop violating the provisions of the Criminal Code.**

**The question for the National Bank is also whether what Juyske is doing, which I write and present documentation for in the letter, is completely in accordance with the National Bank's interpretation of Denmark's laws and regulations.**

**That is, whether all Danish banks can freely and with impunity commit the offenses that I write Jyske Bank is behind, or whether Jyske Bank A/S and their employees are exempted in order to comply with the country's laws and regulations.**

**On 29 August, I sent the executive board and all the bank's lawyers a copy of the draft of the attached letter, so that CEO Anders Christian Dam had the opportunity to speak with me again before I sent this letter.**

**The letter and Danmarks Nationalbank's action will be shared with the European Central Bank, in order to get clarity on whether all Danish banks can forge documents, commit fraud and use bribes just as Jyske Bank does.**

**I am anticipating a quick conversation, for an agreement on a date for the presentation of my evidence, the letter here contains a small taste of Jyske Bank's criminal activities, which should set off alarm bells, both in the Danish Prime Minister's Office, and in Prime Minister Mette Frederiksen's office and, of course, in the National Bank Denmark**

**Just as I expect the national bank to see to it that Jyske Bank's license for financial business in Denmark is withdrawn from Jyske Bank A/S or that Jyske Bank A/S is put under stricter supervision as a minimum, while an impartial investigation is made into**

**all my accusations.**

**Then I also expect that the Directorate at Danmarks Nationalbank will tell me whether it is actionable to write and tell about Jyske Bank's many and actionable offences.**

**In addition to the letter, 31.08.2022 is shared**

**Copy of the page where the complaint 05-06-2020. over Lundgren's lawyers is shared.**

**Go to [www.banknyt.dk](http://www.banknyt.dk) as it looked not so long ago.**

**Copy of the first letters from 2019. to the Prime Minister, the Ministry of Finance, the Prime Minister, the Ministry of Justice and the Minister of Justice as several parties in the parliament, and the audit committee and to the Norwegian Financial Supervisory Authority.**

**Common to all letters is that they have not been answered.**

**In my letter 31-08-2022. are there links to these attached letters.**

**If you have any questions while reading the material, call me on +4522227713.**

**Does Danmar have a major problem with the Danish banks, and that they will not comply with the legislation, and therefore not a single one of you who has received my letters and mail has dared to answer me to date.**

**This email requires action either Jyske Bank A/S must be deprived of the right to conduct banking business in Denmark, or there must be someone who dares to meet me also for a public debate about the corruption in Denmark.**

**It is intended for all Danish politicians, including those who are not on Danmarks Nationalbank's board.**

Kære Jyske Bank Frederiksberg

Jeg ved ikke om i stadig siger til jeres kunder at i ikke ved om det der står på Jyske Bank bilen ikke er sandt, og men i skal nok holde op med at tale usandt til dem der spørger,

Dronningen kommer i morgen derfor er bilen hentet hjem før tid.

jeg ville ønske at jeres chef altså den øverste selv ville rette op, og tale med mig men han nægter at svare derfor delle her mail

hvis i har spørgsmål så bare spørg, jeg er kun et menneske

og ps jeg ønsker en løsning ikke krig, men Anders ønsker at vise sin magt og jeg giver mig ikke, så det her bliver kun værre.

hav en god dag

med venlig hilsen

Carsten
