Due to corruption and bribery in Denmark, where Denmark's second largest bank Jyske Bank is involved, I still want to present my accusations and evidence, because when I accuse the Danske Bank Jyske Bank A/S of fraud, it is disgraceful, which I want Denmark's national bank find a meeting date. For the delivery of evidence, and a personal presentation with evidence, in timeline to national bank director Lars Rohde. Referring to my earlier emails and requests which have still not been answered, why I am moving again to arrange a meeting.

**Denmark has brought itself into an extensive scandal. Because the Danish state and the government and the State Ministry, and also Denmark's National Bank allow Danish banks Jyske bank to commit organized crimes. Denmarks Nationalbank's press photos**

**I assume you all know that I am playing with open cards, and if I am not right in my claims, then you all have the opportunity to help Jyske Bank against little me, but am I right just a little bit, and in chooses to cover up Jyske Bank's criminality, and undermine the Danes' legal certainty because to cover up Jyske Bank's many crimes, I have reason to believe that as a society we become complicit in Jyske Bank's fraud.**

**Remember this does not stop without us talking together, and Jyske Bank refuses to talk to me, which is why I want to meet with the board of the national bank.**

**A lot has been written that can be read by those I have mentioned continuously on [www.banknyt.dk](http://www.banknyt.dk) where I have written about Jyske Bank's problems since 2016, all of which has been published as this email is being published.**

**And CC. copy to CEO Anders Christian Dam Jyske Bank A/S**

Dokumentfalsk indeholder typisk forfalskning af underskrift, ændring af dokumentets indhold, f.eks. tal, eller misbrug af en fuldmagt. Der kan også være tale om brug af forkerte(n) navn(e) og falsk adresse. Ofte begås dokumentfalsk med henblik om at opnå en økonomisk gevinst, f.eks. for at give sted til at en transaktion har fundet sted eller at en garanti eller tilsladelse foreligger.

**Case of organized fraud carried out by Jyske Bank A/S**

**And corruption and organized crime in Denmark, which the Danish state, Denmark's National Bank and the Danish Financial Supervisory Authority as well as the government, the Ministry of Justice and many others have covered up until today.**

**I am sending this email to all recipients, the email i also to the Danish Prime Minister Mette Frederiksen and Jyske Bank A/S, and their management and many lawyers, and are set as CC: recipients.**

**The reason for this corrected and expanded and shared email with Jyske Bank A/S, is that none of my inquiries have been answered, and that it clearly seems as if the Danish State from the political side, and also together with the Danish authorities, including the Financial Supervisory Authority, the State Ministry and Denmark's Nationalbank has decided to cover up Jyske Bank's punishable offences against me personally and against my small business company.**

**I therefore have a clear and unambiguous question for Denmarks Nationalbank and the 3 national bank directors, Signe Krogstrup, Lars Rohde and Per Callesen.**

**01-10-2021. Denmarks Nationalbank and the Parliament all know that the Jyske Bank group has committed document forgery and fraud.**

**When there is corruption in the Danish Courts, and among several Danish judges, as I have written about the District Judge in Viborg, where Søren Ejdum has removed the statements of witnesses that went against Jyske Bank A/S.**

**And when Supreme Court Judge Kurt Rasmussen from the High Court also helps to cover up the crime that Jyske Bank A/S is behind by the management and Anders Christian Dam.**

**Simultaneously with Supreme Court Judge Kurt Rasmussen covering up that Jyske Bank A/S bribed Lundgren's lawyers not to present the client's fraud case against Jyske Bank A/S, who also paid Lundgren's lawyers to undermine the client's finances, which Lundgren's lawyers are still working for, so it shows that Denmark has a general problem with corruption.**

**Which all the Danish authorities and the Danish politicians to date have either covered up, or have instigated as they themselves may be contributing to the fact that corruption thrives in Denmark.**

**I want to present this to Denmarks Nationalbank and the State Ministry together with evidence of Jyske Bank's fraud and other criminality which Lundgren's lawyers and Lund Elmer Sandager's lawyers have contributed to being able to continue.**

**For Lund Emer Sander lawyers by presenting false and manipulated evidence to the judge.**

**In the event that Denmarks Nationalbank and the Prime Minister's Office in the reigning Prime Minister Mette Frederiksen refuse to receive my requested presentation with the evidence for my claims, I will write to the European central bank ECB.**

**And then explain about Jyske Bank's organized crime and that this was carried out with the help of both Lundgren's and Lund Elmer Sandager's lawyers as well as with the help of the Danish authorities, and that the Danish Nationalbank is aware of this.**

**So it seems very strange that to date not a single person in the Danish authorities has wanted to talk to me, Carsten Storbjerg Skaarup, about the crime I write that Jyske bank is behind.**

**If it is not to cover up the criminal and lying Jyske Bank, then you can respond when you receive a copy of this email with attachments and a letter to the National Bank of Denmark.**

**And if there are some of you who think I have made a mistake, including those of you who receive a copy of the cc, then you could try to have a conversation with me.**

**And we can review my evidence for Jyske Bank's criminality, which all Danish authorities have covered up, why, according to my understanding of Danish law, you become complicit in the crime you yourself cover up.**

**You can choose to keep trying to silence me and then hope I get caught, but that's not going to happen.**

**Even if it is only me who will write and tell about corruption in Denmark, which exists far up in the Danish authorities and courts, and I can do nothing to change this rotten culture, I still expect that at some point even the The Danish State realizes that they have a responsibility for the crime that the statement is covers up.**

**My appeal, not only to Jyske Bank A/S but also to the Danish State and government as well as to Nationalbank Denmark, is still dialogue and conversation.**

**The fact that to date no one has wanted to answer me, or that no one wants to talk to me about the problem I'm writing to you about,**

**That I will present the Danish State with documentation that certain Danish banks operate through the use of forgery, fraud, misrepresentation and lies as well as the use of bribes, it is stupid that a state refuses to deal with the information it receives about Danish banks that do organized crime.**

**I would really like to have that meeting with Denmarks Nationalbank first**

**And then a meeting with the Danish Prime Minister or with others from the Danish Prime Minister's office.**

**You can choose as the rest of Denmark and the 179 Danish politicians have done since April 2019, namely to ignore my inquiries, and refuse to receive documentation and get a presentation of my evidence for the crime I write that Jyske Bank A/S knows several together in a footing stand behind.**

**Which I would argue means that you become co-responsible, and that you are at the same time complicit in undermining the legal security of the Danes, and when friends of the Danish state such as Jyske bank A/S then expose their customers to fraud, the customers are without rights.**

**I hope that there are more people like me who are not afraid to write about the corruption in Denmark, because if I don't say something, then no one will say anything.**

## **What does Denmarks Nationalbank mean most?**

- 1. That the National Bank of Denmark cover up Jyske Bank's many crimes, in order to save Jyske Bank A/S.**
- 2. Or that Danish Nationalbank acts according to justice, and according to what is stated in laws and regulations, when Denmarks Nationalbank's management and executive board have been informed that Jyske Bank A/S is behind organized crimes against the bank's customers.**

**In this email i have written that I would like to give all recipients of the email, both you who are direct recipients, but also those who are CC recipients, the opportunity to take a stand on my accusation against Jyske Bank A/S**

**And to the evidence you have received to date.**

A few of the letters that in April May 2019 were sent and delivered to the Danish politicians and ministers as well as the ministries, to which not a single one wanted to respond.

**I hereby ask that the National Bank of Denmark revisits and reads these letters from 2019, which are just a small sample of the many letters I have sent and shared with the government in recent years, and why no one will answer me, why no one will talk to me.**

**While**

**The authorities and the Danish state are actually covering up the crime I write that Jyske Bank A/S is behind.**

**If I am not right, then it is strange that everyone is covering for each other so that Jyske Bank and the Management will not be held responsible for the bank's many crimes.**

**Anders Dam There are knights of Dannebrog, and who is the king of Jyske Bank, does not believe that the bank should have any dialogue with the customer whom Jyske Bank exposes to fraud.**

**Could this car since 2016. drive around with accusations against Jyske Bank for million fraud, if it wasn't true.  
NOBODY DARE TO ASK QUESTIONS. AND I WILL BE HAPPY TO ANSWER ANY QUESTIONS REGARDING JYSKE BANK'S CRIMINAL ACTIVITIES.**

Could this car since 2016. drive around with accusations against Jyske Bank for million frauds, if it wasn't true. NOBODY DARE TO ASK QUESTIONS. AND I WILL BE HAPPY TO ANSWER ANY QUESTIONS REGARDING JYSKE BANK'S CRIMINAL ACTIVITIES.

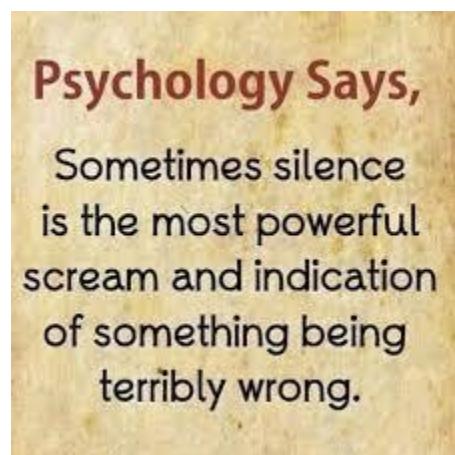

**The only response that has come from Jyske Bank to these cars is a letter to the corrupt Lundgren's lawyers on February 1, 2019. which Lundgren takes payment to read, but fails to share letters with the client, and instead tells the client to The commercials have gone well, as Dan Terkildsen praises my campaign cars.**

**If you had chosen to talk to me, these emails would not have been necessary, but against silence I fight alone so that the criminal bank Jyske Bank A/S does not expose more people to the same deception, and I hope that Denmarks Nationalbank will realize that Denmark has a problem with Jyske Bank as a bank in Denmark, when the bank is demonstrably committing crimes and defrauding our customers.**

Silence is not a solution to such a big societal problem as cronyism and corruption in Denmark.

**I have written continuously to Jyske Bank's many lawyers and to the management and board of directors with CEO Anders Christian at the helm since May 2016, in order to enter into a dialogue if there were only misunderstandings, Jyske bank A/S did not want to answer a single question.**

Denmarks Nationalbank has had knowledge of Jyske Bank's criminal offenses since at least May 2019, as I have written it many times to both Denmarks Nationalbank and the Financial Supervisory Authority about Jyske Bank's fraud against me and my small business.

**Denmarks Nationalbank has not responded to a single inquiry or shared email. "[Google LINK](#)."**

**Financial Supervisory Authority has refused to examine my evidence against Jyske Bank, despite the fact that this is the authority's task.**

**The Danish Financial Supervisory Authority has been continuously briefed on several matters, including Jyske Bank's use of abuse of the bank's adjunct to the registration right, and that Jyske Bank A/S has bribed Lundgren's lawyers not to file the client's claims against Jyske Bank A/S, i.e. Lundgren's company lawyers for not presenting the client's allegations against Jyske Bank A/S**

**So these are quite outrageous accusations.**

**And not a single politician has wanted to get involved in Jyske Bank's many violations of the law, but instead, like the National Bank, which until 26 August 2022. has chosen to be passive.**

**Several of these letters can easily be found on google, and since they are quite malicious accusations against Jyske Bank A/S and against the management of Jyske Bank A/S for complicity in fraud, Jyske Bank's passivity to these accusations is something that should also get Denmarks Nationalbank to launch an investigation itself, but instead Denmarks Nationalbank has chosen to stick its head in the ground and deal passively with the fact that Denmark's second largest bank is behind organized crime.**

JYSKE BANK

Anders Christian Dam.

**Troede aldrig,

Jyske Bank never believed that the bank's fraud would be discovered, but the bank's criminal gang of members forgot an important detail, and that was that the customer who was seen as an easy victim, as he was critically ill survived and has taken up the fight against criminal banks.

**I therefore encourage Denmarks Nationalbank to no longer act passively, and that Denmarks Nationalbank take action on my inquiries and the information I have sent to Denmarks Nationalbank.**

**And that the National Bank's management contact me Carsten Storbjerg Skaarup on mail**

**[carsten.storbjerg@gmail.dk](mailto:carsten.storbjerg@gmail.dk)**

**No later than 4 weeks from today 27 August 2022 and propose a meeting date with 6 weeks' notice, where I can hand over my information and evidence in person, as well as present Jyske Bank's many offences.**

**I have 4 August, 8 August, and 24 August 2022 requested the National Bank of Denmark.**

**For permission to hand over full documentation, for the many and punishable violations of law, that I claim Jyske Bank is behind.**

And I has [23 August 2022](#). also requested the Danish State Ministry and Prime Minister Mette Frederiksen about getting a meeting.

Mette Frederiksen, what will you and the the Ministry of State do, when you and Christiansborg have been presented with clear evidence?

That Jyske Bank AS.

[Has forged documents, fraud, exploitation, deception, mandate fraud, and has paid Lundgren's lawyers a bribe](#), so that Lundgren's Dan Terkildsen was not allowed to present the plaintiff's fraud allegations against Jyske Bank.

What will the Danish state and prime minister do, will you continue to cover up criminal Danish banks, or will you soon stop Jyske Bank, to be able to deceive more companies and customers.

**You probably ask yourself , why the Danish state by the authorities, all covers the Danish banks' crime.**

**The reason is quite simple, because in 2013 the politicians at Christiansborg, and with the Ministry of Business and Growth, decided that, among other things, Jyske Bank should not go bankrupt.[/caption]**

**I ask the Danish National Bank to carefully read what I write, and take the meeting with me that I ask for.**

If the Danish Nationalbank does not want to give me permission to hand over full documentation, for the many and punishable violations of law that I claim Jyske Bank is behind.

Then I will ask questions to the European Central Bank, whether it is in order that the Danish National Bank, together with the Danish government / Danish State, covers Danish banks, which Is what I want to provide documentation for, that Jyske Bank have committed several acts of punishable crime.

**Your answer is important for whether and what I have to write to the European Central Bank. ECB.**

Which is the reason why I have requested the Danish National Bank, and also with the Prime Minister's Office, for a meeting date.

If the Danish National Bank, as I on [4 August](#), [8 August](#), and [24 August 2022](#), have requested a meeting Date with, will not receive the evidence and a presentation that Denmark's second largest bank, Jyske Bank A/S, has committed organized crime, Denmarks Nationalbanks director is requested just to answer my request with a reply like this.

A case that is about getting attention to Jyske Bank's foundation and their business methods such as [bondefangeri](#), "Danish word language for fraud Section [§ 279 of the Criminal Code](#)". And the use of the document falsely and Fraud to achieve their objective.

**You can just reply that the Denmark's National Bank, is not interested in receiving information and documentation for Denmark's second largest bank. Jyske Bank A/S is behind extensive and organized crime targeting individual Danish companies and private individuals.**

**Denmarks National Bank does not care that Jyske Bank has exposed them to fraud, and that Jyske Bank has used forged documents, bribery, abuse of power and more.**

**Denmarks Nationalbank does not believe that it is in Denmarks Nationalbank's interest, to interfere with Danske Banks like Jyske Bank A/S ther is committing organized crime.**

The Danish president of the Danish bank Jyske Bank has big pro

blems in recognizing the bank's fraudulent transactions against customers, is not fair banking, but when the Danish pension funds such as ATP support Jyske bank's criminal enterprises, it is difficult to stop for the small man who is up against Denmark's second largest bank

**Be so kind as to answer my inquiries.**

**It is quite simple what I am asking of you.**

**You are all informed about the economic crime that Denmark's second largest bank is behind, my question to all of you is what you will do about it.**

**Will all of you, and therefore also Denmark's National Bank together with the Prime Minister and the government of Prime Minister Mette Frederiksen, cover up the obvious crimes of Jyske Bank, and thus undermine Danish legislation since the law, according to the Danish state's assessment, does not apply to Danish banks.**

**And leave the victims of Danish banks' frauds left alone without any justice or legal certainty.**

**You have all an option not to be involved, do anything, but first of all meet me and receive my personal presentation of my evidence for the fraud I write Jyske Bank is behind, and that it is done with the help of several people together in association.**

Which CEO Anders Christian Dam is instrumental in.

# Leder Anders Dam en kriminel organisation?

Den aktuelle skandale peger på et tilsyneladende tilbagevendende problem for Jyske Bank.

A single Dane, Carsten Storbjerg, has gone to war against corruption in Denmark. But Carsten asks for your help, as camaraderie in Denmark has so much power, that Danish law and order is put out of force, when not a single Danish journalist has written about the problem that Danish banks use corruption. Then I will ask you as foreign journalists, to conduct an investigation into corruption in Denmark, preformed by the Danish Bank Jyske Bank.

**It is unhealthy for the Danish government that the state allows banks to commit crime, and covers it.**

I could be tempted to ask the royal house if Anders Christian Dam has earned himself to have and keep the appointment as a Knight of the Dannebrogorden, "[knight's cross. Knight's cross in the banking world.](#)" but I will refrain from that.

Deres sagsnr. 62032 - Storbjerg Erhverv ApS ctr. Jyske Bank A/S.

De brev Lundgrens 1/2 Bive Annocet Fremlogge Son  
Elvagten Storkøbenhavn ApS har den 28. januar 2019 indsendt et brev til samtlige direktion medlemmer og bestyrelsesmedlemmer i Jyske Bank A/S, hvilket din klient tillige tidligere har gjort. I brevet fremsættes der igen anklager om: "svig/bedrageri/dokumentfalsk/udnyttelse misbrug af forældede fuldmagter uden for dets begrænsning skjulte bilag for at skuffe i retsforhold løbet for retten ved at skrive usandt Fretsforhold...". Banken vil besvare brevet direkte overfor Elvagten Storkøbenhavn ApS.

Min klient har konstateret, at brevet af 28. januar 2019 er fremsendt af Elvagten Storkøbenhavn ApS og ikke af Storbjerg Erhverv ApS, som er sagsøger i den verserende sag. Efter at have undersøgt forholdet viser det sig, at Storbjerg Erhverv ApS er under tvangsplosning og således uden ledelse.

Det er kritisabelt, at hverken retten eller undertegnede bliver orienteret om, at sagsøger i sagen er under tvangsplosning og således uden bemyndigelse til at fremsende processkræfter til retten.

Du er bekendt med, at Carsten Skærup over en årrække har fremsat grundløse grove beskyldninger mod banken blandt andet via hjemmesiden www.banknyt.dk og via Facebook, som alle relaterer sig til den renteswapakta, som Storbjerg Erhverv ApS indgik i 2008.

Udover brevet til bankens direktion og bestyrelse har Carsten Skærup fremsat beskyldninger mod henværende advokatkontor, herunder undertegnede og advokat Henrik Hopner. Sidstnævnte er inddraget i sagen, fordi denne beskæftiger sig med strafferet. Det er tale om absurde beskyldninger, som tillige udgør stratiale forhold overfor advokatfirmaet og de nævnte advokater.

Lundelmersandager har ikke fortalt sagsøgeren om de gør noget forkert, men vil da gerne mødes og

### Lundgrens korrupt

Dear partner of Lundgren's lawyer partner company.  
**Remember now. A false or corrupt lawyer is a threat to the Danish legal community.**

# LUNDGRENS

*Vi tager din forretning personligt*

I also share the email with some of those, who I know have opposed that their client's fraud and false allegations were not resented to the court, after probably Jyske Bank's executive management and by CEO Anders Christian Dam and lawyer Philip Baruch were participated in bribing Lundgrens lawyers by return commission, to hold Lundgrens client out of the case against Jyske Bank A/S for real organized fraud.

Here are those from Lundgren's who we know have been involved, Dan Terkildsen, Mette Marie Nielsen, Emil Hald Vendelbo Winstrom, Jens Grunnet-Nilsson, Sebastian Lysholm Nielsen, Pernille Hellesøe, Karoline Stampe Eriksen, and everyone must have known that, Jyske Bank has bribed Lundgren's lawyers not to present Lundgren's client's fraud and false statements against Jyske Bank A/S.

Mette Marie Nielsen from Lundgren's lawyers to Scandinavian Tobacco Group A/S, and then to Danske Bank, Copenhagen.

Emil Hald Vendelbo Winstrom from Lundgren's lawyers to Rambøll engineers and Management Consultin.

Dan Terkildsen and Jens Grunnet-Nilsson from Lundgrens get also a mail copy of this letter, as these for Jyske Bank A/S are still working to undermine the earlier client's finances, Lundgrens is doing this to prevent the client from having the finances to pursue the fraud case against Jyske Bank A/S as Jyske Bank paid Lundgren's lawyers not to present the client's fraud charges against Jyske Bank.

Lundgren's lawyers are of course welcome to complain and answer the 27 complaints from 05-06-2020. and 26 calls from 19-09-2020. To which Lundgrens has not answered.

I have of course repeatedly called on Lundgren's lawyers to file a complaint, partly about the complaint and also why Lundgren was bribed not to present some of the client's allegations against Jyske Bank A/S.

And how Lundgrens can get themself to sue the client in order to get DKK 232,000 in fees for not presenting the client's accusations, and for withholding several pleadings for the client, and for hiding that Lundgrens has received many millions from Jyske Bank A/S

Hej Carsten

Nu har jeg fået set på tallene og på de tæn der er i dag.

Du skal selvfølgelig tage det hele med forbehold for, at jeg har forstået budgettet rigtigt, og at der er en ubekendt f.s.v. angår renten:.

Jeg har forsøgt at opstille dit resterende finansieringsbehov nedenfor:

Mangler at betale ca.	2.250.000 kr.
- Ej, som du selv finansierer	318.000 kr.
- Morsom du kan få retur nu, ca.	600.000 kr.
= Aktuelt finansieringsbehov	<b>1.332.000 kr. (Er du enig i dette?)</b>
- Morsom for resterende regninger, ca.	450.000 kr.
- Deponeoret til Stark, frigives	200.000 kr.
= Lån	<b>682.000 kr. (Er du enig i dette?)</b>

Hvis lånet skal finansieres i Jyske Bank kan det gøres over 10 år. I nedenstående opgørelse er der regnet med et lån på 700.000 kr.

Din låneoversigt:  
 Nykredit 4.328.000 kr. Ciber 6, aktuelt ca. 1,7 % + bidrag 0,8 %  
 Prioritetslån 2.400.000 kr. Var. 3 mdr. rente, aktuelt 2,1 %  
 Erhvervslån 200.000 kr. Var. rente, ansætt 7,25 %  
 Fastrentebytte 4.328.000 kr. Fast rente 5,32 %

Renteudgifter 2010:  
 Nykredit 34.000 kr. (alene bidrag 0,8 %)  
 Prioritetslån 50.400 kr. (ved uændret rente)  
 Erhvervslån 50.000 kr. (ved uændret rente)  
 Fastrentebytte 225.000 kr. (den variable rente på Nykreditlån opvejes af rentetilskud i fastrentebytten)  
 Renteudgifter i alt **359.400 kr.**

Derudover kommer afdrag på ansætt 170.000 kr. på Nykreditlånet + 50.000 kr. på erhvervslånet = 220.000 kr.

Samlet likviditetskrav til finansiering således opgjort til **579.400 kr.**

Du må meget gerne lige gå det igennem og fortælle mig om du er enig i opgørelse af finansieringsbehovet.

Hvis du er det, synes jeg vi skal se på hvordan vi løser det aktuelt og ser på hvordan efterfinansieringen skal skrues sammen.

Giv mig et kald eller en mail i næste uge.

God weekend

Hej Carsten

Jeg har kigget på tallene vedr. swappen og har også en forklaring til dig.

Rentebeløbet på swappen beregnes og afdregnes hvert halve år på baggrund af en ny restgæld – og ikke hvert kvartal som på lånet. Det betyder at den rentebetaling for swappen, som du har skrevet på 71.122,07 kr. dækker perioden fra 1.7.2011 til 31.12.2011 og ikke kun 1.10.2011 til 31.12.2011

Hvis du korrigerer for det får du en samlet rentebetaling pr. 31.12.2011 på 55.896,65 kr. Det ligner lidt mere det, du også selv kommer frem til (51.790,17 kr.)

1

Formul Satt løy er  
 OPTYGT  
 Og SwarP 16-07-06  
 en APKT,

Årsagen til, at der alligevel er en difference er at det bagvedliggende lån blev ændret til et x1 lån mod tidligere cibor6 EFTER vi havde oprettet renteswassen. Det giver en mindre forskel i renten som du modtager fra Jyske Bank ift. den rente du betaler til Nykredit.

Derudover er der selve den værdi som renten beregnes på baggrund af. Du afvikler som sagt også på swassen, men her sker afviklingen halvårligt, mens du på lånet afvikler hvert kvartal. Det betyder ikke så meget, men bidrager alligevel til at der kommer nogle små udsving. Bl.a. var restgælden jo større i 3. Kvartal end den du har for 4. Kvartal, og dermed var renteudgiften også lidt større for 3. kvartal end for 4.

Kære Carsten

Som det fremgår af brevet (som jeg har vedhæftet igen), kan jeg på vegne Nykredit Realkredit A/S oplyse, at vi ikke i vores system har en registrering om, at vi på dine vegne har hjemtaget et obligationslån i 2008 på kr. 4.328.000, eller at dette skulle være udbetalt til Jyske Bank.

I know very well that this may seem bad, but what I want to present in total is far more bad, which the police, the Danish Financial Supervisory Authority, several judges and other authorities have either covered up or chosen to stick their heads in the ground and refuse to deal with Jyske Bank should have revoked the bank's license to conduct banking business in Denmark.

Appendix K. S.3-5. Lund Elmer Sandager presents this annex as agreed 10-07-2008, and withholds information that it is from 19-05-2009

**Since Lund Elmer Sandager on 10 September 2015, for Jyske Bank, chooses to present false and manipulated information, i.e. false documents, and at the same time claims that an interest rate swap has been made for an underlying loan, and denies that Jyske Bank has withheld information, Laver Lund Elmer Sandager by Philip Baruch Forgery of documents and lying to the court.**

**This is a fact, and it is also a fact that the Danish authorities have to date refused to investigate Jyske Bank, in order to cover up Jyske bank's crimes.**

Appendix 43. submitted. Reply 10-09-2015. Note pages 4 and 5. Which is presented to both Rødstenen lawyers. As well as Lundgren's lawyers, who we have found evidence of were disloyal and incompetent when they worked for Jyske Bank. Why did Lundgren's lawyers not present the plaintiff's submissions that there was no meeting on 3 April 2008.

6.2 Aftalelovens § 30

I forhold til det af Storbjerg Erhverv anførte omkring aftalelovens § 30 vedrørende svig, forstår Jyske Bank indsigelsen således, at Jyske Bank skulle have undladt at oplyse Storbjerg Erhverv omkring de negative sider ved renteswapaftalerne, som er anført under mangel 1-5 i stævningen.

*Moget være banken har løjset hele vjen*

Overordnet bestrides det, at der skulle være tilbageholdt oplysninger og udvist svig i forbindelse med renteswapaftalens indgåelse, og der henvises i den forbindelse til det ovenfor anførte under afsnit 3.4 omkring Storbjerg Erhvervs viden og erfaring med produktet.

Storbjerg Erhverv bærer bevisbyrden for, at der skulle være udvist svig, hvilken bevisbyrde ikke er løftet, idet det bestrides, at der gælder en lempet bevisbyrde. *Skal fremkøses*

Jyske Bank har oplyst om alle væsentlige forhold vedrørende renteswapaftalen, ligesom Jyske Bank ikke har undladt at svare på eventuelt fremsatte spørgsmål fra Storbjerg Erhverv.

*Er blevet nægtet svar på omfanfanter os svap  
16/10/08  
Vi er vort*

Det bestrides, at Jyske Bank derved skulle have fortjet oplysninger. Det bestrides tillige, at Jyske Bank vidste eller burde have vidst, at undladelsen af at oplyse de anførte ulemper, kategoriseret under mangel 1-5, skulle have fremkaldt en vildfarelse hos Storbjerg Erhverv om produktets økonomiske struktur og betydning.

Endvidere bestrides det, at Jyske Bank skulle have fortjet oplysningerne med det formål at tilskynde en aftale med Storbjerg Erhverv, hvilket er en forudsætning for, at en viljeserkæring kan bortfalde som følge af svig. Som bekendt var kontaktet til Jyske Bank afledt af, at Storbjerg Erhverv ønskede finansiering af byggeriet. *Der findes intet her*

6.3 Aftalelovens § 31

I forhold til det af Storbjerg Erhverv anførte omkring aftalelovens § 31 vedrørende udnyttelse, forstår Jyske Bank indsigelsen således, at Jyske Bank skulle have udnyttet Storbjerg Erhvervs manglende indsigt omkring renteswapaftalens økonomiske struktur og betydning henset til, at ordene "manglende indsigt" er understreget i afsnittet.

Det er en betingelse for anvendelsen af aftalelovens § 31, at der består et underlegenhedsforhold mellem parterne, at det er denne position, som bevirket, at løftet bliver afgivet, og at løftemodtageren har udnyttet dette forhold, herunder, at udnyttelsen er utilbørlig.

Overordnet bestrides det, at der består et underlegenhedsforhold, og at Jyske Bank skulle have udnyttet Storbjerg Erhvervs manglende indsigt i renteswapaftalens økonomiske struktur

Det samlede risikobeløb er IKKE udtryk for kundens maksimale tabsrisiko. Kunden hæfter for enhver indgået handel, uanset at maksimum for de enkelte risikorammer og/eller det samlede risikobeløb bliver overskredet. Det samlede risikobeløb kan som følge af kursudviklingen blive væsentligt overskredet. Kunden hæfter for ethvert tab uanset størrelse.

Det samlede risikobeløb og risikorammerne er beregnet ud fra bankens opgørelsesprincipper og forudsætninger. Banken kan uden varsel ændre opgørelsesprincipper og forudsætninger."

Yderligere fremgår det nederst på samme side omkring det urealiserede netto tab ved henholdsvis gul eller rød risikogrænse, at:

"\* Det urealiserede netto tab fremkommer ved, at der hver bankdag beregnes en markedsværdi af hver enkelt handel. Markedsværdien beregnes som den værdi, den enkelte handel kan realiseres til ved handel i markedet under normale markedsændringer. Hvis værdien er negativ for kunden, er der tale om et urealiseret tab. Hvis værdien af samtlige handlers urealiserede tab og gevinsten lagt sammen giver et negativt beløb, er der tale om et urealiseret netto tab."

Det fremgik således udtrykkeligt af aftalen, at Storbjerg Erhverv kunne risikere at lide betydelige tab, ligesom tabene ikke var begrænset til det i aftalen anførte samlede risikobeløb.

*Bilag Y  
Kun Hvis Projekt 1 og Løn blev til Nogen*

Foruden aftalen om handel med afledte finansielle instrumenter af 10. juli 2008 indgik parterne yderligere 2 aftaler om handel med afledte finansielle instrumenter, henholdsvis den

11. maj 2009, jf. bilag 3, og den 28. oktober 2010, jf. bilag 4.

*Bilag A6 JB oplyser at tilbud og ParceBrev er Bortfaldet*

Som det fremgår af bilag 3 var det samlede risikobeløb ændret fra kr. 1.650.000 til kr. 1.800.000, ligesom henholdsvis gul og rød risikogrænse var ændret fra kr. 396.000 til kr. 756.000 for den gule risikogrænse, og for den røde risikogrænse var den ændret fra kr. 643.500 til kr. 1.008.000.

Som det fremgår af bilag 4 var det samlede risikobeløb ændret fra kr. 1.800.000 til kr. 2.100.000, ligesom henholdsvis gul og rød risikogrænse var ændret fra kr. 756.000 til kr. 1.197.000 for den gule risikogrænse, og for den røde risikogrænse var den ændret fra kr. 1.008.000 til kr. 1.491.000.

*Hvor intet ligner denne dato.*

Til opfyldelse af opfordring i fremlægges undørskrevne dokumenter, sikkerhedsstillelse af 10. juli 2008, **bilag F**, kautionserklæring af 11. maj 2009, **bilag G**, sikkerhedsstillelse af 11. maj 2009, **bilag H** og sikkerhedsstillelse af 30. december 2009, **bilag J**. Storbjerg Erhverv har som bilag 17 fremlagt 2 rentefølsomhedsberegninger, som ikke ses at vedrøre nærværende sag, idet beregningerne er fra den 16. marts 2007, ligesom hovedstolen ikke stemmer overens med hovedstolen i renteswapaftalens. Storbjerg Erhverv **opfordres**

**And this is just one example of the many criminal circumstances that show how Lund Elmer Sandager and Jyske Bank work, which I want to present to the National Bank and then to the Prime Minister of Denmark, whoever it may be, and right now it is Mette Frederiksen.**

**I am inserting here some annexes, they show that Jyske Bank is in bad faith as the bank commits fraud, forgery of documents and misappropriation of annexes.**

**Since 2013, I have requested Jyske Bank to have access to all documents, which Jyske Bank has refused me, again Jyske Bank is doing this so that I may not discover that I have never borrowed the DKK 4,328,000 that Jyske Bank has started 2**

**I would like to encourage both the national bank's management and board to familiarize themselves thoroughly with Jyske Bank's business methods and how Jyske Bank works to cheat and deceive their customers.**

**Therefore, read the entire case EXTRACT to the district court November 2021.**

**Use the link and see that Jyske Bank 5 November 2018 presents some of the annexes I have been asking for insight into since 2013.**

**Jyske Bank has made several cases of attachment manipulation, in order to hide the truth and keep the customer in a state of confusion.**

**Jyske Bank will therefore not present annexes until October 2021, that ther are 2 interest rate swaps, as Jyske Bank have been made, / interest rate swaps of DKK 4,328,000 for the loan of DKK 4,328,000 which Jyske Bank lied by several employees about while I as a customer was critically ill after my brain hemorrhage that was 2.5 Cm.**

**Subsequently, I could not remember and was an easy victim for Jyske Bank who chose to expose me to exploitation, misrepresentation and fraud.**

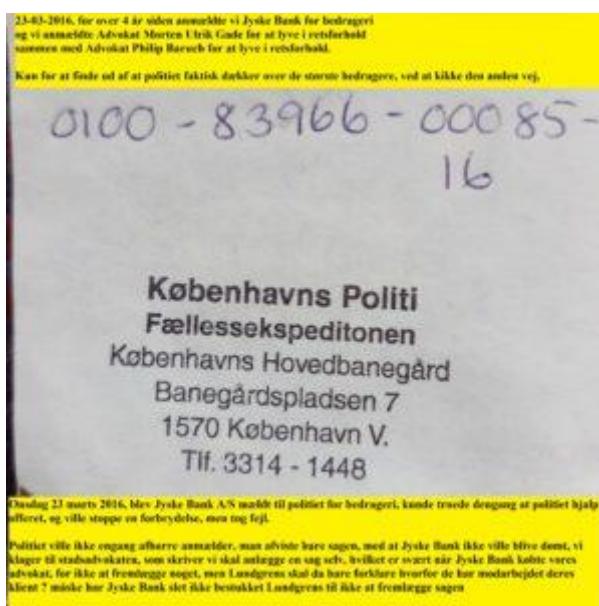

**I want to say straight away that Jyske Bank A/S is very cunning when the bank chooses to expose their customers to organized fraud.**

**And if CEO Anders Christian Dam does not believe that Jyske Bank A/S is behind organized fraud against me and my company.**

**Then Jyske Bank A/S and CEO Anders Dam should just report me to the police for libel, so that the police can investigate my claims and evidence, the police should be welcome to that.**

**The police, who have refused to investigate my allegations with evidence against Jyske Bank, may want to investigate if Jyske Bank makes a report.**

**I allow myself to refer to the complaint against Jyske Bank A/S from 2016, which was flatly rejected. and that without talking to me.**

Are the police and the state prosecutor covering up the fraud of Danish banks, it looks like this-

**You can of course work out for yourself that Jyske Bank wanted to hide the bank's fraud.**

**Jyske Bank has made 2 swaps at this time. interest rate swap agreements if I want to take home the loan from the offer of DKK 4,328,000. of 20-05-2008, Appendix Y. which I therefore discard.**

## Bilag 68. side 1.

Til  
Jyske Bank / Advokater / Bestyrelse

25/5 2016

I forbindelse med at Lund Elmer Sandager for Jyske Bank ønsker at få af politi anmeldelsen, kan jeg ikke lade være med at tænke.

Politi anmeldelsen er jo helt grundløs, så hvorfor bruge tid på at ville se den.

I det jeg jeg skal henvisse til mine mange skriv, med opråb til Jyske Bank om hjælp til forståelse, på forklaring om Jyske Banks forretnings metoder, om ønsker for åbenhed og se de bilag banken har lavet. og lån der er oplyst hjemtaget, og derefter omlagt.

Har jeg bet om indsigt, siden 2013 hvor jeg opdaget der var noget der var forkert.

Jyske Bank har på ingen måde ønsket, at give mig akt indsigt.

Jyske Bank har på ingen måde vist, at ønske en dialog, som Morten Ulrik Gade bekræfter 26/4 27/4 og 23/5 for at nævne et par datoer. Banken har ikke nogle kommentar, til mine breve. og at anmeldelsen er helt grundløs.

Jyske Bank ønsker ikke at afvise min påstand, om at jeg ikke har har hjemtaget noget underliggende lån, til nogle swap, som Jyske bank har bildt mig ind.

Har Skrevet til jeres Dirktør Anders Christian Dam og oplyst ham at Jyske Bank jo bare kunne tage et gebyr på 250.000 kr. bare for at dokumenter 2 påstande i min anklage.

Har skrevet dem så mange gange, så i ved om hvad.

Dirktør Anders Christian Dam, lader Morten Ulrik Gade besvare, mine breve, selv om han som Dirktør, bør vide at Morten er politianmeldt for medvirken, til at kunne fortsætte, det anmeldte bedrageri.

Anders Christian Dam, / bestyrelsen skal have besked, at banken er anmeldt / anklaget for bedrageri af mig, og at bedrageriet bliver forsat, selv efter banken er oplyst om det.

**JEG HAR IKKE HJEMTAGET NOGET UNDER LÆGGENDE LÅN kr. 4.328.000 i Nykredit tilbudet er 20/5 2008**

**JEG HAR IKKE LAVET AFTALE om W015785999 15/7 2008**

**Denne her er lavet 16/7 2008 af jyske bank selv, uden nogen form for, samtale eller på anden måde at have fået en accept.**

Jeg har derimod godkendt W015776999 15/7 2008 rente låst tilbuddet den dag hvor Jyske Bank ringede mig op om jeg ikke ville fastlåse renten i låne tilbuddet.

**Jeg får tilsendt en aftale 15/7 2008**

Jeg har skrevet til Jyske bank mange gange, at jeg ikke ønskede at fører sagen i retten, jeg har tilbuddt at sagen kunne forliges, og tilbuddt at kunne undlade at lade Jyske Bank politi anmeldte, hvis jyske bank var interesseret. dette var Jyske Bank jo ikke, hvilket stemmer godt overens med brevet 26/4 2016 at anmeldelsen er helt grundløs.

Philip Baruch og Morten Ulrik Gade er blevet anmeldt for at tilbageholde beviser i sagen, således bedrageriet kunne fortsætte, er vel også helt grundløs.

Jyske Bank tilbageholder stadig den dokumentation, for lånets hjemtagelse, og udbetaling af lånet, samt lader faktuelle oplysninger forsvinde, som hvilket rente swap blev aftalt 15/7 og sendt 15/7 2008 swappen til det underliggende låne tilbud af 20/5 2008

Jyske Bank har valgt hvordan de ønsker at skabe overskud, hvilket er blevet et tab for mig.

## Appendix 1. Page 1/5. SWAP W015785

The main claim is that it was made by Jyske Bank itself 16-07-2008 by Jyske bank without agreement, and is therefore FALSE.

The applicant has approved a swap W 015776. 15-07-2008 Appendix E. Page 4 and 5. but only if the offer 4,328,000 Appendix Y. was taken home.

Although Jyske bank has lied on the underlying loan of 4,328,000 following the offer Appendix Y. DKK in Nykredit as both taken up as Appendix 29 and restructured Appendix D. Appendix 30. Nykredit here states that no loan of DKK 4,328,000 has existed in Nykredit

The main claim is that it was made by Jyske Bank itself 16-07-2008 by Jyske bank without agreement, and is therefore FALSE.

The applicant has approved a swap W 015776. 15-07-2008 Appendix E. Page 4 and 5. but only if the offer 4,328,000 Appendix Y. was taken home.

**Swap Appendix 1. of DKK 4,328,000 as Jyske Bank since 30-12-2008. has raised 5.32% in interest from.**

**And as Jyske Bank by Lars Aaquest in the district court before judge Søren Ejdum in November 2021, even very clearly confirms that the swap Annex 1, of DKK 4,328,000 is made for the loan Annex Y.**

**Lars Aaquist points to the annex Annex 1 and confirms to the court that the swap Annex 1 was made for the loan Annex Y.**

**Here, the Danish courts show themselves to be from a very boring side. Because when Judge Søren Ejdum from the referee fails to write what Lars Aaquist has confirmed, that the swap of the DKK 4,328,000 was made for the offer of the DKK 4,328,000 Appendix Y.**

**And the judge Søren Ejdum himself invents and inserts a text that the witness Nicoli Hanssen did not say, so they clearly show that victims of banks' frauds are lawless. which Supreme Court judge Kurt Rasmussen has put a thick line under,**

**I would like to run for the Ministry of Justice and explain why I say that Judge Søren Ejdum and Kurt Rasmussen must be corrupt.**

**The Minister of Justice has earlier refused to engage in dialogue, and referred to the Danish Financial Supervisory Authority, which also covers Jyske Bank's crimes, by refusing to investigate the matters I have reported.**

Hej Carsten

Nu har jeg fået set på tallene **og på de lån der er i dag.**

Du skal selvfølgelig tage det hele med forbehold for, at jeg har forstået budgettet rigtigt, og at der er en ubekendt f.s.v. angår renten:.

Jeg har forsøgt at opstille dit resterende finansieringsbehov nedenfor:

Mangler at betale ca.	2.250.000 kr.
- El, som du selv finansierer	318.000 kr.
- Moms som du kan få retur nu, ca.	600.000 kr.
= <b>Aktuelt finansieringsbehov</b>	<b>1.332.000 kr. (Er du enig i dette?)</b>
- Moms for resterende regninger, ca.	450.000 kr.
- Deponeret til Stark, frigesives	200.000 kr.
= <b>Lån</b>	<b>682.000 kr. (Er du enig i dette?)</b>

Hvis lånet skal finansieres i Jyske Bank kan det gøres over 10 år. I nedenstående opgørelse er der regnet med et lån på 700.000 kr.

Din låneoversigt:	
<b>Nykredit</b>	<b>4.328.000 kr. Cibor 6, aktuelt ca. 1,7 % + bidrag 0,8 %</b>
Prioritetslån	2.400.000 kr. Var. 3 mdr. rente, aktuelt 2,1 %
Erhvervslån	700.000 kr. Var. rente, anslætt 7,25 %
Fastrentebytte	4.328.000 kr. Fast rente 5,32 %

Renteudgifter 2010:	
Nykredit	34.000 kr. (alene bidrag 0,8 %)
Prioritetslån	50.400 kr. (ved uændret rente)
Erhvervslån	50.000 kr. (ved uændret rente)
Fastrentebytte	225.000 kr. (den variable rente på Nykreditlån opvejes af rentetilskud i fastrentebytten)
<b>Renteudgifter i alt</b>	<b>359.400 kr.</b>

Derudeover kommer afdrag på anslætt 170.000 kr. på Nykreditlånet + 50.000 kr. på erhvervslånet = 220.000 kr.

Samlet likviditetskrav til finansiering **således opgjort til 579.400 kr.**

Du må meget gerne lige gå det igennem og fortælle mig om du er enig i opgørelse af finansieringsbehovet.

Hvis du er det, synes jeg vi skal se på hvordan vi løser det aktuelt og ser på hvordan efterfinansieringen skal skrues sammen.

Giv mig et kald eller en mail i næste uge.

God weekend

Jyske bank claims customer has borrowed DKK 4,328,000 in Nykredit was presented by Lundgrens, without annexe list or explanation, the customer has instead submitted Annex 29.A

This he read, and the client in Jyske bank, have even had to submit their final defense, after their own lawyer has been fired, on grounds of suspicion of accepting Return Commission from Jyske bank, against not submitting the client's claims.

Law firm Lundgrens Dan Terkildsen has said that Lundgrens has not accepted bribes After the client 28-10-2019 in court has submitted allegations that Jyske Bank appeared to have bribed Lundgren's lawyers, which Lund Elmer Sandager denies, claiming that bribery severely distances Jyske bank.[/caption]

Den 18/10/2016 kl. 14.32 skrev Mette Egholm Nielsen <mette@nykredit.dk>:

Kære Carsten

Som det fremgår af brevet (som jeg har vedhæftet igen), kan jeg på vegne Nykredit Realkredit A/S oplyse, at vi ikke i vores system har en registrering om, at vi på dine vegne har hjemtaget et obligationslån i 2008 på kr. 4.328.000, eller at dette skulle være udbetalt til Jyske Bank.

Det mener jeg er et klart svar på dit spørgsmål.

When Jyske bank claims a customer has borrowed DKK 4,328,000 in Nykredit Annex 29A and the court has claimed this underlying loan for a swap, has been changed. Appendix D.

Then it is strange that Nykredit refused to answer whether this alleged loan was DKK 4,328,000 until after Nykredit was summoned and we were granted a meeting.

Only then does Nykredit admit Mette Egholm Nielsen that Jyske bank is lying.  
And there is no loan of DKK 4,328,000 in Nykredit

Since 19 May 2016, when this email from 18 May was forwarded to CEO Anders Dam  
Has the bank been able to intervene and stop the bank's million dollar fraud against customers.

Har skrevet dem så mange gange, så i ved om hvad.

Dette er sendt dirækte til ledelsen og CEO Anders Dam 25 maj 2016  
At jyske bank nægter at svare, men istedet fortsætter at hæve penge  
for et lån der ikke findes, gør kun sagen ekstra GROV.

Dirktør Anders Christian Dam, lader Morten Ulrik Gade besvare, mine breve, selv om han som Dirktør, bør vide at Morten er politianmeldt for medvirken, til at kunne fortsætte, det anmeldte bedrageri.

Anders Christian Dam,/ bestyrelsen skal have besked, at banken er anmeldt / anklaget for bedrageri af mig, og at bedrageriet bliver forsat selv efter banken er oplyst om det.

tilbudet er 20/5 2008**

**JEG HAR IKKE LAVET AFTALE om W015785999 15/7 2008**

Denne her er lavet 16/7 2008 af jyske bank selv, uden nogen form for, samtale eller på anden måde at  
have fået en accept.

Jeg har derimod godkendt W015776999 15/7 2008 rente låst tilbudet den dag hvor Jyske Bank ringede  
mig op om jeg ikke ville fastlæse renten i låne tilbudet.

Jeg får tilsendt en aftale 15/7 2008

CEO Anders Dam just laugh at us

In 2016, we succeeded in discovering that we might be exposed to some kind of fraud in Jyske bank,

And of course we just ask Jyske Bank to document that Jyske bank has clean flour in the bag.

Or that Jyske Bank rectify  
the email is from 25-05-2016 and

until now 30 August 2022. Jyske bank has refused to communicate with us.

CEO Anders Dam refuses to answer and stop fraud against us customers, which is a problem when the Danish state chooses to cover up Jyske Bank's fraud.

**It is very clear that there is fraud on the part of Jyske Bank, and this has been carried out deliberately, and in bad faith even CEO Anders Christian Dam has hidden the fact that there was no loan of DKK 4,328,000 to swap. interest of.**

<sup>1)</sup> Renten er beregnet ud fra den aktuelle obligationsrente og ændres som udgangspunkt ved hver renteregulering.

<sup>2)</sup> Ydelsen er beregnet som et gennemsnit, hvor ydelsen efter første renteregulering er baseret på Nykredits aktuelle renteforeventning på 4,9681% p.a.

<sup>3)</sup> Den effektive rente er beregnet ud fra den aktuelle obligationsrente og ændres som udgangspunkt ved hver renteregulering.

I den effektive rente ekskl. omkostninger i procent er indregnet kurstab/kursgevinst ved salg af obligationer samt bidrag.

Beregningerne er baseret på kurserne den 19. maj 2008.

Forudsat Nykredits accept, kan der dog inden for lånets løbetid bevilges afdragsfrihed i en eller flere perioder i overensstemmelse med den til enhver tid gældende lovgivning. Når afdragsfriheden ønskes, er det tillige en forudsætning, at låntager ikke har eller har haft restancer overfor Nykredit eller er registreret i RKI, ligesom der ikke må være tinglyst udlæg i låntagers ejendom.

Tilbudskurset er foreløbig og 0,10 kurspoint under den officielle gennemsnitskurs på OMX Den Nordiske Børs København den 19. maj 2008. Kursen fastsættes først endeligt ved indgåelse af Fastkursaftale eller på lånets udbetalingstidspunkt. Ändring i kurset har for kontantlån indflydelse på de fremtidige ydelser og for obligationslån på provenuet.

Vi gør opmærksom på, at der i beregningerne ikke er taget højde for en eventuel beskatning af kursgevinsten.

Lånets rente reguleres hvert halve år. Rentereguleringen sker på baggrund af Nationalbanken dagligt noterede 6 måneders Cibor rentesats (Copenhagen InterBank Offered Rate) den 5. sidste bankdag i henholdsvis juni og december. Rentesatsen tillægges 0,0000 procentpoint og ganges med 365/360 som følge af forskelle i renteberegningsmetoder. Denne rentesats gælder med virkning fra 1. januar og 1. juli og de efterfølgende 6 måneder.

Rentesatsen kan beregnes på anden måde ved refinansiering.

Lånets rente bliver oplyst på terminsopkrævningen, ligesom rentesatsen kan ses på [www.Nykredit.dk](http://www.Nykredit.dk).

Lånet tilbydes med en individuel bidragssats, der gælder indtil videre. Læs mere om bidragssatsen i Långuiden.

**Særlige bestemmelser**

**Vilkår for lånet**

For lånet gælder Nykredits til enhver tid gældende vedtægter, lånevilkår samt almindelige forretningsbestemmelser for realkreditlån. Debitor har sammen med lånetilbuddet modtaget et eksemplar af de på tilbudstidspunktet gældende almindelige forretningsbestemmelser for realkreditlån.

Pantebrevet kan ligge til sikkerhed for lån finansieret ved udstedelse af særligt dækkede obligationer eller særligt dækkede realkreditobligationer.

Lånet kan derfor blive udbetalt i en anden serie end anført på pantebrevets forside.

**Debitors hæftelse**

Debitor hæfter over for Nykredit såvel med det pantsatte som personligt for lånet.

**Betalinger på lånet**

Lånets afdragsform er anført under "Rente- og betalingsvilkår".

Forudsat Nykredits accept, kan der dog inden for lånets løbetid bevilges afdragsfrihed i en eller flere perioder i overensstemmelse med den til enhver tid gældende lovgivning. I de perioder, hvor der ikke er afdragsfrihed, tilbagebetales lånet som annultelslån.

Lånets restgæld forfalder til fuld betaling i lånets sidste termin, og restgælden kan højst udgøre summen af de ikke betalte afdrag i de afdragsfrie perioder.

Debitor er, indtil lånet er fuldstændigt afviklet, forpligtet til at forrente og afdrage lånet samt betale bidrag ved kontant til indbetalte ydelerne i overensstemmelse med vilkårene for lånet. En ordinær terminsydelse består af rente, afdrag og bidrag. Renten beregnes af den til enhver tid værende restgæld.

Lånets rente reguleres halvårligt. Rentereguleringen sker med udgangspunkt i Nationalbankens dagligt noterede 6 måneders CIBOR rentesats (Copenhagen InterBank Offered Rate) den 5. sidste bankdag i henholdsvis juni og december. CIBOR rentesatsen den pågældende bankdag tillægges 0,0000 pct. point og multipliceres derafter med 365/360 som følge af forskelle i rentekonventionen. Den således fastsatte rentesats vil være lånets rente for de efterfølgende 6 måneder med virkning fra en 1. juli og 1. januar, jf. dog nedenfor om udbetaling af lånet. Om

- Here Jyske bank raises a guarantee against Nykredit 16-04-2009, for a loan of DKK 4,328,000 that does not exist, an offer that has expired and thus lapsed, which Nykredit makes very clear to Jyske Bank in Bilag AG. page 4/6 on 06-05-2009.

- That Jyske Bank chooses to lie to the client who is very ill after a Brain Hemorrhage, that he has both taken out the loan and subsequently repaid the loan Appendix D. and Jyske bank chooses by Philip Baruch to continue lying about it to the court, is outright disgusting. If - Jyske Bank and Lund Elmer Sandager are not in bad faith, disbelief. what is it then ?.

- The Jyske Bank Board of Directors is not suitable for their position.

**And here Jyske Bank then commits 2 cases of mandate fraud, by raising the loan commission for taking home a loan of DKK 4,328,000. and for a fee.**

**Jyske Bank lies that it was taken home and lied that it was transferred, just to cover up the fraud they are doing.**

Here, Jyske bank steals DKK 89,000 from a customer at Jyske bank in 2 days

The customer does not have access to the account themselves, which Jyske Bank manages themselves and can easily grab money from.

The customer who trusted that Jutland Bank was honest and not a criminal bank that steals from the till by mandate fraud.

But when a Jutland bank one day steals DKK 66,000.

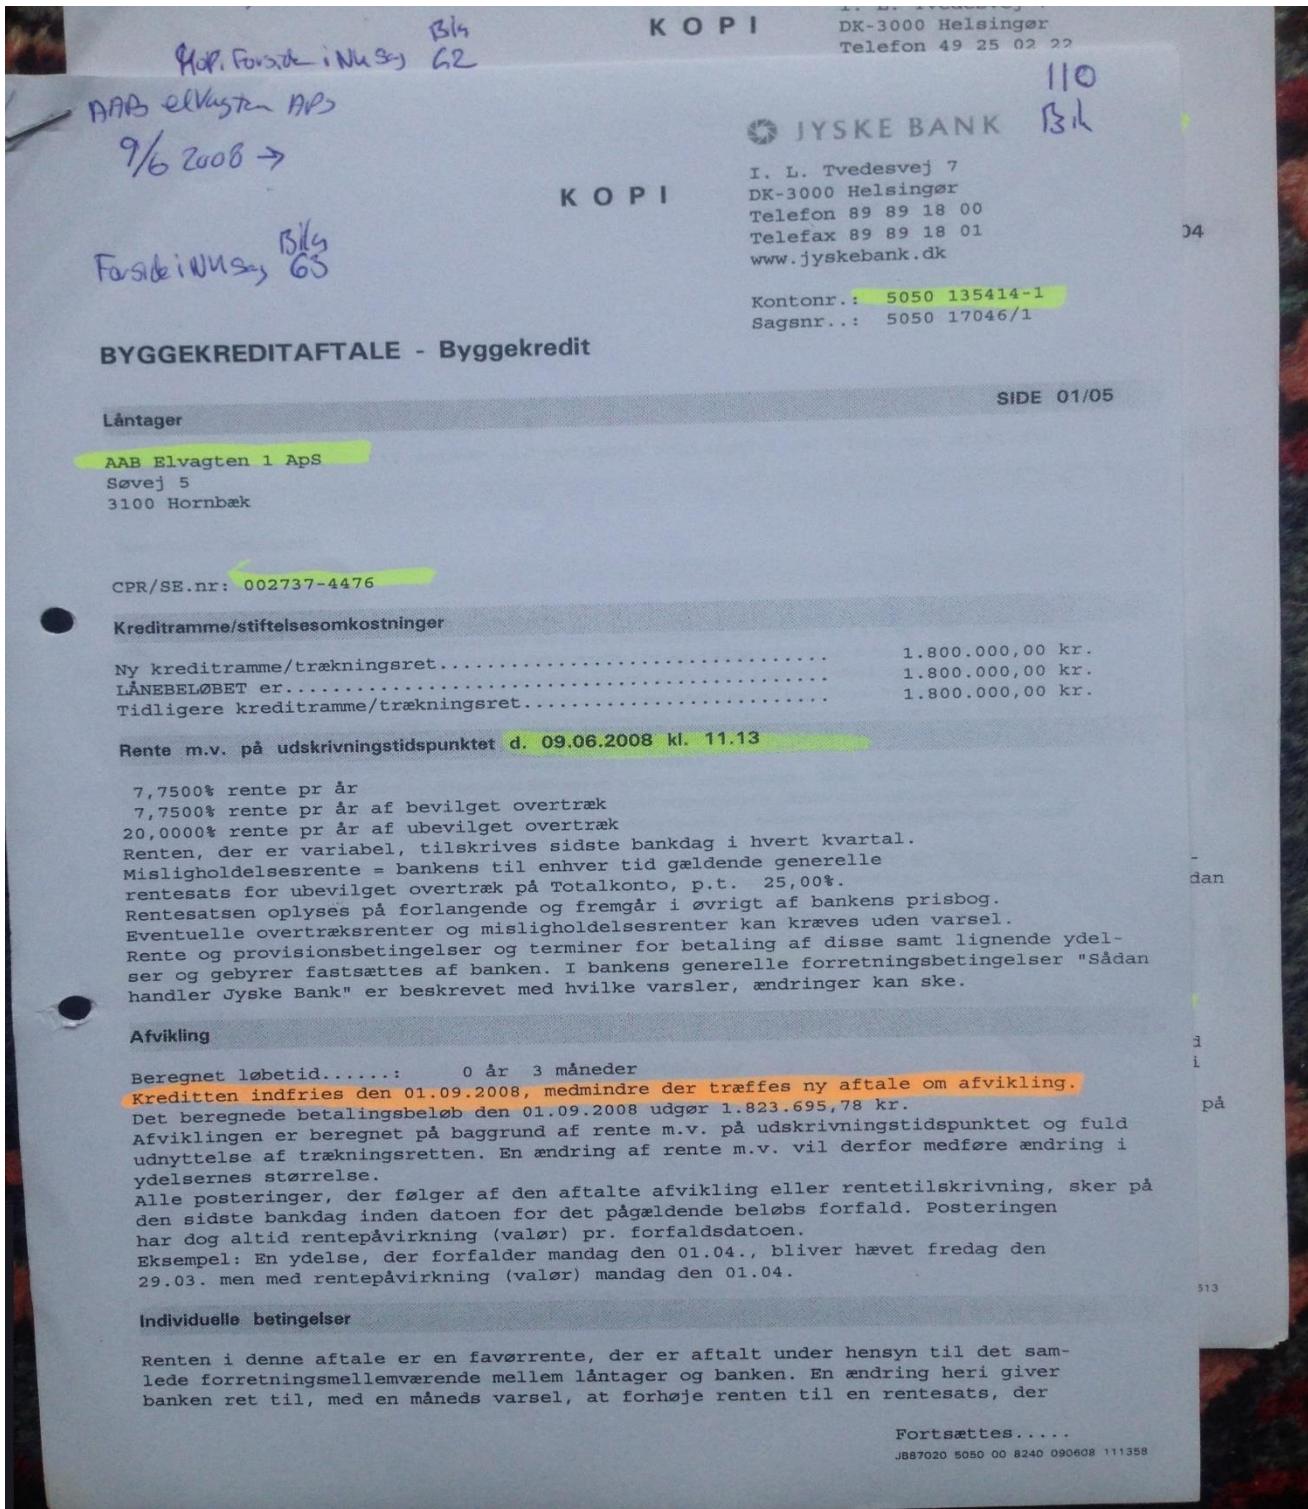

And Jyske bank another day steals DKK 23,000 from a victim / customer at Jyske bank

Jyske bank lies loan offer from Nykredit, which was taken home, and Jyske bank continuously lies about the existence of a large loan of DKK 4,328,000 in Nykredit it is unsafe that Denmark's banks lie to steal their customers' money

It is unsafe that lawyers from Lund Elmer Sandager lie to disappoint in legal matters.

**And here Jyske Bank creates the same account number for 2 different companies both simultaneously and overlapping, and moves debts around between companies without agreements or other power of attorney.**

#### Appendix 110 and appendix 111 in the case against Jyske Bank

Jyske bank, combines account and credit for several companies talking about account 5050 1354141 but click on pictures, appendix 111 / Picture still talking about account 5050 1354141 there are 2 companies company, one that already has the same account number, and one credit. this debt credit moves Jysk bank without some with customers in the 2 companies, so at some point, between the companies, it looks like something that just said about Jyske bank in the newspaper

**There are of course many more punishable and dishonorable circumstances, for which I will present documentation to Denmarks Nationalbank and then to the State Ministry.**

please note that not all attachments here have the attachment numbers presented in the case, as I have been fighting to get the evidence presented since 2016, which only succeeded after First Rødstenen's lawyers were out, and then Lundgren's lawyers were thrown out, before in 2020 I found an honorable lawyer.

**I suspect that Casper Dam Olsen and Anette Kirkeby sent me as Jyske Bank's customer to liquidation in 2013, without me being in arrears, or sent to debt collection for non-payment, only so that I would not have to survive Jyske Bank's fraud, and this liquidation should prevent me from discovering Jyske Bank's many fraudulent relationships.**

### Aftale omkring afvikling af dine konti i Jyske Bank

Som jeg tidligere har skrevet til dig på mail, er det meget vigtigt,  
at vi får lavet en aftale omkring afvikling af dine konti i Jyske  
Bank.

For at sikre Jyske Banks interesser, jeg her 2 salgsfuldmagter til  
underskrift på ejendommene Bybjergvej 43 og Søvej 5.

Du skal underskrive fuldmagterne i overværelse af vitterligheds-  
vidner, der skal bekræfte din underskrift. Der er vedlagt svarku-  
vert til returnering af de underskrevne fuldmagter.

Din hustru skal underskrive salgsfuldmagten på ejendommen  
Søvej 5.

Samtidig skal jeg modtager dit forslag til afvikling af dine konti:

5050 1513712	saldo 430.076,05 kr.
5050 1354067	saldo 2.399.588,99 kr.
5050 1432988	saldo 105.000,00 kr.

Udover de nævnte konti, er der også et mellemværende vedrøren-  
de aftalen om renteswap.

Jeg har brug for yderligere oplysninger om:

- En opfølgningspå hvordan det går med at få inddrevet hus-  
lejerestancerne på Bybjergvej
- Hvordan gik din snak med ejendomsmægleren, blev du  
klogere på, hvad der skal til for at få ejendommen solgt?
- Hvor stor en andel af Bybjergvej er udlejet?

Appendix 74.A 18-06-2013.

Attempt submitted 28-12-2018 as Appendix 61.

Jyske Bank has at Jyske Bank Helsingør, where several in 2021. are employees of Jyske Bank  
Hillerød.

Birgit Buch Thuesen, the green butcher in Silkeborg, now liquidates the customer.

The customer whom the Jyske Bank group, at least with the help of Nicolai Hansen, Casper Dam  
Olsen and Jeanett Kofoed-Hansen, has exposed to fraud, through the use of forged documents, and  
in violation of the Land Registry Act.

I would like to encourage both the national bank's management and board to familiarize themselves thoroughly with Jyske Bank's business methods and how Jyske Bank works to cheat and deceive their customers.

**Therefore, read the entire case EXTRACT to the district court November 2021.**

This is just a little of the exploitation and the many criminal matters that Jyske Bank A/S is behind, which is described in more detail in procedural documents 3, 4 and 5.

**Processkraft 3. 04-05-2020.**

**Processkraft 3. 27-12-2019. forløbet. fremlagt 04-05-2020. som Bilag 169.**

**Processkraft 4. 23-12-2020.**

**Processkraft 5. 14-10-2021.**

And even this, judge Søren Ejendum thinks, has no significance, i.e. it is the customer's own responsibility to discover and stop a bank's fraudulent behavior and fraud within 3 years, otherwise the bank, here Jyske Bank, must keep what Jyske Bank A/S has stolen by crime from the customer.

**This is not what is stated in the Act, but when corruption has taken hold in the Danish courts, the victims can do nothing.**

Jyske Bank makes false document to commit organized fraud.

**I would also like to present that Jyske Bank has also violated the law by having made.:**

**Jyske Bank A/S has made exploitation.**

**Jyske Bank A/S has made several cases of mandate fraud.**

**Jyske Bank A/S has misled the bank customer so that Jyske bank could cover up the bank's fraud.**

**Jyske Bank A/S has misused the lapsed power of attorney.**

Dan Terkildsen.  
Hej Emil

Storbjerg Erhverv ApS imod Jyske Bank A/S.

Vores sag skal fremlægges efter vores påstande, om svigagtig optræden, og Falsk.

Skrev et par sms'er til dig 23-08, og bad dig bekræfte, du svarede ikke.

- Skrev at der ikke måtte fremlægges noget Påstandsdocument til retten, uden vi først har godkendt dette, hvilket var for at sikker os, at alle vores påstande er medtaget.
- Skrev også der nok var omkring, 40 forhold af svigagtighed, eller svigagtig optræden i vores påstand, som alle skal medtages i vores påstandsdocument.

Når vores kladde til påstandsdocumentet er færdig, er den at forstå som vores påstandsdocument som bare skal færdiggøres.

Til jeres orientering knokler vi for at vinde denne sag, efter at jyske bank har lavet mange forhold af svig falsk og svigagtighed, som vi også tidligere har fremlagt sagen for Mette 12-12-2018

#### SAGEN PÅSTAND ER STADIG FALSK OG UGYLDIGHED, efter aftalelovens § 11. 30. 31. 32. 33. 36.

- Dan fortalte på mødet 13-08-2019 kun at han ville fremlægge de nasty ting, under proceduren, uden at komme ind på hvad det var for nogle ting fra vores påstande, om det var svig, falsk, ond tro, udnyttelse eller andet,  
ALLE DISSE TING SKAL STÅ I PÅSTANDSDUKOMENTET, for at komme med i dommen.
- Dan bekræftede ikke nogle af vores mange svig påstande, som at vores påstande at Bilag 1. er falsk, vi er utsat for mange forhold af svig, hvilket vi har bet Dan skal fremlægge.

Dan skal fører vores sag, som det Svig og Falsk vi har bet om bliver fremlagt.  
sagen som descenderet Svig og falsk, vi skal ikke til Viborg ret, uden vores påstande er fremlagt overfor retten, som det vi mange gange har bet om.

Intet af det vi til dato har bet om at blive fremlagt, er blevet fremlagt for retten, vi beder om at blive bekræftet at Dan som vores Advokat fremlægger, vores sag, med de påstande vi har fremlagt

For at sikker os at Lundgrens Advokater ved Dan Terkildsen, fremlægge og fører vores sag, som vi siden april 2018, har fremlagt den, altså fører vores sag imod Jyske bank A/S som en descenderet svig sag, som der også er skrevet på side 2 og 26, hvor lidt af vore påstande er nedskrevet.

Det kræver en del flere bilag, at dokumentere og understøtte Storbjerg Erhvervs påstande og krav

22-31 What does the client ask Lundgren's lawyers for and what they don't do. Mail correspondence for Emil Lundgrens and the client

**After Jyske Bank bribed Lundgren's lawyers in the spring of 2018, which I discovered on 21 September 2019, it is only clear that the reason why Lundgrens did not present anything from this is from [Annex 40 of the complaint, 27-08-2019.](#)**

**Here is what [Lundgrens presents 02-09-2019. pleading 2,](#) which Lundgren's lawyers will not share or give me as a client a copy of, [even when I ask for a copy 05-09-2019.](#) Lundgrens refuses to comply with my wish, why?, because Jyske Bank has paid Lundgrens lawyers to keep me as a client out of the case.**

**But the fact that Judge Kurt Rasmussen thought it was perfectly fine and is good legal practice, it is certainly not a breach of good legal practice, to accept a bribe and keep one's client out of a fraud case against Jyske Bank.**

**And the Lundgrens also would not hand over a copy of what the Lundgrens presented to the court, which Supreme Court Judge Kurt Rasmussen says is not a breach of good legal practice.**

**And by the way, in the same High Court where Kurt Rasmussen is a judge, where the case against Jyske Bank A/S is being conducted, it is clear that my fight is not only against the criminal Jyske Bank but also against the corruption that has also infiltrated the Danish courts.**

**Therefore, the case against a criminal Danish Bank can never be won, as long as there are judges in Denmark who deliberately and dishonestly oppose justice, in order to cover up the criminal Jyske Bank.**

**You must be aware that I will not stop my fight against corruption in Denmark, simply because the Danish State has so far chosen to support Jyske Bank and cover up Jyske Bank's crimes.**

**I'm not afraid to join hands with whoever it is,  
I will meet whoever it is, and that with my  
evidence for my claims, and then it's all of you  
against little me.**

#### **Case of organized fraud carried out by Jyske Bank A/S**

**And corruption and organized crime in Denmark, which the Danish state, Denmark's National Bank and the Danish Financial Supervisory Authority as well as the government, the Ministry of Justice and many others have covered up until today.**

# **The choice is yours, deprive Jyske Bank of the right to conduct banking business, and deprive Jyske Bank of its license to conduct final business in Denmark**

**Then I don't need to meet with Denmark's national bank director Lars Rohde to make a presentation of my claims, but that requires action.**

Lundgren's lawyers are corrupt.

**Subsequently Jyske Bank A/S bought the customer's now former Lundgren's lawyers, Lundgren's lawyers hid their cooperation with Jyske Bank.**

**The above is something that I want to present documentation for to Denmark's National Bank Directors Lars Rohde, Per Callesen and Signe Krogstrup.**

I will present my documents in timeline and explain the evidence of Jyske Bank's many violations of the law.

**If Denmarks Nationalbank does not want to receive this documentation.**

**Should I please ask and request that the Denmarks Nationalbank answer my/my inquiries, as no one from Denmarks Nationalbank has responded to a single one of my inquiries to date.**

**If Denmarks Nationalbank like the 179 politicians on Christiansborg, by ignoring all my inquiries, has shown a desire to cover up the actions I write that Jyske Bank A/S is behind.**

**Sharing here some of the letters and documents that I have delivered and sent to various. political parties such as the Social Democracy S, Venstre V, Conservative People's Party C, Enhedslisten E, Socialist People's Party: SF, the Prime Minister of Denmark, the Danish Financial Supervisory Authority, the Minister of Justice, the Ministry of Justice, the Ministry of Finance, which have been sent since 2019, none of my many requests for help have been answered.**

This inquiry is not about Jyske Bank's fight for the bank to be able to keep what the bank has unjustifiably taken through the use of fraud, falsehood and bad faith, the case itself which is in the high court but is not scheduled, the plaintiffs cannot win, since corruption and cronyism is a obstacle to achieving justice in the Danish courts, which is what I want to write about in my book on corruption in Denmark, which takes place through cronyism far up in the Danish institutions and authorities.

Since I have been informed that it is political that the Police in 2016 refused to investigate Jyske Bank, and have had to state that district court judge Søren Ejdam has removed parts of witnesses' statements, as these went against Jyske bank A/S, and even Supreme Court judges such as Kurt Rasmussen is instrumental in covering up Jyske bank's crimes, by actually covering up when Jyske Bank A/S bribed Lundgrens NOT to present the client's case against Jyske bank A/S, which I have written more about in my diary [www.banknyt.dk](http://www.banknyt.dk) and many other places.

All this and how the Danish authorities and the government have chosen to see through Jyske bank's way of understanding the Danish legislation, and are actually helping to cover up Jyske Bank's fraud, strengthens me in suing Jyske Bank in the case that is [described here in the Link](#). can never win in a court of law where camaraderie is above law and justice.

<http://banknyt.dk/wp-content/uploads/2022/06/EKSTRAKT-BS-402-2015-VIB.pdf>

**My inquiry to Danish Nationalbank concerns what Jyske Bank has done and has done.**

**Which is what I want to present to Denmarks Nationalbank first, and then to the Prime Minister's Office, the Prime Minister as currently is Mette Frederiksen, who yesterday received a request to find a date when I can present the combined documentation to the Prime Minister's Office and therefore the government, a copy of the letter is attached.**

I ask the Danch Nationalbank's management and board of directors to take note of my information and act on the basis of my data and documentation, so that the Danish population of other nations must know Denmarks Nationalbank's position on banks that commit fraud and use forged documents and bribery, i.e. how the Danish State at Denmark's request that the Danske Banker should act.

**I request that you from Denmarks Nationalbank's executive board and board respond to my request for a meeting date, I am asking for a date with 6 weeks' notice, then I will probably come, it may well be that I will spend 1 hour on the presentation, and if you have any questions to the evidence, that time must be added.**

**If the Danish Nationalbank again ignores my inquiries and information about Jyske Bank A/S as described above.**

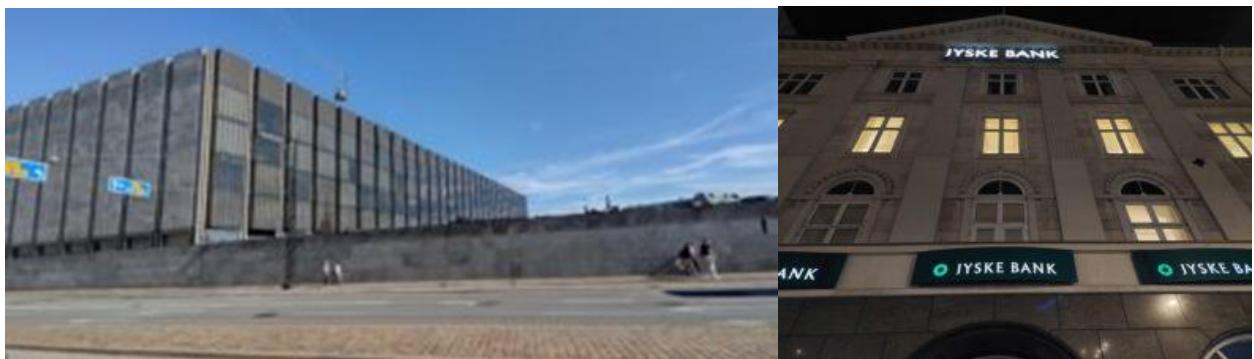

**And if the National Bank does not want to answer my request, and refuses to meet with me to get proof of my claims against Jyske A/S**

**Can the reason only be that Denmarks Nationalbank's management and board of directors, several of whom are members of the Norwegian Parliament, all want to cover up Jyske Bank A/S's many violations of the law, which is an undermining activity for a state that claims that the law is equal for all.**

**I write continuously as I want to be sure not only of the Denmarks Nationalbank's view of Danish banks that do not comply with Danish legislation, but I also want to be completely sure of the Danish Parliament's attitude to banks that violate Danish laws and regulations in large numbers.**

**At a meeting and after my presentation, Denmarks Nationalbank can decide whether I am right in some of my claims, and act accordingly.**

**Jyske Bank A/S is free to contact me on +4522227713**

**That is, if Jyske Bank A/S and the management at CEO Anders Christian believe that it is simply a matter of mistakes and misunderstandings, and would otherwise like to correct it, and ensure that it never happens again.**

**I have written this countless times to Jyske Bank's board, management, board of representatives, legal department and to Lund Elmer Sandager lawyers, who since May 2016 have ignored all my inquiries.**

**This one in particular is a call for dialogue and conversation.**

**<https://youtu.be/y7Rx6BtfIsw>**

**It is up to you all whether this advertisement for a corrupt Denmark should be written down in a book, or I should remove the funny advertisements.**

Copies of letters sent and shared here with the Danish Financial Supervisory Authority and the Danish Parliament 9 May 2019 are attached to this email, which should cause Denmarks Nationalbank to ask questions about why not a single one has responded to some of the many emails and letters I have sent, because to draw attention to the fact that Denmark has a problem with Jyske Bank refusing to comply with Danish legislation.

If it turns out that Jyske Bank A/S has simply made a mistake and wants to correct it, then I would like to offer to remove all my postings and advertisements, but if Jyske Bank still refuses to talk to me, I will of course continue my campaigns,

**because if I don't say and do something, no one will prosecute the corruption that destroys legal certainty in Denmark.**

**There is text inserted in the appendix and about several accusations about corruption in Denmark. Please read it and feel free to have a debate about it internally between the Government and the Danmarks Nationalbank, the FSA and the Judicial Committee.**

**If I am not right, then have a conversation with me, after I have presented all my evidence, and explain to me where I have mistaken the texts of the law.**

**Lundgren's lawyers are corrupt, it can be written as simply as that.**

After the first 10 weeks, the Jyske Bank car is parked right outside the door of Jyske Bank A/S Frederiksberg Copenhagen.

Finally back with fresh commercials.

Do you have a good explanation as to why all the authorities and Jyske bank A/S themselves are completely silent,

to Jyske Bank the car that has been driving around since November 2015.

Haven't received a single comment or note from either the Danish authorities who have to keep an eye on the criminal Danish banks.

Or why Jyske Bank itself does not want to speak to the customer who has parked the car right in front of the door of the criminal Danske bank, the customer is simply trying to get in touch with CEO Anders Christian Dam, who has personally refused to speak to the customer since 2016.

Do you have an explanation as to why the Danish state and the government are actually covering up this criminal Danish bank.

Then I would like to hear from you. banknyt@gmail.com

Mail: finanstilsynet@ftnet.dk Telefax: 33 55 82 00 We hereby kindly request the Danish Financial Supervisory Authority to review the submitted case annexes, which have been presented to Parliament as a letter, 27-04-2019 The case has been presented in the Civil Court, which BS 1-698/2018 deals with Fraud and Forgery, but is Fraud, Mandate Fraud, Document Forgery, Exploitation, etc. which our lawyer must present in court. We ask the Danish Financial Supervisory Authority to read through the evidence presented to the court.

**PARTICULARLY IMPORTANT ARE ATTACHMENTS 100 & 101. OUR SUBMISSION.** And asks the Danish Financial Supervisory Authority to evaluate Jyske Bank A/S complies with the supervisory authority's rules to operate an honest banking business that complies with all laws and regulations. ARE WE RIGHT OR ARE THERE FALSE ACCUSATIONS AGAINST JYSKE BANK FOR FORGERY OF DOCUMENTS & FRAUD.

We hereby request that the Danish Financial Supervisory Authority ensures that Jyske Bank complies with all laws and regulations.

The case against Jyske bank is very simple, which the supervisory authority is asked to read in the enclosed [Appendix 100.](#) and [Appendix 101.](#)

These annexes are mentioned in complaints against Lundgren's lawyers as annexes 62 and 63.

[Appendix 62. Bilag 62.](#) 28-12-2018. Complaint Annex 62. 100 The board is requested to get Lundgrens to prove this is presented as an alleged Annex 126.

[Appendix 63. Bilag 63.](#) 28-12-2018. Complaint Annex 63. 101 The board is requested to make Lundgrens prove this is presented as an alleged Annex 126.

Annex 100. And Annex 101. that was what Lundgrens had to present in the case against Jyske Bank A/S, but who then Jyske Bank A/S paid Lundgren's lawyers not to present, why did Lundgrens present what is written in these annexes, after Jyske Bank A/S bribed Lundgren's lawyers to oppose the client's case against Jyske Bank A/S, Lundgrens chose to withhold several pleadings for the plaintiff, and would not subsequently hand over to the client a copy of Lundgren's most recently presented pleading against Jyske Bank A/S, which Supreme Court judge Kurt Rasmussen agreed with Lundgren's lawyers that the client did not know what Lundgren's choice was to present, and wrote that the client had to trust that Lundgren did what was best for the client.

**That is why I write that corruption and cronyism as business harmful to the country for the rule of law. this is described in the complaint against Lundgrens.**

**30-06-2021. Lundgren's Partner Dan Terkildsen does not appear and does not respond to a single one of the 26 calls, which the Bar Council, with its chairman "Judge" Kurt Rasmussen in the meantime, chooses to acquit and reject the 27 complaints, thus disregarding the fact that Dan Terkildsen has not responded to a only one of the 26 prompts.**

<http://banknyt.dk/wp-content/uploads/2021/07/oeoe.pdf>

**It should be mentioned that the bar council wanted to hide the complaint and their decision from the public.**

**It should also be mentioned that Supreme Court Judge Kurt Rasmussen is a permanent employee under the Minister of Justice in the Western Landsret, who will judge in the case that I am writing about at [www.banknyt.dk](http://www.banknyt.dk)**

**I am writing about the fact that corruption thrives in Denmark, and no one can win, when authorities and judges are instrumental in covering up Jyske Bank's criminal actions.**

**This is one of the reasons why I have requested a meeting with Denmarks Nationalbank and also with the Prime Minister's Office, to find out whether you want to stop banks that violate the provisions of the Criminal Code, or whether you want to cover them up and contribute to Denmark being governed by corruption**

**Contributed to the lawyer's name, to cover up that Jyske Bank A/S has bribed Lundgren's lawyers and that Lundgren has hidden several pleadings from the client, and deliberately and dishonestly kept the client out of the case against Jyske Bank A/S Is Supreme Court Judge Kurt Rasmussen, at the Danish Courts Agency. And Birgitte Frølund from Horten Advokater. Jens Steen Jensen from Kromann Reumert Advokater. Lawyer Rikke Skadhauge Seerup Krogsaard from the Consumer Complaints Board. Henrik Hyltoft from Danish business. Martin Lavesen from DLA PIPER lawyers agrees with the 5 members of the bar council.**

**The client is not entitled to be provided with copies of all pleadings and plaintiffs' pleadings, and the client just has to trust their lawyer. The lawyer name also says that even though Lundgren's lawyer firm concealed that Jyske Bank A/S has paid Lundgren a two-digit million amount to advise Jyske Bank A/S, Lundgren could still pursue the client's fraud case against Jyske Bank A/S, and it is only the lawyer who decides what claims the client may present, the client must not interfere in this.**

**These were the 3 - 4 out of 27 complaints. That is why I write the word corruption about the Danish Bar Association.**

30-04-2019. Brev til Finanstilsynet, med kopi af brev til ERU@tf.dk Jeg skriver. Sagen hører hjemme i strafferetten, hvis fremlagte beviser er ægte og påstande er sande.

Remember that I am dyslexic and mistakes are therefore inevitable, and also that I am writing as a private citizen fighting to end corruption and bribery in Denmark.

My videos are not to be misunderstood, yet no one wanted to comment on some of them, and I make strong accusations against not only Jyske Bank A/S but also against several named persons.

**It is CEO Anders Dam, the management and the board of representatives**

**Which determines what Jyske Bank A/S stands for.**

Since this is my private diary, I write what I think a lot about.

I cannot cope with corruption and cronyism all the way up to the authorities, including the Prime Minister's Office, the Ministry of Finance, the Danish Financial Supervisory Authority, the Ministry of Justice and the Danish Courts Agency as well as the National Police, which controls who in Denmark must comply with the legislation.

It is clear that the Danish state at the parliament, as a whole, does not want Danish banks that are demonstrably committing crimes to be punished, after it was agreed in 2013 that the largest Danish banks, including Jyske Bank A/S, should not go bankrupt, so rather cover up Jyske Bank's crimes.

Anders Christian Dam and all your friends who are covering up the financial crime, which I have written for several years Jyske Bank A/S about many employees and lawyers together in association are behind it, if this is not the truth then I face 2 years in prison according to the law on defamation.

## Sections of the Criminal Code § 267. and § 268.

**That's why I say again, you can just report me to the police if you all have clean flour in the bag.**

**If I am right, Jyske Bank and several employees and contributors to the bank's fraud face a penalty of up to 8 years in prison.**

**Since it is a case of fraud carried out by several people together in association, these are aggravating circumstances.**

**I do not expect that either the Denmarks Nationalbank or the Danish state through the Prime Minister's Office will be instrumental in covering up Jyske Bank A/S**

**Therefore, you must rule on my inquiries, and you must not disregard legal certainty to keep your hand over Jyske Bank's criminal offences.**

**I have not written a formal complaint to the European Central Bank, which is why I must request and urge that Denmarks Nationalbank behave fairly and will not help to cover up Jyske Bank A/S and again I must urge Jyske Bank to resolve their internal problems and get cleaned up.**

**Why Jyske Bank's management and legal department receive a copy.**

**If you have any corrections or anything you want me to write, call me.**

## And in Danish

**Derfor siger jeg igen i kan bare anmelde mig til politiet, hvis i alle sammen har rent mel i posen.**

**Hvis jeg har ret står Jyske Bank og flere ansatte og medvirkende til bankens bedrageri til en strafferamme på op til 8 års fængsel.**

**Da der er tale om bedrageri der er udført af flere sammen i forening, er det skærpende omstændigheder.**

**Jeg forventer ikke at hverken Nationalbanken eller at den danske stat ved statsministeriet vil være medvirkende til at dækker over Jyske Bank A/S**

**Derfor skal i regere på mine henvendelser, og i skal ikke tilsidesætte retssikkerheden for at holde hånden over Jyske Banks strafbare lovovertrædelser.**

**Jeg har ikke skrevet en formel klage til den europæiske Centralbank, hvorfor jeg skal anmode, og opfordre at Nationalbanken optræder redeligt, og ikke vil medvirke til at dække over Jyske Bank A/S og igen skal jeg opfordre Jyske Bank til selv at løse deres interne problemer, og få ryddet op.**

**Hvorfor Jyske Bank direktion og juridiske afdeling modtager en kopi.**

**Hvis i øvrigt har rettelser, eller noget i ønsker jeg skal skrive, så ring til mig.**

**Jyske Bank A/S and CEO Anders Christian Dam, know that he can just ask me to stop my campaigns and little funny posts if Jyske Bank doesn't like them, but I only meet silence.**

Blomster Stemningsbilleder Jyske Bank.

**What does Den Danish nationalbank intend to do with what I have written that Jyske Bank A/S is behind.**

**Jyske Bank Collaborates not only with the Danish state, but also with Danish Nationalbank.**

**Do you think from Danish Nationalbank, just like Jyske Bank A/S, that this is a JOKE, which is what the employees of Jyske Bank say.**

**Is it funny, or is it a scandal that inside the Denmarks Nationalbank boarding school itself mentions this case.**

I have previously had enough, 2 corrupt lawyers, with Lundgren's lawyers being the worst, these Lundgrens have opposed my case against Jyske Bank that was presented to the court, and I also know 2 judges, one of whom is Supreme Court judge Kurt Rasmussen, who also must be corrupt or be best friends with Jyske Bank, has covered up that Jyske Bank uses bribes.

**I am asking here if there are any judges who do not cover up the crime committed by Danish banks, with reference to the criminal Jyske bank, for which I have evidence, and this is evidence which I have shared with the authorities and politicians who do not will answer.**

Ask yourself why not a single politician or authority will answer me Carsten Storbjerg Skaarup to my inquiries about Jyske Bank's many punishable offences, or to a single one of my questions, such as these 3. Below from 30-10-2021.

**Question 1.**

**The law applies to Danish banks. ?**

**NO.**

**Question 2.**

**Must Danish banks comply with all laws. ?**

**NO**

**Question 3.**

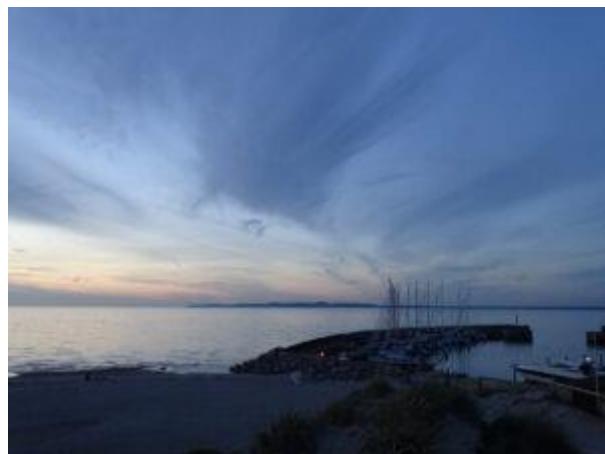

**If the law is violated by a bank, and the violations are described in the provisions of the Criminal Code as a criminal offense.**

**Are Danish banks exempt from criminal liability, investigation and prosecution. ?**

**YES**

## **IS IT POLITICAL? YES IT'S POLITICAL.**

**If I am right in what I have written. then Jyske Bank A/S shall  
be deprived of the right to conduct financial business in  
Denmark.**

**This is a problem that the Danish authorities are fighting to  
avoid by cronyism, even if there is subversive activity for a  
society that is claimed to be regulated by laws and rules, but  
which here by cronyism and politics are being put out of force.**

# **Long live corruption in Denmark.**

**And why the Danish state and government cover up the corruption and cronyism that governs Denmark, and which is led by powerful people, such as officials with ties to the State Ministry, the Judiciary Committee, the Judicial Agency as well as the Financial Supervisory Authority and the National Police, among others.**

**Which, among other things, happens with the help of some of the most powerful lawyers and organizations in Denmark, here with reference and threads to the Danish Masonic Lodge. "danske Frimurerloger."**

**I wonder why not a single one of these powerful members has dared to answer me, or take a confrontation with me.**

**19 September 2021. I made these 3rd short videos and shared them on YouTube, you all chose to ignore me then as well, I say that Jyske Bank's CEO Anders Christian Dam must resign, then I will stop with my videos.**

**[Video nr. 1. Tid 1.09 minutter.](#)**

**[Video nr. 2. Tid 1.47 minutter.](#)**

**[Video nr. 3. Tid 1.33 minutter.](#)**

**You are all more than welcome to accuse me of lying, and accuse me, Carsten Storbjerg Skaarup, of libel and slander when I write about the Jyske Bank group and their many actors who are jointly behind the bank's organized crime.**

**I need Denmark's Nationalbank's help and support to stop criminal Danish banks, and to draw attention to this problem for the lack of legal certainty.**

**Because when powerful organisations, such as Danish banks commit fraud and other organized punishable crimes, and the Danish politicians and the press do not consider my discoveries and evidence to be something that is useful information, and will not help to stop the extensive corruption and the camaraderie that governs Denmark, the Danes' legal security is non-existent when the most powerful organizations expose their customers to organized fraud.**

**What should I do when the Danish state as a whole does not want to do away with the cronyism that rules society, outside of the law.**

**I would rather spend my time finding the right places to film photos like these below.**

**Instead of taking pictures of Jyske Bank and the Jyske Bank Cars that you can see here [Google Linket](#).**

**Mood pictures, Sunset, Sunrise, Animals, Nature, Danish beaches can be freely reproduced.**

**If you read more you will discover how corrupt denmark is.**

**You are here reading in my private diary, with the truth about the power and right of Danish banks to violate the penal code and many other laws, and that without any risk of investigation and prosecution, which has been politically decided to cover up, even the employees of the Danish Judicial Agency such as Supreme Court Judge Kurt Rasmussen, covers Bankers' use of bribes.**

## **What will you at the stats bank do with the financial crime that Jyske Bank A/S is behind.**

**Although I have written to Jyske Bank constantly, and try to get in touch as in texts like the one below, no one has wanted to answer me, which is why I keep writing to the bank's management as well.**

**I have done nothing, but tease Jyske Bank and call for dialogue and conversation so that my little funnies can stop.**

**Shall we meet and talk together, perhaps about Jyske Bank's problem with complying with the legislation.**

## **Is it funny, or is it a scandal that the Denmarks Nationalbank internet itself mentions this case.**

**But when you have finished laughing at me, find the meeting date when I can come to Denmarks Nationalbank and make a presentation of my evidence for what I have written since 2016.**

of something being  
terribly wrong.

Of course, what I write is true, and I will probably write better and more comprehensible in my book about corruption and bribery between large Danish companies, which the Danish state is presented information about, but until today 31 August 2022. has been indifferent to that some of Denmark's largest companies commit organized crime.

**Here are all those who receive this email, with information that Jyske Bank A/S knows the management that is behind organized and continuing criminality against at least me and my company as customers of Jyske Bank A/S**

**And if Jyske Bank has not committed any violations of some of the laws and regulations that I write, then I urge you all to help Jyske Bank A/S to file and file a libel against me for defamation of Jyske Bank A/S and those I say have helped directly or indirectly with fraud.**

If it is a mistake, and Jyske Bank had no intention of committing fraud and the use of forged documents was a mistake, as well as bribing Lundgren's lawyers so that they would work against their client and keep the client out of the case against Jyske Bank, and then instead of helping Jyske Bank to undermine the client's economy, I thought that Jyske Bank A/S has a task ahead of it to clean it up, just as I have repeatedly said on YouTube.

## **I will not stop unless Jyske Bank A/S and CEO Anders Dam want it.**

But unfortunately, Jyske Bank and CEO Anders Christian Dam have only shown that Jyske Bank will deceive, and as I have presented evidence for, Jyske Bank has also presented false and manipulated evidence to the court through Lund Elmer Sandager lawyers.

The false documents were presented by Lund Elmer Sandager lawyers, who at the same time work for Denmark's Nationalbank, who knows from several emails about the matters I am writing about, and is what I want to present first to the National Bank, and then to the Minister of Health and Safety.

You can all choose either to cover up Jyske Bank's use of the many criminal offences.

Or you can arrange to launch an impartial investigation of my claims and evidence against Jyske Bank A/S.

**If there are some of you who believe I am making baseless and undocumented claims, then this is libel and the penalty is up to 2 years in prison.**

**But if I am right in just a bit of what I write, Jyske Bank A/S should not be allowed to conduct banking business in Denmark.**

**In addition, there is a link in the email to the letters I sent in April 2019, and delivered to the Folketing several politicians and parties, the Prime Minister, and the Ministry of Justice, as well as to the Financial Supervisory Authority, so here not a single one of those who have received my inquiries responded to my call for help.**

**And if the members of the Danish Parliament choose to intrude on this email, even now that you all receive a copy of the email to Nationalbank Lars Rohde, which has been shared with Prime Minister Mette Frederiksen, on your own email.**

**Then I would think that Denmark has an even very big problem with partly corruption and the lack of legal certainty for the small ones who are exposed to fraud by Danish banks.**

# Mail is sent to these recipients who are all mentioned in the letter.

**I write in English, and if my translation into English gives rise to questions, you should not hesitate to ask me what I mean.**

**Remember it is not easy to be dyslexic and at the same time have to fight to warn not only the Danish state and government against Jyske Bank, but also to warn other nations, that in Denmark the parliament and the government as well as authorities and courts cover criminal Danish banks.**

**If the Parliament and the government led by Prime Minister Mette Frederiksen do not cover up the criminal Jyske Bank, then this email is also an opportunity for you, as government and state, to show other countries that in Denmark the law applies equally to everyone, and that Jyske Bank A /S will be investigated for all my charges.**

**Videos have been shared by links with Jyske Bank and authorities, who have not received any comments or objections to what I say.**

**The question is what the Denmarks Nationalbank and then what the Prime Minister and the Danish Prime Minister says.**

**You are all mentioned as not caring about Jyske Bank's illegalities.**

**I'll end it with 2 pictures.**

**As when Jyske Bank's lawyer Morten Ulrik Gade wrote on 17 November 2015.**

**Jyske Bank suggests meeting to avoid any future misunderstandings.**

**When I then discover in 2016 that Jyske Bank A/S is behind extensive crime, Jyske Bank slams the door and completely refuses to answer again.**

**Subsequently, my then lawyers Rödstenen from aarhus try to raise the case against Jyske Bank, and that against instructions and behind my back, I get Lundgren's lawyers who also deliberately and in bad faith tried to keep me out of the case against Jyske Bank, at the same time Jyske Bank paid Lundgren millions of kroner to provide Jyske Bank with trading advice to the tune of 600 million Danish kroner.**

**Which Judge Kurt Rasmussen believes is good lawyer practice.**

**Therefore, I am aware that my fight is against corruption and that I am without rights, a fight I cannot win in Denmark, I just want to know and be confirmed about**

**If the National Bank of Denmark  
Is instrumental in covering up Jyske Bank's  
crimes.**

**And then I want confirmation about the Danish State and the Prime Minister's office, and whether Prime Minister Mette Frederiksen is instrumental in covering up Jyske Bank's crimes.**

**Therefore, I will present very clear and unambiguous evidence of Jyske Bank's offences.**

**After this, the National Bank and, together with Denmark's government and parliament, must have a conversation about whether Denmark's second largest Bank Jyske Bank A/S is required to have a license to conduct banking business in Denmark.**

**And the actions of your National Bank, as well as the parliament and the government, will be reflected in my possible complaint about Denmark to the European central bank.**

**As well as a subsequent complaint against the Danish State to the European Court of Human Rights in Strasbourg.**

Read and understand, that it is about what crimes Jyske Bank A/S is behind, more than about Jyske Bank's way of creating confusion about the factual circumstances, that Jyske Bank is run dishonestly

**I would like to encourage both the national bank's management and board to familiarize themselves thoroughly with Jyske Bank's business methods and how Jyske Bank works to cheat and deceive their customers.**

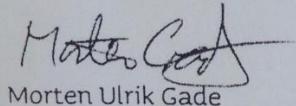

**Therefore, read the entire case EXTRACT to the district court November 2021.**

Afslutning:

Banken finder det hensigtsmæssigt at søge at skabe en fælles konstruktiv dialog mellem parterne.

Dette tillige med henblik på at undgå eventuelle misforståelser i fremtiden og i øvrigt med henblik på i videst muligt omfang at søge at gavne den fremtidige dialog mellem banken og Dem/Storbjerg Erhverv ApS. Bankens Helsingør afdeling vil derfor i den nærmeste fremtid tillade sig at kontakte Dem med henblik på at aftale et mødetidspunkt for en nærmere drøftelse i banken.

Venlig hilsen

## Bilag 68. side 1.

Til  
Jyske Bank / Advokater / Bestyrelse

25/5 2016

I forbindelse med at Lund Elmer Sandager for Jyske Bank ønsker at få af politi anmeldelsen, kan jeg ikke lade være med at tænke.

Politi anmeldelsen er jo helt grundløs, så hvorfor bruge tid på at ville se den.

I det jeg jeg skal henvise til mine mange skriv, med opråb til Jyske Bank om hjælp til forståelse, på forklaring om Jyske Banks forretnings metoder, om ønsker for åbenhed og se de bilag banken har lavet. og lån der er oplyst hjemtaget, og derefter omlagt.

**Har jeg bet om indsigt, siden 2013 hvor jeg opdaget der var noget der var forkert.**

Jyske Bank har på ingen måde ønsket, at give mig akt indsigt.

Jyske Bank har på ingen måde vist, at ønske en dialog, som Morten Ulrik Gade bekræfter 26/4 27/4 og 23/5 for at nævne et par datoer. Banken har ikke nogen kommentar, til mine breve. og at anmeldelsen er helt grundløs.

Jyske Bank ønsker ikke at afvise min påstand, om at jeg ikke har har hjemtaget noget underliggende lån, til nogle swap, som Jyske bank har bildt mig ind.

Har Skrevet til jeres Dirktør Anders Christian Dam og oplyst ham at Jyske Bank jo bare kunne tage et gebyr på 250.000 kr. bare for at dokumenter 2 påstande i min anklage.

Har skrevet dem så mange gange, så i ved om hvad.

Dirktør Anders Christian Dam, lader Morten Ulrik Gade besvare, mine breve, selv om han som Dirktør, bør vide at Morten er politianmeldt for medvirken, til at kunne fortsætte, det anmeldte bedrageri.

Anders Christian Dam./ bestyrelsen skal have besked, at banken er anmeldt / anklaget for bedrageri af mig, og at bedrageriet bliver forsat, selv efter banken er oplyst om det.

**JEG HAR IKKE HJEMTAGET NOGET UNDER LÆGGENDE LÅN kr. 4.328.000 i Nykredit  
tilbudet er 20/5 2008**

**JEG HAR IKKE LAVET AFTALE om W015785999 15/7 2008  
Denne her er lavet 16/7 2008 af jyske bank selv, uden nogen form for, samtale eller på anden måde at have fået  
en accept**

Jeg har derimod godkendt W015776999 15/7 2008 rente låst tilbudet den dag hvor Jyske Bank ringede mig op om jeg ikke ville fastlåse renten i låne tilbudet.  
Jeg får tilsendt en aftale 15/7 2008

Jeg har skrevet til Jyske bank mange gange, at jeg ikke ønskede at fører sagen i retten, jeg har tilbuddt at sagen kunne forliges, og tilbuddt at kunne undlade at lade Jyske Bank politi anmeldte, hvis jyske bank var interesseret. dette var Jyske Bank jo ikke, hvilket stemmer godt overens med brevet 26/4 2016 at anmeldelsen er helt grundløs.

Philip Baruch og Morten Ulrik Gade er blevet anmeldt for at tilbageholde beviser i sagen, således bedrageriet kunne fortsætte, er vel også helt grundløs.

Jyske Bank tilbageholder stadig den dokumentation, for lånets hjemtagelse, og udbetaling af lånet, samt lader faktuelle oplysninger forsvinde, som hvilket rente swap blev aftalt 15/7 og sendt 15/7 2008 swappen til det underliggende låne tilbud af 20/5 2008

Jyske Bank har valgt hvordan de ønsker at skabe overskud, hvilket er blevet et tab for mig.

Jyske Bank har modtaget jeres klagebreve til bankens Koncerndirektion og bestyrelse.

Da indholdet af jeres henvendelser vedrører den verserende retssag mellem Storbjerg Erhverv ApS og banken angående indgåelse af renteswap aftale, må vi henvise til, at korrespondance i sagen foregår mellem de respektive advokater og i øvrigt ved processkrifter for retten.

Vi har derfor ikke yderligere bemærkninger til sagen.

Venlig hilsen  
  
Anders Dam

20-09-2018. CEO Anders Dam and Jyske Bank's board have no intention of informing Carsten that Carsten's lawyer, Lundgren's lawyers have already been bribed, i.e. bought and paid by Jyske Bank not to present the client's case against Jyske Bank, where this may be the reason to Jyske Bank A/S refusing to speak to the customer whom Jyske Bank knowingly and in bad faith exposes to serious economic crime

So when Jyske Bank reaches out to anyone other than me, as in the letter of [1 February 2019 to Lundgren's lawyers](#), alleges that I am committing a criminal offense by writing and placing advertisements on the Jyske Bank cars as I do, while Lundgren's says that it is a good mystery what to do I saw faith.

It is just before I become afraid of Jyske Bank, but still I think about whether it is not Jyske Bank that is committing a criminal offence.

But the Denmarks Nationalbank must do so so that the Denmarks Nationalbank can tell all other banks how Danish banks must or must work in order to earn more money.

On 29 August I sent a draft of this letter to Jyske Bank and their many lawyers to have a conversation and see if there might have been a mistake so that this could be corrected.

But as before, Jyske Bank A/S does not care why I have finished writing the letter here, and is sending it so that Denmarks Nationalbank knows that I want the meeting I have requested.

Regards.
