Read here [LINK](#). my e-mail of 9 October to the Prime Minister's Office.

And to the Prime Minister Mette Frederiksen and others.

Name here a few of those who for Jyske Bank A/S started fraud against my small business, and help the fraud to start, by using false documents and by lying.

Some of those who have been behind the million fraud for Jyske Bank A/S is Nicolai Hansen, Jeanett Kofoed-Hansen, Casper Dam Olsen and Anette Kirkeby, just to name a few.

I have written an email on 9 October 2022 in which i give Jyske Bank's directors CEO Anders Christian Dam. Niels Erik Jakobsen. Per Skovhus. and Peter Schleidt, opportunity to admit that Jyske Bank has committed organized crime.

It is free and without risk for Jyske Bank's group management to sign, since the Danish state, including the Government of Prime Minister Mette Frederiksen, together with the Financial Supervisory Authority and Denmark's National Bank, are all covering up Jyske Bank's crimes.

And with regard to some of those who have started the organized crime for Jyske Bank and have a central role, i offer to interview you.

It is only for the books, so if Nicolai Hansen, Jeanett Kofoed-Hansen, Casper Dam Olsen and Anette Kirkeby want to be among the first to be interviewed for the books.

Then call me on +4522227713

If you do not want to use this offer, where you can tell by yourself, how you exposed a customer to massive fraud for Jyske Bank A/S.

I just want to use the documentation i already have, but i giving you the opportunity to tell how many customers, you have exposed to the same fraud and exploitation.

And you can tell if you yourself came up with the idea of committing fraud, and then hiding it through the use of false documents, and by gross exploitation and by lying.

I'm asking you if it's something you've come up with yourself, or was you following orders.

I also offer to interview Mette-Marie Nielsen who is now currently employed by the Danish Bank A/S and Emil Hald Veldelbo Winstrøm who is employed at Rambøll A/S.

So you will have the opportunity to explain whether it was only Dan Terkildsen who from Lundgren's lawyers gave instructions to work against your client. Or whether the reason you opposed your client was after a lot of pressure from the corrupt Lundgren's law office.

And if you were ordered to hide the fact that Lundgren's law office had actually been bribed by Jyske Bank, to prevent the fraud and false case against Jyske Bank from being presented to the court.

And you can yourself tells how you task for Lundgrens and Jyske Bank A/S now was to oppose legal certainty in order to disappoint in legal matters.

You can explain yourself why you have not presented the client's fraud and false allegations against Jyske Bank A/S.

Call me on +4522227713

Then we will find a time for the interview.

You are important for my books about corruption, and the corrupt lawyers in Denmark, and it will give a better picture of corruption in Denmark, if you participate, and explain where you chose to help Jyske Bank with fraud, by thwarting justice for your client.

I have now on 10 oktober invited the first to be interviewed about Jyske Bank's fraud and other punishable crimes, of those I have written to is Nicolai Hansen, Jeanett Kofoed-Hansen, Anette Kirkeby, Casper Dam Olsen, Philip Baruch, Kristian Ambjørn Buus-Nielsen, Morten Ulrik Gade, Anders Christian Dam, Niels Erik Jakobsen, Per Skovhus, Peter Schleidt.

When the 179 Danish politicians are invited before the election on November 1, I will after an email invitation, deliver all 179 a personal letter with a copy of the email.

I have not received any response on October 10, either from the State Ministry, or Prime Minister Mette Frederiksen, the Financial Supervisory Authority, or the National Bank of Denmark, and have therefore started to write emails that are an invitation to an interview about the Danish state and the government's role in covering up Jyske Bank's crimes, I therefore wrote on 11 October to first the Danish Prime Minister

Mette Frederiksen.

Organized crime, which is covered by the Danish state through several authorities and the National Bank.

When the authorities help to cover up Jyske Bank's organized crime, they can at the same time be contributing to Jyske Bank's many crimes, which is a scandal and a mockery of Danes' legal certainty.

When I write to Jyske Bank, and especially to you CEO Anders Christian Dam.

So it is to get in touch, I want the two of us to have a talk together about my evidence, so that here a couple of your employees Nicolai Hansen, Jeanett Kofoed-Hansen, Casper Dam Olsen and Anette Kirkeby, stand together in association behind extensive crime against me and my small business.

CEO Anders Christian Dam, I have continuously written to you and your lawyers that these employees of Jyske Bank started an extensive fraud against my company and me.

I am writing again that Jeanett Kofoed Hansen has forged a document, misused a power of attorney, abused Jyske Bank's access to the land registry, and that you have collectively manipulated annexes in order to expose your client, i.e. me Carsten Storbjerg Skaarup, together with my company to fraud and organized fraud.

I write that Casper Dam Olsen, Anette Kirkeby and Soeren Woergaard then send me as a customer for settlement at the green butchers at Vestergade 8-16 in Silkeborg, without the customer always having breached any obligations.

I also write that Jyske Bank, through Anette Kirkeby and Casper Dam Olsen, among others, sent me to the butcher department, so that I would be slaughtered before I discovered that Jyske Bank exposed me to extensive and organized fraud in many criminal cases.

Which you CEO Anders Dam. personally, at least since 2016. has been instrumental in allowing Jyske Bank's fraud to continue.

If you want to continue to hide behind, the Danish politicians and civil servants, and also enjoy that these authorities such as the Danish Financial Supervisory Authority, the Ministry of Justice, the National Bank of

Denmark, the State Ministry, the Ministry of Finance and several judges as well as Corrupt lawyers they cover Jyske Bank's crimes, but also you Anders Christian Dam, then it's your choice.

I just want to talk to you more if it's a minor misunderstanding.

I do not want to criticize either Jyske Bank or have to sue the Danish state, including the Danish Financial Supervisory Authority and the National Bank of Denmark for covering up Jyske Bank's many criminal acts, which is why since 2016 I have repeatedly and continuously called on you CEO Anders Christian Dam and Jyske Bank A/S to meet.

I wrote to you and Jyske Bank no later than 9/11. i.e. 11 September 2022. and even if there are several spelling mistakes, Anders, together with your lawyers like Martin Nielsen and Morten Ulrik Gade, you probably understand that I am trying to get your attention.

I don't want war, but if Anders Dam and others to whom I have written and if you don't respond, I will file an official complaint with the ECB. The European Central Bank. that the National Bank of Denmark, together with the government, is a witness to Jyske Bank's extensive criminality.

But that Denmark's Nationalbank, together with the authorities, including the Prime Minister, chooses to cover up criminal Danish banks, with reference to Jyske Bank's criminality.

Jyske Bank bilen

About the organized crime that Denmark's second largest bank Jyske Bank A/S is behind, and that is mentioned on this page is contributing to continues.

You who are mentioned here, are all contributing directly or indirectly to Jyske Bank being able to commit and continue the Danish bank's fraud, and still make use of the document forgery, bribery, abuse of power of attorney, misleading and lying, mandate fraud, in and with directly contributing, or indirectly contributing to fraud by covering up Jyske Bank's criminal business methods.

Everyone in the Danish state and the Danish authorities, together with the others mentioned, have all chosen to keep their mouths shut while they continue to cover up Jyske Bank's criminality.

And if I have written something incorrectly or misunderstood something, so talk to me to correct any mistakes and misunderstandings, with reference to a previous email from Jyske Bank's lawyer Morten Ulrik Gade, who wrote on 17 November 2015 that Jyske Bank would avoid future misunderstandings, and suggested dialogue, and I would like to be in dialogue.

When Jyske Bank proposed Dialog in 2015 and after I received documentation in 2016 that Jyske Bank is behind extensive crime, which is many and criminal acts that Jyske Bank A/S carries out with the help of several people together in association.

And since I have discovered that Jyske Bank have committed fraud, Jyske Bank has refused to speak with me.

This has only provided more material for my book, now more names need to be refreshed and included, so that we do not forget who has supported Jyske Bank's crime.

I suspect that the book or books will end with what the EDC, the European Central Bank and the European Court of Justice will do and say about corruption in Denmark.

I do not think that we should have a judgment in the High Court, as it will only in the case of corruption give Danish banks permission to use bribes, lie, deceive, forge, mislead, exploit, and give banks permission to use false powers of attorney in order to defraud the bank's customers, and so without the risk of investigation and prosecution.

My story about Jyske Bank A/S, which has exposed us to gross fraud, and how we have handed over, as well as our fight to call out the Danish authorities, to help stop the crime and corruption that Jyske Bank and CEO Anders Christian Dam are behind, but which the Danish state and government are obviously contributing to can continue.

My book about corruption in Denmark only becomes more interesting, considering which authorities besides the government and the Danish National Bank cover Jyske Bank's criminal business, and how corruption rules Denmark.

But rather than dialogue, Jyske Bank chooses to bribe our lawyers in order to lose the case, so since Jyske Bank chose to bribe Lundgren's lawyer partner company, not to present our fraud and false allegations against Jyske Bank.

And since then, this has led to several employees from the Danish Courts Authority choosing to help cover up Jyske Bank's fraud.

As I have written and said, I will not stop the fight against corruption and will write in my book how the Danish state, including the Danish Financial Supervisory Authority and Danmarks Nationalbank, have passively and actively covered up Jyske Bank's crimes.

Direktionen. Signe Krogstrup, Lars Rohde, Per Callesen. Director of Denmark's National Bank. Image is from Danmarks Nationalbank's press photos.

Judicial Agency and several judges and lawyers from Horten, Kromann Reumert, Lund Elmer Sandager, Lundgrens, DLA Piper, the National Police, the Public Prosecutor's Office, Finans Denmark and Jyske Bank's shareholders such as ATP, PFA and others are contributing to Jyske Bank's fraud through inaction, and to cover up Jyske Bank's crimes by opposing justice.

Then it becomes a scandal.

Which the employees of the National Bank of Denmark for several years internally refer to this case about Jyske Bank's fraud, and internally say that, IT IS A SCANDAL.

And to those outside the national bank, the employees will say no more.

When I have delivered and made a presentation of Jyske Bank's many very serious offences / actions to first Director Lars Rohde Denmark's national bank, and the executive board and then to the Parliament / Ministry of State under Prime Minister Mette Frederiksen, and then finally to the Danish Financial Supervisory Authority, will also get a copy of what I have presented, or what I wanted to present.

If the Danish authorities are still silent, my next request will be to the president and management of the European Central Bank. ECB. With a formal complaint that the Danish state, including the National Bank, the State Ministry and the Danish Financial Supervisory Authority, all in unison, cover up Jyske Bank's many criminal acts.

All those who are mentioned or have been mentioned will receive documentation for Jyske Bank's criminals

A single Dane, Carsten Storbjerg, has gone to war against corruption in Denmark. But Carsten asks for your help, as camaraderie in Denmark has so much power, that Danish law and order is put out of force, when not a single Danish journalist has written about the problem that Danish banks use corruption. Then I will ask you as foreign journalists, to conduct an investigation into corruption in Denmark, preformed by the Danish Bank Jyske Bank.

It is unhealthy for the Danish government that the state allows banks to commit crime, and covers it.

Below, I insert the letter I intend to send to the State Ministry in Denmark, the Danish Financial Supervisory Authority, and the board, the National Bank of Denmark and its board, the letter is also sent to finance Denmark and its Board, as well as to the Folketinget, the Danish parliament – and the 179 politicians, as well as to Jyske Bank A/S and the Ministry of Finance, and more.

I offer you all to speak out, and request that they take responsibility and initiate an investigation into Jyske Bank's crime.

Disse medlemmer af Folketinget har i hele deres valgperiode maj 2019 til november 2022. Alle sammen valgt at dækker over Jyske Banks organiseret kriminalitet, da det er politisk ikke at forstyrre Jyske Bank i at udsætte bankens kunder for det bedrageri.

Jyske Bank og dens concernledelse, bestyrelse, repræsentation og adm. direktør CEO Anders Christian Dam i spidsen, har i flere år været inviteret til dialog og samtale.

Men desværre har Jyske Bank tilsyneladende gjort brug af det kammeratskab, der findes i de danske myndigheder og blandt politikere samt i domstolsstyrelsen, for at kunne begå organiseret kriminalitet, samtidig med at Jyske Bank A/S har gjort brug af at den danske stat faktisk har dækket over den kriminelle Jyske Bank.

I brevet til de danske politikere, anmoder jeg alle politikere og myndigheder sammen med deres advokater, om at undersøge om de bliver medskyldige i Jyske Banks forbrydelser, hvis disse myndigheds personer og politikere fortsat dækker over de mange strafbare forhold, som Jyske Bank A/S har begået, og som de Danske politikere mindste siden april 2019. har været bekendt med, så som at Jyske Bank A/S står bag organiseret kriminalitet udført af flere ansatte og advokater sammen i forening.

Mette Frederiksen, what will you and the the Ministry of State do, when you and Christiansborg have been presented with clear evidence?

These bank. Jyske Bank,

Has forged documents, fraud, exploitation, deception, mandate fraud, and has paid Lundgren's lawyers a bribe, so that Lundgren's Dan Terkildsen was not allowed to present the plaintiff's fraud allegations against Jyske Bank.

On August 23. 2022. I request Prime Minister Mette Frederiksen. about getting a meeting, about, about evidence for Jyske Bank's criminal activity, the Prime Minister's office has not responded to a single inquiry either, and I have been writing since April 2019.

05-09-2022.

Til Folketinget og myndigheder.

Jeg anmoder jer som danske politikere og myndigheder om at læse det vedhæftede brev, som er en kopi af min dagbog fra banknyt.dk, der er indsat i brevet.

Nedenfor er et udsnit af brevet, det er øverst på dansk, som jeg har googlet oversat, for dem der hellere vil have det på engelsk.

Jeg spørger her, om det ikke er et problem, at den danske stat ikke agerer på oplysninger om danske banker, der ikke overholder dansk lovgivning.

Hvis jeg skal acceptere, at Jyske Bank snyder bankens kunder, her er det mig og min virksomhed.

Så må jeg anmode dig om at skrive, Danske statsborgere skal acceptere, at banker ikke skal overholde nogen love eller regler.

Og de danske myndigheder kan frit afgøre, om de vil dække over nogle kriminelle forhold, da det tjener den danske stats interesse at dække over kriminelle danske banker, som her Jyske Bank A/S.

Hvis det er en misforståelse, så må du tale med mig, for jeg finder mig ikke i din tavshed, da du nok håber at jeg bliver træt, det kommer bare ikke til at ske.

Men hvad er din andel i at dække over banker, der begår kriminelle handlinger.?

Er der nogen af jer 179 danske politikere, der synes, det her er sjovt, eller hvad vil I gøre ved det, Jyske Bank ved, at I som magthaver dækker over Jyske Banks mange kriminelle handlinger.

Er det derfor deres administrerende direktør Anders Dam nægter at have dialog med mig, mere for hvis det bare var en lille misforståelse.

Case of organized fraud carried out by Jyske Bank A/S

And corruption and organized crime in Denmark, which the Danish state, Denmark's National Bank and the Danish Financial Supervisory Authority as well as the government, the Ministry of Justice and many others have covered up until today.

Nogen skal komme og ruske op, for at korrupsion i Danmark skal stoppes.

Og jeg vil gerne være den, der tager det første skridt, så Danmark kan blive fri for ikke kun korrupte advokater, men også de dommere, der dækker over forbrydelser, det burde være politikerne selv, der tager dette problem op.

I skal være opmærksomme på, at kammerateri og korrupsion er det samme, og hvis der er nogle af jer, der ikke er enige, så må I sige fra.

Jeg vil gerne have lidt hjælp til at gøre den danske befolkning opmærksom på, at Jyske Bank bryder loven, og de danske myndigheder har dækket over det frem til i dag.

Jeg beder dig om at holde op med at dække over banker, der har bevist at have begået kriminelle handlinger.

Jyske Bank A/S Helsingør behind extensive fraud carried out by at least Jeanett Kofoed-Hansen and Nicolai Hansen.

And that with the help of at least Casper Dam Olsen. Anette Kirkeby. Søren Woergaard. Morten Ulrik Gade. Birgit Buch Thuesen. Philip Baruch. and CEO Anders Christian Dam.

det jeg skriver her på bilen er sandt.

**Jyske Bank A/S og deres leder CEO Anders Kristian Dam
Er gentagende gange blevet opfordret til at gå til politiet.**

**Men altså kun hvis Jyske bank A/S, ikke ved flere medarbejder som

Bestikkelse / Returkommission, vildledning, Ond Tro, Svig, Falsk, Lyver m.m**

Jyske Bank A/S Helsingør behind extensive fraud carried out by at least.

**And that with the help of at least Casper Dam Olsen. Anette Kirkeby. Soren Woergaard. Morten Ulrik
Gade. Birgit Buch Thuesen. Philip Baruch. and CEO Anders Christian Dam.**

**Og her et lille uddrag fra vedhæftede brev, som ikke er rettet, og der er mange sider, så tag dig tid til at
læse dem fra din pc. og print det ud i vil tale om,**

Jeg anmoder dig om at tage en debat inde i parlamentet "Folketinget."

Og hvis kriminelle banker ikke har fanget din opmærksomhed i nu, er dette en øjenåbner.

Jeg har skrevet til dig "jer alle." mange gange.

Og til dato har ingen af jer ønsket at besvare en eneste af mine henvendelser, ingen af jer har ønsket at besvare eller gå i dialog med mig, vedrørende de mange kriminelle handlinger, som jeg anklager Jyske Bank A/S og ledelse af, sammen med en række medarbejdere at stå bag.

Din. / Jeres tavshed tyder mere på, at vi taler om en skandale, og at i er mange, der ikke har levet op "jeres" deres opgaver, jeg er ikke klar over, om I selv som politikere og embedsmænd har en whistleblower ordning, og i givet fald om der er nogle, der har brugt det.

Indsat her i det redigeret brev, PDF-Dokument som 12. september, 2022, sendes til Finanstilsynet og dennes bestyrelse, Regeringen og Statsministeren. / Statsministeriet samt de øvrige folkevalgte politikere.

Denne mail er for at få kontakt og dialog, samt er en oplysning til jer alle sammen.

FOR HVEM TØR SIGE MIG IMOD, OG HVEM ØNSKET AT STOPPE KORRUPTION I DANMARK:

Jeg skriver her om korruption i Danmark, samt om Jyske banks kriminelle forretnings metoder, hvilket den danske stat og regering sammen politikerne og finanstilsynet, nationalbanken, politiet, anklagemyndigheden tillader, I hver fald dækker i over Jyske Banks kriminelle forretnings metoder.

I som er nævnt her, eller i andre af mine mail og henvendelser, er en del af min fortælling om korruption i Danmark, og om hvem der er medvirkende både aktivt og passivt, som mange af jer er ved enkelt at dække over den organiseret kriminalitet som i er blevet fremlagt Jyske Bank A/S står bag, og som i derfor er bekendt med, jeg laver et samlet album med bevismateriale, og det er de jeg ønsker at aflever og fremlægge for jer.

Først Bestyrelsen Nationalbanken Danmark, derefter Statsministeren / Statsministeriet og så Finanstilsynets bestyrelse.

Jeg anmoder jer alle sammen om forud for vores mødedato, at i besvare disse meget enkle spørgsmål.

**Jyske Bank laver million bedrageri.
Det er slet ikke til diskussion.**

Er kammerateri det samme som korrupcion.?

Hvilket jeg mener det er.

Jyske Bank makes a false document to commit organized fraud.

Er man medskyldig hvis man er vidne til bedrageri, men ved passivet dækker over, eller modarbejder retfærdighed. Når man som alle i folketinget er forelagt at en organisation, som her hvor Jyske Bank A/S laver dokumentfalsk, bedrageri, fuldmagts misbrug, mandatsvig og bruger bestikkelse.?

Og altså dækker over disse strafbare lovovertrædelser, ved at ignorerer alle offers anmodninger, som også er anmodninger om at få hjælp.

Jeg mener man er medskyldig, hvis man dækker over kriminelt, om at dette forstærkes hvis man nægter at hjælpe offeret.

Hvem dækker over korrupsionen og de kriminelle organisationer som Jyske Bank A/S i Danmark. Det gør Danmarks Nationalbank, Statsministeriet, regeringen ved Mette Frederiksen, Justitsministeriet og Domstolsstyrelsen' s ansatte ved korrupte dommere, som Højesteretsdommer Kurt Rasmussen, deslige med Byretsdommer Søren Ejdam.

Da ingen politikere, eller myndigheder har svare på en eneste, af mange henvendelser siden april 2019. [Skrev jeg 5/9-2022](#). derfor igen til folketingets 179 medlemmer, og denne gang bad dem at spørge deres jurister, om de er medvirkende til en forbrydelse hvis man som politiker og embedsmænd vælger at dækker over det.?

På side 2 og 3. i brevet "mailen 5 september 2022. skriver jeg jer alle, og beder jer undersøge om i er medvirkende til bedrageri, i det omfang at i er vidne om det, og bevidst vælger at dække over det. Brevet der er på 329 sider, hvoraf side 10 – side 329. er forsiden www.banknyt.dk der er indsat

Den kriminelle Jyske Bank

Side 2 og 3. af [mailen / Brev 5 september. 2022](#). er indsat herunder.

Jeg har skrevet til jer mange gange.

Og til dato har ingen af jer ville svare på en eneste af mine henvendelser, ingen af jer har ønske at svare eller indgå i dialog med mig, omkring de mange strafbare handlinger jeg beskylder Jyske Bank A/S og ledelsen, for sammen med en række ansatte at stå bag.

Jeres tavshed indikerer mere at vi har tale om en skandale, og det med mange medvirkende som har tilsidesat deres opgaver, jeg er ikke klar over om i selv som politikere og embedsmænd, selv har en whistleblower ordning, og hvis ja om der er nogle som har brugt den.

Hvis jeg ikke har ret i det skriver, skal jeg anmode om at i svarer, hvis der altså er nogle af jer som ikke er enige i mine anklager mod Jyske Bank A/S

De af jer som eventuelt måtte være uenige i det jeg skriver omkring, at Jyske Bank A/S har lavet organiseret kriminalitet, efter ordbogen, og lovens forklaringer, bedes svare og skrive personligt til mig på banknyt@gmail.com eller til min private mail Carsten.storbjerg@gmail.com

Kunde siger at også advokat Morten Ulrik Gade for JYSKE BANK har haft en central rolle i Jyske Banks omfattende svindel.

Morten Ulrik Gade der har selv medvirket til Jyske Banks organiseret bedrageri mod den lille virksomhed, da Morten Ulrik Gade skjult at kunden ikke har lånt de penge 4.328.000 dkk. som Jyske Bank hæver renter af.

Jeres svar vil indgå i min bog, og eventuelle ikke svar vil blive registeret som at i er enige, men jeg beder jer alle samme om og tage en debat i folketinget og der stemme for om alle politikerne fortsat vil dække

over Jyske Banks mange strafbare handlinger, eller om i lave en haste lov er undtager Danske banker fra at skulle overholde Dansk lov.

Vil i som modtager denne her mail, medvirke til at dække danske bankers lovovertrædelser, og samtidig være med til at undergrave Danskernes retssikkerhed.

Indsætter kopi af den sendte Gmail mail her med LINK.

Eller.

Vil i handle på de oplysninger i har modtaget til dato, i kunne starte med at se beviserne som jeg overbragte til folkettinget 1 maj 2019, altså før jeg vidste at Lundgrens der var advokater på sagen mod Jyske Bank A/S, allerede i foråret 2018. var blevet købt og betalt af Jyske Bank A/S for at Lundgrens advokater ikke måtte fremlægge nogle af vore anklager mod Jyske Bank A/S

Brand i Jyske Bank

Jeg vil mene at de af jer som fortsat ignorerer mine henvendelser, og som ved passivet stadig dækker over Jyske Banks forbrydelser vil være at betegne som medvirkende, hvilket i opfordres til at undersøge, og svare mig om i bliver medvirkende til Jyske Banks bedrageri, ved at dække over bankens forbrydelser, og ved at modarbejde retfærdighed.

Jeres svar, vil senere indgå helt eller delvis i min bog om korruption, kammerateri om bestikkelse i Danmark, min bog handler ikke længere kun om Jyske Bank, men om magtens Centrum "folketinget" og om i vil dække over Jyske Banks forbrydelser.

Forbrydelser som involverer at Jyske Bank A/S har bestukket Lundgrens advokater til ikke at fremlægge klientens sag mod Jyske Bank A/S.

Side 2 og 3. af [mailen / Brev 5 september. 2022](#). er ovenfor.

Jer som er nævnt og eller er modtager af denne her mail.

Er det efter jeres mening, helt i orden at Danske politikere, embedsmænd, ministerier og ministerierne, tilsyn samt Nationalbanken.

Ignorer og dækker over Jyske Banks mange strafbare lovovertrædelser.

SPØRGSMÅL:

Er det kammerateri når Folketingets medlemmer siden april 2019, har ignoreret alle henvendelser om hjælp, hvor offer for Jyske Banks bedrageri i mange og direkte henvendelser anmoder de Danske folkevalgte politikere om hjælp, da offeret er udsat for omfattende svindel udført af Jyske Bank A/S, en bank som også den Danske Stat selv benytter.

Folketinget og alle Danske politikere har løbende modtaget oplysninger, også med dokumentation for Jyske Banks brug af dokumentation for bedrageri.

SPØRGSMÅL:

Er det kammerateri når Finanstilsynet siden april 2019, har dækket over Jyske Banks kriminelle lovovertrædelser. Finanstilsynet har visen og set dokumentation for at Jyske Bank A/S har lavet stribevis af lovovertrædelser.

Hvorfor mon ingen i regeringen vil medvirke til at stoppe korrupsion og kammerateri i Danmark. ?.

Vi spørger her den 12. september 2022. nu også Finanstilsynet direktør Jesper Berg, om han og bestyrelsen på vegne af Finanstilsynet vil finde en dato med ugers varsel, hvor jeg kan overbringe den samme dokumentation for Jyske Banks kriminelle aktiviteter, som jeg har anmodet at overbringe til Danmarks Nationalbank, og for Danmarks Statsminister.

For der at fremlægge beviserne overfor.

Nationalbanken Danmark / National Bank Direktør Signe Krogstrup. Lars Rohde og Per Callesen, med henvisning til anmodning om at få en mødedato.

Her er 5. direkte anmodninger til Nationalbanken, hvilket Nationalbanken Danmark der til dato 7. september 2022. stadig ikke har besvaret en eneste henvendelse.

Nævner her et par af dem der for Jyske Bank A/S påbegyndte bedrageri mod min lille virksomhed, og hjælp svindelen i gang ved at bruge dokument falsk samt ved at lyve. Nogle af medvirkende til Jyske Banks million bedrageri er Nicolai Hansen, Jeanett Kofoed-Hansen, Casper Dam Olsen og Anette Kirkeby, for bare at nævne et par. Jeg har skrevet en mail 9 oktober 2022. hvor i jeg giver Jyske Banks bankdirektører Anders Christian Dam. / Niels Erik Jakobsen. / Per Skovhus. / Peter Schleidt, mulighed for at indrømme at Jyske Bank har lavet organiseret kriminalitet. Det er gratis og uden risiko for Jyske Banks koncern ledelse at underskrive, eftersom den danske stat herunder Regeringen ved statsminister Mette Frederiksen sammen med Finanstilsynet og Danmarks nationalbank alle dækker over Jyske Banks forbrydelser. Og med hensyn til nogle af dem, der for Jyske Bank har startet den organiseret kriminalitet, og har en central rolle, tilbyder jeg at interviewe jer enkelt vis. Det er kun til brug for bøgerne, så hvis Nicolai Hansen, Jeanett Kofoed-Hansen, Casper Dam Olsen og Anette Kirkeby ønsker at være blandt de første der blive interviewet til bøgerne. Så ring til mig på +4522227713 Ønsker i ikke at gøre brug af dette tilbud, hvor i selv kan fortælle hvordan i for Jyske Bank A/S udsatte kunde for massiv svindel. Vil jeg blot bruge den dokumentation jeg allerede har, men har får i muligheden for at fortælle hvor mange kunder i har udsat for den samme svindel og udnyttelse. Og i kan fortælle om i selv fandt på at lave bedrageri, og så skjule det gennem brug af dokument falsk, og ved grov udnyttelse og ved at lyve. Jeg spørger jer om det er noget i selv har fundet på,

eller det var efter ordrer. Jeg tilbyder også at interviewe Mette-Marie Nielsen der i dag er ansat i Danske Bank og Emil Hald Veldelbo Winstrøm der er ansat i Rambøll. Så i får mulighed for at forklar, om det kun var Dan Terkildsen der fra Lundgrens advokater gav instruks til at modarbejde jeres klient. Eller om var grunden til at I modarbejdet jeres klient, var efter et større præs fra det korrupte Lundgrens advokat kontor. Og om i fik ordre på at skjule at Lundgrens advokat kontor faktisk var blevet bestukket af Jyske Bank, til at modarbejde at svig og falsk sagen mod Jyske Bank blev fremlagt for retten. Og jeres opgave for Lundgrens og Jyske Bank A/S nu var at modarbejde retssikkerheden for at skuffe i retsforhold. I kan selv forklare hvorfor i ikke har fremlagt klientens svig og falsk påstande mod Jyske Bank A/S. Ring til mig på +4522227713 Så finder vi en tid, i er vigtig for mine bøger om korruption og de korrupte advokater i Danmark, og det vil give et bedre billede af korruption i Danmark at i medvirker, og forklarer hvor i valgte at hjælpe Jyske Bank med bedrageri, ved at modarbejde retfærdighed for jeres klient.

Herudover har Finans Danmark ignoreret både mine og vore advokats henvendelser, så når Finans Danmark ikke har ville besvare hvad der er normalt bank praktisk, da vi stiller spørgsmål der kan bruges mod Jyske Bank A/S i det omfang at Finans Danmark besvare vore henvendelser, har Finans Danmark holdt deres mund lukket.

Anders Christian Dam som er ridder af Danmark og som er er CEO leder for Jyske Banks A/S er selv medlem af bestyrelsen for Finans Danmark, er tæt forbundet med mange tråde, og er en af de knap 300 personer der styrer Danmark.

Læs her hvad vi skriver til Direktionen, Ledelsen og Juridiske for Finans Danmark, Amaliegade 7. 1256 København K. og bemærk at Finans Danmark ikke har svaret en eneste gang, hvilket kun kan skyldes at Finans Danmark selv medvirker til at dække over kriminelle medlemmer Finans Danmark.

Til formanden Adm. Direktør. **Carsten Rasch Egeriis.** Danske Bank A/S

Og til bestyrelse medlem Ordf. Direktør. **Anders Dam.** Jyske Bank A/S

I forbindelse med læsning af FR-3/2015 & FR-6/2015. **har jeg stadig** brug for at stille nogle yderlige spørgsmål, **der er lavet et par rettelser, og nogle spørgsmål er blevet tilføjet.**

Spørgetema og Finans Danmarks besvarelse.

Alt sammen vil indgå i min bog om korruption i Danmark, og om dem der ved Kammerateri dækker over banker, der har lavet bedrageri, lavet dokumentfalsk brugt bestikkelse og meget mere, hvilket Jyske Bank A/S står bag, med CEO Anders Christian Dam i spidsen står bag.

Alt sammen kan læses på www.banknyt.dk hvor der er delt beviser for mine påstande, som jeg afventer en dato for at mødes med Nationalbankens bankdirektør Lars Rohde, hvor jeg personligt ønsker at overbringe mine beviser for Jyske Banks mange og strafbare lovovertrædelser.

I får her 14 august en ny mail, vær venlig at læse den.

Og besvar den samt det Spørgetema der er redigeret med 29 spørgsmål. Som her i mailen er indsat.

Men mindre i også fra Finans Danmark har gjort brug af jeres mørke lygte, for ikke at ville se, at her har Finans Danmark efter lovens bestemmelser et kriminelt medlem, eller rettere sagt Jyske Bank A/S der med Ledelsen og CEO Anders Christian Dam, står bag omfattende lovovertrædelser, der i straffelovens bestemmelser er oplyst at være strafbare handlinger.

Morer i jer, over den magt i har til at hjælpe jeres medlemmer til at begå kriminelle handlinger, ved enkelt at dække over dem.

Jeg deltager gerne i et møde hvis i ønsker at drøfte Jyske Banks forretningsmetoder, hvilket er beskrevet på Jyske Bank bilen. [LINKS til biler som er fra en google søgning](#). Hvis Jyske Bank blot laver hvad Finans Danmarks øvrige medlemmer fortager sig, så forventer jeg at i alle sammen holder kæft, og finder jeres MØRKE LYGTE frem.

Her deler jeg og gentager 6 af de [27 spørgsmål i spørgertema](#) 14 august 2022. Som jeg sendte på 1 års dagen for min første henvendelse.

24. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut nægter at returnere en bankkundes private dokumenter, uden at kunden underskriver på andet end en modtagelses kvittering for returnering af dokumentet.
25. Er det i overensstemmelse med sædvanlig pengeinstitut praksis, at et pengeinstitut hæver renter for at rentebytte / Rente sikrer et oplyst bagvedliggende lån der ikke findes.
26. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut skjuler over for kunden, at banken hæver renter ved at rentebytte et underliggende lån, banken ved ikke findes.
27. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut beholder hvad banken har hævet i renter, for at rente bytte et lån der ikke findes. Når kunden først over 3 år efter, at banken har startet en rente bytte, "kaldet swap." altså med at bytte renter af et lån, opdager at der ikke findes noget lån.
28. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut ikke vil dokumentere, at en kunde har optaget og omlagte det lån banken har oplyst kunden har hjemtaget, og som banken ved en rente bytte hæver renter af. Tillægsspørgsmål generelt.
29. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut, i gentagelses tilfælde fremlægger kunder urigtige oplysninger.

Spørgsmål som ingen af Finans Danmarks ansatte har ønsket at svare på, og vi har en da skrevet direkte til.

Jyske Bank makes a false document to commit organized fraud.

Her er nu i dag 12 september. også EN. / 1. direkte anmodning til finanstilsynet i Danmark, det oplyses at til dato 7. september 2022. finanstilsynet ikke reageret på en eneste henvendelse altså udover at i maj 2019 at afvise at undersøge mine anklager mod Jyske Bank A/S.

Selv om Finanstilsynet ikke i maj 2019. afviste at modtage dokumentationen for Jyske Banks bedrageri, er der siden kommet mere til

Jeg ønsker at fremlægge til og for direktør Jesper Berg samt den samlede bestyrelse.

Jesper Berg der har været Direktør for Finanstilsynet siden oktober 2015. og med Fortid som bl.a. bankdirektør i Nykredit koncernen, hvilket er samtidig med Bente Overgaard der har været medlem af repræsentantskabet siden 2019. og er desuden medlem af Jyske Banks koncern bestyrelse, og samtidig er næstformand for repræsentantskabet.

Det er en af grundene til jeg skriver korrupsion og kammerateri er undergravende for Danskernes Retssikkerhed når en af kammeraterne udsætter deres kunder for bedrageri.

Men hvis kammerateri er udbredt blandt alle europæiske banker, og de finansielle virksomheder, vil også den Europæiske Central Bank ECB. undlade at regere på at National Banken Danmark frem til 22 september 2022. har valgt at dække over Jyske Banks bedragerier, men inden jeg klager til Centralbanken ECB, har både Danmarks National Bank, Statsministeren samt Finanstilsynet, mulighed for at regere, og gribe ind over for Jyske Banks kriminelle aktiviteter.

Jeg skriver 12 september 2022. til Finanstilsynet`s Bestyrelse, for at have dem med også, når jeg skriver min bog korrupsion, og hvem der medvirker til korrupsion i Danmark trives.

Bestyrelsen der er udpeget af erhvervs ministeren og består af medlemmer med særlige kompetencer i form af praktiske og teoretiske sagkundskaber, herunder juridisk, økonomisk og finansiell indsigt, de må derfor kunne sige sig selv med juridisk indsigt at når medlemmer af Finanstilsynet vælger at dække over banker der som Jyske Bank der er kriminelle, så bliver medlemmerne jo selv medvirken til bedrageri.

Naturligvis skal Finanstilsynets bestyrelse og deres direktør lige tale med deres advokater, for om der er medvirkende til den kriminalitet som de ansatte i Finanstilsynet dækker over.

Bestyrelsens medlemmer.

Jyske Bank's board of directors and lawyers from Lund Elmer Sandager, together with the Danish state, are sticking their heads in the ground, while Jyske Bank is deceiving their customers, which I will present to Nationalbank Danmark, as well as to the Prime Minister of Denmark.

Hvis jeg ikke har ret i det jeg skriver, må jeg anmode jer om at svare, altså hvis der er nogle af jer, der ikke er enige i mine anklager mod Jyske Bank A/S

De af jer, der måtte være uenige i, hvad jeg skriver, omkring at Jyske Bank A/S har begået organiseret kriminalitet, ifølge ordbogen og lov forklaringerne, bedes venligst svare og skrive til mig personligt, på mail banknyt@gmail.com eller til min private email Carsten.storbjerg@gmail.com

Jeres svar vil indgå i min bog, og eventuelle manglende svar vil blive registreret som I er enige, men jeg beder jer alle deltage i en debat i Folketinget og stemme om alle politikerne fortsat vil dække over Jyske Banks mange kriminelle handlinger, eller hvis man laver en hastelov, der fritager danske banker for at skulle overholde dansk lovgivning.

Vil du som modtager af denne mail, være med til at dække over danske bankers lovbrud, og samtidig være med til at undergrave danskernes retssikkerhed.?

1 maj 2019.

Eller.

Hvis du vil handle ud fra de oplysninger, du har modtaget til dato, kan du starte med at se på de beviser, som jeg fremlagde for Folketinget den 1. maj 2019, altså før jeg vidste, at Lundgrens var advokater i sagen mod Jyske Bank A/S, allerede i foråret 2018 . var blevet købt og betalt af Jyske Bank A/S, således at Lundgrens advokater ikke måtte fremføre / fremlægge nogle af vores anklager mod Jyske Bank A/S

Jeg vil tro, at de af jer, der fortsat ignorerer mine henvendelser, og som passivt stadig dækker over Jyske Banks forbrydelser, vil blive betegnet som medskyldige, hvilket I opfordres til at undersøge, og svarer mig, hvis I bliver medskyldige i Jyske Banks bedrageri, pr. at dække over bankens forbrydelser og ved at hindre retfærdigheden.

Jeres / Dit svar vil senere komme helt eller delvist med i min bog om korrupsion, kammerateri om bestikkelse i Danmark, min bog handler ikke længere kun om Jyske Bank, men om magtens centrum "Folketinget" og om du vil dække over Jyske Banks forbrydelser.

Forbrydelser hvor Jyske Bank A/S betalte bestikkelse til Lundgrens advokater for ikke at føre klientens sag om svig og falsk mod Jyske Bank A/S.

Og at blandt andet højesteretsdommer Kurt Rasmussen, har været med til at dække over de korrupte Lundgrens advokater, og at også landsrets dommer Søren Ejdam i byretten har undladt de vidne forklaringer, der ville skader Jyske Banks fremlæggelse i civilretten, med henvisning til den klage der er indgivet til den særlige klageret, samt at dommer Søren Ejdam i sin afvisning af sagen ikke tog hensyn til, at Jyske Bank har brugt bedrageri, var i ond tro, fabrikeret falske beviser, og vildledt Jyske Banks kunde. "altså at Jyske Bank har fået kunden i en forvildelse"

Hvis ikke Jyske Bank selv afslutter denne sag, og frifindes ved en dom, vil Danske Banker i fremtiden kunne lyve alt hvad de vil, og vil kunne forfalske dokumenter og begå bedrageri ustraffet, og føre deres kunder på afveje uden at dette får konsekvenser, hvorfor aftale loven skal omskrives, og paragraffer som f.eks § 30, 31, 30, 36, kan fjernes helt eller delvist.

xx [Den fulde tekst findes i vedhæftede dokument.](#) xx

Det er naturligvis jer som de danske politikere og Nationalbanken, sammen med Finanstilsynet, der har ansvaret for, om man vil medvirke til, at Jyske Bank får lov til at begå bedrageri, forfalske dokumenter, bruge bestikkelse og samtidig fungere som bank for den danske stat.

DET ER DIN & JERES BESLUTNING.

The Danish Parliament has received information that the Danish bank, which the government has previously granted state aid, is now exposing customers to fraud and fraud

Jeg kan kun skrive i min bog, hvordan de danske politikere som er nævnt, arbejder sammen med myndighederne for at sikre den retfærdighed, som det danske folk, og som i mener er bedst for det danske folk, når Danske Banker, som her hvor Jyske Bank A/S, begår bedrageri, som det faktisk er tilfældet her, med dokumentation.

Her er lidt delvis dokumentation, men det jeg vil fremlægge for Statsministeriet vil blive præsenteret i en tidslinje, med henvisning til overtrædelser af strafferetlige bestemmelser, hvor Jyske Bank handler i ond tro og ved at bruge falske dokumenter begår bedrageri .

Husk, at det er dig, der har valgt at dække over Jyske Bank, i stedet for at hjælpe et offer for bankens brug af mange strafbare forhold, jeg vil helst lave noget andet, men nogle må sige fra, det vil jeg, for hvis jeg ikke gør det. er det virkelig lort for retssikkerheden i Danmark.

I National Banken Danmark, de har i flere år internt omtalt min sag som en skandale, men de gør ingenting.

You just have to disprove that Jyske Bank has committed fraud and forgery as well as paid Lundgren's bribes, lies and that kind of crime. LINK, vi Hjælper med at find en Jyske bank rådgiver her.

The green butcher, with a good offer for you, Jyske Bank would slaughter the customer, but the customer will now slaughter Jyske Bank's credibility as a bank in Denmark.

Det er altså kun mig Carsten Storbjerg Skaarup fra Hornbæk, som i skal forholde jer til, og syntes i dette her er ok, og at ingen tør tale med mig. om alt det skriver, I ved alle sammen lige som jeg, at hvis ikke det er sandheden, ville i for længst være kommet efter mig, og truet mig til at stoppe.

Jeg skriver det hele tiden, jeg ville hellere lave noget andet, men det kræver altså dialog og samtale, hvilket til dato 8 september har nægtet, og netop dialog er det som kan få mig til at stoppe med at skrive til alle sammen, samt bringe mine kampagner til ophør.

I skulle prøve at tale med mig, alt andet er jo dumt, uanset i måtte mene at tavshed, kan dække over jeres alle sammens medvirkende til Jyske Banks bedrageri mod bankens kunder, og jeg er vel næppe den eneste, som Jyske Bank helt bevidst har udsat for bedrageri.

Who has committed fraud, used forged documents, lied to the court and presented false evidence, who has used bribes and who has covered up that Jyske Bank has carried out organized crime, this is precisely what I approach in my discussion of corruption in Denmark.

Here are some of the people who are the reason why I have made these many writings and postings, several of these will be included in the book, this is how corruption works in Denmark when Danish banks commit organized fraud.

Contributing to my story are, among other things, these people, there are more, but not all of them are mentioned here .

that dialogue was a good idea. :

If you want to avoid misunderstandings in Jyske Bank, then it is advisable to stay far away from this fraudulent bank, note that Morten Ulrik Gade wrote on November 17, 2015. that Jyske Bank wants to meet so that misunderstandings could be avoided, and it is only a few months after that the customer discovers Jyske Bank A/S is lying, and knowingly in bad faith has misled and exposed the customer to economic fraud, which has been carried out by several people together in association, which is why it is an aggravated criminal offence.

Between these 2 beautiful mood pictures of a sunset in northern Sjælland Hornbaek. Can you see some of those who are involved in my book, about the corruption that is undermining the legal security of the Danes.

Alt jeg har skrevet og skriver er grundlag til min bog og korrupsion i Danmark hvilket de Danske myndigheder er en del af.

For Jyske Bank A/S those who have committed fraud and falsification of documents, contributed to continued fraud and bribery, and who have simply abetted the management's complicity in fraud.

These employees of Jyske Bank are some of those who have played a central role in Jyske Bank's fraud, without them there would be nothing to write a book about.

Velkommen i en anderledes Bank.
Jyske Bank.

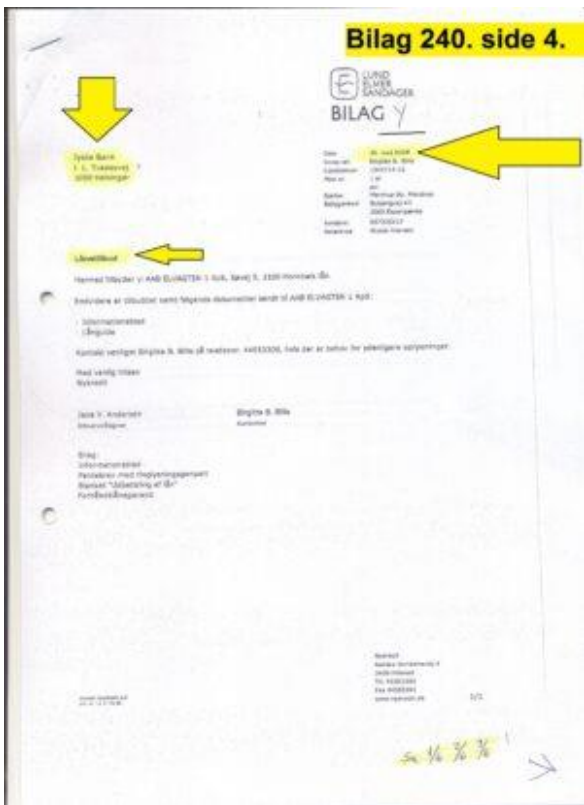

These appendices alone document that Jyske Bank is in bad faith, as the bank's employee Nicolai Hansen in February 2010. lies that the customer has borrowed DKK 4,328,000, which Nicolai Hansen together with Casper Dam Olsen in January 2012. again lies that the customer has rescheduled this loan, not even CEO Anders Dam will in May 2016, provide the customer with proof, that the loan of DKK 4,328,000 has existed, even though Jyske Bank has raised interest since 30 December 2008.

The customer first finds proof that there has never been a loan of DKK 4,328,000 after suing Nykredit, which would not answer the customer's question prior to the summons, whether the customer at any time borrowed the DKK 4,328,000 and when be restructured, as Jyske Bank has lied about.

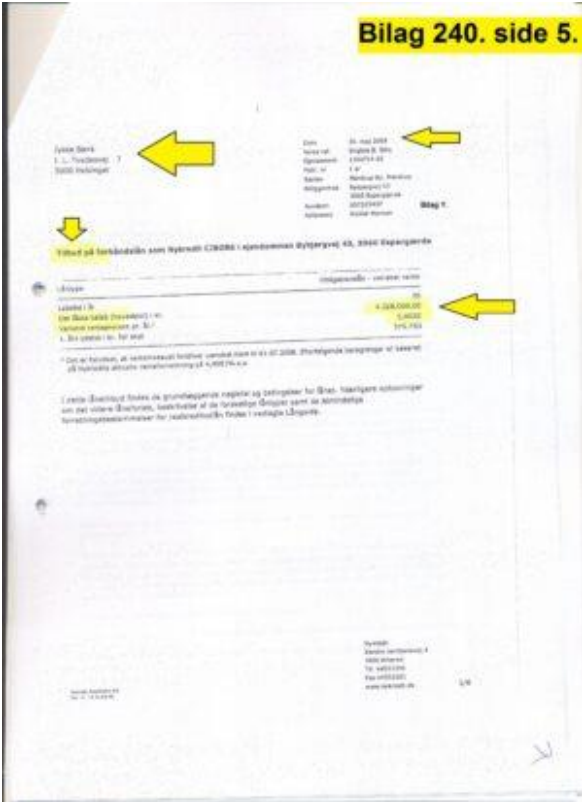

The reason why the client does not know what is true is that the client had a stroke in 2009, and with a cerebral hemorrhage that was 2.5 cm, the client was in critical condition, but survives, and in the following years, has difficulty remembering that This is what Jyske Bank uses to expose customers to the bank's fraud.

This is used by Jyske Bank and the management and Lund Elmer Sandager to claim to be outdated and that Jyske Bank can keep what Jyske Bank has stolen by fraud and falsehood, Morten Ulrik Gade, Philip Baruch, Kristian Ambjørn Buus-Nielsen demand that Jyske Bank not must pay something back, and that it is the customer's own fault, the customer could simply stop believing in Jyske Bank, which has proven to have lied in order to deceive the customer.

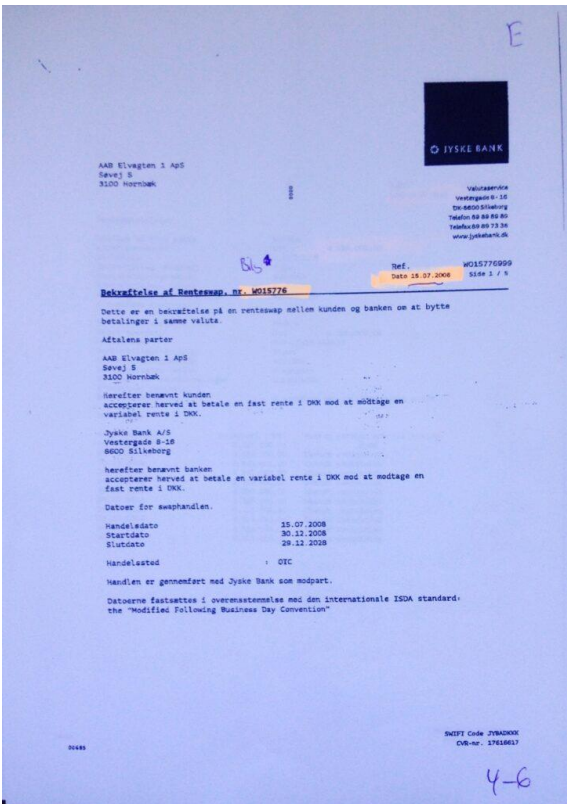

This with Jyske Bank lying to deceive is only a small part of Jyske Bank's business methods.

Kan Dan Terkildsen på nogle måde være i tvivl om at Jyske Banks ansatte har misbrugt fulmagten Bilag 7.

Og at Dan skulle fremlægge netop dette, samt at Jyske Bank A/S ved deres ansatte har været i ond tro, og har handlet uærligt, og at Jyske Bank laver svigagtig optræden

Carsten Storbjerg som er klager, se Bilag 3. ansatte Lundgrens for at Dan skulle hjælpe klager, der ikke er så dygtig som Dan Terkildsen må antages at være.

Klager har ikke kunne stole på hverken Dan Terkildsen, Emil Hald eller Mette Marie Nielsen fra Lundgrens, selv om Mette ved Bilag 87 Punkt 1-11 og som i Punkt 16. siger at Klager må stole på at Dan og Mette gør hvad de er for, lige som Emil Hald i Bilag 93. 08-07-2019. gøres klart og bekræfter Bilag 93. punkt 79. at have forstået det handler om brug af svig.

Hvilket Emil bekræfter Punkt 80. og siger så han lige skal tale med Dan om det.

På dette tidspunkt dec. 2018 og frem, må det antages at Jyske banks millioner af kroner, for at hjælpe med et salg Bilag 12. for over 1/2 milliard kroner, må være kommet ind på Lundgrens konto.

Alligevel har Dan Terkildsen 13-08-2019 sagt at han ikke viste om der var nogle på kontoret der har arbejdet for Jyske Bank, da det jo var et stort kontor se Bilag 140.

Hej Claus. Vi holder os i alle sammenhænge til gældende regler og lovgivning. Sker der fejl, så retter vi op. Jurister og andre instanser kigger lige nu

Men vi kan sige, at vi hverken stjæler eller bedrager eller forfalsker dokumenter. Vi kan og vil heller ikke hjælpe kunder i skattely; hvis du ikke kan bevise, at du betaler skat, kan du slet ikke være kunde i Jyske Bank. Vi overholder altid de til enhver tid gældende regler og lovgivning. Sådan må og skal det være.

 **Havkatten [Jyske Bank]**

Vi har sagt det før og siger det gerne igen; vi kan ikke og vil ikke hjælpe kunder, som vil undgå at betale skat. Uanset hvad DR eller andre vælger at bringe. Vi er meget stramt reguleret (også) på det område, og vi overholder selvfølgelig alle gældende regler og lovgivning.

Lykkes det efter at have stævnet Nykredit, at få deres advokat Mette Egholm Nielsen, til at indrømme kunden aldrig har hjemtaget noget lån på 4.328.000 kr. I Nykredit.

You will all receive a copy of the documentation for Jyske Bank's use of crime, which I will, however, first convey to the National Bank of Denmark, and to the State Ministry and the Prime Minister, and also to the Financial Supervisory Authority, others who are mentioned will receive a copy.

And if there are some of you who, I believe wrongly, accuse Jyske Bank A/S of forging documents, fraud, exploitation, lying, using bribes, abusing powers of attorney, anything else, then everyone is welcome to help Jyske Bank accusing me of libelous excerpts.

You are all against me, and I cannot win over corrupt lawyers, corrupt judges, when the politicians cover up criminal banks.

But you know what, you have instead become part of the book I am writing.

If the National Bank of Denmark. – The Danish Government, the State Ministry or the Danish Financial Supervisory Authority all with your management and boards will refuse to receive the documentation for Jyske Bank's use of criminal acts.

And if you as authorities, such as the Minister of Justice, the Ministry of Justice in Denmark, the Danish Courts Agency and the Danish politicians, still ignore my evidence that Jyske Bank A/S is behind organized crime, and in that way cover up Danish criminal banks, which is undermining the business of Danes' legal

security, this will be used for the further case, which involves a complaint to the European Central Bank, and then the European Court of Justice.

But before that, I must first ensure that you all help me stop the corruption and the criminal Jyske Bank A/S.

In addition, Morten Ulrik Gaden, together with the legal department and Jyske Bank's management with Anders Dam as the front figure, shows how Jyske Bank earns their money, namely by committing fraud, and shows that Jyske Bank, through exploitation and lies and bribery, does everything the bank can to keep what Jyske Bank has stolen.

But also ATP pension, which since 2016 has been a major shareholder in Jyske Bank A/S, has been informed of Jysk Bank's fraudulent and forgery, as well as gross fraud against the bank's customer, yet the management and board of ATP pension have chosen not to take any action.

The ATP director believes that Jyske Bank's million fraud of the bank's customers is a relationship between the bank and the customer, which ATP and the board do not care about, the victim must fight against that himself.

When ATP doesn't care about investing Danes' money in companies that are demonstrably criminal, it just shows the heart of ATP.

ATP writes itself, as a collective pension scheme and payer of welfare benefits to the Danes, ATP has an important role in society. With that role comes a special responsibility. For us, social responsibility is both about the way we invest the Danes' pension funds.

WHICH IS BUYING SHARES IN COMPANIES, WHICH ATP IS KNOWN TO BE BEHIND THE USE OF FRAUD, FORGERY OF DOCUMENTS, ABUSE OF POWERS OF ATTORNEYS, AS WELL AS ABUSE OF THE BANK'S ACCESS TO THE COURT OF DEEDS, AND NOW TOO THE USE OF BRIBE.

ATP, which since 2016 has refused to deal with Jyske Bank's fraud, will like the others receive full documentation that they invest Danes' pensions in banks that commit crimes.

18-12-2018

18-12-2018

18-12-2018

28-09-2018. Processkraft 1.

28-09-2018,

28-09-2018,

Hvem bestemmer hva klientens sag handler om, og hvad der skal fremlægges, Klienten eller advokaten som skal hjælpe klienten, dette er det som klagen over Lundgrens handler om. **21 januar 2019. Skriver Lundgrens ved Karoline Stampe Eriksen.**

Jeg noter at vi sender **mail vedr. SVIG SAGEN** til denne mail, [du kan læse de fleste mails i klagen over Lundgrens her](#), hvor Lundgrens bliver anmodet om at fremlægge flere forhold af SVIG. og så selv vurdere om Lundgrens advokater er lidt korrupte eller Lundgrens er meget korrupte, hvilket Dan Terkildsen bliver stillet spørgsmål om i retten.

At Lundgrens advokater alligevel arbejder for sagsøgte Jyske Bank A/S, og skjuler dette over for klienten her, understøtter blot at Lundgrens arbejder for at skade klientens sag mod Jyske Bank A/S, hvilket står meget klart [BLAG 134. 2 september 2019](#). hvor Lundgrens på side 2. i processkriftet skriver at klienten har indgået en swap, den 16-07-2008. med Jyske Bank A/S og dette på trods af klienten kontinuerligt skriver at denne er FALSK. også med henvisning til aftalelovens bestemmelser om ugyldighed.

Da Lundgrens 2. september 2019. fremlægger det stik modsatte, af det svig som klienten skriver og siger Lundgrens skal fremlægge, og samtidig skjuler dette overfor klienten , bør Lundgrens Dan Terkildsen slet ikke have lov til at virke Som advokat.

Eksempelvis i [27-08-2019. BILAG 115](#). også som [06-12-2018- Bilag 40](#). det kan da ikke misforståes, men det korrupte advokatfirma inquirer klienten, og ændre også klientens påstande.

Lundgrens fremlægge i deres [Processkrift 2. Den 2/9-2019. BILAG 134](#). at klienten 16-07-2008 har indgået en swap med Jyske Bank.

Selv om klienten gentagende og kontinuerligt over for Lundgrens advokater, har fremlagt det modsatte, som eksempelvis ved [BILAG 106. 11/8-2019](#). AT SWAPPEN 16-07-2008 PÅSTÅS FALSK.

HVILKET LUNDGRENS ANSATTE VED MINDST DISSE

Mette Marie Nielsen, Emil Hald Vendelbo Winstrøm, Pernille Hellesøe, Sebastian Lysholm Nielsen, Jens Grunnet-Nilsson, Karoline Stampe Eriksen og Dan Terkildsen alle disse 7 eller 8. er bevist om, at klienten påstår denne påståede at være falsk, og lavet ved hjælp af dokumentfalsk, samt at Jyske Bank A/S var i Ond Tro.

At Jyske Bank var i OND TRO skulle Lundgrens jo også fremlægge, men når Lundgrens indirekte arbejde for modparten, for at skuffe i retsforhold, ville Lundgrens heller manipulere med klientens sag, for at gøre mere nytte for Jyske Bank A/S og sikkert få flere opgaver for banken.

At Jyske Bank A/S har været i OND TRO, understøttes af det kommende Processkrift 5. hvori det bliver fremlagt at Jyske bank, som forsøgte at få en underskrift på denne swap 16-07-2008. efterfølgende, både [LINK. 24 -07-2008](#). og igen [LINK. 30-07-2008](#). Ingen af disse ens dokumenter 16-07-2008. 24-07-2008. 30-07-2008. er blevet underskrevet, derudover løj Jyske Bank også at lånet 4.328.000 for swappen var Hjemtaget [LINK. hvilket ses i dette her dokument](#). og så om lagt hvilket ses i dette her [LINK. Sagens Bilag D](#). også dette skulle Lundgrens fremlægge, men som de korrupte advokater Lundgrens er, ville Lundgrens partner noget andet, hvorfor de involverede medarbejdere i Lundgrens ikke svarede klienten, og fremlagde noget andet.

Når Lundgrens advokater, selv efter Klienten 21/8-2019. klagens [BILAG 110](#). & [BILAG 111](#). har anmodet Domstolen om at få aktindsigt, eftersom Lundgrens advokater skjuler både retsbøger, og tilbageholder processkrifter over for klienten, altså Lundgrens vil ikke udlevere klienten kopi af retsbogen, så som kopi af [LINK. Processkrift B](#). Og også [LINK. Processkrift 2. 02-09-2019. Bemærk det fremhævet på side 2](#). ikke er ens med hvad klienten skriver [BILAG 106. 11/8-2019](#). og den [27-08-2019. BILAG 115](#).

Klienten ved dels ikke at Lundgrens advokater er korrupte, og klienten ved heller eller hvad der bliver fremlagt i sagen, da Lundgrens advokater ikke vil svare klienten, eller for den sags skyld dele processkrifter med klienten, Lundgrens vil selv bestemme, og samtidig holde klienten helt ude af sagen, Dan Terkildsen og den løgnagtige advokat Philip Baruch fra Lund Elmer Sandager bestemmer hvad der skal frem, og hvad der skal skjules.

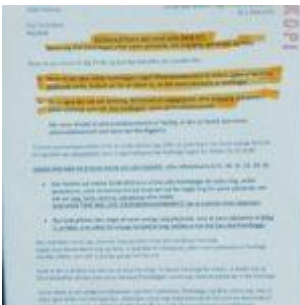

Dear partner of Lundgren's lawyer partner company.

Remember now. A false or corrupt lawyer is a threat to the Danish legal community.

Hos de korrupte Lundgrens advokater, finder du den konservative advokat, som ofte er partiets ordstyrer på den konservative general forsamling.

et godt samarbejde mellem Lundgrens og Jyske Bank og mellem Rødstenen og Jyske Bank og også være sket.

Page 1 of 43. 27-08-2019 to Lundgren's lawyers.

The letter is just one of many, in which we repeatedly ask, Lundgren's lawyers, such as the clerk Emil and Mette-Marie and Dan Terkildsen, to present the client's, ie our fraud allegations against Jyske Bank.

We refer to the SMSs in the letter, with allegations sent to Emil, but which none of Lundgren's attorneys would provide.

In the letter, the client refers to SMS 23-08-2019. and writes that Emil from Lundgrens has not responded to their client's SMS

/

And also refers to Mette-Marie in Lundgrens.

Which in turn raised our allegations 10-12-2018, to present the client's claims to the court 18-12-2018.

—

IT IS A FACT.

That Mette-Marie chooses with Dan Terkildsen, not to submit any of the client's claims against Jyske Bank, in the closing petition 18-12-2018

There Mette-Marie is doing the same thing on December 18 and will be sent to court.

/

IT IS A FACT

That Lundgren's attorneys 02/09/2019 make and present litigation 2, exactly 4 weeks before the scheduled hearing 30 September

In this document, Lundgrens also did not include any of the client's fraud claims.

Just as it is a fact that Emil does not share Process Letter 2 with the client who first gets a copy, after Lundgrens has been fired, on suspicion that Lundgren's lawyers are corrupt.

—

The main claim is still Appendix 1. a change of interest from 16-07-2008 of DKK 4,328,000.
for an underlying loan that does NOT exist.

That Annex 1 is false is said 1,000 times.

Just this little detail, Lundgren's lawyers fail to present to the court.

/

IT IS A FACT

That Lundgrens, by Dan Terkildsen, Mette-Marie and Emil, repeatedly stated that the SWAPPEN of 16-07-2008 Appendix 1. by the client is alleged to be false.

When Lundgren's attorneys present the case, as if Appendix 1. is agreed and approved.

Then, directly directly against the client's instructions, bring the case as a case of bad advice, against the client's claims.

Then it must be Lundgrens and Jyske Bank who must have agreed this.

—

And why doesn't Lundgrens send the client a copy of litigation 2.

Clear that the client thinks that Jyske Bank must have paid Lundgren's lawyers, in order not to present the client's fraud allegations against Jyske Bank

Whether it is Bribery that happened by the Return Commission, or in a fee, hidden in some way, the parties to Lundgren's lawyers must be able to explain.

Like when Jyske Bank hires Lundgrens for a large million tasks.

[Lundgren's lawyer partner company.](#)

And last and not least, Jyske Bank's fraud will not be carried out unless the Danish Courts "Dommere" would participate, I only mention District Court Judge Søren Ejdam, and Supreme Court Judge Kurt Rasmussen, who may also be one of the judges who will judge in the High Court.

The Danish Judge Søren Ejdam Viborg District Court has chosen to cover Jyske Bank by. Removing witness statements from the minutes has added text that the witness did not say. As well as Søren Ejdam, it has been decided that bad faith, error, misrepresentation, the use of fraud, the use of falsehood do not stop the statute of limitations. Like when Danish banks commit fraud, and aside from the fact that Jyske Banks actually bribed the plaintiff's former Lundgren lawyers.

There was a time when I didn't think there was corruption / collusion in the Danish Courts, but I have become wiser, which I have had to realize through experience, and no one can win over corruption, but I will write about it, which will also happen to the European Central Bank, and the European Court of Justice.

Niels Erik Jakobsen. Jyske Bank

Per Skovhus. Jyske Bank

Peter Schleidt. Jyske Bank

Jyske Bank A/S Helsingør behind extensive fraud carried out by at least Jeanett Kofoed-Hansen and Nicolai Hansen.

And that with the help of at least Casper Dam Olsen. Anette Kirkeby. Soren Woergaard. Morten Ulrik Gade. Birgit Buch Thuesen. Philip Baruch. and CEO Anders Christian Dam.

Hos de korruperte Lundgrens advokater, finder du den konservative advokat Dan Terkildsen, som ofte er partiets ordstyrer på den konservative generalforsamling.

Dan Terkildsen der reelt for Lundgrens advokater har hjulpet Jyske Bank med bedrageri mod deres fælles kunde, hvilket Lundgrens advokater stadig arbejder for, da Lundgrens har stævnet kunden for at få i alt 232.000 dkk. dette for ikke at have fremlagt nogle af kundens påstande mod Jyske Bank, og for at skjule at Lundgrens har fået millioner af Jyske Bank, og for at Lundgrens så skjulte flere processkrifter for klienten, ikke kun Jyske Banks processkrifter men også et processkrift som Lundgrens selv fremlagde for retten, på vegne af klienten mod Jyske Bank A/S.

Det står klart at klienten ikke måtte vide hvad Lundgrens lavede.

Det er Faktum at Lundgrens har lavet samlet 5 siders processkrifter, hvilket klienten ikke måtte få til godkendelse inden fremlæggelse, hvilket Lundgrens så vil have 232.000 danske kroner for, dette gør Lundgrens for at hjælpe Jyske Bank A/S med at underminer klientens økonomi og kundens muligheder for økonomisk at kunne betale en anden advokat, for at fremlægge de svig og falsk påstande og ond tro anklager mod Jyske Bank A/S, som kunden tidligere ansatte Lundgrens til, altså før Jyske Bank formentlig ved Philip Baruch og Anders Christian Dam valgte at ansætte, købe eller bare bestikke Lundgrens til ikke at fremlægge kundens anklager mod Jyske Bank A/S

Det er også Faktum, at det sidste processkrift ville Lundgrens advokater slet ikke udlevere til klienten, hvilket Højesteretsdommer Kurt Rasmussen som har sit daglige embede i Vestre landsret, hvor sagen mod Jyske Bank skal behandles, Dommer Kurt Rasmussen har vedtaget sammen med topadvokater fra Horten og Kromann Reumert at Lundgrens ikke har overtrådt god advokatskik, og advokat samfundets formand Martin Lavesen fra DLA Piper Advokater vil ikke have at offentligheden får kendskab til denne afgørelse.

Jeg Carsten Storbjerg Skaarup har gennem længere tid, beskyldt advokatnævnet ved Højesteretsdommer Kurt Rasmussen, fra domstolsstyrelsen og advokater som Birgitte Frølund fra Horten Advokater. / Jens Steen Jensen fra Kromann Reumert Advokater. / Jurist Rikke Skadhauge Seerup Krogsgaard fra Forbrugerklagenævnet. / Henrik Hyltoft fra Dansk erhverv.

Og også formand Martin Lavesen fra DLA Piper Advokater for reelt at hjælpe Jyske Bank med organiseret bedrager, dette er udført ved at dække over at Lundgrens har overtrådt god advokatskik, Advokatnævnet og advokatnævnets formand højesteretsdommer Kurt Rasmussen vil ikke svare, og vil ikke gøre advokatnævnets afgørelse offentlig, da den ikke må bruges af andre advokater.

At advokat nævnet ved dommer Kurt Rasmussen kan afgøre, at det er god advokatskik eller i hvertfald ikke nogle nogle overtrædelse af god advokatskik, når et advokatfirma som Lundgrens advokater tilbageholder, og bevidst eller ved ond tro skjuler flere processkrifter overfor klienten, samtidig med at andre advokater i Lundgrens har taget mod en stor million opgave for den sagsøgte Jyske Bank A/S

Dette er hvad jeg kalder for kammerateri og korrupsion, der har infiltreret de Danske domstole, hvilket er grunden til jeg har klaget over dommer Søren Ejdam til den særlige klageret, formoder at kammerateri

blandt dommerne i Højesteret nok skal holde hånden over, at Dommer Søren Ejdom har fjernet / undladt vidneforklaringer der er Jyske Bank i mod.

Mens jeg samler materiale til min bog om korrupsion i Danmark, hvor jeg vil skrive om det kammerateri blandt også dommere, som er underminerende for et retssamfund, når statslige myndigheder modarbejder retfærdighed, og reelt dækker over den kriminalitet som Jyske Bank A/S beviseligt står bag.

Jeg skriver det igen.

HVIS IKKE JYSKE BANK A/S Har OVERTRÅDT NOGLE LOVE ELLER REGLER.

Så har i da stadig lov til at kontakte politiet, og der anmelde mig for injurier og bagvaskelse mod Jyske Bank A/S.

Sagen blot vokser, og der skal ske fyringer, hvem har hjulpet Jyske Bank A/S med bedrageri, det vil jeg gerne skrive mere om, og alle der har modtaget en mail, og som er blevet nævnt vil kunne være en del af handlingen.

Du som er blevet nævnt, og alle myndigheder herunder Folketinget Regeringen Statsministeriet Finansministeriet Finanstilsynet Justitsministeriet Nationalbanken Domstolsstyrelsen Rigspolitiet Anklagemyndigheden Statsadvokaten med flere, er alle kandidater til min bog og eller bøger, hvor jeg vil indsætte jer som har medvirket aktivt eller passivt, eller på anden måde været medvirkende, den kriminelleitet som Jyske Bank A/S står bag, og som de danske myndigheder herunder Folketinget er med til at dække over, i hvertfald har ikke en eneste svaret 2016. – 6. September 2022.

Hvis nogle af jer ikke mener det jeg skriver er sandt, så ring straks til mig, så vi kan få rettet eventuelle fejl.

Når Lundgrens advokater i stedet for at fremlægge klientens svig og falsk sag mod Jyske Bank A/S, vælger at tilbageholder flere processkrifter for klienten, og den fælles kunde til Jyske Bank, hvilket Dan Terkildsen, Mette Marie Nielsen og Emil Hald Veldelbo Winstrøm ved at maniplulere klienten der ikke opdager at Jyske Bank har bestukket Lundgrens til at modarbejde klienten.

Det står helt klart at Dan Terkildsen og Lundgrens advokater arbejder for Jyske Banks interesser, Lundgrens advokater bliver ved at hjælpe Jyske Bank med at holde kunden ude af den sag kunden har ansat Lundgrens til at føre mod Jyske Bank, og Lundgrens er derfor reelt medvirkende til det Bedrageri som Jyske Bank udsætter den fælles kunde for.

Et bedrageri som flere af Domstolsstyrelsens ansatte reelt hjælper Jyske Banks med, dette sker ved at mindst Højesteretsdommer Kurt Rasmussen, der til dagligt Landsdommer i Venstre Landsret. og Byretsdommer Søren Ejdom Viborg Byret. hverken Justitsministeriet, Domstolsstyrelsen, advokat

samfundet eller folketinget har ikke reageret på henvendelser, om korruption og kammerateri i de danske Domstole, selv om det er undergravende virksomhed for et retssamfund.

Var det kammerateri og og er det derfor den tidligere Justitsminister Søren Pape Poulsen, ikke ville svare på nogle breve til hverken Justitsministeriet, eller til det konservative Folkeparti, ingen har nogensinde ville tale med mig eller svare direkte på mine henvendelser, samtidig med de Danske myndigheder helt åbenlyst dækker over de banker der nægter at overholde loven.

Jeg skriver det her klart og tydeligt, den Danske regering og myndigheder, som finanstilsynet, nationalbanken, statsministeriet, domstolsstyrelsen, Justitsministeriet og flere til, hellere hjælpe Jyske Bank med at slippe god fra organiseret bedrageri, end at at opretholde retssikkerhed og sørger for retfærdighed i Danmark, det er en ting.

Men i kan ikke tie mig ihjel, og hvis i har noget i vil have jeg skal rette et eller andet, eller hvis i gerne vil have med i min bog om de den kriminelle Jyske Bank og hvordan korruption og kammerateri styrer Danmark, så skal i Bare ringe til mig, aftale et møde, så skal jeg nok komme, jeg er kun interesseret i at skrive sandheden

Jeg venter stadig på at nationalbanken Danmark og staministeret ved Statsminister Mette Frederiksen kommer med en dato hvor vi kan mødes, og hvis i ikke vil svare min anmodning, og ikke vil mødes med mig, må jeg skrive rekommanderet som post, og vil i heller ikke besvare min henvendelse der, vil i får overbragt dokumentation for Jyske Banks kriminalitet i bogform, hvilket i så må reagere på, i hvert fald hvis ikke i skal risikere at være medvirkende til Jyske Banks forbrydelser, ved at i ved passivitet bare vælger at dække over bankens forbrydelser.

Se lidt at de dokumenter jeg har sendt tidligere til de konservative **tidligere Justitsminister Søren Pape Poulsen, som ikke ville svare mine henvendelser, i mellemtiden, vokser det som en stor skandale, og ingen vil sige noget.**

Which Jyske Bank instigates as their plan is clearly to defraud the customer for around DKK 2,500,000 in interest on the DKK 4,328,000 loan. As Jyske Bank decides to lie is recorded and then rescheduled.

Even if Jyske Bank knew that there was no loan, Jyske Bank wanted to keep the customer in a state of confusion, which was quite easy after Jyske Bank A/S took advantage of the customer in November 2009 to suffer a brain haemorrhage.

Jyske Bank continued to lie in bad faith in order to keep the customer confused, in order to continue fraud.

I know I cannot win over the criminal Jyske Bank, when the Danish state, through authorities such as the Financial Supervisory Authority together with the government and several judges, cover up Jyske Bank's organized fraud, that is why I have written to the European central bank that Denmark has a problem with banks that, like Jyske Bank, use tipping, and that the Danish authorities accept this.

The fact that I know the judge Kurt Rasmussen, who has covered up that Jyske Bank has bribed Lundgrens, will probably be a contributing judge, just confirms that Nicolai corruption has a good grip on the Danish judges as well.

Here are a couple of those who have helped Jyske Bank A/S with organized fraud, and the Danish authorities are covering it up.

I want to point out that Denmark has a big problem with corruption, I have misunderstood something so please correct me.

And to the politicians, officials and employees in the authorities who have helped to confirm that this is a scandal that has not been seen before, thank you for the information, I am writing this to give Jyske Bank A/S and the authorities the opportunity to correct the ship up, and remember the Titanic couldn't sink either.

I want dialogue and conversation, which you all refuse to answer.

Is it a criminal offense for the Danish state to cover up a criminal Danish bank's, or is it completely normal in Denmark.

This here is about members of the Danish authorities, and also the Danish Courts Authority with positions as judges of the Supreme Court helping to undermine Danes' legal certainty, when Danish banks like Jyske Bank A/S are behind obvious crime.

And IT is a problem for legal certainty, that Jyske Bank A/S would like to bribe the customer's lawyers "Lundgren's." To oppose the case against Jyske Bank A/S is presented.

Lundgren's lawyers are corrupt, as Lundgrens accepted a bribe from Jyske Bank A/S not to present a client's fraud and false case against Jyske Bank A/S. Lundgren's lawyers who have chosen together with Jyske Bank A/S to undermine the client's and Jyske Bank's customer's finances, in order to prevent the customer from having the financial opportunity to conduct a fraudulent case against the criminal Jyske Bank A/S Employees such as Supreme Court judge Kurt Rasmussen also help with this, the Danish Courts Agency is responsible to the Ministry of Justice, which has submitted that Denmark also has a problem with corruption in the Danish Courts Agency's employees.

It was Supreme Court judge Kurt Rasmussen, who is employed by the Danish Courts Agency and who works in the "left ." High Court, who is one of those, who approved that Jyske Bank A/S was willing to bribe Lundgren's lawyers, even if payment was made by return commission.

The Supreme Court judge Kurt Rasmussen, who is one of those who has adopted:
That it is not a violation of good lawyer practice, as Lundgren's lawyers would not give the client a copy of the pleading 2. which Lundgren's lawyers themselves had presented to the court in the case against Jyske Bank.

Judge Kurt Rasmussen didn't think it was not the client interest, knowing what Lundgren's lawyers presented in the trial against Jyske Bank A/S, and actually wrote in his rejection of the complaint against Lundgren's lawyers.

That the client did not know what Lundgren's lawyers presented in the case against Jyske Bank A/S, Kurt Rasmussen Supreme Court judge Kurt Rasmussen thought this was good lawyer practice

Like Judge Kurt Rasmussen did not think, that the client needs to know, what Jyske Bank A/S would answer in the pleadings in the case.

Judge Kurt Rasmussen has decided that Jyske Bank's customer had to trust that Lundgren's lawyers, who were the customer's lawyers, did what Lundgren's lawyers thought was best for the client, at the same time that Jyske Bank A/S paid Lundgren millions in return commission to prevent, the client's claims against Jyske Bank A/S was presented to the court.

And that was after Jyske Bank A/S bribed Lundgren's lawyers not to present the client's fraud and false allegations against Jyske Bank.

[Mail 6 August to the European Central Bank.](#)

La présidente de la Banque centrale européenne, Christine Madeleine Odette Lagarde, a été informée qu'un citoyen danois a demandé à la banque nationale du Danemark, par les directeurs de banque Lars Rohde, Signe Krogstrup et Per Callesen, une réunion au cours de laquelle il pourra remettre la documentation complète de Jyske Bank. crime organisé. Le client veut savoir si la Banque nationale et l'État danois par le Premier ministre Mette Frederiksen choisissent toujours de continuer à couvrir les nombreux crimes de Jyske Bank, comme l'utilisation de la fraude, la falsification de documents et la corruption.

How does the European Central Bank respond to information, that the Danish state and the government have politically, together with Denmark's Nationalbank, opposed and covered up for years, that Denmark's second largest bank, Jyske Bank A/S is behind organized crime against the bank's customers, by using fraud, forgery and bribery in some of the bank's Jyske Bank's business methods.

Carsten Storbjerg who himself has been in charge of the investigation into Jyske Bank's criminal actions, which the Danish State through the National Police and the Financial Supervisory Authority has opposed was investigated.

Therefore the victim alone has had to fight against the criminal Jyske bank, and also be responsible for the investigation, as both the police, the Financial Supervisory Authority and other authorities, as well as the government have refused to help the victim of Jyske Bank's criminality.

Since all Danish authorities have resisted or refused to talk to the victim of Jyske Bank A/S crimes.

And at the same time the authorities have refused to investigate Jyske Bank, and have also refused to rule on some of the crimes that the victim has presented to the Danish authorities.

And in this way it shows, that in Denmark the Danish state covers criminal banks, so it is only natural to involve the ECB. The European Central Bank, for their stance on banks that demonstrably commit organized fraud, and use bribes to avoid the customer being presented with their claims.

It is a scandal for Denmark, and if the Danske Nationalbank does not stop covering up Jyske Bank's crimes and acts on the information the bank has received, the Danish state will have to start removing a lot of laws, as Jyske Bank obviously sets the agenda for about Fraud, Document forgery, Bribery, Mandate fraud, and much more is actually allowed, or is it just the victim Carsten Storbjerg who does not understand the laws, that obviously do not apply when Danish banks expose their customers to fraud.

Jyske Bank's crimes that Carsten Storbjerg cannot understand the Danish state, the the Danish Nationalbank, the Financial Supervisory Authority, the Government, and even Danish judges, where several of whom themselves cover up Jyske Bank's crimes.

It makes sense to write my book about the corruption in Denmark, around the fact that the Danish state is clearly covering up the criminal Danish Bank's, but right now, I just want to present my evidence of Jyske Bank's criminal actions to the National Bank, and afterwards I want to request the Danish Prime Minister for a similar meeting.

Because it is not reasonable that the victims of Danish banks' criminal offenses have no legal certainty in Denmark.

In this way the Danish authorities violate the legal security of the Danes, when the Danish banks deceive their customers,, and the Danish politicians together with the authorities passively cover up these crimes.

The reason for Carstens Storbjerg has made a request to Denmark's Nationalbank director Lars Rohde, is to hand over and present to the National Bank documentation that Jyske Bank is criminal.

You can find links to these emails further down the page.

Is simply to give Denmark's Nationalbank the opportunity to act, and so that Denmark's Nationalbank's management can no longer hide behind passivity, and thus be instrumental in covering up, that Jyske Bank is committing serious crimes, which should cause the Danish State and Denmark's Nationalbank to act on the information they receive.

First I Carsten Storbjerg wants to have a meeting with Denmark's Nationalbank's director Lars Rohde, and then the Prime Minister Mette Frederiksen, they will receive a similar request.

If both the Danish Nationalbank, and Prime Minister Mette Frederiksen still interfere with my inquiries, I will start a formal complaint against the Danish State to the European Court of Human Rights.

Where I intend to sue the Danish state to cover up the Criminal Jyske Bank, which has exposed both me and my small company to several crimes, and in that way opposed the law, and opposed the legal security of the citizen who is exposed to the crimes of a Danish bank, no company can survive that.

The fact that Jyske Bank has still not run their victim bankrupt, many wonder, since that is Jyske Bank's way of working, but Jyske Bank A/S can never stop me from telling how Jyske Bank really is of bad faith and lies to make the most money, and why the Danish State should immediately stop covering up Jyske Bank's crimes, and cease cooperation and the use of Jyske Bank, as a bank for the Danish state.

Jyske Bank can laugh as much as they want, but can only say you must stop exposing customers to your shenanigans, and request the Danish state and authorities as well as the National Bank of Denmark to stop covering up Jyske Bank.

Jyske Bank A/S is probably laughing at their customers, together with Lund Elmer Sandager lawyers who have lied to the court for Jyske Bank A/S themselves, to cover up that Jyske Bank is committing fraud. And

the fact that Lund Elmer Sandager himself works for the National Bank makes it safe to try to cover up this scandal. But no one should laugh, it's too stupid, because at some point you will meet a victim who is not so easy to kill.

Is Jyske Bank A/S about to close?

After all, state protection cannot last forever.
When Jyske Bank A/S actually cheats the law.

I know that I am up against powerful forces, all of whom have to date covered up Jyske Bank's crime, which has become an attack on law and order.

But even if you as authorities stick together against me, who as the weak one just wants to end the corruption and abuse of power that governs Denmark.

Until today 7 August 2022. still not a single one has taken my call for a debate on TV. for whether I am right that Jyske Bank A/S due to the bank's many and actionable violations of the law should be deprived of the right to operate a bank in Denmark, or as a minimum that the Danish Financial Supervisory Authority places Jyske Bank under increased supervision, up to the entire board of directors and management of Jyske Bank A/S can be replaced.

Dear everyone who reads here in my diary, I'm dyslexic but I write as well as I can, if there's something you don't understand, ask Carsten.

If you want to know more about the corruption and bribery that Danish banks use.

Crimes committed by large Danish companies, such as Jyske Bank A/S, which the National Bank of Denmark, the Government and the Danish authorities.

Such as the Financial Supervisory Authority and the Ministry of Justice, are complicit in by covering up these crimes, where the evidence has been presented to the Danish state, and the government as to Prime Minister Mette Frederiksen, who all behave passively.

In Denmark corruption and abuse of power, govern how the Danish authorities cover up organized economic crime, but the fact that the criminal Jyske Bank has refused to speak to the victim of Jyske Bank's fraud has only grown the scandal, and the Danish state is about to become an accomplice to Jyske Bank criminal business methods.

My letters and email to the Danish state and government, are for the authorities, including the State Ministry, the Ministry of Justice, the Danish Financial Supervisory Authority and not least the National Bank, to have the opportunity to speak out.

Either the Danish state and the government together with the other authorities choose to cover up Jyske Bank's crime.

Or the Danish state acts on the evidence, and places Jyske Bank A/S under increased supervision and initiates an impartial investigation of the evidence.

Corruption in Denmark prevent justice when banks defraud their customers.

Company or case. with documentation that Denmark is ruled by cronyism and corruption, can be taken over by you, or the authority outside Denmark that wants to take over the case.

As it can be ascertained that there is no justice in Denmark when organizations such as Danish banks expose the little man in Denmark to fraud.

Jyske bank's best weapon against the customers against whom the Bank, together with the board, has carried out a cunning fraud, is total silence, as it is political for the Danish state to cover up Danish banks' use of crime.

But I may well scratch the credibility of Jyske Bank, as the bank lies and deceives, and no one can deny that.

[Therefore I have 25-07-2022. at 16.45. sent this addressed email to the National Bank of Denmark.](#)

And to Jyske Bank, as I think you need to talk together about how a bank should be run, for Jyske Bank clearly needs help, and CEO Anders Dam and Jyske Bank do not want to talk to me.

Unfortunately, the Danish National Bank once again chooses not to respond to a concerned citizen who is afraid that Denmark is corruptly ruled, and the concerned citizen [once again 28-07-2022. sends the Danske National Bank an email.](#)

You can print it out as a PDF file, or just [follow the LINK to the shared email. 28-07-2022. at 12.20 p.m.](#)

It is quite possible that I cannot touch the criminal Jyske bank.

But now I want to know whether the Danmarks Nationalbank, together with the Danish Financial Supervisory Authority and the Danish government, are really involved in and cover up the crime that I have presented that Jyske Bank A/S and several others in association are behind.

Or whether Danmarks Nationalbank and the bank's board will act on the information that has been accessed by Danmarks Nationalbank continuously in recent years.

[Read here the email I sent on 28-07-2022. time 12.20. have sent to the board of representatives and the board of Danmarks Nationalbank, the email has been shared with the Danish authorities and the police.](#)

It is not possible to write to Danmarks Nationalbank's whistleblower scheme, which is supposed to be a confidential and independent channel, since it is Lund Elmer Sandager lawyers who are responsible for this service, and I have presented documentation that Lund Elmer sandager lawyers themselves indirectly contributed to Jyske Bank's crime.

Knowing, for example, that Lund Elmer Sandager lawyers have repeatedly lied to the court to help Jyske Bank hide the bank's fraud.

As well as that Lund Elmer Sandager lawyers has tried to hide Jyske Bank's use of document forgery and bill manipulation and probably has a contributing role in Jyske Bank bribing Lundgren's lawyers not to present a minor client's fraud and false case against Jyske Bank A/S

I want to know if Nationalbanken Danmark covers criminal Danske Banks, or if Danmarks Nationalbank and thus the Danish state distances itself from the Danish banks which, like Jyske Bank A/S, repeatedly violate several laws and regulations.

Take part in this competition for free, and win up to DKK 54,000 you really just have to disprove that Jyske Bank A/S is behind organized crime, which is done with the intention of deceiving their customeres, as i have written on the homepage banknyt.dk

QR-competition

There are 9. chances to win DKK 5,000.

It's quite easy, every time you can disprove what I write, you will win.

But because this is so funny, that even in Jyske Bank they say.

We take this car as a JOKE.

**JYSKE

Jyske Bank by CEO Anders Christian Dan, has not been able to disprove a single on, of the 9 questions, so you can still win.

Since the Danish Financial Supervisory Authority is covering up Jyske Bank's crimes, and on top of that, has allowed Jyske Bank A/S to buy the Swedish Handelsbanken, it only makes the Danish financial scandal grow, and when the Danish State and government, do not themselves want to stop the corruption in Denmark.

Problemet er bare at Finanstilsynet dækker over bankers brug, af kriminelle og straffbare forbrydelser, Vi taler om JYSKE BANK A/S. / Picture is a loan from the National Bank of Denmark

Then it is obviously only me who wants to write, and share evidence and information about Jyske Bank's fraud, and that it is a problem.

I don't care that a judge probably will cover up the criminal Danish bank, and maybe will laugh and say, then you must stop going to war with a bank.

My task is to draw attention to the corruption in Denmark and how difficult it is for the small citizen in a corrupt country to fight against a criminal bank.

But you must know that I give a damn, This is about banks have to comply with all laws and regulations, regardless of whether it has been politically decided that banks in Denmark must not be investigated or punished for the blatant crime, that Jyske Bank exposes their customers like me to.

If I don't speak up, and request help to make a difference.

Then the corruption in Denmark will continue.

Who will help me, I have all the evidence that would put the head of any other company in jail.

But not Jyske Bank those the Danish authorities cover, and if not.

So start an investigation NOW

[This email of 23 July 17.53. to Denmark's Nationalbank is a direct call to ensure that the Nationalbank's control, the Danish Financial Supervisory Authority, initiates and investigates the evidence that has been presented and shared about Jyske Bank and the bank's use of criminal activities.](#)

It is Denmark's Nationalbank that is ultimately fully responsible, and the The Danish Financial Supervisory Authority, due to corruption will not investigate a bank's crimes, in order to counteract LAW and ORDER, and in that way, when banks like Jyske Bank A/S are actually committing fraud against their business customers.

Remember that conversation gives understanding if I have misunderstood something, but let's meet and talk together, I will gladly bring my evidence to document what I write.

The problem is CEO Anders Christian Dam and he must step down before he damages Denmark's reputation.

It is Denmark's Nationalbank which has the highest responsibility for ensuring that Jyske Bank A/S does not commit punishable offences.

And this regardless of the fact that Denmark's Nationalbank has assigned the Financial Supervisory Authority to this task.

If Denmark's Nationalbank can't not see that it is a problem, that Jyske Bank A/S has a banking license, and has not been put under strict supervision.

SVINDEL

Jyske Bank never believed that the bank's fraud would be discovered, but the bank's criminal gang of members forgot an important detail, and that was that the customer who was seen as an easy victim, as he was critically ill survived and has taken up the gamp against criminal banks.

Then they can only be because Denmark is deeply corrupt.

Now you can all think again about what Denmark's Nationalbank wants to do about it.

Denmark has brought itself into an extensive scandal. Because the Danish state and the government and the State Ministry, and also Denmark's Nationalbank allow Danish banks Jyske bank to commit organized crimes. kilde foto Danmarks Nationalbank.

Regarding the problem I am writing to you about again, regarding Jyske Bank's many punishable offences.

As long as Jyske Bank has not been subjected to investigations / investigations of my claims and evidence, then no one should say that Jyske Bank A/S is not behind extensive criminality.

Denmark's Nationalbank can choose to sweep this problem under the carpet.

And then Denmark's Nationalbank together with the Danish Financial Supervisory Authority, can counteract Law and Justice, by blocking the mining of many pieces of evidence against Jyske Bank, for the use of crime.

Whether it is exploitation, forgery, bribery, fraud, abuse of the bank's access to land registration rights and more.

This is, as the Denmark's Nationalbank itself says a SCANDAL.

And when the problem with this criminal Jyske Bank A/S lies with Denmark's Nationalbank.

Then you, and the Danish politicians, which is part of Denmark's Nationalbank board of directors, you can choose not to answer me, and make sure that you all continue to cover up Jyske Bank's crimes, or we can say or call it business methods.

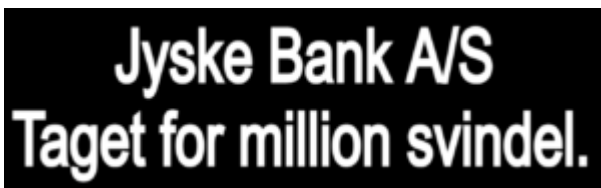

Jyske Bank A/S and their managing director Anders Christian Dam have since May 2016 been able to correct when I first wrote to Jyske Bank's management.

I think I am the victim of a huge fraud, in order to correct it.

I have had instead to fight against an organization, that does not hesitate to use bribes to beat the small customer to the ground.

Is it in this way that Denmark's Nationalbank wants the Danske Banker to run their banks.

This is a request to the Danish Nationalbank to ensure order among Danish banks, and ensure that Danish banks also complies with the law and does not commit punishable crimes.

Jyske Bank A/S
Taget for million svindel.

Jyske Bank can just bring a case against me for slander if Anders Dam has clean flour in the bag and dares, but we are dealing with a cowardly manager who hides behind lawyers who themselves present false information to the courts.

I urge Denmark's Nationalbank not to close their eyes to what I write.

And therefore I request that Denmark's Nationalbank initiates, or arranges to initiate, an investigation into the claims I have presented, and which I have shared on www.banknyt.dk

Then it is Denmark's Nationalbank which is responsible for Jyske Bank, as a bank criminal, being able to continue banking in Denmark.

And some have to write about this problem with criminal Danish banks, and the corruption that is harmful to the Danish country.

And so it becomes me, And I will continue writing until Jyske Bank A/S by their CEO Anders Christian Dam himself, calls me on +4522227713, to arrange a meeting so we can talk about what I write.

It is no longer a secret, that Denmark is corrupt.

But how bad is it.

That is why I, Carsten Storbjerg Skaarup, am writing to Denmark's Nationalbank.

Because if this Danish state bank is also helping the danish government to cover up the corruption, that Jyske Bank has paid Lundgren's lawyers not to present my case against the Jyske Bank, then Denmark's Nationalbank entire board again will stick their heads in the bush.

[Read the email 23-07-2022. time. 17.53 which is shared here.](#)

If the Danish state, the government and the Denmark's Nationalbank also ignore this emails, and competition, which is really about Jyske Bank's suitability to have permission to operate a bank in Denmark, then it must be due to internal agreements to cover up the crime Jyske Bank A/S is demonstrably behind.

Of which other governments must of course be informed, about the corruption that governs Denmark, so if there are some who want to ask questions, if it is not time for you to call me on +4522227713. and begins to take about this seriously problem for Jyske Bank, and now also for Denmark, which as a nation covers organized crime, carried out by Denmark's second largest bank, Jyske Bank, and it is a problem that the Danish state itself participates and helps to undermine legal certainty, just to help criminal Danish banks.

I only want Jyske Bank to be deprived of their license to conduct financial business in Denmark if I am right in what I write and have shared with the Danish state and government.

Which I say by inaction covers Jyske Bank's business methods, why law and order as well as justice do not exist in Denmark when corruption is a subversive activity against the rule of law in Denmark.

The danish bank, Jyske Bank by CEO Anders Christian Dam has repeatedly been offered, that the deceived customer in Jyske Bank removes notices about the organized crime, that Jyske Bank started by Nicolai Hansen and Jeanett Kofoed-Hansen, but the Group Management does not care, as long as the Danish government covers Jyske Bank's continued crimes, and Anders Dam refuses to talk with the victim of Jyske Bank's organized fraud.

It is Jyske Bank that has chosen this match, to show other customers that they should not think they have a chance for justice, once Jyske Bank exposes their customers to fraud.

Odd Jyske Bank uses the unequal balance of power to eradicate their victims.

I just want to enter into dialogue, and Jyske Banks' silence is not conversation and understanding.

A single Dane, Carsten Storbjerg, has gone to war against corruption in Denmark. But Carsten asks for your help, as camaraderie in Denmark has so much power, that Danish law and order is put out of force.

Jyske Bank has major problems, and the management and CEO Anders Christian Dam are personally the reason for postings like this. I just want to talk to someone in Jyske Bank about the bank's problems.

I make it very clear that I will not stop writing articles about the fraud that Jyske Bank exposes their customers to, without having been in dialogue with the management.

Customer says to the Management of Jyske Bank, hopes it is worth all the money to expose us customers to organized fraud.

Your indifference to my campaigns only damages Jyske Bank's credibility well into the fifties, and whoever says that the Danish state will continue to cover up the crime that Jyske Bank is behind, do you really believe that this is a joke, when you tell your customers and shareholders in Jysk Bank about it.

That is why these problems in Jyske Bank have only grown and grown.

Here I give Jyske Bank the opportunity to talk with me, and then Anders Christian Dam could ask me nicely, if I would stop exposing Jyske Bank to my writings and teasing.

I would like to stop my attacks on Jyske Bank's credibility. But only if Jyske Bank and their CEO and management want it, which requires dialogue.

Anders Christian Dam you can call me on +4522227713.

And then ask me if I want to stop teasing Jyske Bank as you might get bored.

If there are any in Jyske Bank who want to claim that I am committing a criminal act against Jyske Bank, then come to me.

And stop going behind my back when Jyske Bank's lawyers accuse me of committing criminal acts.

Jyske Bank must speak if the bank has something they are dissatisfied with, or perhaps want something corrected.

And IF you only want to talk ugly about me to others, and you think that I expose Jyske Bank to something criminal.

Then Jyske Bank has 2 options.

- 1. Talk to Carsten and get the problem solved.**
- 2. Go to the police and make a police report against me Carsten Storbjerg Skaarup.**

The choice lies with Jyske Bank's group management, and with CEO Anders Christian Dam who is personally responsible.

I have written to the Danish state and authorities and Jyske Bank on 13 July about the corruption and camaraderie that undermines Danish society, which the authorities can no longer ignore, and Jyske Bank must be placed under stricter supervision or Jyske Bank must be completely deprived of the right to operate banking in Denmark.

It is possible that I can not stop the corruption that the Danish judiciary itself helps to cover up, which, however, can not prevent me from writing about problems, as it affects all Danes' legal security, as Carsten

Storbjerg points out that Denmark is not a rule of law, when the Danish authorities themselves cover the violations of many banks' criminal law, and counteract justice in Denmark.

[Read the email 13 July 2022. which is directed to English here in the LINK.](#)

Yes, Jyske Bank probably sees me as a little fly, but do not underestimate me, even though I have no bookish education, and spell and write horribly.

So remember Anders Dam, you can just talk to me, and we will solve this problem together.

I only have one weapon and that is my keyboard, and I am tireless and keep typing, Jyske Bank.

This problem is created by Jyske Bank itself, so take it and solve it, and try diplomacy and talk to me, I am a nice guy, but I go in the flesh of those who cheat and deceive.

Jyske Bank you have the chance to correct, and I will stop bothering Jyske Bank.

To the PRESS 09-07-2022. the Danish state and the government.

As well as Jyske Bank A/S CEO Anders Dam.

But Carsten asks for your help, as camaraderie in Denmark has so much power, that Danish law and order is put out of force, when not a single Danish journalist has written about the problem that Danish banks use corruption. Then I will ask you as foreign journalists, to conduct an investigation into corruption in Denmark.](#)

It is unhealthy for the Danish government that the state allows banks to commit crime, and covers it.

I know that there are many Danes, who can not understand what I write about the corrupt Danish lawyers, and criminal Danish banks, which the Danish government and authorities and members of the Judicial Service cover, and that is why I ask all the journalists who do not want cover over the corrupt Denmark, will you investigate what I'm writing about it crime, that I have presented evidence for, and then write some articles that everyone can understand.

If the Danish state and government do not stop Jyske Bank now, the bank will be a ticking bomb under Danish society.

This case is bigger than the Danish state can hide, and I will not allow corruption to rule Denmark as a nation.

Always remember to include the unknown factor when you as a bank commit organized fraud, here you have encountered one of these.

[Den lille og korte forklaring 10-07-2022](#). til Reddit bruger der ikke forstod Jyske banks bilens formål er, og hvad der her på siden står, Jyske bank bilen og siden her er med til at fremme kendskabet til den korrupsion der styrer Danmark, her finder du de processkrifter som beskriver den kriminalitet som Jyske bank udsætter kunder for.

When several authorities in Denmark cover the crime that Jyske Bank is demonstrably behind. Then it is not just a problem of legal certainty.

It is probably Denmark's biggest scandal in history, which only one man Carsten Storbjerg alone has investigated, and at the same time had to fight against the corrupt Lundgren's lawyers, whom Jyske Bank paid Lundgrens there, did everything to lose the case against Jyske Bank.

It is no longer so much about that case, but more and more about Denmark being ruled by corruption and camaraderie.

Why else do you think all the authorities [and Jyske Bank and their lawyers are trying to kill Carsten Storbjerg](#) with silence and contemporary cover over the crime Jyske Bank is behind.

Denmark's biggest scandal ever, without a doubt must be.

That the Danish Financial Supervisory Authority, which has provided watertight evidence that Jyske Bank AS is behind extensive crime.

Although all the members of the Danish Financial Supervisory Authority are aware that Jyske Bank has committed a string of criminal offenses.

Has the Danish Financial Supervisory Authority chosen to approve Jyske Bank's acquisition of Svenske Handelsbanken's Danish branches.

This is a scandal which makes the Mink case with the Danish Prime Minister Mette Frederiksen seem small.

This Jyske Bank car has become a regular advertisement, and a warning against Jyske Bank A/S.

When the fact is that Jyske Bank does not comply with current legislation to run a tanker business in Denmark.

The official Denmark with the Government ignores and continues to cover the crime that the authorities have presented that Jyske Bank is proven to be behind.

If there is just one person in Jyske Bank, or in the Danish authorities, or in the Ministry of Justice or in the National Board of Justice, who thinks they can disprove what I say and write.

So participate in the competition, and try to disprove that Jyske Bank is a criminal organization that has committed fraud, which has been carried out by several employees together.

And you can not If you have a problem, Jyske Bank must be under stricter supervision, or deprived of the right to conduct financial business in Denmark.

You all know that I would rather spend my time photographing, and that the Danish state itself should clean up the Danish criminal banks, which, like Jyske Bank, expose customers to fraud.

But remember now, it is you Jyske Bank, who chose to cheat and deceive, and then it is Jyske Bank and the Danish authorities which are covertly.

And the way Jyske Bank is running a bank, must at some point end wrong, and then Jyske Bank will close, while Denmark as a whole state stands alone with a scandal of unprecedented magnitude.

A comprehensive scandal that should overthrow the government that will not launch an investigation against Jyske Bank, after what I have since 1 May. 2019 has written to all the Danish politicians, of which not a single one has answered.

In other words, the Danish politicians do not care about the law when it is broken by Denmark's largest companies, such as here by Jyske Bank.

I'm sorry to say to Jyske Bank and your friends, you have chosen the only one you should not choose to deceive.

I give a damn who you are, this convoluted and corrupt society you should not get away with, and maybe the Danish press is not allowed to write about corruption in Denmark.

But what about the foreign TV stations and newspapers?

The Danish press is apparently not allowed to write about the punishable crimes that can close a bank like Jyske Banks, the state censorship in Denmark.

But I continue to write, because at some point there probably will be a foreign newspaper that sees this, and is not afraid to write about the little man's fight against a corrupt nation.

And I am happy to answer questions from the press.

Until now not a single one in Denmark. Will ask me questions for my investigation of the extensive and organized corruption, and camaraderie in Denmark, including Jyske Bank use of criminal crime.

Plise ask me any questions, to what I have presented of evidence and allegations against Jyske Bank, Lundgrens, Lund Elmer Sandager and the Bar Council.

I ask all of you journalists, if you want to ask the questions, that neither the Danish government, nor others in the Danish state, nor which some in Jyske Bank's management and their many lawyers will answer.

CEO Anders Dam, do you dare take up my challenge and meet me face to face in a TV duel about Jyske Bank's business methods, or are you a chicken.

CEO Anders Dam you know you can call me on +4522227713 and ask me nicely to stop teasing Jyske Bank, and write like here, or you can continue to hide behind your comrades, and colleagues there like Denmark national bank, keep quiet about this ever-growing scandal, which you Anders Christian Dam and the management of Jyske Bank are to blame for.

Dårlig omtale er bedre end ingen omtale.

Jyske Bank Anders Dam. "Simon Spis."

It is possible I am dyslexic, and bad at making myself linguistically understandable, as well as the fact that I do not have any bookish education, but probably I'm just a little electrician, but I'm actually good at troubleshooting, and this here investigation is done after the same principles, joints and you have to find the fault here, however, it turns out to be very very large, and I believe that Jyske Bank is doing either a nationally or socially harmful company, who has dared to examine my evidence.
