Would you invest and cooperate with the organizations in the Danish state, now that you know that the Danish state through the parliament covers 100% of the largest criminal Danish companies.

Mød bagmanden Anders Christian Dam der står bag en af Danmarks største kriminelle virksomheder, Anders Dam går for Jyske Bank efter den hurtige måde at tjære kassen, og det også ved at være en bagmand for den organiserede kriminalitet som Jyske Bank står bag, hvilket nyder støtte fra Folketingets

medlemmer der ønsker at beskytte den kriminelle Jyske Bank, da bankens udlåns virksomhed på DKK 546,000,000,000 betyder mere for staten end den enkelte danskers retssikkerhed.

På den måde kan jeg godt sige, at folketinget / den danske stat selv er medvirkende til at fremme korrupsion og kammerateri i Danmark, og at dette sker ved at undergrave danskernes retssikkerhed.

Retssikkerheden der reelt ikke findes når de rigeste virksomheder, som her hvor Jyske Bank laver bedrageri og dokumentfalsk samt anden form for økonomisk kriminalitet, uden risiko for statens, politikere eller myndighedernes indblanding.

For this picture, I am sending 3 direct questions to the Minister of Justice

In addition, I have questions about free process, which the Danish Civil Agency does not consider to be in the public interest, i.e. the Danish Civil Agency does not believe that a company which is exposed to organized fraud carried out by a large Danish bank, and where Danish judges have helped to cover up this fraud and fake is something that must be given free process and that this is to work against the legal certainty of the small business against a large organization.

The Civil Agency is part of the Ministry of Justice, writes We work to be a guarantor of the fundamental principles of the rule of law.

This is what I ask questions about, my book is about legal certainty, which I write that several authorities and judges are actually working together to undermine, so the individual Dane has no legal certainty when banks commit fraud against them.

If there is anything from what I write and that I am asking about here, please kindly talk to me so that I can explain what I mean, this is to make you aware that I do not spell very well.

My story is about organized fraud as well as cronyism and corruption in Denmark, and how the Danish state, including the Parliament, together with the Financial Supervisory Authority, deliberately and DISHONORABLE cover up the financial crime that Denmark's second largest Jyske Bank group is demonstrably behind, and as a result of organized fraud, Jyske Bank should have lost the right to conduct financial business in Denmark, which is why the Danish State is covering up the fraudulent bank.

I have written that Jyske Bank are criminals since 2016. - no answers.

I have written that Jyske Bank are criminals to the politicians, authorities, including the State Ministry, the Danish Financial Supervisory Authority and the National Bank of Denmark since May 2019. - no answers.

And since October 2019, I have written in many emails and publicly that Jyske Bank has bribed Lundgren's lawyers. - no answers.

And since 2021, has written in many emails and publicly that Supreme Court judge Kurt Rasmussen has covered up that Jyske Bank has bribed Lundgren's lawyers not to present the client's fraud and false case against Jyske Bank. - no answers.

And so on.

So why do you think that no one, neither Jyske Bank, the state, nor the authorities, and nor Danish journalists dare to question to Jyske Bank's credibility, and talk with me about these accusations, which could deprive Jyske Bank of the right to conduct banking business in Denmark.

You can read more in my coming book about corruption and abuse of power as well as organized crime in Denmark, and how the covers it, or who, and how the rest of the authorities who are actually involved in Jyske Bank's crimes collaborates against and undermines Danes' legal certainty to also hide that Jyske Bank itself launders the money the bank has received through fraud, even if it is only a few million dkk. I am writing about here.

When Jyske Bank commits fraud against a customer, and with help, has hidden an income has come by fraud, then this is money laundering., here are a few shared posts in the blog, if you think something has been written in some posts from 2016. until today, that needs to be corrected or deleted, please contact me here +4522227713 or at banknyt@gmail.com

In my Book, I will get down in to details and will not content myself with writing, as before on social media that [Nikolaj Hansen](#) together with [Jeanett Kofoed-Hansen](#) for Jyske Bank A/S started organized fraud against me and my small business as a customer of Jyske Bank.

If you want to collaborate with me, for use in the book about Jyske Bank's fraud, or would like to be anonymous in my story, write and ask me here, and write why you want to be anonymous.

I want to publish the book in English, and if you have any questions you can contact me [here](#).

Please share this page with [Jyske Bank legal](#), and [Martin Nielsen, Jyske Bank Director](#) att CEO Anders Christian Dam, [and with Lars Stensgaard Mørch](#) as I do not know if they are aware that I am exposing the Jyske Bank group as a gang of criminal fraudsters.

Since no one will answer me Carsten Storbjerg Skaarup why the Danish State is covering up a criminal bank that, like Jyske Bank, has lent out DKK 546,000,000,000 and which bank is also behind extensive fraud.

Everyone as reading along, [is asked to share this page letter](#), To the European central bank, Since Jyske Bank is laundering the money Jyske bank has earned from the bank's own fraud, with those how is involved, if you dare as a Journalist to ask questions about WHY NO ONE of the may Mail the defrauded customer in Jyske Bank have written, then this is a call to ask

critical questions to the Danish state about where the authorities allow Danish banks to commit fraud..

These are quite serious accusations, such as that the Danish state is covering up the methods of Jyske Bank's criminal association, which is why Jyske Bank should be put under stricter supervision, or that Jyske Bank is deprived of the right to conduct banking business in Denmark.

Use links to email addresses and share my accusations of corruption in Denmark with the [Prime Minister's Office](#), the [Parliament](#), the [Ministry of Justice](#), the [Danish Financial Supervisory Authority](#) and [Denmarks Nationalbank](#).

Everyone is a witness that [Jyske Bank uses fraud, forged documents and misuses power of attorney in the bank's business](#), and that Jyske Bank has bribed Lundgren's lawyers to keep their client, i.e. me, out of the case against the same Jyske Bank, which employed a judge Kurt Rasmussen, and please Also ask the [Bar Council](#) and the [Bar Association](#) why they collectively cover up the fact that the criminal Jyske Bank A/S has bribed Lundgren's lawyers through the use of return commissions

And employees of [Kromann Reumert lawyers](#), [Horten lawyers](#), [DLA pipper lawyers](#) and [Danish Industry as also cover](#), that Jyske Bank has bribed Lundgren's lawyers.

Also [ask the prosecuting authorities, such as Saoek](#), whether the fraud Jyske Bank is behind is not a criminal offence.

Ask why their employees are covering up the sophisticated financial crime, that Jyske Bank is demonstrably behind, and why they have not responded to a single inquiry from the small customer that Jyske Bank is defrauding with support from the Danish state.

Since a decision in the Bar Council cannot be appealed to another administrative authority.

[It is obviously with reference to the complaint 06-05-2020. about Lundgren's lawyers and the lawyer board's decision that employees of the Danish Courts Agency, Kromann Reumert, Horten lawyers and Danish Industry are covering up that Lundgren's lawyers have knowingly and DISHONORABLY WORKED AGAINST JUSTICE for their client, after Jyske Bank bribed Lundgren's lawyers for this fraudulent act, which is to undermine the principles of the rule of law](#), and you who I have written about, you are very welcome to answer.

[And this question is about Danes' legal certainty.](#)

Would you then ask the Ministry of Justice whether they, and the Minister Peter Hummelgaard of Justice agree with the Supreme Court Judge Kurt Rasmussen's decision.

The question is a general question, and therefore not a question for a specific case or complaint, which is why the Ministry of Justice, as the highest authority, can answer.

Questions to the [government](#) and Ministry of Justice and the Minister of Justice Peter

Hummelgaard have been sent 14 January 2023.

And is the following:

Question No. 1.

If a law firm conceals not just one pleading, but if a law firm chooses to conceal multiple pleadings from their client.

And the lawyer firm also does not have to hand over prescriptions, even if the client requests it.

Is this a violation of good legal practice or is it not a violation of good legal practice.

Question No. 2.

A client who hires a law firm has no claim to know, what their lawyers present in the client's case, which is why lawyers do not need to respond to their client's inquiries.

right or wrong?.

Is this a violation of good legal practice or is it not a violation of good legal practice.

The Ministry of Justice is Denmark's highest authority and is also requested to answer this question 3.

Is the Ministry of Justice sure that the Bar Council is independent and that no member has a hidden agenda, such as perhaps being able to cover up someone or something, if the economic consequences for society are of such a magnitude, how for the bar council can weigh the economic interests higher than legal certainty.

Question No. 3

Question 3. is a hypothetical question, but I request that the Ministry of Justice also answer this question with a simple

Yes or No.

The answers of the Ministry of Justice and the Minister of Justice are included in the book I am writing about corruption and legal certainty in Denmark.

My 3 questions are based on the following written on the website of the Ministry of Justice.

The bar council is an independent complaints board that deals with complaints about lawyers.

The board's decisions cannot be appealed to another administrative authority.

When complaints that have been dealt with in the Bar Council cannot be dealt with elsewhere, I want to investigate in more detail whether the aforementioned may be governed by cronyism, i.e. corruption.

Which is why I am personally asking, and requesting the Ministry of Justice at the Minister of Justice Peter Hummelgaard to confirm.

That which the lawyer committee and Supreme Court judge Kurt Rasmussen and the committee agree on, with reference to my questions.

Does the Ministry of Justice agree that the client has hired a law firm to conduct a case. At all have no claim or any right to be served with pleadings in their cases.

And that it is only the lawyer who decides what their client may be handed over in their case, just as it is only the lawyer who always decides whether their client may present in the cases the client has hired the law firm to handle. i [ask in a mail to Justitsministeriet Denmark jm@jm.dk](mailto:ask_in_a_mail_to_Justitsministeriet_Denmark_jm@jm.dk)

Hvis der er nogen der vil tale om dette her, måske dig der ønsker at tage afstand fra at folketinget og dermed magthavere, Statsministeriet, Finansministeriet, Finanstilsynet, Justitsministeriet, Nationalbanken, Domstolsstyrelsen, Rigspolitiet, Anklagemyndigheden, Statsadvokaten med flere, der alle dækker over den økonomiske kriminalitet som i ved Jyske Bank står bag.

I er alle sammen som før sagt, stadig velkommen til at få en samtale og et interview, hvis bare i tør tale med mig, for har jeg taget fejl, vil jeg da gerne være den der retter og undskylder, jeg ved dog at jeg har skrevet sandt og at Jyske Bank aldrig vil erkende bankens bedrageri, og da slet ikke undskyldte for Jyske Banks mange strafbare handlinger.

Jyske Bank der også lever af at laver bedrageri, Anders Christian Dam og Lars Stensgaard Mørch er tavs, når de konfronteres med at Jyske Bank står bag omfattende og systematisk bedrageri mod kunde.

Har Jyske Bank også udsat dig for bedrageri eller anden økonomisk kriminalitet, [så kontakt mig Carsten Storbjerg Skaarup her i linket med dine beviser](#). Jeg vil gerne hjælpe dig, det bedste redskab mod kriminelle organisationer er at skrive om

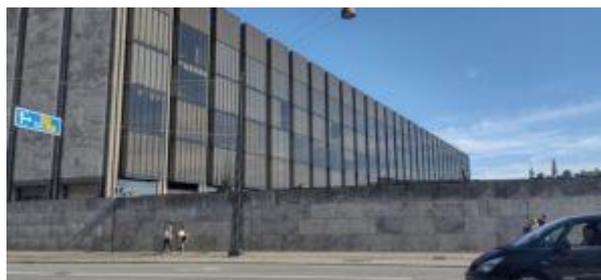

det, da den danske stat dækker over deres venners kriminelle handlinger, derfor vil du opdage at politiet vil afvise alle sager mod banker der udsætter kunder for organiseret kriminalitet.

Har du kendskab eller beviser for Jyske Bank står bag svindel eller andet form for kriminalitet, så hjælper det ikke at gå til Politiet, da det er politisk bestemt at den Danske stat og myndighederne herunder Anklagemyndigheden som helhed, dækker over Jyske Banks mange forbrydelser, og særligt den organiserede kriminalitet som Jyske Bank bevisligt står bag.

Skulle du være de første opsøgende journalist, der tør stille spørgsmål til noget af det jeg skriver, er både du og enhver anden journalist altså velkommen til et møde og interview, omkring det jeg har skrevet om Jyske Banks mange systematiske straffelovs overtrædelser, som jeg siden 2016 har skrevet om, uden en eneste har turdet stille spørgsmål, eller komme med en eneste kommentar.

Jyske Bank selv ved Anders Christian Dam og Lars Stensgaard Mørch tør ikke svare på mine mange angreb mod Jyske Banks kriminelle forretningsmetoder, selv om jeg gentagne og mange gange har opfordret den kriminelle Jyske Bank koncernen til at kontakte politiet, hvis Jyske bank ikke har lavet bedrageri og dokumentfalsk samt lavet fuldmagtsmisbrug og har misbrugt bankens adgang til tinglysningsretten.

Jyske Bank er en kriminel organisation, og det hverken kan eller tør nogle stille spørgsmålstejn til, alle myndigheder, statsministeriet og folketinget, ved Jyske Bank står bag omfattende kriminalitet, men dækker over det, da Jyske Bank er stor virksomhed, så uanset at det jeg siger og skriver er sandt, er det vigtigere for regeringen og Folketinget ved Statsminister Mette Frederiksen at folketinget står bag, når staten dækker over de største danske kriminelle virksomheder hvilket Jyske Bank bevisligt er en af, end at sikker sig retssikkerheden for den svage.

Internet i Nationalbanken Danmark har samtalen gået på at det er en skandale, det er en skandale at staten dækker over at Jyske Bank laver organiseret bedrageri, og lader offeret stå alene tilbage, hvorved der nok er tale om meddelagtighed, alle der er en del af denne her historie er også selvskrevet til bogen.

[Here you will find the Resent mail from 12-01-2023. at 04.08. to the European Central Bank, with information about Danish bank, Jyske Bank that use bribes.](#)

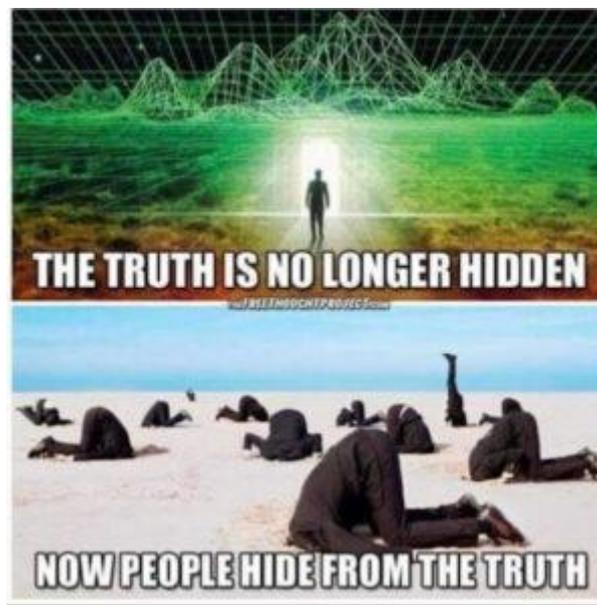

Jyske Bank and CEO Anders Dam could avoid my writings, Ander Dam just needs to request a meeting and ask me very nicely to stop writing as you read in my emails.

The problem is just that Jyske Bank has shown no desire at all to read a growing conflict, but has a great desire to be able to commit fraud.

And at the same time, the CEO and the management of Jyske Bank are numbingly indifferent to what I write, As long as the Danish state and government stand behind Jyske Bank, so that the Danish Financial Supervisory Authority does not have to close the bank and their billion-DKK business.

My job is to write about it and to warn others that they must be careful about doing business where Jyske Bank and several lawyers are involved.

And I'll write it again, if Jyske Bank or others have any objections you wish to put forward, or if you want to say there has been an error that you wish resolved, then you have my name and number +4522227713 and you can just call me.

Jyske Bank director CEO Anders Dam has since 2016 refused dialogue in connection with what Jyske bank could have admitted and solved, instead Jyske Bank makes a show of power, where Jyske Bank wishes to emphasize that Jyske Bank without risk of investigation and prosecution, can easily commit millions of frauds against smaller customers, this must be seen in the light of the fact that Jyske Bank has a lending business of around DKK 546,000,000,000 and such a criminal a small man like me Carsten Storbjerg Skaarup cannot cope with, Anders Dam set your mandate free, and ask me and I will stop my attacks on Jyske Bank's credibility, I only have my keyboard and no lawyers or authorities to help me in the fight against the criminal organization and the corruption Jyske Bank is part of.

Attached to this email 12-01-2023. 04.08. is an email from 11-01-2023. Time 20.43. which a few documents, that shows Lundgren's lawyers are corrupt, and that Jyske Bank has pay bribed, hidden by return commission, and that Lundgren's lawyers afterwards will not present my fraud and false case against Jyske Bank, and at the same time Lundgrens keeps me completely out of the case, which employees in the Danish courts, and employees in some of Denmark's largest law firms, and in Danish Industry think is perfectly fine, as it would change their power, if corruption in Denmark was stopped.

The 2 emails are also shared in this post.

What happens when a Danish bank like Jyske Bank with loans for DKK 546 trillion commits gross fraud and false, carried out in association with several employees and lawyers?

The answer is nothing.

Jyske Bank is allowed to commit fraud, as the Danish politicians and authorities cover up crimes committed by the criminal banks.

If there are some of you who are complicit in Jyske Bank's fraud, or some of you who have simply covered up Jyske Bank's fraud, or have been witnesses and who have behaved passively.

And If there are any of you who want you and or your company to be anonymous in my book, let's meet and see if it's possible, you can contact me by phone on +4522227713 and arrange a meeting, I reserve the right to record conversations, as the case and the story can close a lending business with loans of around DKK 546,000,000,000.

Which must be the reason why the Danish state and government have chosen to turn a blind eye to Jyske Bank's obvious criminality, I am of course still prepared to review my evidence for my claims against Jyske Bank with both Jyske Bank itself, but also with the Prime Ministers offices at the [Prime Minister as written 23-08-2022](#), the [Financial Supervisory Authority](#) as written 11-08-2022. and [Denmarks Nationalbank](#) as written 25-08-2022, and [08-08-2022](#), [and also written 31-08-2022](#), [who have not wanted to answer some of my many requests](#).

[Here in this email 11-01-2023](#). there are several documents, that support that the Jyske Bank group has bribed Lundgren's lawyers to cover up Jyske Bank's fraud, and at the same time that Lundgren's lawyers have kept the client out of the case, which even the employed Supreme Court judge Kurt Rasmussen has covered up.

I am not asking whether there is cronyism / corruption in the Danish bar association, but how much corruption there is, [and refer to the fact that the chairman, Supreme Court judge Kurt Rasmussen, has acquitted or rejected 27. clear and well-documented complaints, including that Lundgren's lawyers have retained and concealed several pleadings from the client](#), which the employed judge and employees of some of the largest Danish lawyers and Danish industry thought was good legal practice, in any case it is not a violation of good legal practice when a lawyer keeps the client out of the case because the lawyer the company does not want the client to know what their lawyers are doing and presenting, in the case the client has hired the law firm to lead, the client is thereby better served to lead his

case himself. I am of course referring to the complaint of 5 June 2020 against the corrupt Lundgren lawyers.

11-01-2023. kl. 20.43. customized PDF. Gmail. I want contact and for the Danish politicians to stop covering up Jyske Bank's crimes, I also want director of Jyske Bank CEO Anders Christian Dam to resign his mandate.

If the parliament with the 179 politicians has another explanation, for not investigating my evidence against Jyske Bank, and can explain why no one has responded to even a single inquiry, of which a few are shared here. So I have already requested a meeting several times.

This is a small part of my diary, which is based on a true story, about being a customer in the criminal Danish bank Jyske Bank, here I write the truth about the corruption in Denmark, which is the basis to my book, and when you read what I write, ask can yourself this question, why isn't there not a single one in Denmark who dares to ask questions, to what I write, do and say, the silence is the way in which the Danish State keeps criminal Danish companies such as Jyske Bank group alive.

AS the Danish government, as well as all the Danish politicians and the authorities know everything about, but everyone is afraid to interfere in the crimes that the state is aware of, that Jyske Bank is behind.

If the Danish Financial Supervisory Authority, and the State do not continue cover up the crimes that Jyske bank provable is behind, Jyske Bank will be at great risk of losing the right and losing its license to conduct banking business in Denmark, why Jyske Bank may go bankrupt, this is probably the reason why even the court board's employees such as Supreme Court judge Kurt Rasmussen in such a disgusting way, to cover up organized fraud, and so has helped cover up the bribe, that Jyske Bank has paid Lundgren's lawyers to oppose justice and undermine legal certainty.

If you want to cooperate with, or use and invest in, Danish banks that are demonstrably using false documents and committing fraud, I recommend that you read here, Codan, ATP, Realmæglerne, Denmarks Nationalbank, Købstædernes Forsikring, PFA Pension, Tryg Forsikring, JP Morgan, Loomis, Capital fund, Parliament, the government and many more who should all ask themselves, can you continue to cooperate and use the criminal Jyske Bank.

I recommend selling your shares in Jyske Bank, and stop using and cooperating with

Jyske Bank, before I have finished writing my book about Jyske Bank, which also uses bribes in order to complete Jyske Bank's organized fraud.

For use in my book.

If there are any of you who is listed as recipient, or has read the page here, who want to comment on my evidence, as why the Danish Financial Supervisory Authority should deprive Jyske Bank of the right to conduct banking business, instead of covering up Jyske Bank's use of crime, then I would like to get presented my evidence to you, Evidence which for many months I have already offered to present Denmark's National Bank, the Prime Minister's Office and many others, inquiries that no one dares to answer.

Why, of course because my evidence can close Jyske Bank as a bank in Denmark.

Or should I just write that you do not disagree with me that Jyske Bank should be deprived of the right to conduct banking activities in Denmark, but corruption also in the state authorities prevents that from happening

This is very clear warning against trusting the Danish State, as cover the biggest criminal Danish banks such as Jyske Bank A/S.

And for your information, no one has dared to answer not a single email, which only supports that everyone involved in Jyske Bank's organized fraud business against the bank's customers, wants to hide Jyske Bank's criminality, that even the Danish State and the authorities deliberately cover up, while I as the defrauded customer, continue to write.

Jyske Bank is not entitled to have a license to conduct banking business in Denmark.

Which is why Jyske Bank should be deprived of the right to conduct financial business, including banking business in Denmark, while the official Denmark continues to conceal that Jyske Bank has major problems with complying with society's laws, and will probably also claim that the state's silence about Jyske Bank's criminality is not in the public interest.

In Denmark, you never know when you hired one of the corrupt law firms, as the law society and the bar itself are deeply involved in, by covering up this corrupt environment, which itself has influence in the Danish courts.

Bente Overgaard. disputes many posts In addition to CBS and Jyske Bank, ATP, which has known about Jyske Bank's fraud since 2016, has chosen to take in Bente Overgaard as chairman. ATP Executive Committee

In my book about corruption and Jyske Bank's foundations, I will refer to legislation that makes it clear to the readers that Jyske Bank must either be deprived of the right to conduct banking business in Denmark, or that the Danish Financial Supervisory Authority will place Jyske Bank under increased supervision, if Jyske Bank is subject to Danish law

Even if the Danish Financial Supervisory Authority itself is instrumental in covering up Jyske Bank's criminality.

The FSA knows that Jyske Bank's management is complicit in Jyske Bank's fraud against customers, and therefore does not meet the requirements set for the members to sit on the board, the FSA also knows that Jyske Bank does not comply with the provisions of the Criminal Code, and should therefore revoke Jyske Bank's license to run financial business in Denmark.

I am writing about Jyske Bank's use of fraud, forgery, bribery, abuse of power of attorney, mandate fraud and exploitation, which affects all members of parliament, and the politicians who ignore my appeals to Parliament must be assumed to be collectively covering up Jyske Bank's fraud, since not a single politician has asked me questions, nor presented the problem publicly in the hall of the entire Danish Parliament.

On 4 January 2023, I informed the European Central Bank that the Danish State is covering up criminal Jyske Bank, as [I also wrote EDC on 6 August 2022](#).

[I have written to Jyske Bank on 3 January 2023. and again make the bank aware that my writings are due to the bank's management, read the mail here.](#)

The spin in Jyske Bank is large. It is about the bank's friendship to the Danish state and government.

[04-01-2023. Here in the link you can find the preliminary shared documents and emails](#) from the period before 2016 and until 2023. Which is the part of the working material for my book about organized crime corruption in the Danish bank, Jyske Bank.

The Danish authorities themselves and the lawyer board, by Judge Kurt Rasmussen as well as the lawyer society by Martin Lavesen from DLA peep lawyers, as does not believe that this case and history should become known to the public, which should prevent victims of Danish banks' fraud from being able to obtain justice, when the victim seeks legal aid in fraud cases where large Danish organizations such as Jyske Bank are involved.

This is part of the abuse of power that has been used to prevent justice for the individual small citizen in Denmark, when a Danish bank like here where Jyske Bank has bribed Lundgren's lawyers to oppose me as their client, to cover the Lundgren's new and a new major client namely together Jyske Bank.

Can other countries trust a state, that like Denmark covers up, that the country's second largest bank Jyske Bank is behind organized fraud against customers, now please come out of the bush and talk to me, let's talk together then I want your help to stop Jyske Bank exposing more customers to fraud. This Mail is with reference to the many earlier letters that I have written directly to the government / and also that I have sent to the Prime Minister's Office, you still have not responded to a single inquiry. I have a strong suspicion that the Prime Minister will not respond to my requests, since the government as a whole and the parliament "The Folketinget." covers the Danish banks that, like Jyske Bank A/S, commit organized crime.

No one in Denmark dares to ask questions about these [Jyske bank cars](#), which are direct warnings against cooperating with the highly criminal Jyske Bank.

I ask again what the Danish state the government, and the authorities together by the Prime Minister Mette Frederiksen will do, with banks how like Jyske Bank provable expose customers like me to extensive fraud.

You can call me at +4522227713 and arrange a meeting, as I would like the Danish authorities to act on the information about Jyske Bank's criminal activities, and then take care that the Danish Financial Supervisory Authority intervenes, and puts Jyske under stricter supervision, or deprives Jyske Bank of the right to conduct banking business in Denmark.

When the state keep an eye with Jyske to help the Bank when Jyske Bank gets into trouble, and since my information and evidence of Jyske Bank's fraud, can effectively deprive Jyske Bank of the right to conduct financial business in Denmark, the state instead chooses to cover up Jyske Bank's crimes, and thereby

undermining legal certainty, which is to prevent Jyske Bank from going bankrupt, which will happen if Jyske Bank loses the right to conduct banking business in Denmark, Jyske Bank goes bankrupt.

The case I am writing about is about Jyske Bank's power in society, and how Jyske Bank has also gained influence over even investors such as ATP, which I suspect Bente Overgaard stands for as she is both on Jyske Bank's board and ATP's Board of Directors.

It is unhealthy for the Danish government that the state allows banks to commit crime, and covers it.

Regardless of the fact [that parliament, i.e. the government, in 2013 decided to help Jyske Bank if the bank gets into difficulties](#), and a bank that commits fraud and fake like Jyske Bank, is in serious difficulties and risks losing its license to conduct banking business in Denmark, I think that therefore it has become political for the government to cover up Jyske Bank's criminal actions.

This is a direct question to the Danish state and government, and since no one in Denmark will respond to a single inquiry, about Jyske Bank's many violations of the law, I am asking the question publicly, so that if there is a journalist who wants convey my questions to the parliament, then ask why the Danish government is covering up Jyske Bank's fraud.

Why do you think that no one in the parliament, the Danish state and the government will help to stop corruption and cronyism in Denmark. ?. because it is political for the authorities to cover up the biggest criminal Danish companies.

No one wants to talk about the fraud Jyske Bank exposes customers to, as the state, politicians, judges, the Financial Supervisory Authority, the Danish National Bank and many others cover up this criminal Danish bank.

Jyske Bank itself is powerless against the anti-advertisements, that are supposed to warn everyone who cooperates with, or simply uses Jyske Bank as their bank, as everyone can be deceived like me.

This picture is from 2021, and shows that Denmark has major problems with corruption far up in the Danish authorities, when the state covers up large Danish criminal enterprises, like Jyske Bank.

When neither the State Ministry, the Ministry of Finance, Denmark's National bank nor the Financial Supervisory Authority will refer to documentation for Jyske Bank's fraud.

Then it is difficult to stop bank crime and the corruption that exists and governs Denmark.

If you want to be employed in a criminal Corporation, [then you should apply for employment in the Jyske Bank group](#), which in advance covers several criminals employed by the bank and who have contributed to organized crime, referring to the fact that the bank covers the criminals as for Jyske Bank commits fraud against the bank's customers, which is what my report and book are about.

I hereby wish everyone who follows and reads, a happy New Year, and remember if you are a ghost writer, or if you know someone who wants to write my story, or help me write the book about corruption in Denmark, please contact me Greetings from me Carsten Storbjerg Skaarup Soevj 5. 3100 Hornbaek. carsten.storbjerg@gmail.com. phone +4522227713.

When Jyske bank's fraud is not a mistake, then it is completely proven that the management supports Jyske Bank committing fraud against the bank's customers, I already have plenty of evidence that Jyske Bank is a a cunning deceitful and lying bank.

I have written and advertised for Jyske Bank's fraud since 2016, without a single Danish authority, [politician](#) or newspaper having asked questions or written anything about the corruption, and the organized crime that Jyske Bank demonstrably is behind, and which takes place with the support of the parliament, i.e. the Danish state which deliberately and dishonestly covers up Jyske Bank's crimes.

When the Danish state directly covers up Jyske Bank's crime, by turning a blind eye to Jyske Bank's fraud, how many other large criminal Danish companies have the state also cover up.

Otherwise if I have misunderstood that the Danish politicians do not cover up criminal banks at all, or other large Danish companies. ?. I would like to allow myself to ask the Danish government, through the Prime Minister Mette Frederiksen, whether the state covers other criminal Danish companies than just the Jyske Bank.

If the [Danish state](#) or Jyske bank think I am lying, I again tell anyone that I have invited both the [Prime Minister Mette Frederiksen](#)

[The Prime Minister's Office who has never responded to a single inquiry, as this mail I request you as Danish politicians and authorities to read the attached letter, which is a copy of my diary report from \[banknyt.dk\]\(#\) inserted in the letter.](#) and [the Danish National Bank](#) as well as the Danish Financial Supervisory Authority to a meeting, which I again recommend you all to receive.

This January, I will put new advertisements on the Jyske Bank car, and again park in front of Jyske Bank where it will remain for the next month, and Jyske Bank cannot do anything about this, but now the

employees can say without lying that it is an earlier customer

Jyske Bank A/S behind extensive fraud carried out by at least. [Jeanett Kofoed-Hansen](#) and Nicolai Hansen. And that with the help of at least Casper Dam Olsen. Anette Kirkeby. Soren Woergaard. Morten Ulrik Gade. Birgit Buch Thuesen. Philip Baruch. and CEO Anders Christian Dam.

There is no one in Denmark, neither in Jyske Bank among all the criminals in the bank, and other employees, not one authorities dare to ask questions for my advertisements about Jyske Bank's gross and cunning organized crime, and not a single journalists has written a word about the crime everyone knows Jyske Bank is behind.

Or have a dialogue with me, about what I write, therefore I see it as a wish that I should continue to write about the criminal Danish bank, which enjoys that the Danish State and government cover up the criminality that Jyske Bank is demonstrably behind.

If there is something I have misunderstood, call me my phone number +4522227713 And you can have a conversation with me, but there aren't some who dare.

And since [Jyske Bank](#) and their [respective](#) does not want me to stop attacking Jyske Bank and the credibility of the Danish State, I will continue to write about the corruption that has infiltrated the Danish authorities.

No one apart from Jyske Bank, the criminal leader and mastermind, can make me stop writing about the corruption that exists in Denmark, and Jyske Bank's management does not want that.

So when I write about bribery and the organized crime in Jyske Bank, which is directly supported by the Danish authorities, and which is therefore instrumental in undermining legal certainty, in order to cover up the Danish State for the organized crime that several of the Jyske bank's employees are behind, and subsequently, the group has been rewarded for their fraud against the bank's customers.

Here you can download a copy of the Banknyt page as it appears on *31 December 2022*. time 12.30 shared with the Jyske Bank group and the bank's criminal masterminds.

And Jyske Bank cannot stop me from writing about and presenting evidence of the criminality that the

Jyske Bank group is behind.

[Although Finans Denmark covers Jyske Bank's crime, which is why the board would not answer direct questions like these, it is normal for Danske Banker employees to lie to their customers.](#)

Watch my latest YouTube videos, which have been shared with the Board of Directors and the Board of Representatives, as well as the Legal Department of Jyske Bank, it is a pleasure for me to have resigned and have fired the Jyske Bank then the Bank are deeply criminals.

Everyone who dares to claim something different, you are welcome to take a confirmation with me, as I have written for several years, but you dare not.

I would like to present my evidence on National TV, which not a single one of the many contributors dares to do.

Jyske Bank has got a new mascot BODIL.

[Bodil that cost a 72-year-old. woman life](#), and is a name I associate with destruction and billion expenses for the whole of Denmark.

Jyske Bank has made great efforts to find a name that fits Jyske bank's destructive business methods.

Jyske Bank has told through the Lund Elmer Sandager lawyers, that the group's management at [Anders Christian Dam](#), [Niels Erik Jakobsen](#), Per Skovhus, [Peter Trier Schleidt](#), [Martin Skovsted-Nielsen](#) and [Lars Stensgaard Mørch](#), that the future director have no desire to find a solution, that will stop the customer from writing about the foundation of Jyske Bank, which the bank exposes customers to organized fraud.

Therefore, the customer continues to write about the extensive crime that Jyske Bank is behind, which no one in the Danish state can prohibit, since it is the true.

Since Jyske Bank is deeply criminal, and has exposed both me and my small business to organized fraud, I no longer wish to be a customer of this highly criminal Danske Bank.

I will therefore cancel my account 5050 1432988 in Jyske Bank AS with effect from 31/12 2022.

In other words, the many participating politicians who are aware of Jyske Bank's use of fraud and forgery as well as abuse of power of attorney, but who cover up the organized crime which Jyske Bank A/S is behind, have no comments on what I write, so answer that you are agree, and say I can't stop corruption and cronyism in Denmark, my task is simply to write about it and warn others.

ABOUT SOME FRAUD.

I emphasizes that the Danish State continues to support not only criminal Danish banks, but also the corrupt lawyers who, like Lundgren's, are instrumental in at least the organized crime that Denmark's second largest bank Jyske Bank, is behind.

Jyske Bank are deeply criminal bank, and Nicolai Hansen together with Jeanett-Kofoed-Hansen, have started and exposed both me and my small business to organized fraud, which the group management and the board of representatives support, therefore I no longer want to be a customer of this highly criminal Danish Bank, I have therefore canceled all accounts and any agreements I may have with this Danish fraud bank.

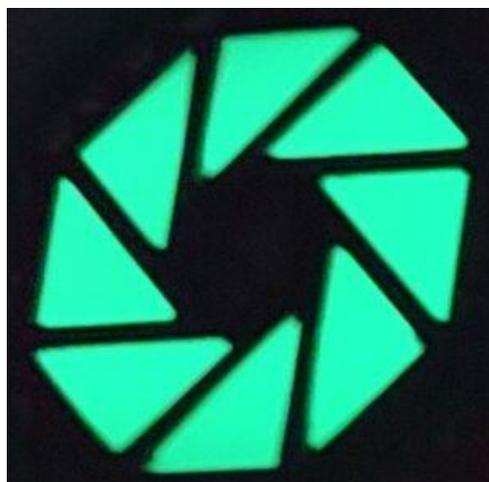

I cancel my account 5050 1432988 in Jyske Bank A/S. 31/12 2022, and ask Jyske Bank to confirm tomorrow at 30 December, that I have no agreements, loans or accounts with the Danish / Jyske fraud Bank, that is Jyske Bank A/S.

Og her på dansk, hvilket er skrevet og delt også med de danske myndigheder, herunder Statsministeriet, folketinget altså de Danske politikere der stadig ikke tør svare, for på den måde fortsætter myndighederne med at dække over Jyske Banks forbrydelser mod statens borgere.

Jyske Bank er dybt kriminelle, og [Nicolai Hansen](#) har sammen med [Jeanett Kofod-Hansen](#) startet og udsat både mig og min lille virksomhed for organiseret bedrageri, dette er udført med hjælp fra mindst [Anette Kirkeby](#), [Casper Dam Olsen](#), [Morten Ulrik Gade](#), [Lund Elmer Sandager](#) advokater og [Lundgrens](#) advokater.

Hvilket er et bedrageri koncernledelsen og [repræsentantskabet](#) støtter, jeg ønsker derfor ikke længere at være kunde hos denne kriminelle Danske Bank.

Jyske Banks fundament handler om bedrageri mod kunder. Er Jyske Banks troværdig Nej. Er Jyske Bank hæderlig NEJ. Derfor udsendes denne varsel mod den kriminelle Jyske Bank.

If there are some who dare to claim that what I have written here on Jyske bank car does not look true, then just come to me.

But if you think what I write is true.

So you do best to continue to hide and stick your head in the ground, and also to continue to keep your mouth shut.

When no one in Jyske Bank or the Danish State wants dialogue and peace, then you get that war you have fought so hard for, and I am not afraid of some of you regardless of the fact that you abuse your power to commit fraud or to cover up organized crime.

Yes, it is me who has caught Jyske Bank in being behind organized fraud, and I write about that on my cars, which no one wants to talk about, and which none can stop me from continuing to write, since we have freedom of speech to write the truth.

Jyske Bank i er dybt kriminelle, og Nicolai Hansen har sammen med Jeanett Kofod-Hansen startende og udsat både mig og min lille virksomhed for organiseret bedrageri hvilket concernledelsen og repræsentantskabet støtter op om, derfor ønsker jeg ikke længere at være kunde hos denne stærkt kriminelle Danske Bank, jeg har derfor 29 december 2022. opsagt alle konti og eventuelle aftaler jeg måtte have i denne Danske svindel bank.

Christian Dam has no desire to talk to me, and refuses to ask me if I want to stop writing about the crime, Jyske Bank with help of the Danish government is behind, crime such as fraud and the use of forgery, which Jyske Bank has obtained with the aid of the Danish government's permission, to proceed fraud against the Jyske Bank's customers.

Den kriminelle Jyske Bank

Jyske Bank could stop this here, but [Lund Elmer Sandager lawyers](#) have emphasized that Jyske Bank does not want to, and that Denmark's second largest bank Jyske Bank is still pissing on the customers whom Jyske Bank is blatantly defrauding.

This is again a call, do some of you in the Jyske Bank group dare to answer, do you dare to review my evidence for your many crimes, which was done jointly also with the help of Lund Elmer Sandager lawyers and [Lundgren's lawyers](#), or are you still afraid and hiding with your head in the ground.

You all know who I am, and I want to enter into dialogue with Jyske Bank, which unfortunately does not want to enter into dialogue with me, perhaps because the case here may deprive Jyske Bank of the right to conduct banking business in Denmark, in which case the Danish State will stop to cover up Jyske Bank's crime.

While you think about how afraid you are to talk to me, it's your own fault that I'm writing, you could solve your problems yourself and start by firing those who commit and continue fraud for Jyske Bank.

Happy New Year to you all.

Jyske Bank makes false document to commit organized fraud.

Jyske Bank Boxen laver kassen på dig

Do you have anything you would like to add when I say that the Jyske Bank group, by means of several employees together in association, is behind cunning fraud, which you all know about, or have participated in or which you have covered up. which was carried out in collaboration with the Danish State, including the National Bank and the Financial Supervisory Authority and several employees of the Danish courts, I think you are afraid to answer, and this is the reason why you are all hiding.

Jyske Bank's corporate management hides for their customers.

At least these people in Jyske Bank and the Danish authorities, as [Judge Kurt Rasmussen, who is employed by the Danish Court](#) and lawyers who are employees of law firms such as [Horten lawyers](#), [Kromann Reumert](#) lawyers, [DLA Piper](#) lawyers, [Lundgrens](#) lawyers and [Lund Elmer Sandager](#) lawyers ther support the criminal Jyske Bank.

These people are personally instrumental in that the Jyske bank continues to work to cheat and defraud the customers as the bank can, and as the Danish government by the Prime Minister, the social democratic Mette Frederiksen, and the government / parliament, and which several of the corrupt Danish judges support, which makes Denmark to a corrupt country.

If the Danish state and those there dares to mentioned, and claim otherwise, then you should answer me, and review my evidence that Jyske Bank is a criminal organization that uses forged documents and bribes to defraud the bank's customers.

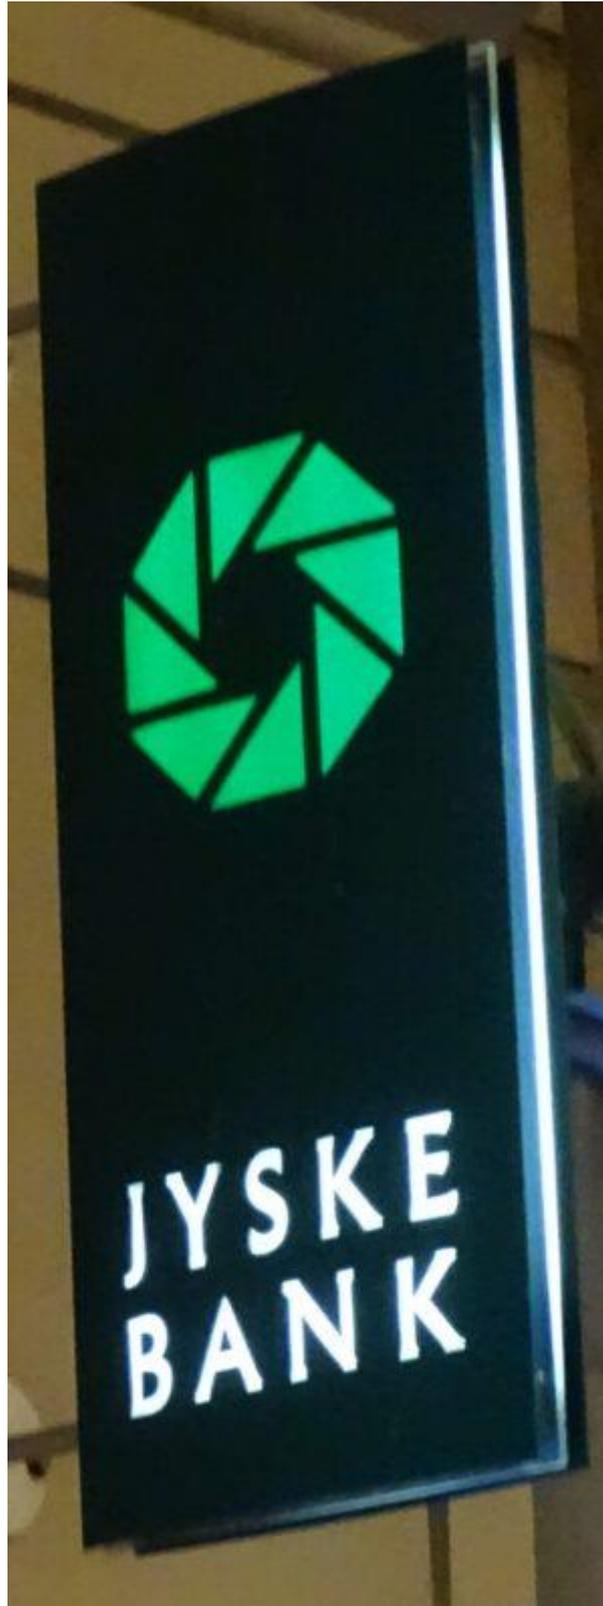

If you think I have not written the truth, then I encourage you all to meet with me, and that we together can review my evidence, for the crime that Jyske Bank demonstrably is behind, and which I write and say you all cover up.

And that you are therefore also complicit in the organized crime that Jyske Bank is behind.

This is an opportunity for the Danish State to review and correct any errors and / or misunderstandings, if the Danish State and the authorities do not deliberately cover up the financial and organized crime that Danske Bank Jyske Bank is behind.

To this date, not a single one of you has dared to answer me, which only confirms, that the Danish State supports and covers up Organized fraud by Danish banks.

The person responsible for Jyske Bank's fraud is Søren Woergaard and Anette Kirkeby as the was the mastermind, and was behind that Nicolai Hansen and Jeanett Kofoed-Hansen on Jyske Bank starting and continuing fraud against the bank's customers.

I have repeatedly written and shared evidence with the Danish Financial Supervisory Authority that Nicolai Hansen together with Jeanett Kofoed-Hansen, and with the help of at least Casper Dam Olsen, Anette Kirkeby and Morten Ulrik Gade for the Jyske Bank group, have exposed their customers to organized and financial crime .

And as i to why the Danish Financial Supervisory Authority must withdraw Jyske Bank's license to conduct financial business including banking in Denmark.

When the Danish State covers up the financial crime that Danish banks are behind, this should cause all nations to question Denmark's credibility.

Straffeloven § 279

§ 279 For bedrageri straffes den, som, for derigennem at skaffe sig eller andre uberettiget vinding, ved retsstridigt at fremkalde, bestyrke eller udnytte en vildfarelse bestemmer en anden til en handling eller undladelse, hvorved der påføres denne eller nogen, for hvem handlingen eller undladelsen bliver afgørende, et formuetab.

denstoredanske.dk

Strafferet

Svig af en vis grovere karakter er kriminaliseret i en række forbrydelser. Den mest almindelige svigsforbrydelse er bedrageri. I nogle få tilfælde indgår ordet svig i forbrydelsens navn, fx mandatsvig og skyldnersvig. I mange andre tilfælde er det imidlertid også strafbart at opnå noget ved at besvige, snyde eller vildlede andre. Ved retsreglerne om åger har man ønsket at beskytte personer, som er særlig udsat for at blive snydt. Det er strafbart ved svig at få nogen til at undlade at stemme til valg til Folketinget eller til kommunalvalg. I nogle tilfælde består forbrydelse i forsøg på at besvige en anden, fx dokumentfalsk, der består i at prøve at snyde nogen med et falsk dokument.

Straffeloven § 279 For bedrageri straffes den, som, for derigennem at skaffe sig eller andre uberettiget vinding.

Hvis Jyske Bank ikke mener at jeg har beviser nok, for det jeg skriver er i velkommen til at kontakte politiet, og så kan i hvis i tør jo lave en politianmeldelse imod mig, for injurie og bagvaskelse af Jyske Bank, men det tør i jo ikke, i svindlere som gemmer jer bag den danske stat og regering.

Vi gentager

Vi går i retten mod jyske bank grundet GROFT SVIG MOD OS.

At jyske bank nægter at kommunikere, eller bare svare, er uforståeligt.

Det er grænses overskridende at lægge alt frem om sin egen person.

Som sygdomme, økonomiske forhold, og vise hvordan jyske bank gentagende har løget for at kunne snyde og bedrage.

At jyske bank har løget og villet, for at besvige kunder for millioner, er der ikke tvivl om.

Du kan se lidt bilag på linket her.

Vi stolede på at jyske bank, var ærlig hæderlig og troværdig, som jyske bank selv påstår

Sandheden er dog en anden.

**Og nu skal vi i retten imod 100 af Danmarks højt uddannede advokater,
der af Jyske Bank nok har fået en blanco check i honorar, til at få gjort
svig lovligt .**

**Vi har beviserne i orden, mener klart at kunne bevise at Jyske Bank laver
bedrageri,
I retten er det svig svig svig osv**

Det er muligt jeg ikke kan røre jeres kriminelle virksomhed, da det danske politi har fået instruks om ikke at retsforfølge kriminalitet udført af danske banker, men jeg kan skrive alt det jeg ønsker da det er sandheden, og hvis i eller den samlede Danske Stat mener noget andet, så er i blevet inviteret, til at få en fremlæggelse og dokumentation for den kriminalitet Jyske Bank bevisligt står bag, men i stikke alle sammen jeres hoveder i jorden i håbet om jeg holder mund, hvilket ikke kommer til at ske.

Her er en kopi af nogle af de seneste mail til Jyske Bank og den Danske Stat og regering, hvilket myndighederne, regeringen sammen med ATP og Jyske Bank koncernen med flere alle sammen har ignoreret, hvilket understreger den Danske Stat fortsætter med at støtte ikke kun kriminelle banker, men også de korrupte advokater der som Lundgrens er medvirkende til organiseret kriminalitet.

Mit navn og adresse.

Carsten Storbjerg Skaarup.

Søvej 5. 3100 Hornbæk. telefon 22227713.

I bedes overføre mit indestående til min Nem konto, har i brug for et kontonummer så meddel mig dette.

Gentegner hermed at alle mine tidligere fuldmagter og sikkerheder samt kautioner er tilbagekaldt, hvilket jeg har gentagende skrevet til Jyske Bank om at få udleveret mine kautioner og underskrevet sikkerheder, samt det private pantebrev som Jyske Bank ved vanhjemmel har udslettet, disse dokumenter nægter Jyske Bank at returnere, sikkert for at kunne misbruge disse, som Jyske Bank tidligere flere gange tidligere og siden 2009, bevisligt har lavet fuldmagtsmisbrug.

Hvem dækker over korrupsionen og de kriminelle organisationer som Jyske Bank A/S i Danmark. Det gør Danmarks Nationalbank, Statsministeriet, regeringen ved Mette Frederiksen, Justitsministeriet og Domstolsstyrelsens ansatte ved korrupte dommere, som Højesteretsdommer Kurt Rasmussen, deslige med Byretsdommer Søren Ejrum.

Disse af domstolsstyrelsens ansatte dækker over Jyske Banks organiseret kriminalitet.

Samt dækker over at Jyske Bank også har bestukket Lundgrens advokater.

Og dækker over at Jyske Bank A/S har betalt Lund Elmer Sandager advokater til at fremlægge falske oplysninger over for domstolen, hvilket var for at dække over Jyske banks brug af dokumentfalsk og bedrageri.

Lund Elmer Sandager advokater arbejder i forvejen for Danmarks Nationalbank, som advokater for Nationalbankens whistleblowerordning, der handler om at stoppe de kriminelle banker, som Lund Elmer Sandager Sandager advokater selv er medvirkende til at dække over og hjælpe med at slippe god for organiseret bedrageri.

Nationalbanken er kontrolleret af politikerne på Christiansborg som ligeledes her viden om Jyske Banks kriminalitet, men som vælger at dække over det, hvilke er undergravende virksomhed mod Lov og Orden. Spørg hvorfor ikke en eneste har ville forsvare deres passivitet, og hvorfor ikke en eneste tør at besvare mine mail som denne til Danmarks Nationalbank 29 juli 2022.

Og spørg Jyske Bank A/S CEO Anders Dam, om det der står på Jyske bank bilen er sandt eller ej. Husk dette handler kun om hvad Jyske Bank har lavet, ikke om hvad de er dømt for, Jyske Bank vil ikke blive dømt for brugen af strafbar lovovertredelser, da Jyske Bank vil miste retten til at drive bankvirksomhed i Danmark, derfor dækker den danske stat over den kriminelle Jyske Bank A/S Og hvis ikke er sandt, hvorfor svare Jyske Bank A/S så ikke, og eller anlægge en injurier sag mod Carsten Storbjerg for bagvaskelse og ærekrænkelser af Jyske Banks troværdighed.

Du vil opdage at Jyske lyver, og vil bortlede din opmærksomhed fra det jeg skriver, til forskellige retssager hvor Jyske Bank ved korrupsion bliver beskyttet.

Hvem tør mødes og tage en debat om Jyske Bank lever op til betingelserne for at drive bankvirksomhed i Danmark.

As long as the Danish State and the authorities cover up the criminal Danish banks, as here where Lars Stensgaard Mørch and Anders Christian Dam are behind Denmark's second largest criminal bank Jyske Bank, who do not care about the customers like Jyske Bank A/S demonstrably, consciously and dishonestly even exposes itself to organized fraud.

Fraud which Jyske Bank has carried out with the help of Nicolai Hansen and Jeanett Kofoed-Hansen has carried out together with Casper Dam Olsen and Anette Kirkeby, with the help of at least, Lundgren's lawyers as Jyske Bank bribes, and Lund Elmer Sandager lawyers who are demonstrably lying to the court, and Jyske Bank's legal department, where at least Morten Ulrik Gade has also contributed to organized fraud, which several people in Jyske Bank's group have contributed to.

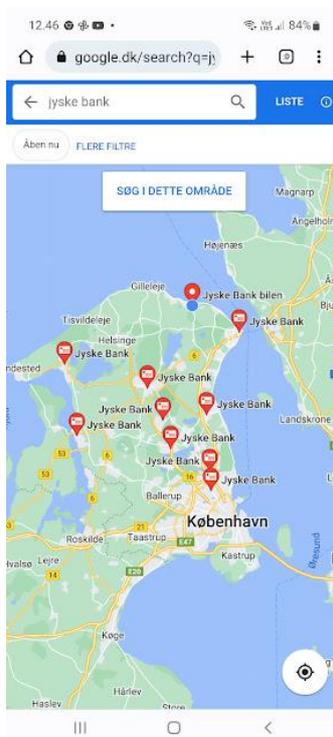

Jyske Bank has no plans to stop committing fraud as long as the Danish authorities, including the State Ministry and judges like Kurt Rasmussen, have chosen to cover up Jyske Bank's criminality.

I have repeatedly called on Jyske Bank and the management to conduct a defamation case and file a police report against me if Jyske Bank does not think my evidence for Jyske Bank's fraud is strong enough, but the Group's management does not dare to do so, because Jyske Bank cannot stop my campaigns, to make others aware of the organized crime that Jyske Bank is demonstrably behind, which is the reason why the employees of Jyske Bank do not dare to say anything, to Jyske Bank Bilerne that January 2023. will come back with new advertisements and will be parked right in front of the Jyske Bank store on Vesterbrogade 9 in Copenhagen.

Så slemt står det til med korruption i Danmark, hvilket den Danske Stat og regeringen sammen med myndighederne selv er en del af, eftersom alle i folketinget har valgt at dække over den omfattende kriminalitet som den store Danske Bank Jyske Bank A/S bevist og bevisligt står bag.

Hvis Jyske Bank eller nogle af deres mange medhjælpere og kriminelle medarbejdere har nogle indsigelser eller bemærkninger til det jeg skriver, så har jeg gentagne gange *som i Link der som PDF indsættes*. senest 23 december 2022. igen opfordret Jyske Bank og de mange medvirkende til bedrageri, og i særdeleshed de kriminelle medarbejdere i Jyske Bank A/S så som Nicolai Hansen og [Jeanett Kofoed-Hansen](#) men også dem der som Anette Kirkeby, Casper Dam Olsen, advokat som Morten Ulrik Gade, Lund Elmer Sandager advokater og Lundgrens advokater der alle har hjulpet Jyske Bank med økonomisk kriminalitet til at svare og lade sig interviewe til brug for min bog om korruption i Danmark.

Har i altså Jyske Bank og jeres medhjælpere nogle kommentarer, indsigelser eller måske spørgsmål til det jeg skriver, så er i gentagne og mange gange blevet opfordret til at svare på mine direkte anklager mod Jyske Bank A/S, for blandt andet at stå bag omfattende og systematisk bedrageri mod bankens kunder, men da Jyske Bank ved at det jeg skriver er sandt, tør Jyske Bank ved Koncernens samlede medlemmer som kommende direktør Lars Stensgaard Mørch, Bank direktører Anders Christian Dam, Niels Erik Jakobsen, Per Skovhus, Peter Schleidt samt Juridisk afdeling ved Martin Nielsen og advokat Morten Ulrik Gade, Lund Elmer Sandager advokater slet ikke svare, da Jyske Bank ikke kan andet end at stikke hovedet i jorden og håbe på den Danske Stat vil fortsætte med at dække over Jyske Banks organiseret kriminalitet.

Kære Jyske Bank i kan svare eller forsvare Jyske Banks brug af organiseret bedrageri, hvis i eller tør.

Men da Jyske Bank slet ikke tør svare eller forsvare sig, eftersom Jyske Bank er ligeglade med hvilke kunder banken udsætter for groft bedrageri, så længe den Danske Stat ved regeringen og Folketinget sammen med blandt andet ATP pension, støtter op om Jyske Banks kriminalitet.

Folketinget som bevidst dækker over den stærkt kriminelle Jyske Bank, er både blevet medvirkende og ansvarlig for Jyske Banks omfattende og udspekuleret, samt organiserede kriminalitet, da ikke en eneste politiker vil gøre noget ved den kriminalitet, som udføres af danske banker, kriminelle banker Jyske Bank vil derfor ikke blive straffet, og fortsatte derfor de kriminelle handlinger som Jyske Bank er kendt for.

Når også domstolene som Højesterets dommer Kurt Rasmussen, der er dommer i venstre landsret, har dækket over at Jyske Bank A/S har bestukket Lundgrens advokater til ikke at fremlægge Jyske Banks bedrageri for retten, understreger dette kun, at Korruption trives blandt også de danske dommere.

Der vil altid være korruption i Danmark, langt op i de danske myndigheder og domstole, syntes styrets ved kammerateri.

Bemærk venligst jeg nævner flere korrupte advokater og dommere, hvilket alle er blevet tilbudt et interview, i forbindelse med min bog om også organiseret kriminalitet i Danmark, ingen har svaret på mine mange invitationer til at blive interviewet.

Korruption i Danmark er et problem for danskernes retssikkerhed.

Min bog omhandler også hvordan den Danske Stat reelt er direkte medvirkende til bedrageri, ved at de danske myndigheder som finanstilsynet, og flere ansatte i de Danske domstole, og folketingspolitikere bevidst og UHÆDERLIGT dække over, at Jyske Bank A/S står bag organiseret kriminalitet.

Den danske stat modarbejder danskernes retssikkerhed, når myndighederne og Folketinget dækker over banker der som Jyske Bank bedrager deres kunder.

Kommende direktør i Jyske Bank er Lars Stensgaard Mørch, som tidligere er ansvarlig for Danske Banks hvidvaskning af 1.500 milliarder kroner.

[The FSA has decided on 24 November 2022 to request the National Unit for Special Crime \(NSK\) to initiate a police investigation of the Danish Bank Jyske Bank AS.](#)

The police report against Jyske Bank covers three matters. It is about a possible violation of the Money Laundering Act, which Denmark's largest bank has become well known for laundering 1,500 billion Danish

kroner, so you have to side with Denmark leading the way as far as it is concerned, since it deals with the Jyske Bank car and why no one dares to say anything to that.

Denmark has many cases of economic crime for billions, and if most cases are dismissed, then nothing happens when the biggest ones like Bech-Bruun are involved in a scandalous case.

3 Lawyers in Bech Brun become these partners, whom [Bech Brun chose to immediately dismissed from the law firm, and was then employed in Lundgren's lawyers](#), there become the ones referred to in my book as the corrupt Lundgrens lawyers.

I wonder how much corruption and complicity in organized crime exists in the large Danish law firms, this is probably a well-kept secret, but this page is about the economic crime that Jyske Bank is behind, and who has contributed to this.

Carsten Storbjerg has repeatedly since August 2022 requested the National Bank of Denmark, the State Ministry of Denmark and the Danish Prime Minister Mette Frederiksen to obtain permission to hand over full documentation of Dansk Bank's criminal activity, as well as to present the evidence to the Danish National bank and to the Danish State by government , for the organized fraud that the Danish State, including the National Bank, has been fully aware of since at least April 2019, but which all Danish authorities and politicians have chosen to ignore and cover up, why this violates my legal security.

[Read here LINK. my e-mail of 9 October to the Prime Minister's Office.](#)

And to the Prime Minister Mette Frederiksen and others.

Name here a few of those who for Jyske Bank A/S started fraud against my small business, and help the fraud to start, by using false documents and by lying.

Some of those who have been behind the million fraud for Jyske Bank A/S is Nicolai Hansen, [Jeanett Kofoed-Hansen](#), Casper Dam Olsen and Anette Kirkeby, just to name a few.

I have written an email on 9 October 2022 in which i give Jyske Bank's directors CEO Anders Christian Dam. Niels Erik Jakobsen. Per Skovhus. and Peter Trier Schleidt, opportunity to admit that Jyske Bank has committed organized crime.

It is free and without risk for Jyske Bank's group management to sign, since the Danish state, including the Government of Prime Minister Mette Frederiksen, together with the Financial Supervisory Authority and Denmark's National Bank, are all covering up Jyske Bank's crimes.

And with regard to some of those who have started the organized crime for Jyske Bank and have a central role, i offer to interview you.

It is only for the books, so if Nicolai Hansen, [Jeanett Kofoed-Hansen](#), Casper Dam Olsen and Anette Kirkeby want to be among the first to be interviewed for the books.

Then call me on +4522227713

If you do not want to use this offer, where you can tell by yourself, how you exposed a customer to massive fraud for Jyske Bank A/S.

I just want to use the documentation i already have, but i giving you the opportunity to tell how many customers, you have exposed to the same fraud and exploitation.

And you can tell if you yourself came up with the idea of committing fraud, and then hiding it through the use of false documents, and by gross exploitation and by lying.

I'm asking you if it's something you've come up with yourself, or was you following orders.

I also offer to interview Mette-Marie Nielsen who is now currently employed by the Danish Bank A/S and Emil Hald Veldelbo Winstrøm who is employed at Rambøll A/S.

So you will have the opportunity to explain whether it was only Dan Terkildsen who from Lundgren's lawyers gave instructions to work against your client. Or whether the reason you opposed your client was after a lot of pressure from the corrupt Lundgren's law office.

And if you were ordered to hide the fact that Lundgren's law office had actually been bribed by Jyske Bank, to prevent the fraud and false case against Jyske Bank from being presented to the court.

And you can yourself tells how you task for Lundgrens and Jyske Bank A/S now was to oppose legal certainty in order to disappoint in legal matters.

You can explain yourself why you have not presented the client's fraud and false allegations against Jyske Bank A/S.

Call me on +4522227713

Then we will find a time for the interview.

You are important for my books about corruption, and the corrupt lawyers in Denmark, and it will give a better picture of corruption in Denmark, if you participate, and explain where you chose to help Jyske Bank with fraud, by thwarting justice for your client.

I have now on 10 oktober invited the first to be interviewed about Jyske Bank's fraud and other punishable crimes, of those I have written to is Nicolai Hansen, [Jeanett Kofoed-Hansen](#), Anette Kirkeby, Casper Dam Olsen, Philip Baruch, Kristian Ambjørn Buus-Nielsen, Morten Ulrik Gade, Anders Christian Dam, Niels Erik Jakobsen, Per Skovhus, Peter Schleidt.

When the 179 Danish politicians are invited before the election on November 1, I will after an email invitation, deliver all 179 a personal letter with a copy of the email.

I have not received any response on October 10, either from the State Ministry, or Prime Minister Mette Frederiksen, the Financial Supervisory Authority, or the National Bank of Denmark, and have therefore started to write emails that are an invitation to an interview about the Danish state and the government's role in covering up Jyske Bank's crimes, I therefore wrote on 11 October to first the Danish Prime Minister Mette Frederiksen.

Organized crime, which is covered by the Danish state through several authorities and the National Bank.

When the authorities help to cover up Jyske Bank's organized crime, they can at the same time be contributing to Jyske Bank's many crimes, which is a scandal and a mockery of Danes' legal certainty.

When I write to Jyske Bank, and especially to you CEO Anders Christian Dam.

So it is to get in touch, I want the two of us to have a talk together about my evidence, so that here a couple of your employees Nicolai Hansen, [Jeanett Kofoed-Hansen](#), Casper Dam Olsen and Anette Kirkeby, stand together in association behind extensive crime against me and my small business.

CEO Anders Christian Dam, I have continuously written to you and your lawyers that these employees of Jyske Bank started an extensive fraud against my company and me.

I am writing again that [Jeanett Kofoed -Hansen](#) has forged a document, misused a power of attorney, abused Jyske Bank's access to the land registry, and that you have collectively manipulated annexes in order to expose your client, i.e. me Carsten Storbjerg Skaarup, together with my company to fraud and organized fraud.

I write that Casper Dam Olsen, Anette Kirkeby and Soeren Woergaard then send me as a customer for settlement at the green butchers at Vestergade 8-16 in Silkeborg, without the customer always having breached any obligations.

I also write that Jyske Bank, through Anette Kirkeby and Casper Dam Olsen, among others, sent me to the butcher department, so that I would be slaughtered before I discovered that Jyske Bank exposed me to extensive and organized fraud in many criminal cases.

Which you CEO Anders Dam. personally, at least since 2016. has been instrumental in allowing Jyske Bank's fraud to continue.

If you want to continue to hide behind, the Danish politicians and civil servants, and also enjoy that these authorities such as the Danish Financial Supervisory Authority, the Ministry of Justice, the National Bank of Denmark, the State Ministry, the Ministry of Finance and several judges as well as Corrupt lawyers ther cover Jyske Banks crimes, but also you Anders Christian Dam, then it's your choice.

I just want to talk to you more if it's a minor misunderstanding.

I do not want to criticize either Jyske Bank or have to sue the Danish state, including the Danish Financial Supervisory Authority and the National Bank of Denmark for covering up Jyske Bank's many criminal acts, which is why since 2016 I have repeatedly and continuously called on you CEO Anders Christian Dam and Jyske Bank A/ S to meet.

I wrote to you and Jyske Bank no later than 9/11. i.e. 11 September 2022. and even if there are several spelling mistakes, Anders, together with your lawyers like Martin Nielsen and Morten Ulrik Gade, you probably understand that I am trying to get your attention.

I don't want war, but if Anders Dam and others to whom I have written and if you don't respond, I will file an official complaint with the ECB. The European Central Bank. that the National Bank of Denmark, together with the government, is a witness to Jyske Bank's extensive criminality.

But that Denmark's Nationalbank, together with the authorities, including the Prime Minister, chooses to cover up criminal Danish banks, with reference to Jyske Bank's criminality.

Jyske Bank bilen

About the organized crime that Denmark's second largest bank Jyske Bank A/S is behind, and that is mentioned on this page is contributing to continues.

You who are mentioned here, are all contributing directly or indirectly to Jyske Bank being able to commit and continue the Danish bank's fraud, and still make use of the document forgery, bribery, abuse of power of attorney, misleading and lying, mandate fraud, in and with directly contributing, or indirectly contributing to fraud by covering up Jyske Bank's criminal business methods.

Everyone in the Danish state and the Danish authorities, together with the others mentioned, have all chosen to keep their mouths shut while they continue to cover up Jyske Bank's criminality.

And if I have written something incorrectly or misunderstood something, so talk to me to correct any mistakes and misunderstandings, with reference to a previous email from Jyske Bank's lawyer Morten Ulrik Gade, who wrote on 17 November 2015 that Jyske Bank would avoid future misunderstandings, and suggested dialogue, and I would like to be in dialogue.

When Jyske Bank proposed Dialog in 2015 and after I received documentation in 2016 that Jyske Bank is behind extensive crime, which is many and criminal acts that Jyske Bank A/S carries out with the help of several people together in association.

And since I have discovered that Jyske Bank have committed fraud, Jyske Bank has refused to speak with me.

This has only provided more material for my book, now more names need to be refreshed and included, so that we do not forget who has supported Jyske Bank's crime.

I suspect that the book or books will end with what the EDC, the European Central Bank and the European Court of Justice will do and say about corruption in Denmark.

I do not think that we should have a judgment in the High Court, as it will only in the case of corruption give Danish banks permission to use bribes, lie, deceive, forge, mislead, exploit, and give banks permission to use false powers of attorney in order to defraud the bank's customers, and so without the risk of investigation and prosecution.

My story about Jyske Bank A/S, which has exposed us to gross fraud, and how we have handed over, as well as our fight to call out the Danish authorities, to help stop the crime and corruption that Jyske Bank and CEO Anders Christian Dam are behind, but which the Danish state and government are obviously contributing to can continue.

My book about corruption in Denmark only becomes more interesting, considering which authorities besides the government and the Danish National Bank cover Jyske Bank's criminal business, and how corruption rules Denmark.

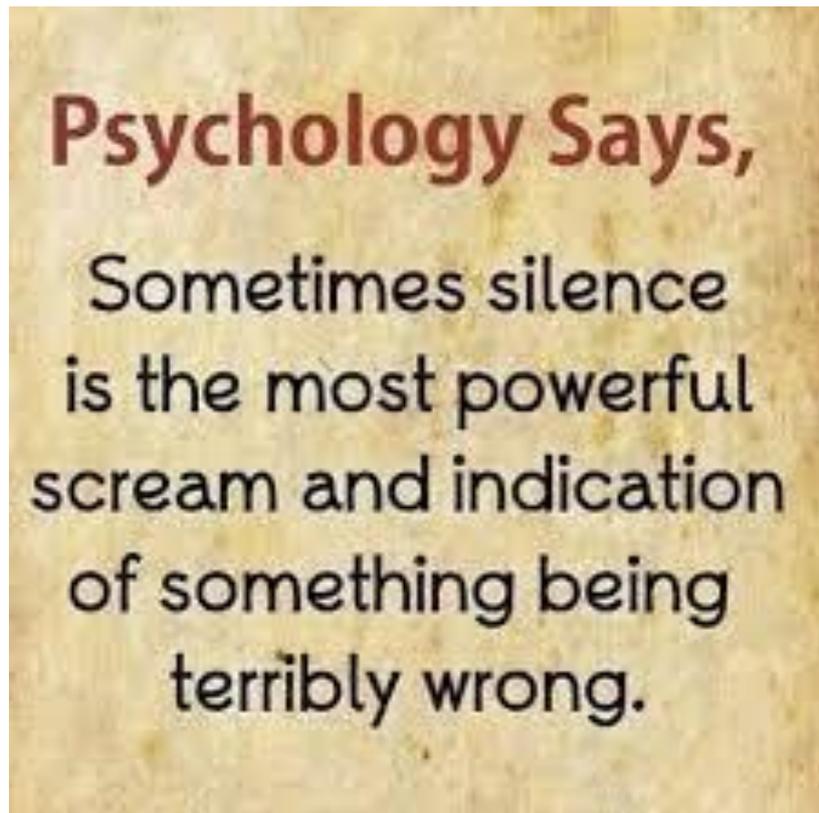

But rather than dialogue, Jyske Bank chooses to bribe our lawyers in order to lose the case, so since Jyske Bank chose to bribe Lundgren's lawyer partner company, not to present our fraud and false allegations against Jyske Bank.

And since then, this has led to several employees from the Danish Courts Authority choosing to help cover up Jyske Bank's fraud.

As I have written and said, I will not stop the fight against corruption and will write in my book how the Danish state, including the Danish Financial Supervisory Authority and Denmark's National bank, have passively and actively covered up Jyske Bank's crimes.

Direktionen. [Signe Krogstrup](#), [Lars Rohde](#), [Per Callesen](#). Director of Denmark's National Bank. Image is from Denmark's Nationalbank's press photos.

Judicial Agency and several judges and lawyers from Horten, Kromann Reumert, Lund Elmer Sandager, Lundgrens, DLA Piper, the National Police, the Public Prosecutor's Office, Finans Denmark and Jyske Bank's shareholders such as ATP, PFA and others are contributing to Jyske Bank's fraud through inaction, and to cover up Jyske Bank's crimes by opposing justice.

Then it becomes a scandal.

Which the employees of the National Bank of Denmark for several years internally refer to this case about Jyske Bank's fraud, and internally say that, IT IS A SCANDAL.

And to those outside the national bank, the employees will say no more.

When I have delivered and made a presentation of Jyske Bank's many very serious offences / actions to first [Director Lars Rohde](#) Denmark's nationalbank, and the executive board and then to the Parliament / Ministry of State under Prime Minister Mette Frederiksen, and then finally to the Danish Financial Supervisory Authority, will also get a copy of what I have presented, or what I wanted to present.

If the Danish authorities are still silent, my next request will be to the president and management of the European Central Bank. ECB. With a formal complaint that the Danish state, including the National Bank, the State Ministry and the Danish Financial Supervisory Authority, all in unison, cover up Jyske Bank's many criminal acts.

All those who are mentioned or have been mentioned will receive documentation for Jyske Bank's criminals

A single Dane, Carsten Storbjerg, has gone to war against corruption in Denmark. But Carsten asks for your help, as camaraderie in Denmark has so much power, that Danish law and order is put out of force, when not a single Danish journalist has written about the problem that Danish banks use corruption.

Then I will ask you as foreign journalists, to conduct an investigation into corruption in Denmark, preformed by the Danish Bank Jyske Bank.

It is unhealthy for the Danish government that the state allows banks to commit crime, and covers it.

Below, I insert the letter I intend to send to the State Ministry in Denmark, the Danish Financial Supervisory Authority, and the board, the National Bank of Denmark and its board, the letter is also sent to finance Denmark and its Board, as well as to the Folketinget, the Danish parliament – and the 179 politicians, as well as to Jyske Bank A/S and the Ministry of Finance, and more.

I offer you all to speak out, and request that they take responsibility and initiate an investigation into Jyske Bank's crime.

Denne mail sendes fordi Jyske Banks ledelse der står bag bankens kriminelle arbejdes metoder, og det er i høj grad disse 4 personer, koncernledelsen i Jyske Bank, der skal takkes for at Jyske Bank har fået så meget gratis annoncering / reklame,? så som mine Jyske Bank biler.

Og nu hvor den danske stat og regering samt alle 179 politikere her bliver bedt om at tage stilling til, om den danske regering vil samarbejde og bruge en bank, der åbenlyst bruger kriminelle forretningsmetoder til at betale Jyske Banks aktionærer, såsom ATP, PFA og andre pensionsordninger. Disse medlemmer af Folketinget har i hele deres valgperiode maj 2019 til november 2022. Alle sammen valgt at dække over Jyske Banks organiseret kriminalitet, da det er politisk ikke at forstyrre Jyske Bank i at udsætte bankens kunder for det bedrageri.

Jyske Bank og dens koncernledelse, bestyrelse, repræsentation og adm. direktør CEO Anders Christian Dam i spidsen, har i flere år været inviteret til dialog og samtale.

Men desværre har Jyske Bank tilsyneladende gjort brug af det kammeratskab, der findes i de danske myndigheder og blandt politikere samt i domstolsstyrelsen, for at kunne begå organiseret kriminalitet, samtidig med at Jyske Bank A/S har gjort brug af at den danske stat faktisk har dækket over den kriminelle Jyske Bank.

I brevet til de danske politikere, anmoder jeg alle politikere og myndigheder sammen med deres advokater, om at undersøge om de bliver medskyldige i Jyske Banks forbrydelser, hvis disse myndighedspersoner og politikere fortsat dækker over de mange strafbare forhold, som Jyske Bank A/S har begået, og som de Danske politikere mindste siden april 2019. har været bekendt med, så som at Jyske Bank A/S står bag organiseret kriminalitet udført af flere ansatte og advokater sammen i forening.

05-09-2022.

Til Folketinget og myndigheder.

Jeg anmoder jer som danske politikere og myndigheder om at læse det vedhæftede brev, som er en kopi af min dagbog fra banknyt.dk, der er indsat i brevet.

Nedenfor er et udsnit af brevet, det er øverst på dansk, som jeg har googlet oversat, for dem der hellere vil have det på engelsk.

Jeg spørger her, om det ikke er et problem, at den danske stat ikke agerer på oplysninger om danske banker, der ikke overholder dansk lovgivning.

Hvis jeg skal acceptere, at Jyske Bank snyder bankens kunder, her er det mig og min virksomhed.

Så må jeg anmode dig om at skrive, Danske statsborgere skal acceptere, at banker ikke skal overholde nogen love eller regler.

Og de danske myndigheder kan frit afgøre, om de vil dække over nogle kriminelle forhold, da det tjener den danske stats interesse at dække over kriminelle danske banker, som her Jyske Bank A/S.

Hvis det er en misforståelse, så må du tale med mig, for jeg finder mig ikke i din tavshed, da du nok håber at jeg bliver træt, det kommer bare ikke til at ske.

Men hvad er din andel i at dække over banker, der begår kriminelle handlinger.?

Er der nogen af jer 179 danske politikere, der synes, det her er sjovt, eller hvad vil I gøre ved det, Jyske Bank ved, at I som magthaver dækker over Jyske Banks mange kriminelle handlinger.

Er det derfor deres administrerende direktør Anders Dam nægter at have dialog med mig, mere for hvis det bare var en lille misforståelse.

Case of organized fraud carried out by Jyske Bank A/S

And corruption and organized crime in Denmark, which the Danish state, Denmark's National Bank and the Danish Financial Supervisory Authority as well as the government, the Ministry of Justice and many others have covered up until today.

Nogen skal komme og ruske op, for at korrupsion i Danmark skal stoppes.

Og jeg vil gerne være den, der tager det første skridt, så Danmark kan blive fri for ikke kun korrupte advokater, men også de dommere, der dækker over forbrydelser, det burde være politikerne selv, der tager dette problem op.

I skal være opmærksomme på, at kammerateri og korrupsion er det samme, og hvis der er nogle af jer, der ikke er enige, så må I sige fra.

Jeg vil gerne have lidt hjælp til at gøre den danske befolkning opmærksom på, at Jyske Bank bryder loven, og de danske myndigheder har dækket over det frem til i dag.

Jeg beder dig om at holde op med at dække over banker, der har bevist at have begået kriminelle handlinger.

Jeg anmoder dig om at tage en debat inde i parlamentet "Folketinget."

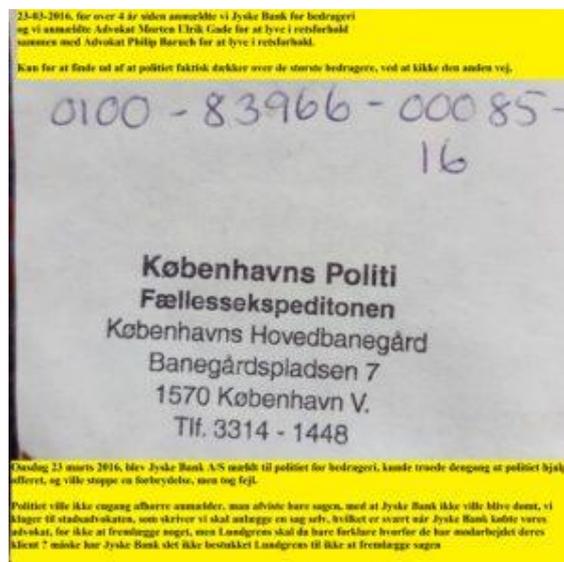

**Og hvis kriminelle banker ikke har fanget din opmærksomhed i nu, er

Jeg har skrevet til dig "jer alle." mange gange.

Og til dato har ingen af jer ønsket at besvare en eneste af mine henvendelser, ingen af jer har ønsket at besvare eller gå i dialog med mig, vedrørende de mange kriminelle handlinger, som jeg anklager Jyske Bank A/S og ledelse af, sammen med en række medarbejdere at stå bag.

Din. / Jeres tavshed tyder mere på, at vi taler om en skandale, og at i er mange, der ikke har levet op "jeres" deres opgaver, jeg er ikke klar over, om I selv som politikere og embedsmænd har en whistleblower ordning, og i givet fald om der er nogle, der har brugt det.

Indsat her i det redigeret brev, PDF-Dokument som 12. september. 2022. sendes til Finanstilsynet og dennes bestyrelse, Regeringen og Statsministeren. / Statsministeriet samt de øvrige folkevalgte politikere.

Denne mail er for at få kontakt og dialog, samt er en oplysning til jer alle sammen.

FOR HVEM TØR SIGE MIG IMOD, OG HVEM ØNSKET AT STOPPE KORRUPTION I DANMARK:

Jeg skriver her om korrupsion i Danmark, samt om Jyske banks kriminelle forretningsmetoder, hvilket den danske stat og regering sammen politikerne og finanstilsynet, nationalbanken, politiet, anklagemyndigheden tillader, I hver fald dækker i over Jyske Banks kriminelle forretningsmetoder.

I som er nævnt her, eller i andre af mine mail og henvendelser, er en del af min fortælling om korrupsion i Danmark, og om hvem der er medvirkende både aktivt og passivt, som mange af jer er ved enkelt at dække over den organiseret kriminalitet som i er blevet fremlagt Jyske Bank A/S står bag, og som i derfor er bekendt med, jeg laver et samlet album med bevismateriale, og det er de jeg ønsker at aflever og fremlægge for jer.

Først Bestyrelsen Nationalbanken Danmark, derefter Statsministeren / Statsministeriet og så Finanstilsynets bestyrelse.

Jeg anmoder jer alle sammen om forud for vores mødedato, at i besvare disse meget enkle spørgsmål.

**Jyske Bank laver million bedrageri.
Det er slet ikke til diskussion.**

Er kammerateri det samme som korrupsion.?

Hvilket jeg mener det er.

Jyske Bank makes a false document to commit organized fraud.

Er man medskyldig hvis man er vidne til bedrageri, men ved passivet dækker over, eller modarbejder retfærdighed. Når man som alle i folketinget er forelagt at en organisation, som her hvor Jyske Bank A/S laver dokumentfalsk, bedrageri, fuldmagts misbrug, mandatsvig og bruger bestikkelse.?

Og altså dækker over disse strafbare lovovertredelser, ved at ignorerer alle offers anmodninger, som også er anmodninger om at få hjælp.

Jeg mener man er medskyldig, hvis man dækker over kriminelt, om at dette forstærkes hvis man nægter at hjælpe offeret.

Hvem dækker over korrupsionen og de kriminelle organisationer som Jyske Bank A/S i Danmark. Det gør Danmarks Nationalbank, Statsministeriet, regeringen ved Mette Frederiksen, Justitsministeriet og Domstolsstyrelsen' s ansatte ved korrupte dommere, som Højesteretsdommer Kurt Rasmussen, deslige med Byretsdommer Søren Ejdam.

Da ingen politikere, eller myndigheder har svare på en eneste, af mange henvendelser siden april 2019. [Skrev jeg 5/9-2022](#). derfor igen til folketingets 179 medlemmer, og denne gang bad dem at spørge deres jurister, om de er medvirkende til en forbrydelse hvis man som politiker og embedsmænd vælger at dækker over det.?

På side 2 og 3. i brevet "mailen 5 september 2022. skriver jeg jer alle, og beder jer undersøge om i er medvirkende til bedrageri, i det omfang at i er vidne om det, og bevidst vælger at dække over det. Brevet der er på 329 sider, hvoraf side 10 – side 329. er forsiden www.banknyt.dk der er indsat

Den kriminelle Jyske Bank

Side 2 og 3. af [mailen / Brev 5 september. 2022.](#) er indsat herunder.

Jeg har skrevet til jer mange gange.

Og til dato har ingen af jer ville svare på en eneste af mine henvendelser, ingen af jer har ønske at svare eller indgå i dialog med mig, omkring de mange strafbare handlinger jeg beskylder Jyske Bank A/S og ledelsen, for sammen med en række ansatte at stå bag.

Jeres tavshed indikerer mere at vi har tale om en skandale, og det med mange medvirkende som har tilsidesat deres opgaver, jeg er ikke klar over om i selv som politikere og embedsmænd, selv har en whistleblower ordning, og hvis ja om der er nogle som har brugt den.

Hvis jeg ikke har ret i det skriver, skal jeg anmode om at i svarer, hvis der altså er nogle af jer som ikke er enige i mine anklager mod Jyske Bank A/S

De af jer som eventuelt måtte være uenige i det jeg skriver omkring, at Jyske Bank A/S har lavet organiseret kriminalitet, efter ordbogen, og lovens forklaringer, bedes svare og skrive personligt til mig på banknyt@gmail.com eller til min private mail Carsten.storbjerg@gmail.com

Kunde siger at også advokat Morten Ulrik Gade for JYSKE BANK har haft en central rolle i Jyske Banks omfattende svindel.

Morten Ulrik Gade der har selv medvirket til Jyske Banks organiseret bedrageri mod den lille virksomhed, da Morten Ulrik Gade skjult at kunden ikke har lånt de penge 4.328.000 dkk. som Jyske Bank hæver renter af.

Jeres svar vil indgå i min bog, og eventuelle ikke svar vil blive registeret som at i er enige, men jeg beder jer alle samme om og tage en debat i folketinget og der stemme for om alle politikerne fortsat vil dække over Jyske Banks mange strafbare handlinger, eller om i lave en haste lov er undtager Danske banker fra at skulle overholde Dansk lov.

Vil i som modtager denne her mail, medvirke til at dække danske bankers lovovertrædelser, og samtidig være med til at undergrave Danskernes retssikkerhed.

Indsætter kopi af den sendte Gmail mail her med LINK.

Eller.

Vil i handle på de oplysninger i har modtaget til dato, i kunne starte med at se beviserne som jeg overbragte til folketinget 1 maj 2019, altså før jeg vidste at Lundgrens der var advokater på sagen mod Jyske Bank A/S, allerede i foråret 2018. var blevet købt og betalt af Jyske Bank A/S for at Lundgrens advokater ikke måtte fremlægge nogle af vore anklager mod Jyske Bank A/S

Brand i Jyske Bank

foto Carsten Storbjerg

Jeg vil mene at de af jer som fortsat ignorerer mine henvendelser, og som ved passivet stadig dækker over Jyske Banks forbrydelser vil være at betegne som medvirkende, hvilket i opfordres til at undersøge, og svare mig om i bliver medvirkende til Jyske Banks bedrageri, ved at dække over bankens forbrydelser, og ved at modarbejde retfærdighed.

Jeres svar, vil senere indgå helt eller delvis i min bog om korrupsion, kammerateri om bestikkelse i Danmark, min bog handler ikke længere kun om Jyske Bank, men om magtens Centrum "folketinget" og om i vil dække over Jyske Banks forbrydelser.

Forbrydelser som involverer at Jyske Bank A/S har bestukket Lundgrens advokater til ikke at fremlægge klientens sag mod Jyske Bank A/S.

Side 2 og 3. af [mailen / Brev 5 september. 2022.](#) er ovenfor.

Jer som er nævnt og eller er modtager af denne her mail.

Er det efter jeres mening, helt i orden at Danske politikere, embedsmænd, ministerier og ministerierne, tilsyn samt Nationalbanken.

Ignorer og dækker over Jyske Banks mange strafbare lovovertrædelser.

SPØRGSMÅL:

Er det kammerateri når Folketingets medlemmer siden april 2019, har ignoreret alle henvendelser om hjælp, hvor offer for Jyske Banks bedrageri i mange og direkte henvendelser anmoder de Danske folkevalgte politikere om hjælp, da offeret er udsat for omfattende svindel udført af Jyske Bank A/S, en bank som også den Danske Stat selv benytter.

Folketinget og alle Danske politikere har løbende modtaget oplysninger, også med dokumentation for Jyske Banks brug af dokumentation for bedrageri.

SPØRGSMÅL:

Er det kammerateri når Finanstilsynet siden april 2019, har dækket over Jyske Banks kriminelle lovovertrædelser. Finanstilsynet har visen og set dokumentation for at Jyske Bank A/S har lavet stribevis af lovovertrædelser.

Hvorfor mon ingen i regeringen vil medvirke til at stoppe korruption og kammerateri i Danmark. ?.

Vi spørger her den 12. september 2022. nu også Finanstilsynet direktør Jesper Berg, om han og bestyrelsen på vegne af Finanstilsynet vil finde en dato med ugers varsel, hvor jeg kan overbringe den samme dokumentation for Jyske Banks kriminelle aktiviteter, som jeg har anmodet at overbringe til Danmarks Nationalbank, og for Danmarks Statsminister.

For der at fremlægge beviserne overfor.

Nationalbanken Danmark / National Bank Direktør Signe Krogstrup. Lars Rohde og Per Callesen, med henvisning til anmodning om at få en mødedato.

Her er 5. direkte anmodninger til Nationalbanken, hvilket Nationalbanken Danmark der til dato 7. september 2022. stadig ikke har besvaret en eneste henvendelse.

Nævner her et par af dem der for Jyske Bank A/S påbegyndte bedrageri mod min lille virksomhed, og hjælp svindelen i gang ved at bruge dokument falsk samt ved at lyve. Nogle af medvirkende til Jyske Banks million bedrageri er Nicolai Hansen, Jeanett Kofoed-Hansen, Casper Dam Olsen og Anette Kirkeby, for bare at nævne et par. Jeg har skrevet en mail 9 oktober 2022. hvor i jeg giver Jyske Banks bankdirektører Anders Christian Dam. / Niels Erik Jakobsen. / Per Skovhus. / Peter Schleidt, mulighed for at indrømme at Jyske Bank har lavet organiseret kriminalitet. Det er gratis og uden risiko for Jyske Banks koncern ledelse at underskrive, eftersom den danske stat herunder Regeringen ved statsminister Mette Frederiksen sammen med Finanstilsynet og Danmarks nationalbank alle dækker over Jyske Banks forbrydelser. Og med hensyn til nogle af dem, der for Jyske Bank har startet den organiseret kriminalitet, og har en central rolle, tilbyder jeg at interviewe jer enkelt vis. Det er kun til brug for bøgerne, så hvis Nicolai Hansen, Jeanett Kofoed-Hansen, Casper Dam Olsen og Anette Kirkeby ønsker at være blandt de første der blive interviewet til bøgerne. Så ring til mig på +4522227713 Ønsker i ikke at gøre brug af dette tilbud, hvor i selv kan fortælle hvordan i for Jyske Bank A/S udsatte kunde for massiv svindel. Vil jeg blot bruge den dokumentation jeg allerede har, men har får i muligheden for at fortælle hvor mange kunder i har udsat for den samme svindel og udnyttelse. Og i kan fortælle om i selv fandt på at lave bedrageri, og så skjule det gennem brug af dokument falsk, og ved grov udnyttelse og ved at lyve. Jeg spørger jer om det er noget i selv har fundet på, eller det var efter ordrer. Jeg tilbyder også at interviewe Mette-Marie Nielsen der i dag er ansat i Danske Bank og Emil Hald Veldelbo Winstrøm der er ansat i Rambøll. Så i får mulighed for at forklar, om det kun var Dan Terkildsen der fra Lundgrens advokater gav instruks til at modarbejde jeres klient. Eller om var grunden til at i modarbejdet jeres klient, var efter et støre præs fra det korrupte Lundgrens advokat kontor. Og om i fik ordre på at skjule at Lundgrens advokatkontor faktisk var blevet bestukket af Jyske Bank, til at modarbejde at svig og falsk sagen mod Jyske Bank blev fremlagt for retten. Og jeres opgave for Lundgrens og Jyske Bank A/S nu var at modarbejde retssikkerheden for at skuffe i retsforhold. I kan selv forklare hvorfor i ikke har fremlagt klientens svig og falsk påstande mod Jyske Bank A/S. Ring til mig på +4522227713 Så finder vi en tid, i er vigtig for mine bøger om korruption og de korrupte advokater i Danmark, og det vil give et bedre billede af korruption i Danmark at i medvirker, og forklarer hvor i valgte at hjælpe Jyske Bank med bedrageri, ved at modarbejde retfærdighed for jeres klient.

Her er 2. direkte anmodninger i Statsministeriet i Danmark, hvilket hverken Statsministeriet eller Statsministeren til dato 7. september 2022. stadig ikke har besvaret.

Herudover har Finans Danmark ignoreret både mine og vore advokats henvendelser, så når Finans Danmark ikke har ville besvare hvad der er normalt bank praktisk, da vi stiller spørgsmål der kan bruges mod Jyske Bank A/S i det omfang at Finans Danmark besvare vore henvendelser, har Finans Danmark holdt deres mund lukket.

Anders Christian Dam som er ridder af Danmark og som er er CEO leder for Jyske Banks A/S er selv medlem af bestyrelsen for Finans Danmark, er tæt forbundet med mange tråde, og er en af de knap 300 personer der styrer Danmark.

Læs her hvad vi skriver til Direktionen, Ledelsen og Juridiske for Finans Danmark, Amaliegade 7. 1256 København K. og bemærk at Finans Danmark ikke har svaret en eneste gang, hvilket kun kan skyldes at Finans Danmark selv medvirker til at dække over kriminelle medlemmer Finans Danmark.

12 august 2022. Brev til Finans Danmark, anmoder om at få svar på, om der er normal bank etisk.

Til formanden Adm. Direktør. **Carsten Rasch Egeriis.** Danske Bank A/S

Og til bestyrelse medlem Ordf. Direktør. **Anders Dam.** Jyske Bank A/S

I forbindelse med læsning af FR-3/2015 & FR-6/2015. **har jeg stadig** brug for at stille nogle yderlige spørgsmål, **der er lavet et par rettelser, og nogle spørgsmål er blevet tilføjet.**

Spørgetema og Finans Danmarks besvarelse.

Alt sammen vil indgå i min bog om korruption i Danmark, og om dem der ved Kammerateri dækker over banker, der har lavet bedrageri, lavet dokumentfalsk brugt bestikkelse og meget mere, hvilket Jyske Bank A/S står bag, med CEO Anders Christian Dam i spidsen står bag.

Alt sammen kan læses på www.banknyt.dk hvor der er delt beviser for mine påstande, som jeg afventer en dato for at mødes med Nationalbankens bankdirektør Lars Rohde, hvor jeg personligt ønsker at overbringe mine beviser for Jyske Banks mange og strafbare lovovertrædelser.

I får her 14 august en ny mail, vær venlig at læse den.

Og besvar den samt det Spørgetema der er redigeret med 29 spørgsmål. Som her i mailen er indsat.

Men mindre i også fra Finans Danmark har gjort brug af jeres mørke lygte, for ikke at ville se, at her har Finans Danmark efter lovens bestemmelser et kriminelt medlem, eller rettere sagt Jyske Bank A/S der med Ledelsen og CEO Anders Christian Dam, står bag omfattende lovovertrædelser, der i straffelovens bestemmelser er oplyst at være strafbare handlinger.

Morer i jer, over den magt i har til at hjælpe jeres medlemmer til at begå kriminelle handlinger, ved enkelt at dække over dem.

Jeg deltager gerne i et møde hvis i ønsker at drøfte Jyske Banks forretningsmetoder, hvilket er beskrevet på Jyske Bank bilen. [LINKS til biler som er fra en google søgning](#). Hvis Jyske Bank blot laver hvad Finans Danmarks øvrige medlemmer fortager sig, så forventer jeg at i alle sammen holder kæft, og finder jeres MØRKE LYGTE frem.

Her deler jeg og gentager 6 af de [27 spørgsmål i spørgertema](#) 14 august 2022. Som jeg sendte på 1 års dagen for min første henvendelse.

- 24. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut nægter at returner en bankkundes private dokumenter, uden at kunden underskriver på andet end en modtagelses kvittering for returnering af dokumentet.**
- 25. Er det i overensstemmelse med sædvanlig pengeinstitut praksis, at et pengeinstitut hæver renter for at rentebytte / Rente sikrer et oplyst bagvedliggende lån der ikke findes.**
- 26. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut skjuler over for kunden, at banken hæver renter ved at rentebytte et underliggende lån, banken ved ikke findes.**
- 27. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut beholder hvad banken har hævet i renter, for at rente bytte et lån der ikke findes. Når kunden først over 3 år efter, at banken har startet en rente bytte, "kaldet swap." altså med at bytte renter af et lån, opdager at der ikke findes noget lån.**

28. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut ikke vil dokumentere, at en kunde har optaget og omlagte det lån banken har oplyst kunden har hjemtaget, og som banken ved en rente bytte hæver renter af. Tillægsspørgsmål generelt.
29. Er det i overensstemmelse med sædvanlig pengeinstitutpraksis, at et pengeinstitut, i gentagelses tilfælde fremlægger kunder urigtige oplysninger.

Spørgsmål som ingen af Finans Danmarks ansatte har ønsket at svare på, og vi har en da skrevet direkte til.

Jyske Bank makes a false document to commit organized fraud.

Her er nu i dag 12 september. også EN. / 1. direkte anmodning til finanstilsynet i Danmark, det oplyses at til dato 7. september 2022. finanstilsynet ikke reageret på en eneste henvendelse altså udover at i maj 2019 at afvise at undersøge mine anklager mod Jyske Bank A/S.

Selv om Finanstilsynet ikke i maj 2019. afviste at modtage dokumentationen for Jyske Banks bedrageri, er der siden kommet mere til

Jeg ønsker at fremlægge til og for direktør Jesper Berg samt den samlede bestyrelse.

Jesper Berg der har været Direktør for Finanstilsynet siden oktober 2015. og med Fortid som bl.a. bankdirektør i Nykredit koncernen, hvilket er samtidig med Bente Overgaard der har været medlem af repræsentantskabet siden 2019. og er desuden medlem af Jyske Banks koncern bestyrelse, og samtidig er næstformand for repræsentantskabet.

Det er en af grundene til jeg skriver korruption og kammerateri er undergravende for Danskernes Retssikkerhed når en af kammeraterne udsætter deres kunder for bedrageri.

Men hvis kammerateri er udbredt blandt alle europæiske banker, og de finansielle virksomheder, vil også den Europæiske Central Bank ECB. undlade at regere på at National Banken Danmark frem til 22 september 2022. har valgt at dække over Jyske Banks bedragerier, men inden jeg klager til Centralbanken ECB, har både Danmarks National Bank, Statsministeren samt Finanstilsynet, mulighed for at regere, og gribe ind over for Jyske Banks kriminelle aktiviteter.

Jeg skriver 12 september 2022. til Finanstilsynet`s Bestyrelse, for at have dem med også, når jeg skriver min bog korruption, og hvem der medvirker til korruption i Danmark trives.

Bestyrelsen der er udpeget af erhvervs ministeren og består af medlemmer med særlige kompetencer i form af praktiske og teoretiske sagkundskaber, herunder juridisk, økonomisk og finansiell indsigt, de må derfor kunne sige sig selv med juridisk indsigt at når medlemmer af Finanstilsynet vælger at dække over banker der som Jyske Bank der er kriminelle, så bliver medlemmerne jo selv medvirken til bedrageri.

Naturligvis skal Finanstilsynets bestyrelse og deres direktør lige tale med deres advokater, for om der er medvirkende til den kriminalitet som de ansatte i Finanstilsynet dækker over.

Bestyrelsens medlemmer.

Jyske Bank's board of directors and lawyers from Lund Elmer Sandager, together with the Danish state, are sticking their heads in the ground, while Jyske Bank is deceiving their customers, which I will present to Nationalbank Danmark, as well as to the Prime Minister of Denmark.

Hvis jeg ikke har ret i det jeg skriver, må jeg anmode jer om at svare, altså hvis der er nogle af jer, der ikke er enige i mine anklager mod Jyske Bank A/S

De af jer, der måtte være uenige i, hvad jeg skriver, omkring at Jyske Bank A/S har begået organiseret kriminalitet, ifølge ordbogen og lov forklaringerne, bedes venligst svare og skrive til mig personligt, på mail banknyt@gmail.com eller til min private email Carsten.storbjerg@gmail.com

Jeres svar vil indgå i min bog, og eventuelle manglende svar vil blive registreret som I er enige, men jeg beder jer alle deltage i en debat i Folketinget og stemme om alle politikerne fortsat vil dække over Jyske Banks mange kriminelle handlinger, eller hvis man laver en hastelov, der fritager danske banker for at skulle overholde dansk lovgivning.

Vil du som modtager af denne mail, være med til at dække over danske bankers lovbrud, og samtidig være med til at undergrave danskernes retssikkerhed.?

1 maj 2019.

Eller.

Hvis du vil handle ud fra de oplysninger, du har modtaget til dato, kan du starte med at se på de beviser, som jeg fremlagde for Folketinget den 1. maj 2019, altså før jeg vidste, at Lundgrens var advokater i sagen mod Jyske Bank A/S, allerede i foråret 2018. var blevet købt og betalt af Jyske Bank A/S, således at Lundgrens advokater ikke måtte fremføre / fremlægge nogle af vores anklager mod Jyske Bank A/S

Jeg vil tro, at de af jer, der fortsat ignorerer mine henvendelser, og som passivt stadig dækker over Jyske Banks forbrydelser, vil blive betegnet som medskyldige, hvilket I opfordres til at undersøge, og svarer mig, hvis I bliver medskyldige i Jyske Banks bedrageri, pr. at dække over bankens forbrydelser og ved at hindre retfærdigheden.

Jeres / Dit svar vil senere komme helt eller delvist med i min bog om korrupktion, kammerateri om bestikkelse i Danmark, min bog handler ikke længere kun om Jyske Bank, men om magtens centrum "Folketinget" og om du vil dække over Jyske Banks forbrydelser.

Forbrydelser hvor Jyske Bank A/S betalte bestikkelse til Lundgrens advokater for ikke at føre klientens sag om svig og falsk mod Jyske Bank A/S.

Og at blandt andet højesteretsdommer Kurt Rasmussen, har været med til at dække over de korrupte Lundgrens advokater, og at også landsrets dommer Søren Ejdmum i byretten har undladt de vidne forklaringer, der ville skader Jyske Banks fremlæggelse i civilretten, med henvisning til den klage der er indgivet til den særlige klageret, samt at dommer Søren Ejdmum i sin afvisning af sagen ikke tog hensyn til, at Jyske Bank har brugt bedrageri, var i ond tro, fabrikeret falske beviser , og vildledt Jyske Banks kunde. "altså at Jyske Bank har fået kunden i en forvildelse"

Hvis ikke Jyske Bank selv afslutter denne sag, og frifindes ved en dom, vil Danske Banker i fremtiden kunne lyve alt hvad de vil, og vil kunne forfalske dokumenter og begå bedrageri ustraffet, og føre deres kunder på afveje uden at dette får konsekvenser, hvorfor aftale loven skal omskrives, og paragraffer som f.eks § 30, 31, 30, 36, kan fjernes helt eller delvist.

xx [Den fulde tekst findes i vedhæftede dokument.](#) xx

Det er naturligvis jer som de danske politikere og Nationalbanken, sammen med Finanstilsynet, der har ansvaret for, om man vil medvirke til, at Jyske Bank får lov til at begå bedrageri, forfalske dokumenter, bruge bestikkelse og samtidig fungere som bank for den danske stat.

DET ER DIN & JERES BESLUTNING.

The Danish Parliament has received information that the Danish bank, which the government has previously granted state aid, is now exposing customers to fraud and fraud

Jeg kan kun skrive i min bog, hvordan de danske politikere som er nævnt, arbejder sammen med myndighederne for at sikre den retfærdighed, som det danske folk, og som i mener er bedst for det danske folk, når Danske Banker, som her hvor Jyske Bank A/S, begår bedrageri, som det faktisk er tilfældet her, med dokumentation.

Her er lidt delvis dokumentation, men det jeg vil fremlægge for Statsministeriet vil blive præsenteret i en tidslinje, med henvisning til overtrædelser af strafferetlige bestemmelser, hvor Jyske Bank handler i ond tro og ved at bruge falske dokumenter begår bedrageri.

Husk, at det er dig, der har valgt at dække over Jyske Bank, i stedet for at hjælpe et offer for bankens brug af mange strafbare forhold, jeg vil helst lave noget andet, men nogle må sige fra, det vil jeg, for hvis jeg ikke gør det. er det virkelig lort for retssikkerheden i Danmark.

I National Banken Danmark, de har i flere år internt omtalt min sag som en skandale, men de gør ingenting.

Med venlig hilsen

You just have to disprove that Jyske Bank has committed fraud and forgery as well as paid Lundgren's bribes, lies and that kind of crime. LINK, vi Hjælper med at find en Jyske bank rådgiver her.

The green butcher, with a good offer for you, Jyske Bank would slaughter the customer, but the customer will now slaughter Jyske Bank's credibility as a bank in Denmark.

Det er altså kun mig Carsten Storbjerg Skaarup fra Hornbæk, som i skal forholde jer til, og syntes i dette her er ok, og at ingen tør tale med mig. om alt det skriver, I ved alle sammen lige som jeg, at hvis ikke det er sandheden, ville i for længst være kommet efter mig, og truet mig til at stoppe.

Jeg skriver det hele tiden, jeg ville hellere lave noget andet, men det kræver altså dialog og samtale, hvilket til dato 8 september har nægtet, og netop dialog er det som kan få mig til at stoppe med at skrive til alle sammen, samt bringe mine kampagner til ophør.

I skulle prøve at tale med mig, alt andet er jo dumt, uanset i måtte mene at tavshed, kan dække over jeres alle sammens medvirkende til Jyske Banks bedrageri mod bankens kunder, og jeg er vel næppe den eneste, som Jyske Bank helt bevidst har udsat for bedrageri.

Who has committed fraud, used forged documents, lied to the court and presented false evidence, who has used bribes and who has covered up that Jyske Bank has carried out organized crime, this is precisely what I approach in my discussion of corruption in Denmark.

Here are some of the people who are the reason why I have made these many writings and postings, several of these will be included in the book, this is how corruption works in Denmark when Danish banks commit organized fraud.

Contributing to my story are, among other things, these people, there are more, but not all of them are mentioned here.

Morten Ulrik Gade wrote in 2015 17th of November.

that dialogue was a good idea. :

If you want to avoid misunderstandings in Jyske Bank, then it is advisable to stay far away from this fraudulent bank, note that Morten Ulrik Gade wrote on November 17, 2015. that Jyske Bank wants to meet so that misunderstandings could be avoided, and it is only a few months after that the customer discovers Jyske Bank A/S is lying, and knowingly in bad faith has misled and exposed the customer to economic fraud, which has been carried out by several people together in association, which is why it is an aggravated criminal offence.

Between these 2 beautiful mood pictures of a sunset in northern Sjælland Hornbæk. Can you see some of those who are involved in my book, about the corruption that is undermining the legal security of the Danes.

Har du noget problem med det jeg skriver, så er det stadig mig du skal kontakte for at få det rettet, hvis jeg har taget fejl i noget af det jeg har skrevet.

Alt jeg har skrevet og skriver er grundlag til min bog og korrupsion i Danmark hvilket de Danske myndigheder er en del af.

For Jyske Bank A/S those who have committed fraud and falsification of documents, contributed to continued fraud and bribery, and who have simply abetted the management's complicity in fraud.

These employees of Jyske Bank are some of those who have played a central role in Jyske Bank's fraud, without them there would be nothing to write a book about.

Velkommen i en anderledes Bank.
Jyske Bank.

These appendices alone document that Jyske Bank is in bad faith, as the bank's employee Nicolai Hansen in February 2010. lies that the customer has borrowed DKK 4,328,000, which Nicolai Hansen together with Casper Dam Olsen in January 2012. again lies that the customer has rescheduled this loan, not even CEO Anders Dam will in May 2016, provide the customer with proof, that the loan of DKK 4,328,000 has existed, even though Jyske Bank has raised interest since 30 December 2008.

The customer first finds proof that there has never been a loan of DKK 4,328,000 after suing Nykredit, which would not answer the customer's question prior to the summons, whether the customer at any time borrowed the DKK 4,328,000 and when be restructured, as Jyske Bank has lied about.

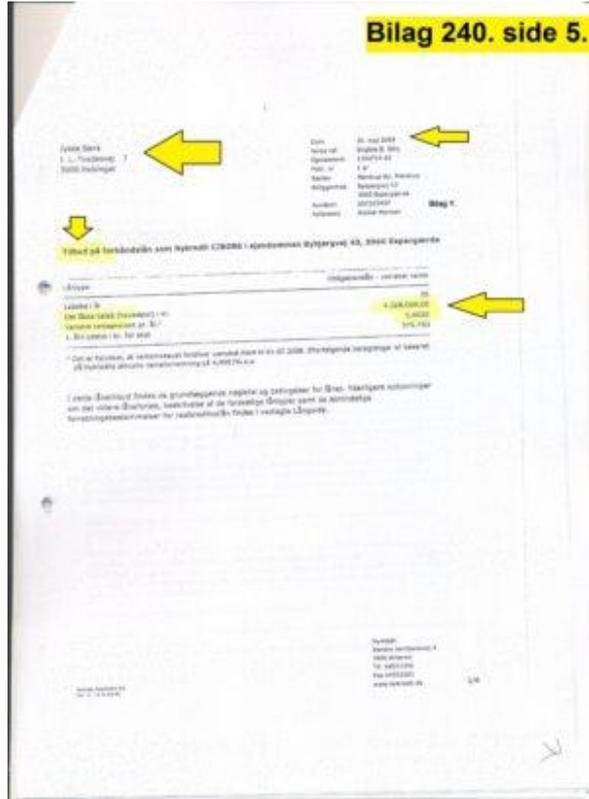

The reason why the client does not know what is true is that the client had a stroke in 2009, and with a cerebral hemorrhage that was 2.5 cm, the client was in critical condition, but survives, and in the following years, has difficulty remembering that This is what Jyske Bank uses to expose customers to the bank's fraud.

This is used by Jyske Bank and the management and Lund Elmer Sandager to claim to be outdated and that Jyske Bank can keep what Jyske Bank has stolen by fraud and falsehood, Morten Ulrik Gade, Philip Baruch, Kristian Ambjørn Buus-Nielsen demand that Jyske Bank not must pay something back, and that it is the customer's own fault, the customer could simply stop believing in Jyske Bank, which has proven to have lied in order to deceive the customer.

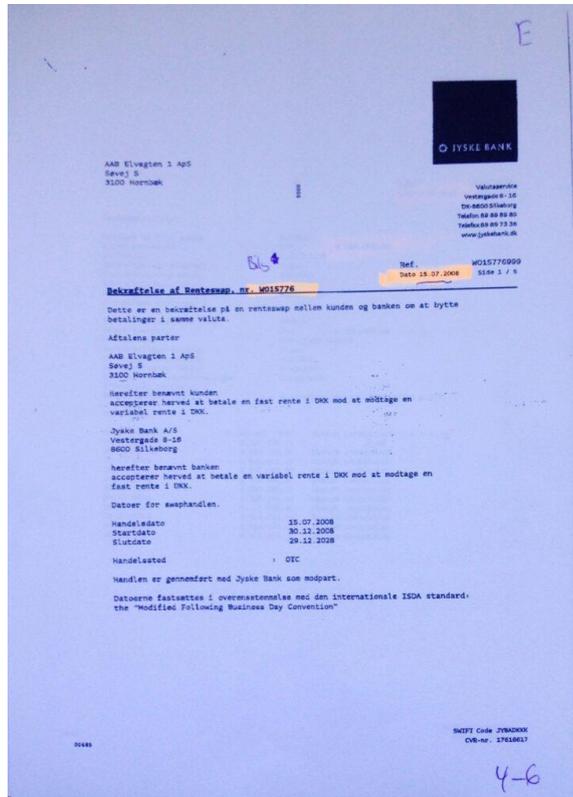

This with Jyske Bank lying to deceive is only a small part of Jyske Bank's business methods.

Kan Dan Terkildsen på nogle måde være i tvivl om at Jyske Banks ansatte har misbrugt fulmagten Bilag 7.

Og at Dan skulle fremlægge netop dette, samt at Jyske Bank A/S ved deres ansatte har været i ond tro, og har handlet særligt, og at Jyske Bank laver svigagtig optræden

Carsten Storbjerg som er klager, se Bilag 3, ansatte Lundgrens for at Dan skulle hjælpe klager, der ikke er så dygtig som Dan Terkildsen må antages at være.

Klager har ikke kunne stole på hverken Dan Terkildsen, Emil Hald eller Mette Marie Nielsen fra Lundgrens, selv om Mette ved Bilag 87 Punkt 1-11 og som i Punkt 16, siger at Klager må stole på at Dan og Mette gør hvad de er for, lige som Emil Hald i Bilag 93. 08-07-2019, gøres klart og bekræfter Bilag 93. punkt 79, at have forstået det handler om brug af svig.

Hvilket Emil bekræfter Punkt 80, og siger så han lige skal tale med Dan om det.

På dette tidspunkt dec. 2018 og frem, må det antages at Jyske banks millioner af kroner, for at hjælpe med et salg Bilag 12, for over 1/2 milliard kroner, må være kommet ind på Lundgrens konto.

Aligevel har Dan Terkildsen 13-08-2019 sagt at han ikke viste om der var nogle på kontoret der har arbejdet for Jyske Bank, da det jo var et stort kontor se Bilag 140.

Jyske Bank påstår at banken overholder alle love og regler.

Faktum er Jyske Bank A/S lyver overfor deres kunder, udsætter Banken uhæderligt andre kunder for Bedrageri, Udnyttelse, Fuldmagtsmisbrug, Mandatsvig, Dokumentfalsk og bruger bestikkelse for at skuffe i retsforhold.

You will all receive a copy of the documentation for Jyske Bank's use of crime, which I will, however, first convey to the National Bank of Denmark, and to the State Ministry and the Prime Minister, and also to the Financial Supervisory Authority, others who are mentioned will receive a copy.

And if there are some of you who, I believe wrongly, accuse Jyske Bank A/S of forging documents, fraud, exploitation, lying, using bribes, abusing powers of attorney, anything else, then everyone is welcome to help Jyske Bank accusing me of libelous excerpts.

You are all against me, and I cannot win over corrupt lawyers, corrupt judges, when the politicians cover up criminal banks.

But you know what, you have instead become part of the book I am writing.

If the National Bank of Denmark. – The Danish Government, the State Ministry or the Danish Financial Supervisory Authority all with your management and boards will refuse to receive the documentation for Jyske Bank's use of criminal acts.

And if you as authorities, such as the Minister of Justice, the Ministry of Justice in Denmark, the Danish Courts Agency and the Danish politicians, still ignore my evidence that Jyske Bank A/S is behind organized crime, and in that way cover up Danish criminal banks, which is undermining the business of Danes' legal security, this will be used for the further case, which involves a complaint to the European Central Bank, and then the European Court of Justice.

But before that, I must first ensure that you all help me stop the corruption and the criminal Jyske Bank A/S.

In addition, Morten Ulrik Gade, together with the legal department and Jyske Bank's management with Anders Dam as the front figure, shows how Jyske Bank earns their money, namely by committing fraud, and shows that Jyske Bank, through exploitation and lies and bribery, does everything the bank can to keep what Jyske Bank has stolen.

But also ATP pension, which since 2016 has been a major shareholder in Jyske Bank A/S, has been informed of Jyske Bank's fraudulent and forgery, as well as gross fraud against the bank's customer, yet the management and board of ATP pension have chosen not to take any action.

The ATP director believes that Jyske Bank's million fraud of the bank's customers is a relationship between the bank and the customer, which ATP and the board do not care about, the victim must fight against that himself.

When ATP doesn't care about investing Danes' money in companies that are demonstrably criminal, it just shows the heart of ATP.

ATP writes itself, as a collective pension scheme and payer of welfare benefits to the Danes, ATP has an important role in society. With that role comes a special responsibility. For us, social responsibility is both about the way we invest the Danes' pension funds.

WHICH IS BUYING SHARES IN COMPANIES, WHICH ATP IS KNOWN TO BE BEHIND THE USE OF FRAUD, FORGERY OF DOCUMENTS, ABUSE OF POWERS OF ATTORNEYS, AS WELL AS ABUSE OF THE BANK'S ACCESS TO THE COURT OF DEEDS, AND NOW TOO THE USE OF BRIBE.

ATP, which since 2016 has refused to deal with Jyske Bank's fraud, will like the others receive full documentation that they invest Danes' pensions in banks that commit crimes.

Perhaps Lundgren’s lawyers have not understood what the Client has clearly written.

Remember when Jyske Bank bribed Lundgren's lawyers, and their employees, like Mette Marie Nielsen went against the client, this is a warning do not trust Mette Marie Nielsen.

As I said December 18, 2018. to Mette Marie Nielsen from Lundgren's lawyers, It only gets worse.

The conversation is before I 21. September 2019. that I discovered Jyske Bank, has bribed Lundgren's lawyers not to present my case against Jyske Bank.

However, it must be stated that Mette Marie Nielsen, after Lundgren's lawyers, in 2020 was employed by Scandinavian Tobacco Group A/S. December 2021.

Mette Marie Nielsen moved to the next level again, and is now a lawyer to the Danish bank.

Listen to these 2 conversations [14-12-2018](#). and [18-12-2018](#).

And read tekst [14-12-2018](#). and [18-12-2018](#). with Mette, who says you have to trust with Mette, who says you have to trust that we do what we are hired for, and then [see the complaint with evidence that Lundgren's lawyers and Mette Marie Nielsen have been deeply disloyal, and opposed justice](#).

Congratulations on your new job Mette Marie Nielsen.

Hope the Danish bank will be really happy for you, Even though they know you have helped cover up Jyske Bank's fraud.

Hos de korrupte Lundgrens advokater, finder du den konservative advokat, som ofte er partiets ordstyrer på den konservative generalforsamling.

Mød Dan Terkildsen som den illoyale og udspekuleret advokat, der valgte at skade klientens sag, da Dan Terkildsen bag ryggen af klienten, planlagde at møde op til hovedforhandlingen i en Svig og falsk sag, mod Jyske Bank A/S, hvor Lundgrens advokater ved partner Dan Terkildsen bevidst og uhæderligt har fjernet klientens svig påstande, og Lundgrens har samtidig ændret klientens påstande mod Jyske Bank.

Dan Terkildsen har skjult flere Processkrifter for klienten, samtidig med at Lundgrens advokater forsøger at holde klienten ude af sagen, som Lundgrens advokater arbejde for at tabe, ved enkel intet at fremlægge.

Vil du have et rådden advokat firma som er korrupte, og en manipulerende samt utroværdig advokat, jamen så kontakt Lundgrens. Dan Terkildsen

Spørgsmålet er hvilken forretning Lundgrens advokater mener, når Lundgrens vælger at samarbejde med modparten Jyske Bank A/S

Hvor Klienten beder Lundgrens advokater om at fører en svig sag imod Jyske Bank.

/

Her kommer sandheden om Jyske Banks fortsatte svig forretninger imod kunde, og Lundgrens advokater der modarbejder klientens instrukser.

18-12-2018

18-12-2018

18-12-2018

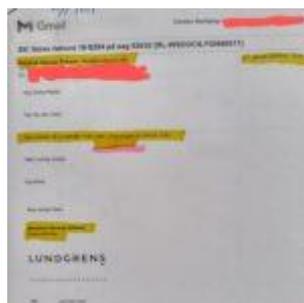

28-09-2018. Processkrift 1.

28-09-2018,

28-09-2018,

Hvem bestemmer hva klientens sag handler om, og hvad der skal fremlægges, Klienten eller advokaten som skal hjælpe klienten, dette er det som klagen over Lundgrens handler om. **21 januar 2019. Skriver Lundgrens ved Karoline Stampe Eriksen.**

Jeg noter at vi sender mail vedr. **SVIG SAGEN** til denne mail, [du kan læse de fleste mails i klagen over Lundgrens her](#), hvor Lundgrens blev anmodet om at fremlægge flere forhold af SVIG. og så selv vurdere om Lundgrens advokater er lidt korrupte eller Lundgrens er meget korrupte, hvilket Dan Terkildsen bliver stillet spørgsmål om i retten.

At Lundgrens advokater alligevel arbejder for sagsøgte Jyske Bank A/S, og skjuler dette over for klienten her, understøtter blot at Lundgrens arbejder for at skade klientens sag mod Jyske Bank A/S, hvilket står meget klart [BLAG 134. 2 september 2019](#). hvor Lundgrens på side 2. i processkriftet skriver at klienten har indgået en swap, den 16-07-2008. med Jyske Bank A/S og dette på trods af klienten kontinuerligt skriver at denne er FALSK. også med henvisning til aftalelovens bestemmelser om ugyldighed.

Da Lundgrens 2. september 2019. fremlægger det stik modsatte, af det svig som klienten skriver og siger Lundgrens skal fremlægge, og samtidig skjuler dette overfor klienten, bør Lundgrens Dan Terkildsen slet ikke have lov til at virke Som advokat.

Eksempelvis i [27-08-2019. BILAG 115](#). også som [06-12-2018- Bilag 40](#). det kan da ikke misforstås, men det korrupte advokatfirma injurier klienten, og ændre også klientens påstande.

Lundgrens fremlægge i deres [Processkrift 2. Den 2/9-2019. BILAG 134](#). at klienten 16-07-2008 har indgået en swap med Jyske Bank.

Selv om klienten gentagende og kontinuerligt over for Lundgrens advokater, har fremlagt det modsatte, som eksempelvis ved [BILAG 106. 11/8-2019](#). AT SWAPPEN 16-07-2008 PÅSTÅS FALSK.

HVILKET LUNDGRENS ANSATTE VED MINDST DISSE

Mette Marie Nielsen, Emil Hald Vendelbo Winstrøm, Pernille Hellesøe, Sebastian Lysholm Nielsen, Jens Grunnet-Nilsson, Karoline Stampe Eriksen og Dan Terkildsen alle disse 7 eller 8. er bevist om, at klienten påstår denne påståede at være falsk, og lavet ved hjælp af dokumentfalsk, samt at Jyske Bank A/S var i Ond Tro.

At Jyske Bank var i OND TRO skulle Lundgrens jo også fremlægge, men når Lundgrens indirekte arbejde for modparten, for at skuffe i retsforhold, ville Lundgrens heller manipulere med klientens sag, for at gøre mere nytte for Jyske Bank A/S og sikkert få flere opgaver for banken.

At Jyske Bank A/S har været i OND TRO, understøttes af det kommende Processkrift 5. hvori det bliver fremlagt at Jyske bank, som forsøgte at få en underskrift på denne swap 16-07-2008. efterfølgende, både [LINK. 24 -07-2008](#). og igen [LINK. 30-07-2008](#). Ingen af disse ens dokumenter 16-07-2008. 24-07-2008. 30-07-2008. er blevet underskrevet, derudover løj Jyske Bank også at lånet 4.328.000 for swappen var Hjemtaget [LINK. hvilket ses i dette her dokument](#). og så om lagt hvilket ses i dette her [LINK. Sagens Bilag D](#). også dette skulle Lundgrens fremlægge, men som de korrupte advokater Lundgrens er, ville Lundgrens partner noget andet, hvorfor de involverede medarbejdere i Lundgrens ikke svarede klienten, og fremlagde noget andet.

Når Lundgrens advokater, selv efter Klienten 21/8-2019. klagens [BILAG 110](#). & [BILAG 111](#). har anmodet Domstolen om at få aktindsigt, eftersom Lundgrens advokater skjuler både retsbøger, og tilbageholder processkrifter over for klienten, altså Lundgrens vil ikke udlevere klienten kopi af retsbogen, så som kopi af [LINK. Processkrift B](#). Og også [LINK. Processkrift 2. 02-09-2019. Bemærk det fremhævet på side 2](#). ikke er ens med hvad klienten skriver [BILAG 106. 11/8-2019](#). og den [27-08-2019. BILAG 115](#).

Klienten ved dels ikke at Lundgrens advokater er korrupte, og klienten ved heller ikke eller hvad der bliver fremlagt i sagen, da Lundgrens advokater ikke vil svare klienten, eller for den sags skyld dele processkrifter med klienten, Lundgrens vil selv bestemme, og samtidig holde klienten helt ude af sagen, Dan Terkildsen og den løgnagtige advokat Philip Baruch fra Lund Elmer Sandager bestemmer hvad der skal frem, og hvad der skal skjules.

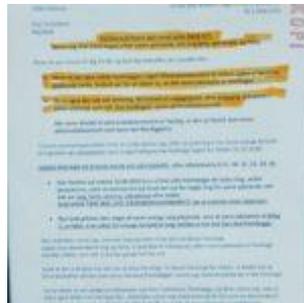

Dear partner of Lundgren's lawyer partner company.

Remember now. A false or corrupt lawyer is a threat to the Danish legal community.

Hos de korrupte Lundgrens advokater, finder du den konservative advokat, som ofte er partiets ordstyrer på den konservative general forsamling.

et godt samarbejde mellem Lundgrens og Jyske Bank og mellem Rødstenen og Jyske Bank og også være sket.

Page 1 of 43. 27-08-2019 to Lundgren's lawyers.

The letter is just one of many, in which we repeatedly ask, Lundgren's lawyers, such as the clerk Emil and Mette-Marie and Dan Terkildsen, to present the client's, ie our fraud allegations against Jyske Bank.

We refer to the SMSs in the letter, with allegations sent to Emil, but which none of Lundgren's attorneys would provide.

In the letter, the client refers to SMS 23-08-2019. and writes that Emil from Lundgrens has not responded to their client's SMS

/

And also refers to Mette-Marie in Lundgrens.

Which in turn raised our allegations 10-12-2018, to present the client's claims to the court 18-12-2018.

—

IT IS A FACT.

That Mette-Marie chooses with Dan Terkildsen, not to submit any of the client's claims against Jyske Bank, in the closing petition 18-12-2018

There Mette-Marie is doing the same thing on December 18 and will be sent to court.

/

IT IS A FACT

That Lundgren's attorneys 02/09/2019 make and present litigation 2, exactly 4 weeks before the scheduled hearing 30 September

In this document, Lundgrens also did not include any of the client's fraud claims.

Just as it is a fact that Emil does not share Process Letter 2 with the client who first gets a copy, after Lundgrens has been fired, on suspicion that Lundgren's lawyers are corrupt.

—

The main claim is still Appendix 1. a change of interest from 16-07-2008 of DKK 4,328,000. for an underlying loan that does NOT exist.

That Annex 1 is false is said 1,000 times.

Just this little detail, Lundgren's lawyers fail to present to the court.

/

IT IS A FACT

That Lundgrens, by Dan Terkildsen, Mette-Marie and Emil, repeatedly stated that the SWAPPEN of 16-07-2008 Appendix 1. by the client is alleged to be false.

When Lundgren's attorneys present the case, as if Appendix 1. is agreed and approved.

Then, directly directly against the client's instructions, bring the case as a case of bad advice, against the client's claims.

Then it must be Lundgrens and Jyske Bank who must have agreed this.

—

And why doesn't Lundgrens send the client a copy of litigation 2.

Clear that the client thinks that Jyske Bank must have paid Lundgren's lawyers, in order not to present the client's fraud allegations against Jyske Bank

Whether it is Bribery that happened by the Return Commission, or in a fee, hidden in some way, the parties to Lundgren's lawyers must be able to explain.

Like when Jyske Bank hires Lundgrens for a large million tasks.

And last and not least, Jyske Bank's fraud will not be carried out unless the Danish Courts "Dommere" would participate, I only mention District Court Judge Søren Ejdam, and Supreme Court Judge Kurt Rasmussen, who may also be one of the judges who will judge in the High Court.

The Danish Judge Søren Ejdam Viborg District Court has chosen to cover Jyske Bank by.

Removing witness statements from the minutes has added text that the witness did not say.

As well as Søren Ejdam, it has been decided that bad faith, error, misrepresentation, the use of fraud, the use of falsehood do not stop the statute of limitations.

Like when Danish banks commit fraud, and aside from the fact that Jyske Banks actually bribed the plaintiff's former Lundgren lawyers.

There was a time when I didn't think there was corruption / collusion in the Danish Courts, but I have become wiser, which I have had to realize through experience, and no one can win over corruption, but I will write about it, which will also happen to the European Central Bank, and the European Court of Justice.

Jyske Bank A/S Helsingør behind extensive fraud carried out by at least.

[Jeanett Kofoed-Hansen](#) and Nicolai Hansen.

And that with the help of at least Casper Dam Olsen. Anette Kirkeby. Soren Woergaard. Morten Ulrik Gade. Birgit Buch Thuesen. Philip Baruch. and CEO Anders Christian Dam.

Hos de korrupte Lundgrens advokater, finder du den konservative advokat Dan Terkildsen, som ofte er partiets ordstyrer på den konservative generalforsamling.

Dan Terkildsen der reelt for Lundgrens advokater har hjulpet Jyske Bank med bedrageri mod deres fælles kunde, hvilket Lundgrens advokater stadig arbejder for, da Lundgrens har stævnet kunden for at få i alt 232.000 dkk. dette for ikke at have fremlagt nogle af kundens påstande mod Jyske Bank, og for at skjule at Lundgrens har fået millioner af Jyske Bank, og for at Lundgrens så skjulte flere processkrifter for klienten, ikke kun Jyske Banks processkrifter men også et processkrift som Lundgrens selv fremlagde for retten, på vegne af klienten mod Jyske Bank A/S.

Det står klart at klienten ikke måtte vide hvad Lundgrens lavede.

Det er Faktum at Lundgrens har lavet samlet 5 siders processkrifter, hvilket klienten ikke måtte få til godkendelse inden fremlæggelse, hvilket Lundgrens så vil have 232.000 danske kroner for, dette gør Lundgrens for at hjælpe Jyske Bank A/S med at underminer klientens økonomi og kundens muligheder for økonomisk at kunne betale en anden advokat, for at fremlægge de svig og falsk påstande og ond tro anklager mod Jyske Bank A/S, som kunden tidligere ansatte Lundgrens til, altså før Jyske Bank formentlig ved Philip Baruch og Anders Christian Dam valgte at ansætte, købe eller bare bestikke Lundgrens til ikke at fremlægge kundens anklager mod Jyske Bank A/S

Det er også Faktum, at det sidste processkrift ville Lundgrens advokater slet ikke udlevere til klienten, hvilket Højesteretsdommer Kurt Rasmussen som har sit daglige embede i Vestre landsret, hvor sagen mod Jyske Bank skal behandles, Dommer Kurt Rasmussen har vedtaget sammen med topadvokater fra Horten og Kromann Reumert at Lundgrens ikke har overtrådt god advokatskik, og advokat samfundets formand Martin Lavesen fra DLA Piper Advokater vil ikke have at offentligheden får kendskab til denne afgørelse.

Jeg Carsten Storbjerg Skaarup har gennem længere tid, beskyldt advokatnævnet ved Højesteretsdommer Kurt Rasmussen, fra domstolsstyrelsen og advokater som Birgitte Frølund fra Horten Advokater. / Jens Steen Jensen fra Kromann Reumert Advokater. / Jurist Rikke Skadhauge Seerup Krogsgaard fra Forbrugerklagenævnet. / Henrik Hyltoft fra Dansk erhverv.

Og også formand Martin Lavesen fra DLA Piper Advokater for reelt at hjælpe Jyske Bank med organiseret bedrager, dette er udført ved at dække over at Lundgrens har overtrådt god advokatskik, Advokatnævnet og advokatnævnets formand højesteretsdommer Kurt Rasmussen vil ikke svare, og vil ikke gøre advokatnævnets afgørelse offentlig, da den ikke må bruges af andre advokater.

At advokat nævnet ved dommer Kurt Rasmussen kan afgøre, at det er god advokatskik eller i hvert fald ikke nogle overtrædelse af god advokatskik, når et advokatfirma som Lundgrens advokater tilbageholder, og bevidst eller ved ond tro skjuler flere processkrifter overfor klienten, samtidig med at andre advokater i Lundgrens har taget mod en stor million opgave for den sagsøgte Jyske Bank A/S

Dette er hvad jeg kalder for kammerateri og korrupsion, der har infiltreret de Danske domstole, hvilket er grunden til jeg har klaget over dommer Søren Ejdom til den særlige klageret, formoder at kammerateri blandt dommerne i Højesteret nok skal holde hånden over, at Dommer Søren Ejdom har fjernet / undladt vidneforklaringer der er Jyske Bank i mod.

Mens jeg samler materiale til min bog om korrupsion i Danmark, hvor jeg vil skrive om det kammerateri blandt også dommere, som er underminerende for et retssamfund, når statslige myndigheder modarbejder retfærdighed, og reelt dækker over den kriminalitet som Jyske Bank A/S beviseligt står bag.

Jeg skriver det igen.

HVIS IKKE JYSKE BANK A/S Har OVERTRÅDT NOGLE LOVE ELLER REGLER.

Så har i da stadig lov til at kontakte politiet, og der anmelder mig for injurier og bagvaskelse mod Jyske Bank A/S.

Sagen blot vokser, og der skal ske fyringer, hvem har hjulpet Jyske Bank A/S med bedrageri, det vil jeg gerne skrive mere om, og alle der har modtaget en mail, og som er blevet nævnt vil kunne være en del af handlingen.

Du som er blevet nævnt, og alle myndigheder herunder Folketinget Regeringen Statsministeriet Finansministeriet Finanstilsynet Justitsministeriet Nationalbanken Domstolsstyrelsen Rigspolitiet Anklagemyndigheden Statsadvokaten med flere, er alle kandidater til min bog og eller bøger, hvor jeg vil indsætte jer som har medvirket aktivt eller passivt, eller på anden måde været medvirkende, den

kriminalitet som Jyske Bank A/S står bag, og som de danske myndigheder herunder Folketinget er med til at dække over, i hvert fald har ikke en eneste svaret 2016. – 6. September 2022.

Hvis nogle af jer ikke mener det jeg skriver er sandt, så ring straks til mig, så vi kan få rettet eventuelle fejl.

Når Lundgrens advokater i stedet for at fremlægge klientens svig og falsk sag mod Jyske Bank A/S, vælger at tilbageholder flere processkrifter for klienten, og den fælles kunde til Jyske Bank, hvilket Dan Terkildsen, Mette Marie Nielsen og Emil Hald Veldelbo Winstrøm ved at manipulere klienten der ikke opdager at Jyske Bank har bestukket Lundgrens til at modarbejde klienten.

Det står helt klart at Dan Terkildsen og Lundgrens advokater arbejder for Jyske Banks interesser, Lundgrens advokater bliver ved at hjælpe Jyske Bank med at holde kunden ude af den sag kunden har ansat Lundgrens til at føre mod Jyske Bank, og Lundgrens er derfor reelt medvirkende til det Bedrageri som Jyske Bank udsætter den fælles kunde for.

Et bedrageri som flere af Domstolsstyrelsens ansatte reelt hjælper Jyske Banks med, dette sker ved at mindst Højesteretsdommer Kurt Rasmussen, der til dagligt Landsdommer i Venstre Landsret. og Byretsdommer Søren Ejdmund Viborg Byret. hverken Justitsministeriet, Domstolsstyrelsen, advokat samfundet eller folketinget har ikke reageret på henvendelser, om korrupsion og kammerateri i de danske Domstole, selv om det er undergravende virksomhed for et retssamfund.

Var det kammerateri og og er det derfor den tidligere Justitsminister Søren Pape Poulsen, ikke ville svare på nogle breve til hverken Justitsministeriet, eller til det konservative Folkeparti, ingen har nogensinde ville tale med mig eller svare direkte på mine henvendelser, samtidig med de Danske myndigheder helt åbenlyst dækker over de banker der nægter at overholde loven.

Jeg skriver det her klart og tydeligt, den Danske regering og myndigheder, som finanstillstyret, nationalbanken, statsministeriet, domstolsstyrelsen, Justitsministeriet og flere til, hellere hjælpe Jyske Bank med at slippe god fra organiseret bedrageri, end at opretholde retssikkerhed og sørger for retfærdighed i Danmark, det er en ting.

Men i kan ikke tie mig ihjel, og hvis i har noget i vil have jeg skal rette et eller andet, eller hvis i gerne vil have med i min bog om de den kriminelle Jyske Bank og hvordan korrupsion og kammerateri styrer Danmark, så skal i Bare ringe til mig, aftale et møde, så skal jeg nok komme, jeg er kun interesseret i at skrive sandheden

Jeg venter stadig på at nationalbanken Danmark og statsministeriet ved Statsminister Mette Frederiksen kommer med en dato hvor vi kan mødes, og hvis i ikke vil svare min anmodning, og ikke vil mødes med mig, må jeg skrive rekommanderet som post, og vil i heller ikke besvare min henvendelse der, vil i får overbragt dokumentation for Jyske Banks kriminalitet i bogform, hvilket i så må reagere på, i hvert fald

hvis ikke i skal risikere at være medvirkende til Jyske Banks forbrydelser, ved at i ved passivitet bare vælger at dække over bankens forbrydelser.

Se lidt at de dokumenter jeg har sendt tidligere til de konservative tidligere Justitsminister Søren Pape Poulsen, som ikke ville svare mine henvendelser, i mellemtiden, vokser det som en stor skandale, og ingen vil sige noget.

The picture is from before 2019. when the client in Lundgrens knew nothing about, that Jyske Bank A/S had already bribed Lundgren's lawyers in 2018 not to present the client's fraud and false allegations against Jyske Bank A/S.

So when Lundgren's lawyers and their many contributing employees concealed the fact that Jyske Bank A/S had actually bribed Lundgren's lawyers to oppose the client, it was hardly intended that the client should discover that their Lundgren's lawyers were corrupt, Which the Bar Council chaired by Supreme Court Judge Kurt Rasmussen is instrumental in covering up, [and by letter 03-09-2021](#). writes that they will therefore not answer or publish the [complaint 05-06-2020](#). and what the [judges and partners in Horten lawyers, as well as Kromann Reumert lawyers did not think, and do not find it was a violation of good lawyer practice](#). And see that the entered amount DKK 4,300.00 is from an offer Annex AG Read [Page 1.](#) [Page 3.](#) and [Page 4.](#) with date. 06-05-2009. this is clearly a case of document forgery, and that Lund Elmer Sandager lawyers have presented false evidence to the court.

Which Jyske Bank instigates as their plan is clearly to defraud the customer for around DKK 2,500,000 in interest on the DKK 4,328,000 loan. As Jyske Bank decides to lie is recorded and then rescheduled.

Even if Jyske Bank knew that there was no loan, Jyske Bank wanted to keep the customer in a state of confusion, which was quite easy after Jyske Bank A/S took advantage of the customer in November 2009 to suffer a brain haemorrhage.

Jyske Bank continued to lie in bad faith in order to keep the customer confused, in order to continue fraud.

[The customer discovers first on 18-10-2016. that was a lie. i.e. there has never been any underlying loan.](#)

It is CEO Anders Dam who has proven and dishonestly refused to inform the customer, that the customer has never borrowed the DKK 4,328,000 that Jyske Bank A/S has claimed was both taken home and then rescheduled.

Anders Christian Dam is therefore directly involved in complicity in economic crime against Jyske Bank's own customer.

I know I cannot win over the criminal Jyske Bank, when the Danish state, through authorities such as the Financial Supervisory Authority together with the government and several judges, cover up Jyske Bank's organized fraud, that is why I have written to the European central bank that Denmark has a problem with banks that, like Jyske Bank, use tipping, and that the Danish authorities accept this.

The fact that I know the judge Kurt Rasmussen, who has covered up that Jyske Bank has bribed Lundgrens, will probably be a contributing judge, just confirms that Nicolai corruption has a good grip on the Danish judges as well.

Here are a couple of those who have helped Jyske Bank A/S with organized fraud, and the Danish authorities are covering it up.

I want to point out that Denmark has a big problem with corruption, I have misunderstood something so please correct me.

And to the politicians, officials and employees in the authorities who have helped to confirm that this is a scandal that has not been seen before, thank you for the information, I am writing this to give Jyske Bank A/S and the authorities the opportunity to correct the ship up, and remember the Titanic couldn't sink either.

Is it a criminal offense for the Danish state to cover up a criminal Danish bank's, or is it completely normal in Denmark.

This here is about members of the Danish authorities, and also the Danish Courts Authority with positions as judges of the Supreme Court helping to undermine Danes' legal certainty, when Danish banks like Jyske Bank A/S are behind obvious crime.

And IT is a problem for legal certainty, that Jyske Bank A/S would like to bribe the customer's lawyers "Lundgren's." To oppose the case against Jyske Bank A/S is presented.

Lundgren's lawyers are corrupt, as Lundgrens accepted a bribe from Jyske Bank A/S not to present a client's fraud and false case against Jyske Bank A/S. Lundgren's lawyers who have chosen together with Jyske Bank A/S to undermine the client's and Jyske Bank's customer's finances, in order to prevent the customer from having the financial opportunity to conduct a fraudulent case against the criminal Jyske Bank A/S Employees such as Supreme Court judge Kurt Rasmussen also help with this, the Danish Courts Agency is responsible to the Ministry of Justice, which has submitted that Denmark also has a problem with corruption in the Danish Courts Agency's employees.

It was Supreme Court judge Kurt Rasmussen, who is employed by the Danish Courts Agency and who works in the "left ." High Court, who is one of those, who approved that Jyske Bank A/S was willing to bribe Lundgren's lawyers, even if payment was made by return commission.

The Supreme Court judge Kurt Rasmussen, who is one of those who has adopted:
That it is not a violation of good lawyer practice, as Lundgren's lawyers would not give the client a copy of the pleading 2. which Lundgren's lawyers themselves had presented to the court in the case against Jyske Bank.

Judge Kurt Rasmussen didn't think it was not the client interest, knowing what Lundgren's lawyers presented in the trial against Jyske Bank A/S, and actually wrote in his rejection of the complaint against Lundgren's lawyers.

That the client did not know what Lundgren's lawyers presented in the case against Jyske Bank A/S, Kurt Rasmussen Supreme Court judge Kurt Rasmussen thought this was good lawyer practice

Like Judge Kurt Rasmussen did not think, that the client needs to know, what Jyske Bank A/S would answer in the pleadings in the case.

Judge Kurt Rasmussen has decided that Jyske Bank's customer had to trust that Lundgren's lawyers, who were the customer's lawyers, did what Lundgren's lawyers thought was best for the client, at the same time that Jyske Bank A/S paid Lundgren millions in return commission to prevent, the client's claims against Jyske Bank A/S was presented to the court.

And that was after Jyske Bank A/S bribed Lundgren's lawyers not to present the client's fraud and false allegations against Jyske Bank.

[Mail 6 August to the European Central Bank.](#)

La présidente de la Banque centrale européenne, Christine Madeleine Odette Lagarde, a été informée qu'un citoyen danois a demandé à la banque nationale du Danemark, par les directeurs de banque Lars Rohde, Signe Krogstrup et Per Callesen, une réunion au cours de laquelle il pourra remettre la documentation complète de Jyske Bank. crime organisé. Le client veut savoir si la Banque nationale et l'État danois par le Premier ministre Mette Frederiksen choisissent toujours de continuer à couvrir les nombreux crimes de Jyske Bank, comme l'utilisation de la fraude, la falsification de documents et la corruption.

How does the European Central Bank respond to information, that the Danish state and the government have politically, together with Denmark's National bank, opposed and covered up for years, that Denmark's second largest bank, Jyske Bank A/S is behind organized crime against the bank's customers, by using fraud, forgery and bribery in some of the bank's Jyske Bank's business methods.

Carsten Storbjerg who himself has been in charge of the investigation into Jyske Bank's criminal actions, which the Danish State through the National Police and the Financial Supervisory Authority has opposed was investigated.

Therefore, the victim alone has had to fight against the criminal Jyske bank, and also be responsible for the investigation, as both the police, the Financial Supervisory Authority and other authorities, as well as the government have refused to help the victim of Jyske Bank's criminality.

Since all Danish authorities have resisted or refused to talk to the victim of Jyske Bank A/S crimes.

And at the same time the authorities have refused to investigate Jyske Bank, and have also refused to rule on some of the crimes that the victim has presented to the Danish authorities.

And in this way it shows, that in Denmark the Danish state covers criminal banks, so it is only natural to involve the ECB. The European Central Bank, for their stance on banks that demonstrably commit organized fraud, and use bribes to avoid the customer being presented with their claims.

It is a scandal for Denmark, and if the Danske National bank does not stop covering up Jyske Bank's crimes and acts on the information the bank has received, the Danish state will have to start removing a lot of laws, as Jyske Bank obviously sets the agenda for about Fraud, Document forgery, Bribery, Mandate fraud, and much more is actually allowed, or is it just the victim Carsten Storbjerg who does not understand the laws, that obviously do not apply when Danish banks expose their customers to fraud.

Jyske Bank's crimes that Carsten Storbjerg cannot understand the Danish state, the Danish National bank, the Financial Supervisory Authority, the Government, and even Danish judges, where several of whom themselves cover up Jyske Bank's crimes.

It makes sense to write my book about the corruption in Denmark, around the fact that the Danish state is clearly covering up the criminal Danish Bank's, but right now, I just want to present my evidence of Jyske Bank's criminal actions to the National Bank, and afterwards I want to request the Danish Prime Minister for a similar meeting.

Because it is not reasonable that the victims of Danish banks' criminal offenses have no legal certainty in Denmark.

In this way the Danish authorities violate the legal security of the Danes, when the Danish banks deceive their customers, and the Danish politicians together with the authorities passively cover up these crimes.

The reason for Carstens Storbjerg has made a request to Denmark's Nationalbank director Lars Rohde, is to hand over and present to the National Bank documentation that Jyske Bank is criminal.

You can find links to these emails further down the page.

Is simply to give Denmark's Nationalbank the opportunity to act, and so that Denmark's Nationalbank's management can no longer hide behind passivity, and thus be instrumental in covering up, that Jyske Bank is committing serious crimes, which should cause the Danish State and Denmark's Nationalbank to act on the information they receive.

First I Carsten Storbjerg wants to have a meeting with Danmarks Nationalbank's director Lars Rohde, and then the Prime Minister Mette Frederiksen, then they will receive a similar request.

If both the Danish Nationalbank, and Prime Minister Mette Frederiksen still interfere with my inquiries, I will start a formal complaint against the Danish State to the European Court of Human Rights.

Where I intend to sue the Danish state to cover up the Criminal Jyske Bank, which has exposed both me and my small company to several crimes, and in that way opposed the law, and opposed the legal security of the citizen who is exposed to the crimes of a Danish bank, no company can survive that.

The fact that Jyske Bank has still not run their victim bankrupt, many wonder, since that is Jyske Bank's way of working, but Jyske Bank A/S can never stop me from telling how Jyske Bank really is of bad faith and lies to make the most money, and why the Danish State should immediately stop covering up Jyske Bank's crimes, and cease cooperation and the use of Jyske Bank, as a bank for the Danish state.

Jyske Bank can laugh as much as they want, but can only say you must stop exposing customers to your shenanigans, and request the Danish state and authorities as well as the National Bank of Denmark to stop covering up Jyske Bank.

Jyske Bank A/S is probably laughing at their customers, together with Lund Elmer Sandager lawyers who have lied to the court for Jyske Bank A/S themselves, to cover up that Jyske Bank is committing fraud. And the fact that Lund Elmer Sandager himself works for the National Bank makes it safe to try to cover up this scandal. But no one should laugh, it's too stupid, because at some point you will meet a victim who is not so easy to kill.

Is Jyske Bank A/S about to close?

After all, state protection cannot last forever.
When Jyske Bank A/S actually cheats the law.

I know that I am up against powerful forces, all of whom have to date covered up Jyske Bank's crime, which has become an attack on law and order.

But even if you as authorities stick together against me, who as the weak one just wants to end the corruption and abuse of power that governs Denmark.

Until today 7 August 2022. still not a single one has taken my call for a debate on TV. for whether I am right that Jyske Bank A/S due to the bank's many and actionable violations of the law should be deprived of the right to operate a bank in Denmark, or as a minimum that the Danish Financial Supervisory Authority places Jyske Bank under increased supervision, up to the entire board of directors and management of Jyske Bank A/S can be replaced.

Dear everyone who reads here in my diary, I'm dyslexic but I write as well as I can, if there's something you don't understand, ask Carsten.

If you want to know more about the corruption and bribery that Danish banks use.

Crimes committed by large Danish companies, such as Jyske Bank A/S, which the National Bank of Denmark, the Government and the Danish authorities.

Such as the Financial Supervisory Authority and the Ministry of Justice, are complicit in by covering up these crimes, where the evidence has been presented to the Danish state, and the government as to Prime Minister Mette Frederiksen, who all behave passively.

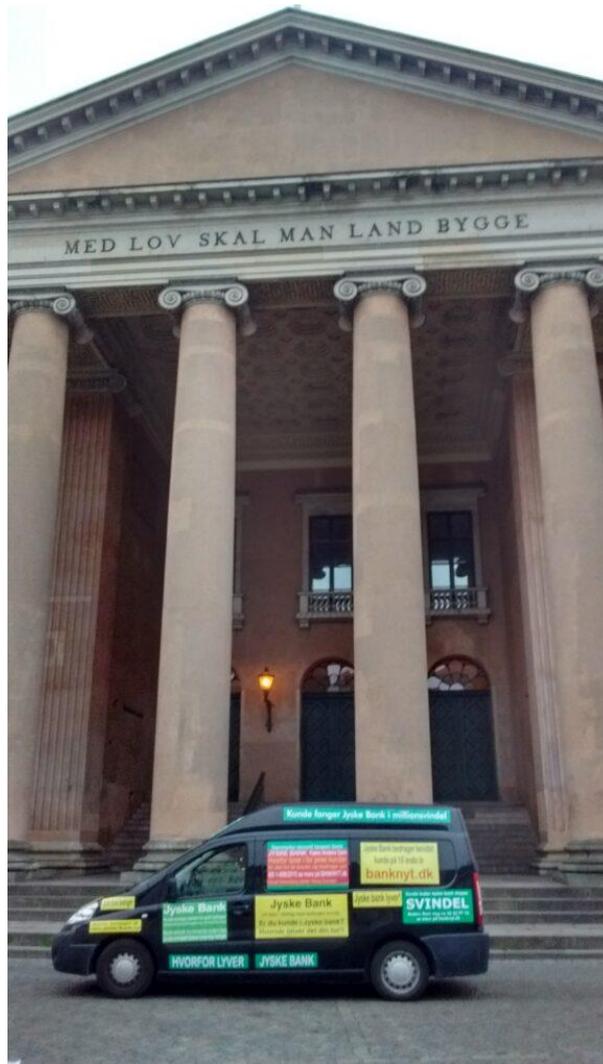

In Denmark corruption and abuse of power, govern how the Danish authorities cover up organized economic crime, but the fact that the criminal Jyske Bank has refused to speak to the victim of Jyske Bank's fraud has only grown the scandal, and the Danish state is about to become an accomplice to Jyske Bank criminal business methods.

My letters and email to the Danish state and government, are for the authorities, including the State Ministry, the Ministry of Justice, the Danish Financial Supervisory Authority and not least the National Bank, to have the opportunity to speak out.

Either the Danish state and the government together with the other authorities choose to cover up Jyske Bank's crime.

Or the Danish state acts on the evidence, and places Jyske Bank A/S under increased supervision and initiates an impartial investigation of the evidence.

Corruption in Denmark prevent justice when banks defraud their customers.

Company or case. with documentation that Denmark is ruled by cronyism and corruption, can be taken over by you, or the authority outside Denmark that wants to take over the case.

As it can be ascertained that there is no justice in Denmark when organizations such as Danish banks expose the little man in Denmark to fraud.

Jyske bank's best weapon against the customers against whom the Bank, together with the board, has carried out a cunning fraud, is total silence, as it is political for the Danish state to cover up Danish banks' use of crime.

In the email 04-08-2022. to Lars Rohde Nationalbank.

Has Danmarks Nationalbank been given the opportunity to be the first to distance itself from Jyske Bank's obvious criminal activities.

The little man can never win over corruption in Denmark, where even judges employed in the Supreme Court directly go against the law, in order to effectively cover up the fact that Jyske Bank A/S has bribed Lundgren's lawyers, who the client earlier used to be the company's lawyers.

Knowing, for example, that Lund Elmer Sandager lawyers have repeatedly lied to the court to help Jyske Bank hide the bank's fraud.

As well as that Lund Elmer Sandager lawyers has tried to hide Jyske Bank's use of document forgery and bill manipulation and probably has a contributing role in Jyske Bank bribing Lundgren's lawyers not to present a minor client's fraud and false case against Jyske Bank A/S

Since the Danish Financial Supervisory Authority is covering up Jyske Bank's crimes, and on top of that, has allowed Jyske Bank A/S to buy the Swedish Handelsbanken, it only makes the Danish financial scandal grow, and when the Danish State and government, do not themselves want to stop the corruption in Denmark.

Then it is obviously only me who wants to write, and share evidence and information about Jyske Bank's fraud, and that it is a problem.

I don't care that a judge probably will cover up the criminal Danish bank, and maybe will laugh and say, then you must stop going to war with a bank.

My task is to draw attention to the corruption in Denmark and how difficult it is for the small citizen in a corrupt country to fight against a criminal bank.

But you must know that I give a damn, This is about banks have to comply with all laws and regulations, regardless of whether it has been politically decided that banks in Denmark must not be investigated or punished for the blatant crime, that Jyske Bank exposes their customers like me to.

If I don't speak up, and request help to make a difference.

Then the corruption in Denmark will continue.

Who will help me, I have all the evidence that would put the head of any other company in jail.

But not Jyske Bank those the Danish authorities cover, and if not.

So start an investigation NOW

[This email of 23 July 17.53. to Denmark's Nationalbank is a direct call to ensure that the Nationalbank's control, the Danish Financial Supervisory Authority, initiates and investigates the evidence that has been presented and shared about Jyske Bank and the bank's use of criminal activities.](#)

It is Denmark's Nationalbank that is ultimately fully responsible, and the The Danish Financial Supervisory Authority, due to corruption will not investigate a bank's crimes, in order to counteract LAW and ORDER, and in that way, when banks like Jyske Bank A/S are actually committing fraud against their business customers.

Remember that conversation gives understanding if I have misunderstood something, but let's meet and talk together, I will gladly bring my evidence to document what I write.

The problem is CEO Anders Christian Dam and he must step down before he damages Denmark's reputation.

It is Denmark's Nationalbank which has the highest responsibility for ensuring that Jyske Bank A/S does not commit punishable offences.

And this regardless of the fact that Denmark's Nationalbank has assigned the Financial Supervisory Authority to this task.

If Denmark's Nationalbank can't not see that it is a problem, that Jyske Bank A/S has a banking license, and has not been put under strict supervision.

Jyske Bank never believed that the bank's fraud would be discovered, but the bank's criminal gang of members forgot an important detail, and that was that the customer who was seen as an easy victim, as he was critically ill survived and has taken up the gamp against criminal banks.

Then they can only be because Denmark is deeply corrupt.

Now you can all think again about what Denmark's Nationalbank wants to do about it.

Denmark has brought itself into an extensive scandal. Because the Danish state and the government and the State Ministry, and also Denmark's Nationalbank allow Danish banks Jyske bank to commit organized crimes. kilde foto Danmarks Nationalbank.

Regarding the problem I am writing to you about again, regarding Jyske Bank's many punishable offences.

As long as Jyske Bank has not been subjected to investigations / investigations of my claims and evidence, then no one should say that Jyske Bank A/S is not behind extensive criminality.

Denmark's Nationalbank can choose to sweep this problem under the carpet.

And then Denmark's Nationalbank together with the Danish Financial Supervisory Authority, can counteract Law and Justice, by blocking the mining of many pieces of evidence against Jyske Bank, for the use of crime. Whether it is exploitation, forgery, bribery, fraud, abuse of the bank's access to land registration rights and more.

This is, as the Denmark's Nationalbank itself says a
SCANDAL.

And when the problem with this criminal Jyske Bank A/S lies with Denmark's Nationalbank.

Then you, and the Danish politicians, which is part of Denmark's Nationalbank board of directors, you can choose not to answer me, and make sure that you all continue to cover up Jyske Bank's crimes, or we can say or call it business methods.

Jyske Bank A/S and their managing director Anders Christian Dam have since May 2016 been able to correct when I first wrote to Jyske Bank's management.

I think I am the victim of a huge fraud, in order to correct it.

I have had instead to fight against an organization, that does not hesitate to use bribes to beat the small customer to the ground.

Is it in this way that Denmark's Nationalbank wants the Danske Banker to run their banks.

This is a request to the Danish Nationalbank to ensure order among Danish banks, and ensure that Danish banks also complies with the law and does not commit punishable crimes.

Jyske Bank A/S Taget for million svindel.

Jyske Bank can just bring a case against me for slander if Anders Dam has clean flour in the bag and dares, but we are dealing with a cowardly manager who hides behind lawyers who themselves present false information to the courts.

I urge Denmark's Nationalbank not to close their eyes to what I write.

And therefore, I request that Denmark's Nationalbank initiates, or arranges to initiate, an investigation into the claims I have presented, and which I have shared on www.banknyt.dk

Then it is Denmark's Nationalbank which is responsible for Jyske Bank, as a bank criminal, being able to continue banking in Denmark.

And some have to write about this problem with criminal Danish banks, and the corruption that is harmful to the Danish country.

And so it becomes me, And I will continue writing until Jyske Bank A/S by their CEO Anders Christian Dam himself, calls me on +4522227713, to arrange a meeting so we can talk about what I write.

It is no longer a secret, that Denmark is corrupt.

But how bad is it.

That is why I, Carsten Storbjerg Skaarup, am writing to Denmark's Nationalbank.

Because if this Danish state bank is also helping the danish government to cover up the corruption, that Jyske Bank has paid Lundgren's lawyers not to present my case against the Jyske Bank, then Denmark's Nationalbank entire board again will stick their heads in the bush.

[Read the email 23-07-2022. time. 17.53 which is shared here.](#)

If the Danish state, the government and the Denmark's National bank also ignore this emails, and competition, which is really about Jyske Bank's suitability to have permission to operate a bank in Denmark, then it must be due to internal agreements to cover up the crime Jyske Bank A/S is demonstrably behind.

Of which other governments must of course be informed, about the corruption that governs Denmark, so if there are some who want to ask questions, if it is not time for you to call me on +4522227713. and begins to take about this seriously problem for Jyske Bank, and now also for Denmark, which as a nation covers organized crime, carried out by Denmark's second largest bank, Jyske Bank, and it is a problem that the Danish state itself participates and helps to undermine legal certainty, just to help criminal Danish banks.

If you would like a copy of the new emails to the Danish state and government together with the Danish Financial Supervisory Authority and the State Ministry as well as Jyske Bank and their many assistants, write here to banknyt@gmail.com and write that you want to be kept up to date and informed about the organized crime that the Danish state covers.

I believe that Jyske Bank will damage Denmark's reputation if CEO Anders Christian Dam still refuses to answer and talk to me, says Carsten Storbjerg to BANKING NEWS.

If I have made a mistake that Jyske Bank does not run an organization that commits financial crime and uses fraud, documents false, uses bribes, and lies in court to cover up Jyske Bank's fraud.

Who in the **world** dares to take a confrontation and talk to me.

I only want Jyske Bank to be deprived of their license to conduct financial business in Denmark if I am right in what I write and have shared with the Danish state and government.

Which I say by inaction covers Jyske Bank's business methods, why law and order as well as justice do not exist in Denmark when corruption is a subversive activity against the rule of law in Denmark.

Is there not a single Danish politician or authority that wants to put an end to corruption in Denmark.

Jyske Bank A/S I say to the bank Jyske Bank, that ther is a reason for the scandal.

The Danish bank, Jyske Bank by CEO Anders Christian Dam has repeatedly been offered, that the deceived customer in Jyske Bank removes notices about the organized crime, that Jyske Bank started by Nicolai Hansen and [Jeanett Kofoed-Hansen](#), but the Group Management does not care, as long as the Danish government covers Jyske Bank's continued crimes, and Anders Dam refuses to talk with the victim of Jyske Bank's organized fraud.

It is Jyske Bank that has chosen this match, to show other customers that they should not think they have a chance for justice, once Jyske Bank exposes their customers to fraud.

Odd Jyske Bank uses the unequal balance of power to eradicate their victims.

I just want to enter into dialogue, and Jyske Banks' silence is not conversation and understanding.

The Danish state and government together with the Danish Financial Supervisory Authority and Jyske Bank by Anders Christian Dam say nothing, and it still says everything.

[In the competition, Jyske Bank's car promises prizes for NOW up to DKK 45,000 – 54,000. If you think you can disprove that Jyske Bank is behind extensive fraud, carried out in conjunction with the help of several employees of Jyske Bank. CLICK HERE.](#)

A single Dane, Carsten Storbjerg, has gone to war against corruption in Denmark. But Carsten asks for your help, as camaraderie in Denmark has so much power, that Danish law and order is put out of force.

Jyske Bank has major problems, and the management and CEO Anders Christian Dam are personally the reason for postings like this. I just want to talk to someone in Jyske Bank about the bank's problems.

I make it very clear that I will not stop writing articles about the fraud that Jyske Bank exposes their customers to, without having been in dialogue with the management.

Customer says to the Management of Jyske Bank, hopes it is worth all the money to expose us customers to organized fraud.

Your indifference to my campaigns only damages Jyske Bank's credibility well into the fifties, and whoever says that the Danish state will continue to cover up the crime that Jyske Bank is behind, do you really believe that this is a joke, when you tell your customers and shareholders in Jyske Bank about it.

That is why these problems in Jyske Bank have only grown and grown.

Here I give Jyske Bank the opportunity to talk with me, and then Anders Christian Dam could ask me nicely, if I would stop exposing Jyske Bank to my writings and teasing.

I would like to stop my attacks on Jyske Bank's credibility. But only if Jyske Bank and their CEO and management want it, which requires dialogue.

Anders Christian Dam you can call me on +4522227713.

And then ask me if I want to stop teasing Jyske Bank as you might get bored.

If there are any in Jyske Bank who want to claim that I am committing a criminal act against Jyske Bank, then come to me.

And stop going behind my back when Jyske Bank's lawyers accuse me of committing criminal acts.

Jyske Bank must speak if the bank has something they are dissatisfied with, or perhaps want something corrected.

And IF you only want to talk ugly about me to others, and you think that I expose Jyske Bank to something criminal.

Then Jyske Bank has 2 options.

- 1. Talk to Carsten and get the problem solved.**
- 2. Go to the police and make a police report against me Carsten Storbjerg Skaarup.**

The choice lies with Jyske Bank's group management, and with CEO Anders Christian Dam who is personally responsible.

I have written to the Danish state and authorities and Jyske Bank on 13 July about the corruption and camaraderie that undermines Danish society, which the authorities can no longer ignore, and Jyske Bank must be placed under stricter supervision or Jyske Bank must be completely deprived of the right to operate banking in Denmark.

It is possible that I can not stop the corruption that the Danish judiciary itself helps to cover up, which, however, can not prevent me from writing about problems, as it affects all Danes' legal security, as Carsten Storbjerg points out that Denmark is not a rule of law, when the Danish authorities themselves cover the violations of many banks' criminal law, and counteract justice in Denmark.

[Read the email 13 July 2022. which is directed to English here in the LINK.](#)

Yes, Jyske Bank probably sees me as a little fly, but do not underestimate me, even though I have no bookish education, and spell and write horribly.

So remember Anders Dam, you can just talk to me, and we will solve this problem together.

I only have one weapon and that is my keyboard, and I am tireless and keep typing, Jyske Bank.

This problem is created by Jyske Bank itself, so take it and solve it, and try diplomacy and talk to me, I am a nice guy, but I go in the flesh of those who cheat and deceive.

Jyske Bank you have the chance to correct, and I will stop bothering Jyske Bank.

To the PRESS 09-07-2022. the Danish state and the government.

As well as Jyske Bank A/S CEO Anders Dam.

[A single Dane, Carsten Storbjerg, has gone to war against corruption in Denmark. But Carsten asks for your help, as camaraderie in Denmark has so much power, that Danish law and order is put out of force, when not a single Danish journalist has written about the problem that Danish banks use corruption. Then I will ask you as foreign journalists, to conduct an investigation into corruption in Denmark.](#)

It is unhealthy for the Danish government that the state allows banks to commit crime, and covers it.

I know that there are many Danes, who can not understand what I write about the corrupt Danish lawyers, and criminal Danish banks, which the Danish government and authorities and members of the Judicial Service cover, and that is why I ask all the journalists who do not want cover over the corrupt Denmark, will you investigate what I'm writing about it crime, that i have presented evidence for, and then write some articles that everyone can understand.

If the Danish state and government do not stop Jyske Bank now, the bank will be a ticking bomb under Danish society.

This case is bigger than the Danish state can hide, and I will not allow corruption to rule Denmark as a nation.

Always remember to include the unknown factor when you as a bank commit organized fraud, here you have encountered one of these.

[Den lille og korte forklaring 10-07-2022.](#) til Reddit bruger der ikke forstod Jyske banks bilens formål er, og hvad der her på siden står, Jyske bank bilen og siden her er med til at fremme kendskabet til den korruption der styrer Danmark, her finder du de processkrifter som beskriver den kriminalitet som Jyske bank udsætter kunder for.

When several authorities in Denmark cover the crime that Jyske Bank is demonstrably behind.
Then it is not just a problem of legal certainty.

It is probably Denmark's biggest scandal in history, which only one man Carsten Storbjerg alone has investigated, and at the same time had to fight against the corrupt Lundgren's lawyers, whom Jyske Bank paid Lundgrens there, did everything to lose the case against Jyske Bank.

It is no longer so much about that case, but more and more about Denmark being ruled by corruption and camaraderie.

Why else do you think all the authorities [and Jyske Bank and their lawyers are trying to kill Carsten Storbjerg](#) with silence and contemporary cover over the crime Jyske Bank is behind.

Denmark's biggest scandal ever, without a doubt must be.

That the Danish Financial Supervisory Authority, which has provided watertight evidence that Jyske Bank AS is behind extensive crime.

Although all the members of the Danish Financial Supervisory Authority are aware that Jyske Bank has committed a string of criminal offenses.

Has the Danish Financial Supervisory Authority chosen to approve Jyske Bank's acquisition of Svenske Handelsbanken's Danish branches.

This is a scandal which makes the Mink case with the Danish Prime Minister Mette Frederiksen seem small.

This Jyske Bank car has become a regular advertisement, and a warning against Jyske Bank A/S.

When the fact is that Jyske Bank does not comply with current legislation to run a tanker business in Denmark.

The official Denmark with the Government ignores and continues to cover the crime that the authorities have presented that Jyske Bank is proven to be behind.

If there is just one person in Jyske Bank, or in the Danish authorities, or in the Ministry of Justice or in the National Board of Justice, who thinks they can disprove what I say and write.

So participate in the competition, and try to disprove that Jyske Bank is a criminal organization that has committed fraud, which has been carried out by several employees together.

And you can not if you have a problem, Jyske Bank must be under stricter supervision, or deprived of the right to conduct financial business in Denmark.

You all know that I would rather spend my time photographing, and that the Danish state itself should clean up the Danish criminal banks, which, like Jyske Bank, expose customers to fraud.

Et fantastisk syn.

But remember now, it is you Jyske Bank, who chose to cheat and deceive, and then it is Jyske Bank and the Danish authorities which are covertly.

And the way Jyske Bank is running a bank, must at some point end wrong, and then Jyske Bank will close, while Denmark as a whole state stands alone with a scandal of unprecedented magnitude.

A comprehensive scandal that should overthrow the government that will not launch an investigation against Jyske Bank, after what I have since 1 May. 2019 has written to all the Danish politicians, of which not a single one has answered.

In other words, the Danish politicians do not care about the law when it is broken by Denmark's largest companies, such as here by Jyske Bank.

I'm sorry to say to Jyske Bank and your friends, you have chosen the only one you should not choose to deceive.

I give a damn who you are, this convoluted and corrupt society you should not get away with, and maybe the Danish press is not allowed to write about corruption in Denmark.

But what about the foreign TV stations and newspapers?

The Danish press is apparently not allowed to write about the punishable crimes that can close a bank like Jyske Banks, the state censorship in Denmark.

But I continue to write, because at some point there probably will be a foreign newspaper that sees this, and is not afraid to write about the little man's fight against a corrupt nation.

And I am happy to answer questions from the press.

Until now not a single one in Denmark. Will ask me questions for my investigation of the extensive and organized corruption, and camaraderie in Denmark, including Jyske Bank use of criminal crime.

Plise ask me any questions, to what I have presented of evidence and allegations against Jyske Bank, Lundgrens, Lund Elmer Sandager and the Bar Council.

I ask all of you journalists, if you want to ask the questions, that neither the Danish government, nor others in the Danish state, nor which some in Jyske Bank's management and their many lawyers will answer.

CEO Anders Dam, do you dare take up my challenge and meet me face to face in a TV duel about Jyske Bank's business methods, or are you a chicken.

CEO Anders Dam you know you can call me on +4522227713 and ask me nicely to stop teasing Jyske Bank, and write like here, or you can continue to hide behind your comrades, and colleagues there like Denmark national bank, keep quiet about this ever-growing scandal, which you Anders Christian Dam and the management of Jyske Bank are to blame for.

Dårlig omtale er bedre end ingen omtale.
Jyske Bank Anders Dam. "Simon Spis."

It is possible I am dyslexic, and bad at making myself linguistically understandable, as well as the fact that I do not have any bookish education, but probably I'm just a little electrician, but I'm actually good at troubleshooting, and this here investigation is done after the same principles, joints and you have to find the fault here, however, it turns out to be very very large, and I believe that Jyske Bank is doing either a nationally or socially harmful company, who has dared to examine my evidence.

Jyske Bank makes false document to commit organized fraud.

Hos de korrupte Lundgrens advokater, finder du den konservative advokat Dan Terkildsen, som ofte er partiets ordstyrer på den konservative generalforsamling.

Dan Terkildsen der reelt for Lundgrens advokater har hjulpet Jyske Bank med bedrageri mod deres fælles kunde, hvilket Lundgrens advokater stadig arbejder for, da Lundgrens har stævnet kunden for at få i alt 232.000 dkk. dette for ikke at have fremlagt nogle af kundens påstande mod Jyske Bank, og for at skjule at Lundgrens har fået millioner af Jyske Bank, og for at Lundgrens så skjulte flere processkrifter for klienten, ikke kun Jyske Banks processkrifter men også et processkrift som Lundgrens selv fremlagde for retten, på vegne af klienten mod Jyske Bank A/S.

Det står klart at klienten ikke måtte vide hvad Lundgrens lavede.

Det er Faktum at Lundgrens har lavet samlet 5 sider processkrifter, hvilket klienten ikke måtte få til godkendelse inden fremlæggelse, hvilket Lundgrens så vil have 232.000 danske kroner for, dette gør Lundgrens for at hjælpe Jyske Bank A/S

med at underminere klientens økonomi og kundens muligheder for økonomisk at kunne betale en anden advokat, for at fremlægge de svig og falsk påstande og ond tro anklager mod Jyske Bank A/S, som kunden tidligere ansatte Lundgrens til, altså før Jyske Bank formentlig ved Philip Baruch og Anders Christian Dam valgte at ansætte, købe eller bare bestikke Lundgrens til ikke at fremlægge kundens anklager mod Jyske Bank A/S

Det er også Faktum, at det sidste processkrift ville Lundgrens advokater slet ikke udlevere til klienten, hvilket Højesteretsdommer Kurt Rasmussen som har sit daglige embede i Vestre landsret, hvor sagen mod Jyske Bank skal behandles, Dommer Kurt Rasmussen har vedtaget sammen med topadvokater fra Horten og Kromann Reumert at Lundgrens ikke har overtrådt god advokatskik, og advokat samfundets formand Martin Lavesen fra DLA Piper Advokater vil ikke have at offentligheden får kendskab til denne afgørelse.

5/7 Stemningsbilleder sendt 8 juni. til Jyske Bank, Domstolsstyrelsen, Statsministeriet, Finansministeriet, Finanstilsynet, Justitsministeriet, Nationalbanken, Folketinget med flere.

Hvad vil i stille op med den økonomiske kriminalitet som Jyske Bank A/S står bag.

Jeg har ikke gjort andet end at drille Jyske Bank og opfordrer til dialog og samtale, så min små morsomheder kan stoppe.

Skal vi mødes og få talt sammen, måske om Jyske Banks problem med at overholde lovgivningen.

Jeg Carsten Storbjerg Skaarup har gennem længere tid, beskyldt advokatnævnet ved Højesteretsdommer Kurt Rasmussen, fra domstolsstyrelsen og advokater som Birgitte Frølund fra Horten Advokater. / Jens Steen Jensen fra Kromann Reumert Advokater. / Jurist Rikke Skadhauge Seerup Krogsgaard fra Forbrugerklagenævnet. / Henrik Hyltoft fra Dansk erhverv.

Og også formand Martin Lavesen fra DLA Piper Advokater for reelt at hjælpe Jyske Bank med organiseret bedrager, dette er udført ved at dække over at Lundgrens har overtrådt god advokatskik, Advokatnævnet og advokatnævnets formand højesteretsdommer Kurt Rasmussen vil ikke svare, og vil ikke gøre advokatnævnets afgørelse offentlig, da den ikke må bruges af andre advokater.

At advokat nævnet ved dommer Kurt Rasmussen kan afgøre, at det er god advokatskik eller i hvert fald ikke nogle overtrædelse af god advokatskik, når et advokatfirma som Lundgrens

advokater tilbageholder, og bevidst eller ved ond tro skjuler flere processkrifter overfor klienten, samtidig med at andre advokater i Lundgrens har taget mod en stor million opgave for den sagsøgte Jyske Bank A/S

Dette er hvad jeg kalder for kammerateri og korrupsion, der har infiltreret de Danske domstole, hvilket er grunden til jeg har klaget over dommer Søren Ejdmum til den særlige klageret, formoder at kammerateri blandt dommerne i Højesteret nok skal holde hånden over, at Dommer Søren Ejdom har fjernet / undladt vidneforklaringer der er Jyske Bank i mod.

Mens jeg samler materiale til min bog om korrupsion i Danmark, hvor jeg vil skrive om det kammerateri blandt også dommere, som er underminerende for et retssamfund, når statslige myndigheder modarbejder retfærdighed, og reelt dækker over den kriminalitet som Jyske Bank A/S beviseligt står bag.

Billede tekst: Jyske Bank Boxen ser mig nok bare som en lille flue, i gerne vil klaske ud.

Jeg ved jeg er oppe i mod en stor kriminel organisation, hvor kammerater i Domstolsstyrelsen bevidst og u-hæderligt hjælper med at dække over de mange kriminelle forhold.

Jo jeg ved godt jeg er lille, men der er råddenskab i Danmark, og det er langt oppe i Domstolsstyrelsens medarbejdere, også derfor nævner jeg Højesterets dommer Kurt Rasmussen.

Jeg skriver det igen.

**HVIS IKKE JYSKE BANK A/S HAR
OVERTRÅDT NOGLE LOVE ELLER
REGLER.**

**Så har i da stadig lov til at kontakte politiet, og der
anmelder mig for injurier og bagvaskelse mod Jyske
Bank A/S.**

**Sagen blot vokser, og der skal ske fyringer, hvem har hjulpet
Jyske Bank A/S med bedrageri, det vil jeg gerne skrive mere om,
og alle der har modtaget en mail, og som er blevet nævnt vil
kunne være en del af handlingen.**

Du som er blevet nævnt, og alle myndigheder herunder Folketinget Regeringen Statsministeriet Finansministeriet Finanstilsynet Justitsministeriet Nationalbanken Domstolsstyrelsen Rigspolitiet Anklagemyndigheden Statsadvokaten med flere, er alle kandidater til min bog og eller bøger, hvor jeg vil indsætte jer som har medvirket aktivt eller passivt, eller på anden måde været medvirkende, den kriminalitet som Jyske Bank A/S står bag, og som de danske myndigheder herunder Folketinget er med til at dække over, i hvert fald har ikke en eneste svaret 2016. – 6. september 2022.

Hvis nogle af jer ikke mener det jeg skriver er sandt, så ring straks til mig, så vi kan få rettet eventuelle fejl.

Når Lundgrens advokater i stedet for at fremlægge klientens svig og falsk sag mod Jyske Bank A/S, vælger at tilbageholder flere processkrifter for klienten, og den fælles kunde til Jyske Bank, hvilket Dan Terkildsen, Mette Marie Nielsen og Emil Hald Vendelbo Winstrøm ved at manipulere klienten der ikke opdager at Jyske Bank har bestukket Lundgrens til at modarbejde klienten.

Det står helt klart at Dan Terkildsen og Lundgrens advokater arbejder for Jyske Banks interesser, Lundgrens advokater bliver ved at hjælpe Jyske Bank med at holde kunden ude af den sag kunden har ansat Lundgrens til at føre mod Jyske Bank, og Lundgrens er derfor reelt medvirkende til det Bedrageri som Jyske Bank udsætter den fælles kunde for.

Et bedrageri som flere af Domstolsstyrelsens ansatte reelt hjælper Jyske Banks med, dette sker ved at mindst Højesteretsdommer Kurt Rasmussen, der til dagligt Landsdommer i Venstre Landsret. og Byretsdommer Søren Ejrum Viborg Byret. hverken Justitsministeriet, Domstolsstyrelsen, advokatsamfundet eller folketinget har ikke reageret på henvendelser, om korrupsion og kammerateri i de danske Domstole, selv om det er undergravende virksomhed for et retssamfund.

Var det kammerateri og er det derfor den tidligere Justitsminister Søren Pape Poulsen, ikke ville svare på nogle breve til hverken Justitsministeriet, eller til det konservative Folkeparti, ingen har nogensinde ville tale med mig eller svare direkte på mine henvendelser, samtidig med de Danske myndigheder helt åbenlyst dækker over de banker der nægter at overholde loven.

Jeg skriver det her meget klart og tydeligt, den Danske regering og myndigheder, så som finanstilsynet, nationalbanken, statsministeriet, domstolsstyrelsen, Justitsministeriet og flere til, hellere hjælpe Jyske Bank med at slippe god fra organiseret bedrageri, end at opretholde retssikkerhed og sørger for retfærdighed i Danmark, det er en ting.

Men i kan ikke tie mig ihjel, og hvis i har noget i vil have jeg skal rette et eller andet, eller hvis i gerne vil have med i min bog om de den kriminelle Jyske Bank og hvordan korrupsion og kammerateri styrer Danmark, så skal i Bare ringe til mig, aftale et møde, så skal jeg nok komme, jeg er kun interesseret i at skrive sandheden

Jeg venter stadig på at nationalbanken Danmark og statsministeriet ved Statsminister Mette Frederiksen kommer med en dato hvor vi kan mødes, og hvis i ikke vil svare min anmodning.

Altså i ikke vil mødes med mig, må jeg skrive rekommanderet som post, og vil i heller ikke besvare min henvendelse der, vil i får overbragt dokumentation for Jyske Banks kriminalitet i bogform, hvilket i så må reagere på, i hvert fald hvis ikke i skal risikere at være medvirkende til Jyske Banks forbrydelser, ved at i ved passivitet bare vælger at dække over bankens forbrydelser.

Se lidt at de dokumenter jeg har sendt tidligere til de konservative tidligere Justitsminister Søren Pape Poulsen, som ikke ville svare mine henvendelser, i mellemtiden, vokser det som en stor skandale, og ingen vil sige noget.

svig, vildledelse med det formål at få nogen til at foretage en juridisk disposition, fx indgå en aftale, på et urigtigt grundlag, så personen lider et tab eller udsættes for en uventet risiko for et tab. Svig kan bestå i, at forhold forties, eller at der siges noget urigtigt mod bedre vidende. Da svigagtig optræden er skadelig for det økonomiske samliv, knytter retssystemet alvorlige sanktioner hertil. Et løfte, der er fremkaldt ved svig, kan erklæres ugyldigt i medfør af Aftaleloven § 30. Dertil kommer, at svig som udgangspunkt er udtryk for forsæt til formueskade, hvorved den svigagtige adfærd resulterer i en erstatningspligt.

Dokumentfalsk indebærer typisk forfalskning af underskrift, ændring af dokumentets indhold, f.eks. tal, eller misbrug af en fuldmagt. Der kan også være tale om brug af forkert(e) navn(e) og falsk adresse. Ofte begås dokumentfalsk med hensigt om at opnå en økonomisk gevinst, f.eks. for at give indtryk af at en transaktion har fundet sted eller at en garanti eller tilladelse foreligger.

The penalty for fraud is up to 8 years. Here, Jutland bank is committing fraud. The fraud is carried out in conjunction with the support and cooperation of the Group Management, but the Danish state and government and authorities cover up criminal Danish Banks, and if not, then take a meeting with me and review the provisions of the law, and the evidence I will present for all of you.

The problem with punishment for fraud, document forgery, bribery, abuse of power of attorney, and that Jyske Bank has lied so that Nicolai Hansen and Jeanett Kofoed-Hansen could commit fraud for Jyske Bank is that it is

not punished when banks are behind it.

Jyske Bank's foundation as the management, the board of directors, the board of representatives, and as Jyske bank's owners / shareholders as ATP supports.

If I have misunderstood something, such as that it is not you from Jyske Bank who are behind Jyske Bank's criminal actions, then you must speak up, as I have no desire to hang Jyske Bank out as criminals, if that is the case about misunderstandings.

If not Jyske Bank's foundation is to commit fraud, use forged documents and abuse powers of attorney.

As when Jyske Bank dishonestly and by abuse of power of attorney, tries to declare a debt that does not exist, in order to hide that Jyske Bank has an interest rate swap for a loan that Jyske Bank lies to the customer about.

These lies are supported by Nikolai Hansen and [Casper Dam Olsen](#).

So when, in 2008, [Jyske Bank by Lars Aaquest](#) makes and starts an interest rate swap to exchange interest for a loan that does not exist, Jyske Bank knows very well that they are in bad faith.

In 2009, [Jeanett Kofoed-Hansen](#) then tries, in bad faith and abuse of power of attorney, to register the debt that fits the interest rate swap, in order to cover up that Jyske Bank has initiated an extensive fraud against the bank's customer.

It is fraud to make and state an interest rate swap for a loan that does not exist, and then lie to the customer, who is also seriously ill after a major brain haemorrhage and therefore cannot remember.

So when Jyske Bank knows Nicolai Hansen and [Casper Dam Olsen](#) deliberately lie to the customer in bad faith, and write that you have a loan, and for that loan Jyske Bank has made an interest rate swap.

Then it is deceiving the customer, which is the very foundation of the Jyske Bank group.

A fraud in all of you is either part of, or complicit in, as you are all aware of the many criminal conditions that Jyske Bank has exposed me and my company to, and yet Jyske Bank refuses to admit, just as you refuse to apologize and make amends.

Which can only be because Jyske Bank wants to expose anyone the bank can to what the bank has exposed me to, and that an organized fraud which the Danish state is covering up.

Is Jyske Bank's best response to shut up about me.

And that the bank hides you behind corrupt lawyers and judges who have actually helped Jyske Bank with your fraud.

Jyske Bank is of that opinion and says that the fraud should have been discovered within 3 years. thereafter, Jyske Bank believes that the group is free to keep the millions for which Jyske Bank has proven to have defrauded the customer.

In the case that is in the high court, Jyske Bank at Lund Elmer Sandager lawyers have obtained the court's word that the employee [Jeanett Kofoed-Hansen](#), who has proven to have forged documents and misused power of attorney, may not be called as a witness.

And this despite the fact that [Jeanett Kofoed-Hansen](#) has a central role in the extensive and cunning fraud that Nicolai Hansen and [Casper Dam Olsen](#) and many more in Jyske Bank are behind.

As long as Jyske Bank refuses to respond to my inquiries, whether they brought charges against several naming employees, because these employees Nicolai Hansen, [Jeanett Kofoed-Hansen](#) and [Casper Dam Olsen](#) for Jyske Bank have made and exposed me and my company to cunning fraud.

I have tried to have a dialogue with Jyske Bank since 2016, but Jyske Bank knows that at least the Danish state, judges, lawyers, the prosecution, the Financial Supervisory Authority, Denmark's National Bank and many more such as the parliament and the prime minister are covering up Jyske Bank's crime, which must be the reason for that Jyske Bank refuses to stop fraud.

My request to Jyske Bank that the Bank initiate an investigation, and if you are right, fire the employees who committed fraud, contributed to fraud, covered up

fraud, which any other honorable company would have done long ago, but this is a criminal organization which is supported by the government.

If I have misunderstood something, or made a mistake, I again encourage Jyske Bank to contact the police and request the police to carry out an investigation, so that with the help of the police we can find out whether I am right in everything I write.

Dear everyone at Jyske Bank, you who are employees of this bank have chosen to work for a criminal organization yourself, and if you want to be part of a bank that works with organized crime, you must continue to choose to work for Jyske Bank there risks losing the right to conduct banking business in Denmark if the government and parliament will not continue to cover up Jyske Bank's crimes.

My name is Carsten Storbjerg Skaarup, and I suppose you all know my story and you know that everyone mentioned has been invited or will be invited to be interviewed about the fraud the Jyske Bank group exposes us customers to.

If you have corrections, or simply want to have a conversation with me about what I write, you are all welcome to contact me, and you can also contact me anonymously, which several have done, and for the sake of their position and opportunities for promotion, your names will not be published, nor my book or books about Jyske Bank's fraud.

Here are many of the shared documents up to January 4, 2023.

In connection with food, I have shared the fraud of Denmark's second largest bank, Jyske Bank.

And remember now, I do not want to portray Jyske Bank as criminals and that the Danish politicians know that Jyske Bank are criminals, but have chosen to stick their heads in the bush. in order to ensure Jyske Bank's survival, despite the bank's use of fraud.

There is much more, which is all martial law for my book and Jyske Bank's foundation, which must clearly be to commit fraud.

And if Jyske Bank does not agree, find out what has gone wrong, find a solution, you know it doesn't take much to stop my writing owners, but to start with you could call me on +4522227713 and have a chat with me, you should no longer contact the

**company's lawyer as you have previously
wasted his time.**

**When neither the Danish state nor the
government nor Jyske Bank want to
respond to some of my inquiries, which only
supports that I write the truth when I use
and write phrases such as Jyske Bank are
criminals and Jyske Bank is behind fraud and
the use of forged documents and that Jyske
Bank has bribed Lundgren's lawyers to keep
me as a client out of the case against Jyske
Bank.**

I ask again what the Danish state the government, and the authorities together by the Prime Minister Mette Frederiksen will do, with banks how like Jyske Bank provable expose customers like me to extensive fraud.

You can call me at +4522227713 and arrange a meeting, as I would like the Danish authorities to act on the information about Jyske Bank's criminal activities, and then take care that the Danish Financial Supervisory Authority intervenes, and puts

Jyske under stricter supervision, or deprives Jyske Bank of the right to conduct banking business in Denmark.

Jyske Bank er gentagende blevet opfordret til at kontakte politiet, hvis direktionen vil påstå at Jyske Bank ikke står bag million svindel mod kunde.

Hvad siger de medarbejder som selv arbejder for den danske svindel bank. Spørg om det der står på Jyske bank bilerne er sandt, og du vil opdage de ansatte i Jyske Bank, enten ikke vil svarer dig, eller at medarbejderne direkte vil lyve.

Mens Jyske Bank og deres direktør Anders Christian Dam leder efter en der vil lave en politianmeldelse mod mig, som stå bag denne her dagbog.

Så opfordre jeg Jyske Bank til selv at kontakte mig for en samtale.

CEO Anders Christian Dam kan du ikke lide hvad jeg skriver om dig og Jyske Bank, og dine kriminelle ansatte, så kan du ringe til enten politiet på 114, eller også kan du ringe til mig på 22227713, start nu med at tale med mig.

29-12-2022. kl. 15.59. Since I do not want to be a customer of a Danish bank that also makes a living from doing organized crime, I must hereby terminate all agreements that may exist with the Jyske fraud bank Jyske Bank A/S. I thought it was sad that the Danish state and government support banks that also forge documents, abuse powers of attorney, commit fraud and use bribery, Denmark should not allow such criminal banks, but the Danish State and the government support both criminal Danish banks and thereby contributing to banks' use of bribes, this is a scandal which I am writing about.

In other words, the many participating politicians who are aware of Jyske Bank's use of fraud and forgery as well as abuse of power of attorney, but who cover up the organized crime which Jyske Bank A/S is behind, have no comments on what I write, so answer that you are agree, and say I can't stop corruption and cronyism in Denmark, my task is simply to write about it and warn others.

Dom i sagen BS-402-2015 mod Jyske bank. / Jyske Bank has committed several criminal offenses, and will clearly not comply with Danish laws and regulations, as the authorities are closely linked to Jyske Bank, and therefore cover the bank, Jyske Bank will not comply with the law. And again, if Jyske Bank, led by CEO Anders Dam, has not committed a crime, ie committed what is described in the criminal law as criminal acts, then file a defamation case, and sue me for defamation if you dare, you have seen my evidence. Is it more important for the Danish authorities to cover up Jyske Bank's criminal acts, one that secures the Danes a society where the law applies to everyone, including Jyske Bank. You are all welcome to come after me if you dare, or see and have Jyske Bank cleaned up and then put Jyske Bank under stricter supervision until an honorable board has been found that can live up to the Danish Financial Supervisory Authority's rules.

Processkrift E. 09-10-2021. Jyske Bank ved Lund Elmer Sandager, fremlagde dette Processkrift som svar på sagsøgers Processkrift. 3. 04-05-2020 & 23-12-2020.

Men her går klager op mod hele advokat nævnet, og opfordrer dels til at nævnet deler deres fortolkning af god advokat skik. Og hvis ikke Højesteretsdommer Kurt Rasmussen, ved domstolsstyrelsen og advokater som Birgitte Frølund fra Hjorten Advokater. / Jens Steen Jensen fra Kromann Reumert Advokater. / Jurist Rikke Skadhauge Seerup Krogsgaard fra Forbrugerklagenævnet. / Henrik Hyltoft fra Dansk erhverv. Hvilket advokat nævnets formand Martin Lavesen fra DLA Piper Advokater. Ikke selv mener de ved deres handling reelt har dækket over de korrupte Lundgrens advokater, der har medvirket til Jyske Banks svigforetninger, og at advoknævnet heller ikke har dækket over advokater som Lund Elmer Sandager, der direkte har løjet overfor domstolen, og direkte har medvirket til Jyske Bank's kriminelle handlinger. Nævnet har jo skrevet 3 september 2021. At de ikke vil svare. Men her beskylder jeg Carsten Storbjerg Skaarup nu også advoknævnet for, ved deres handlinger at dække over den kriminalitet som her Jyske Bank koncernen står bag. I kan jo fører en injurier sag mod klager og sagsøger for bagvaskelse af advokat nævnet, i så fald. Jeres formand Martin Lavesen fra DLA Piper Advokater, ikke som jeg skriver har valgt, fortsat at advoknævnet skal dækker over de kriminelle advokater, som er medlemmer af advokat samfundet. Altså når jeg nu angriber advokat nævnet, og siger at i har dirækte valgt at dække over de advokater, som har medvirket til Jyske Bank's Bedrageri mod bankens kunde. (Kunder) Så ved jeg jo godt at i står bag Danmarks mægtigste personer. Men at advoknævnet stikke hovedet i Jorden, og benægte kendsgerninger, så som at Jyske Bank A/S laver dokumentetfalsk og laver bedrageri samt bruger bestikkelse, og mere til. Hvilket Lundgrens advokater lod sig bestikke, til at dække over den organiseret kriminalitet som Jyske Bank A/S står bag. Igen for også at dække over, at Lund Elmer Sandager advokater, direkte har været medvirkende til Jyske Banks forbrydelser har kunne fortsætte. Har i slet ikke forstået at jeg kæmper mod korruption og bestikkelse samt det kammerateri, i benytter jer af for at beholde jeres magt i samfundet. Jeg kæmper for at stoppe dette vanvid der har styret Danmark i alt for mange år. Og det eneste i skal gøre er at overholde lovgivningen og opfører jer anstændig over for befolkningen.

Strafferet

Svig af en vis grovere karakter er kriminaliseret i en række forbrydelser. Den mest almindelige svigsforbrydelse er bedrageri. I nogle få tilfælde indgår ordet svig i forbrydelsens navn, fx mandatsvig og skyldnersvig. I mange andre tilfælde er det imidlertid også strafbart at opnå noget ved at besvige, snyde eller vildlede andre. Ved retsreglerne om åger har man ønsket at beskytte personer, som er særlig udsat for at blive snydt. Det er strafbart ved svig at få nogen til at undlade at stemme til valg til Folketinget eller til kommunalvalg. I nogle tilfælde består forbrydelse i forsøg på at besvige en anden, fx dokumentfalsk, der består i at prøve at snyde nogen med et falsk dokument.

Vi gentager

Vi går i retten mod jyske bank grundet GROFT SVIG MOD OS.

At jyske bank nægter at kommunikere, eller bare svare, er uforståeligt.

Det er grænsesoverskridende at lægge alt frem om sin egen person.

Som sygdomme, økonomiske forhold, og vise hvordan jyske bank gentagende har løget for at kunne snyde og bedrage.

At jyske bank har løget og villedt, for at besvige kunder for millioner, er der ikke tivl om.

Du kan se lidt bilag på linket her.

Vi stolede på at jyske bank, var ærlig hæderlig og troværdig, som jyske bank selv påstår
Sandheden er dog en anden.

Og nu skal vi i retten imod 100 af Danmarks højt uddannede advokater,
der af jyske bank nok har fået en blanko check i honorar, til at få gjort svig lovligt .
Vi har beviserne i orden, mener klart at kunne bevise at jyske bank laver bedrageri,
I retten er det svig svig svig osv[/caption]

Havkatten [Jyske Bank]
Hej Carsten

Havkatten her er meget enig med dig i, at dialog er vejen frem. Vi er altid meget glade for alle typer spørgsmål - også de kritiske - og vi svarer alle så hurtigt, vi kan. Eller næsten altid, kan man sige. For når der er en verserende retssag, kan og må vi ikke kommentere på den, selvom vi bliver spurgt. Så er det kun juristerne, som svarer. **Men de vil jo ikke svare**

Vi håber rigtigt meget, at alting lander godt og snart.

Venlig hilsen Havkatten

Der er så meget jyske bank siger, men det med dialog og åbenhed, passer ingen steder, jyske bank har forsøgt at køre os trætte i over 2 år, og nægter at svare på, forholdsvis ikke var kendte da vi anlagde sag mod jyske bank, en sag der var nærliggende bliver til SVIG & FALSK

Jyske bank skriver selv at dialog er vejen frem.
men her nægter jyske bank altså at tale med os.

When several authorities in Denmark cover the crime that Jyske Bank is demonstrably behind.

Then it is not just a problem of legal certainty.

It is probably Denmark's biggest scandal in history, which only one man Carsten Storbjerg alone has investigated, and at the same time had to fight against the corrupt Lundgren's lawyers, whom Jyske Bank paid Lundgren there, did everything to lose the case against Jyske Bank.

It is no longer so much about that case, but more and more about Denmark being ruled by corruption and camaraderie.

Why else do you think all the authorities and Jyske Bank and their lawyers are trying to kill Carsten Storbjerg with silence and contemporary cover over the crime Jyske Bank is behind. [/caption]

See the danish lawyers and banks during fraud. Although the big Danish banks make a lot of money on money laundering. Then Danish banks like Jyske Bank can also make documents false, and fraud crimes in the million class. In Denmark, a customer has found evidence that some Danish banks, both using counterfeiting, as well as lying to the court, to disappoint in legal matters. Jyske Bank's customer was surprised that Danish banks like Jyske Bank appear to be using bribery in the hunt for unjustified income, which will result in a loss to the customer. Although Danish politicians, government officials, police, the state know very well that some Danish banks have a very difficult time understanding and complying with current legislation, the state nevertheless instigates the many criminal conditions that Danish banks are behind. No Danish banks will be prosecuted Ask yourself why, the management of Danish banks has not been sentenced to prison sentences when there is fraud. And that the largest banks knowingly give customers bad advice, to increase the bank's fortunes We even have a fight against Jyske Bank, which has made millions, to expose the customer to gross fraud. And in our case, Jyske Bank has also used bribery, in the form of a return commission to Lundgren's lawyers, for a large million advisory tasks. Jyske Bank writes to the court that the bank strongly distances itself from using Bribery. BUT IT IS A FACT. The fact that Jyske Bank hires Lundgren's lawyers, shortly afterwards, Lundgren's lawyers were hired to present the client's fraud allegations against JYSKE BANK. So it seemed clear that the management of Jyske Bank is behind the bribery of client's

former lawyers from Lundgrens Not to present the customer's charges against Jyske Bank for million fraud. When the Attorney General refuses to allow banks such as Jyske Bank to investigate charges of fraud and document fraud. Then it is possible that the members of Freemasonry are behind. That the Danish state, which during the economic crisis, has supported several Danish banks with many auxiliary parks. So, afterwards, they don't care what Danish banks do about illegal conditions, one wonders. We ourselves have had to hire a new lawyer for the third time, after the Danish bank we have sued, and charges of fraud, are suspected of having bought and bribed our first two lawyers, not to show the court, our evidence or some of our allegations against Jyske Bank. READ ON BANKNYT DK AND EVALUATE YOURSELF ABOUT: THE DANISH BANK JYSKE BANK HAS PAID BIRTH TO LUNDGREN'S ADVOCATES. NOT TO PRESENT OUR CLAIMS TO JYSKE BANK FOR MILLION FRAUD BUSINESS Otherwise, ask Lundgren's lawyers and JYSKE BANK in Denmark WHY THE CASE IS HERE
