Jyske Bank, which has been accused of extensive crime, is powerless in the face of the former customer, who openly writes about the Bank's many different crimes.

Unique collector's item, the first Jyske Bank car, which has been an advertisement for the organized fraud, performed by Jyske Bank's many employees since 2015.

With the car comes the right to screw the criminal Danish bank JYSKE BANK A/S, and it is with full documentation of the bank's fraud, repeated use of forged documents, mandate fraud, and the story about why Jyske Bank bribed Lundgren's lawyers, and how Danish authorities, judges and lawyers is cover up the extensive crime that Denmark's second largest bank Jyske Bank exposes customers to.

The Jyske Bank's board and management CEO Anders Dam and the Legal Director Martin Skovsted-Nielsen wrote on 11 August 2023.

Whom Jyske Bank's employees at least by Nicolai Hansen together with Jeanett Kofoed-Hansen exposed to cunning fraud.

**The legal director of the criminal Jyske Bank Martin Skovsted-Nielsen wrote that:**

If I do not remove the shared evidence of Jyske Bank's extensive criminality, which I have shared publicly since February 2016.

Then the bank have intended to investigate Jyske Bank's optionsa, against the former customer.

There will soon be copies of several translated and shared emails to Jyske Bank, and to the Danish authorities, as well as mails to the parliament and the Prime Minister Mette Frederiksen, and others, so you can easily get a good overview of the extensive corruption in Denmark" or Camaraderie. " in Denmark which is the same.

Please note that the Danish legal community, as well as members of large Danish legal firms such as Kromann Reumert lawyers, Horten lawyers, Lundgrens lawyers, Lund Elmer Sandager lawyers with the nickname "LES", as well as employees of the Danish Courts, are involved in doing subversive activities against Legal certainty in Denmark, which is to cover up the extensive crime that several employees in the Jyske Bank group, together in union are demonstrably behind.

The Danish population must turn to the banks' crime as long as the Danish government and the state through the prime minister choose to let banks defraud their customers.

18-09-2023. 13.01. Dear Jyske Bank group, dismiss CEO Anders Christian Dam, and admit to violation of Section 11 of the Land Registration Act, and give me a written apology, and then talk to me, so that together we can resolve our small but funny conflict, it only take 5 minutes, to find solution, but clearly Anders Dam must be thrown out of the Jyske Bank group as he is the reason for my advertisements about Jyske Bank's many violations of the law.

Draft letter, and that with extensive information about Jyske Bank's many crimes, which several lawyers, judges and authorities together with the government cover up, a scandal that could close Denmark's second largest bank, Jyske Bank A/S, if the Danish government and authorities stop cover up the Jyske Bank's many offenses against customers of the bank.

To date, the Danish state and government, with the Prime Ministers Lars Løkke Rasmussen and Mette Frederiksen who have known about Jyske Bank's many violations of the law since at least May 2019, have done nothing, i.e. apart from covering Den Danske Bank, Jyske Bank's crimes or offenses.
