Til erhvervsstyrelsen og Erhverv Nævnet

Klage over at Erhverv styrelsen ikke har registeret lovlig anmeldte vedtægter for selskabet Banknyt Holding APS cvr. 32443206 som X21-DD-02-VY

TIL OPLYSNING

Klage over at Erhvervsstyrelsen ikke har registeret lovlig anmeldte vedtægter for selskabet Banknyt Holding APS cvr. 32443206 som X21-DD-02-VY

Jeg kan se det koste 4.000 at klage for at ens vedtægter står på Erhvervsstyrelsens hjemmeside, hvilket jeg ikke ønsker at betale for at selskabets vedtægter fremgår på styrelsens hjemmeside.**Jeg kan ikke hamle op med kammerateri, der alene har til formål at dække over Jyske Banks Bedrageri.****At erhvervsstyrelsen har brugt over 200 dage på at finde et påskud for ikke at indskrive selskabets vedtægter på erhvervsstyrelsens hjemmeside, anses som en del af det kammerateri der modarbejder min sag mod Jyske Bank A/S for organiseret kriminalitet, hvilket jeg har konstateret selv højesteretsdommere dækker over, registrerings gebyret er betalt med dankort.**Erhvervsstyrels bruger at grunden kan være, at vedtægter kan være en **overtrædelse af straffelovens § 267.**

Erhvervsstyrelsen har ikke bemyndigelse, eller kompetence, til at vurdere om noget er strafbar formål, det kan alene efterforskes af politiet, og kun domstolen alene kan som den dømmende magt, dømme om der er tale om en strafbar overtrædelse, hvilket kan ankes, og sidst indbringes for den europæiske domstol.

Selskabsstyrelsen skriver at det ikke har vedtægts relevans, det som er selskabets formål er, hvilket er en begrænsning af ytringsfriheden.

Erhvervsstyrelsen har på trods af anmodning, ikke dokumenteret noget sted i loven, hvori der står at selskabet ikke må have vedtægter der her til hensigt at stoppe Bankers brug af bestikkelse, og ikke mindst brugen af dokumentfalsk og bedrageri, som her hvor den kriminelle danske bank Jyske Bank A/S beviseligt har udført, der som er skrevet.

Selskabet har vedtaget disse vedtægter, uanset Erhvervsstyrelsen nægter at indskrive disse vedtægter på erhvervsstyrelsens hjemmeside, så er det selskabets formål, hvilket der ikke bliver ændret ved, men mindre en domstol dømmer at det er ulovligt at have disse vedtægter.

Selskabet der skal hjælpe Storbjerg Erhverv APS med at reklamere imod Jyske Bank A/S har lovlige vedtægter, uanset at også Erhvervsstyrelsen forsøger at stoppe min ytringsfrihed, som her er indskrevet i vedtægterne.

19. Alle har ret til at have sin egen mening og ytre den. Du må tænke og sige, hvad du vil – og søge og udveksle information og ideer med andre.

Selskabet har alene lavet vedtægterne som Erhvervsstyrelsen foreskriver, at de er beskrevet uden at være udtømmende.

I regnskabet side 4, som er vedhæftet er det selskabets formål kort beskrevet.

Ledelsesberetning. 2021. til generalforsamlingen og regnskabet af 31-12-2021. Selskabet har til formål, også at hjælpe med at føre sag mod Jyske Bank A/S hvilket er fremlagt som Ond Tro, Svig og Falsk.

Men reelt er sagen omhandlende Bedrageri, Dokumentfalsk, Udnyttelse, Vanhjemmel, Mandatsvig, fuldmagts misbrug, og også Jyske Banks brug af bestikkelse af selskabets tidligere Lundgrens advokater.

Selskabet har indsendt nye vedtægter af 8 april 2021. til erhvervs styrelsen disse er blevet opdateret med en ny anmeldelse 1 juli 2021.

Efter rykkere til Erhvervsstyrelsen har disse over 200 dage efter, afslået nye vedtægter, selskabet formoder det skyldes at der er et kammerateri, der har til hensigt at dække over Jyske Banks svig forretninger.

Selskabet har lavet disse vedtægter af 1 juli 2021, og arbejder efter disse vedtægter, for at stoppe korrupsion og bestikkelse i Danmark, der vil blive klaget over afslag de det også ses som at være for at stoppe ledelsen ytringsfrihed.Vedtægter formål indsendt for: Banknyt Holding ApS

Hvis Erhvervsstyrelsen mener at der er overtrædelse af straffelovens § 267, skal Erhvervsstyrelsen deslige med Erhverv Nævnet opfordres til at lave en politianmeldelse af selskabets vedtægter der er vedtaget sidste år 2021. og lovlig anmeldt, i kan hjælpe Jyske Bank og deres advokater lige så meget i vil, men det stopper ikke, kampen mod den korrupsion og det kammerateri som myndighederne er del af.

Kopi af dagens mail der er delt med pressen, på google engelsk, hvis der er nogle der indsigelser så kan de bare komme.

med kop til PRESSEN der er oplyst om kampen mod den organiseret kriminalitet som danske banker står bag, sammen med korrupte advokater,.

Hvis Selskabsstyrelsen mener selskabets vedtægter, som er lovlig anmeldt er en strafbar handling, som i skriver med henvisning til § 267.

§ 267. Den, der fremsætter eller udbreder en udtalelse eller anden meddelelse eller foretager en handling, der er egnet til at krænke nogens ære, straffes for ærekrænkelse med bøde eller fængsel indtil 1 år, jf. dog §§ 268 og 269.

Så venligst lav en politianmeldelse, da alt jeg skriver kan dokumenteres, og løbende er skrevet alle nævnte.

Jeg har selv uden held forsøgt at lave en politianmeldelse, netop for at konstatere om jeg overtræder § 267, men politiet ønsker ikke at lave en kvalitets kontrol.

Her er en link til politiet.

<https://politi.dk/anmeld-kriminalitet>

Men hvis vedtægterne er ulovlige, så anmoder jeg om dokumentation, først derefter vil de blive ændret.

Kopi til statsministeret og Statsminister Mette Frederiksen som jeg jo skriver er medvirkende til at dække over disse omtalte forbrydelser udført af Jyske Bank.

Med venlig hilsen

To the World press.

And

Jyske Bank, Lundgrens, Lund Elmer Sandager and the danish state, and more.

The matter is actually quite simple.

Whether Jyske Bank and their supporters, including the Prime Minister and Prime Minister Mette Frederiksen, are afraid that the consequences of Jyske Bank's extensive crime will cost Jyske Bank a license to operate in Denmark if the Danish Financial Supervisory Authority and politicians stop covering up Jyske Bank's fraud uvist.

But I can guarantee you all that I am not afraid of any of you, regardless of whether Corruption and camaraderie have infected even the Danish courts.

What I write is the truth, and the reason I share with the foreign press is that Denmark is a corrupt country, which companies such as Jyske Bank and Lundgren's lawyer partner company have emphasized.

My contact attempts are due to Anders Christian Dam who for Jyske Bank is an unworthy leader who harms not only Jyske Bank, but CEO Anders Christian Dam is also to the detriment of Denmark if he is not able to talk to me and correct.

Although you probably still all laugh at me, and do not think I can prevent Danish companies and companies from using corruption to cover up fraud, I have a task, namely to warn other nations and authorities that Denmark is a corrupt country

Jyske Bank's employees at Nicolai Hansen and Jeanett Kofoed Hansen, started what is supposed to be a large million scams against Jyske Bank's customer.

It was after Nicolai Hansen and Jeanett Kofoed Hansen in 2008/2009 had made forged documents, and misused an old expired power of attorney, to cover up that Jyske Bank in 2008 has made and started an interest rate SWAP of 4,328,000 dkk, and there for a loan 4.328.000 dkk that do not exist.

These 2 employees Jeanet Kofoed Hansen in Jyske Bank, then received help from Casper Dam Olsen and Anette

Kirkeby, who by exploitation and coercion helped

Jeanett Kofoed Hansen and Nicolai Hansen with Jyske

Bank's fraud directly against Jyske Bank's own

customer.

Jyske Bank has continued the bank's fraud, with the

help of lawyer Morten Ulrik Gade from Jyske Bank, and

with the help of Philip Baruch from Lund Elmer

Sandager lawyers, who was also a board member of Jyske

Bank.

Both Morten Ulrik Gade and Philip Baruch have lied to

the bank's customer, and in 2013/2014 lied Morten

Ulrik Gade in money to the Institute Appeals Board,

and again in 2015/2016 lied Philip Baruch to the

court, that the customer has taken out an underlying

loan for the SWAP Jyske Bank started 30 December 2008.

The plaintiff and customer of Jyske Bank, have

repeatedly and since 2013. asked about the case and

written both Morten Ulrik Gad, Philip Baruch.

Although a customer of Jyske Bank also in May 2016

wrote directly to Jyske Bank's CEO Anders Christian

Dam, and asking Anders Dam directly, to document that

the plaintiff and the customer of Jyske Bank have

borrowed the 4,328,000 dkk

A loan that Jyske Bank has raised 5.32% in interest,
since 30 December 2008.

Neither Morten Ulrik Gade, Philip Baruch nor CEO
Anders Christian Dam, would answer the customer, and
thus refuse to document, that the customer has
borrowed the 4,328,000 dkk the loan that Nicolai
Hansen wrote in February 2010. had been raised, and
that this loan of DKK 4,328,000 had been exchanged for
interest with an interest SWAP in Jyske Bank of the
same amount of DKK 4,328,000.

A loan which Nicolai Hansen and Casper Dam Olsen
together, in January 2012 wrote to the customer, that
the underlying loan had been changed.

The customer who in 2016 does not know that the Jyske
Bank Group, with the help of several employees, is
behind extensive and organized crime against the
bank's customer, is somewhat surprised when he
discovers that Jyske Bank has deliberately and
dishonestly exposed the bank's customer to million
frauds.

The customer only succeeds and first discovers Jyske
Bank's extremely organized and highly cunning fraud,
after receiving a response 18 October 2016 from
Nykredit Copenhagen.

So when Mette Egholm Nilsen replied on 18 October 2016

that there is no loan of DKK 4,328,000 in Nykre dit,
the customer in Jyske Bank knows that Jyske Bank has
for many years exposed the customer to extensive and
cunning fraud.

Jyske Bank, which is cynical and as the case shows,
makes a good living from cheating and deceiving the
bank's customers.

In the case BS-402/2015-VIB, Jyske Bank will have the
word of the court, that the customer should have
discovered Jyske Bank's fairly organized crime, and
that it should be within the first 3 years.

Jyske Bank and their board of directors, by CEO Anders
Christian Dam, and with the help of Lund Elmer
Sandager, who ther repeatedly have presented false
information to the court.

Are fighting alone to keep the millions of DKK. that
Jyske Bank have stolen by use of false documents,
fraud, power of attorney abuse, exploitation, and
mandate fraud.

Jyske Bank have stolen from their client.

This of Jyske Bank's theft and fraud, was started and carried out by Nicolai Hansen, Jeanett Kofoed Hansen, Casper Dam Olsen, Anette Kirkeby.

Jyske Bank's current lawyer, such as Kristian Ambjørn Buus Nielsen from Lund Elmer Sandager's lawyers, does not believe that Jyske Bank's use of the document false, and that Jyske Bank has in bad faith, lied, and misled the client, and that Jyske Bank has bribed the client's former lawyers "Lundgrens", in order for these Lundgren's lawyer partner companies to keep the client, and the client's plaintiff against Jyske Bank out of the case.

When there are several people who stand together behind Jyske Bank's crime, then it is an organized crime which is carried out in association, these are aggravating circumstances.

But when the Danish state and government, the Prime Minister office, and the Prime Minister Mette Frederiksen, together with the Danish Financial Supervisory Authority, the Ministry of Finance, the Ministry of Justice, Denmark's Nationalbank, the Public Prosecutor's Office, and the National Police.

Which everyone here, who knows about Jyske Bank's organized crime, together covers the crime Danish banks that Jyske Bank is behind.

And members of the lawyer mentioned also cover, here have partner in Hjorten lawyers, and partner in Kromann Reumert lawyers, and also participating employees in the National Board of Justice, as the Supreme Court Judge Kurt Rasmussen, which are some of those who deliberately and dishonestly cover the Corruption that exists in Denmark.

Here i point out that, Jyske Bank has bribed Lundgren's lawyers not to present the client's fraud and false plea against Jyske Bank, which Lundgren's lawyers had been hired to present in the client's case against Jyske Bank.

I know I can not stop Jyske Bank's organized crime,
and I can not possibly stop the Corruption / bribery
and camaraderie used in Denmark, but I can write and
warn other nations that Denmark is a corrupt society
where the Danish state and government by Prime
Minister Mette Frederiksen covers the economic crime
that large Danish companies are behind, with reference
to the second largest Danish bank Jyske Bank.

I would like to inform that the one Jyske Bank car
that gets new advertisements on, will be parked in
strictly selected places, and must be my contribution
to stop the Danish corruption, and to draw attention
to Jyske Bank's organized crime, which itself Prime
Minister Mette Frederiksen is still covering.

I encourage you to watch my videos which are here on
the course a YouTube channel.

And remember I have only just started, which is to get
in touch and dialogue with CEO Anders Christian Dam
for Jyske Ban, which has been tried since May 2016.

Regardless of what Jyske Bank and their many aides and
board of directors can get away with, it does not
change the fact that Jyske Bank is behind extensive
and organized crime against the bank's customer, which
the Danish state and government cover.

I just want to find a solution to the problem with
Jyske Bank's board and their CEO Anders Christian Dam,
and so that together we can find out how to clean up
and delete div. Bulletin.

You are again invited to dialogue, and you are still
welcome to bring an libel case against me Carsten
Storebjerg Skaarup for libel.

If you think I have not written the truth, this also
applies to Star Minister Mette Frederiksen
and Supreme Court Judge Kurt Rasmussen and partner in
Kromann Reumert Jens Steen Jensen.

But then also Jyske Bank Anders Christian Dam, Lund
Elmer Sandager lawyers Philip Baruch, Lundgren's
lawyers by Dan Terkildsen and all of you others.

If you just come, we can review the evidence in all
presented for Jyske Bank's organized fraud against my
company.

I mention that my lawyer knows I do not want this
case, and Anders Christian Dam you are welcome to call
my lawyer as well, and if you want I will stop my
campaigns.

Then we can all laugh afterwards about this here, but
to date 22 March 2022. no one has dared to talk to me
or answer me, on a solitary inquiry since 2016.

And as for my advertising cars for Jyske Bank's fraud,
they have been driving since 2016, with the
accusations against Jyske Bank for million fraud, and

the use of document false, Philip Baruch wrote about it to Lundgren's lawyers and Dan Terkildsen and the court on 1 February 2019, but me who is behind dry in obviously not accuse of lying, you get here a few pictures with the car where the videos from on Saturday to Advokat mentioned, Jyske Bank, the Prime Minister and Lundgren's lawyers are recorded.

https://youtu.be/tCr9-90xt_U

<https://youtu.be/gSQEnLaSZoc>

<https://youtu.be/Cr3Q1pkuYp8>

Anders Christian Dam and you and others in you just have to ask me nicely to stop making campaigns against Jyske Bank and they have helped Jyske Bank with the bank's fraud and or cover up the bank's organized crime, then I stop, without DIALOG my campaigns grow .

If there are any of you who have objections to what I write, then finally write to me, and write what you or you disagree with, then I offer to come into your office where we can review what I have written together, and go through my documentation and my evidence, if I have made a mistake I will immediately correct.

It only requires that you who have received my emails and letters with documentation of Jyske Bank's

organized crime, that you reply to some of what I have written to you all since May 2016 and to the Danish state and government since 1 May 2019.

Including

Jyske Bank, Lund Elmer Sandager lawyers, and to the Prime Minister and Prime Minister Mette Frederiksen, the government and former Prime Minister Lars Løkke Rasmussen, to the Folketing, the Legal Affairs Committee, the Danish Financial Supervisory Authority, the Ministry of Justice, Danmarks Nationalbank, the National Board of Justice, the Public Prosecutor's Office, ATP pension and many more, the answer to a single inquiry.

But instead, you all cover up Jyske Bank's organized crime, it's a huge scandal and you should be ashamed.
