Jyske Bank A/S
Vestergade 8-16.
8600. Silkeborg.

At the CEO Anders Christian Dam.

Read the mail 7. jul. 2023 02.40.

And understand, that I have offer the Danish Bank, Jyske Bank A/S.

An agreement on peace.

I promise that if Jyske Bank's management, Anders Christian Dam, Niels Erik Jakobsen, Jacob Skovhus and Per Schnack wish it.

Then I will stop writing more, and will instead start with the clean-up that I understand we can agree on.

I have written to Jyske Bank many times and suggested peace.

Although Jyske Bank has not responded to some inquiries, where I offer peace and clean-up.

I do not stop with seeking peace, and suggest Jyske Bank to make a peace document.

If Jyske Bank makes an agreement, that means I will no longer write about Jyske Bank's business, and that I will stop writing my diary and history.

And if I agree with the document Jyske Bank presents for my signature, so I would like to emphasize, that if the content is written in understandable Danish.

And if I agree with what Jyske Bank writes, I will sign the document.

So again.

I say to the Jyske Bank group, if you create a document that stops further writings, and make sure that Jyske Bank has signed, then I will read the document, and if I agree with the content, I will sign, and start cleaning up, i.e. deleting, and I will not speak of this matter again.

I have already drawn attention to the problem of corrupt lawyers and judges in Denmark, and Jyske Bank's violation of the Property Registration Act, the Penal Code, the Contracts Act, the power of attorney rules, and more.

Jyske Bank itself is only a minor part, of the corruption I am writing about.

So if Jyske Bank nor would have me to write about corruption, that the state is actually a part of.

Then Jyske Bank is welcome to register this, in the peace agreement.

That I not write more about Horten lawyers, DLA Pipper lawyers, Kromann Reumert lawyers, and many more.

I must of course have the right to be able to defend myself in every respect, if someone wants to claim that I have written untruths.

So if Jyske Bank's management wants peace, then you all know my proposals and positions, and Jyske Bank makes this peace agreement, and I can approve the content, so sign and immediately start deleting pictures, videos and other things shared on the web.

If there is no one who wants to raise the problem, with corrupt lawyers and judges in Denmark, then Jyske Bank can choose to make a peace agreement so that I keep my mouth shut, or that Jyske Bank contacts the police and requests an investigation of my evidence and accusations.

Again, I make it clear that if any of you think I have misunderstood something, please correct me.

I want this writing to end, so plise arsk me to.

ITS YOU CALL.

If you want me to stop writing.

As Maersk is one of Denmark's largest companies, the danish authorities should ask Maersk, if the shipping company has the courage to operate in a state, where the state itself is part of the corruption.

And it's not the Mink Case I'm writing about.

I would like to share evidence with the People's Republic of China here.

**Øregårds Allé 25,
2900 Hellerup**

Evidence and information, about the Danish state and the government are covering Denmark's second largest bank's use of fraud, bribery, forgery, abuse of power of attorney, and other abuse of ther power in connection, with the bank's violation of the provisions of the Criminal Code.

And to announce that a several employees from the district court, the Supreme Court, Kromann Reumert lawyers, Horten lawyers, DLA Piper lawyers, Lund Elmer Sandager lawyers, Lundgren's lawyers have actually all contributed to organized crime.

As those who have demonstrably covered up corruption, and other criminal matters, and those who have opposed the rule of law, and have opposed justice, prevented the investigation of the organized crime that Jyske Bank A/S is demonstrably behind.

It is a fact, that since April 2019, I have continuously written, and shared information with the Danish parliament, and with the authorities, that must ensure that Danish banks comply with the law.

I have continuously shared information and documents with **the legal community**, "advokat samfundet."
Which should ensure that everyone has the right to decide on their own legal case.

<http://banknyt.dk/04-01-2023-here-at-banknyt-you-will-find-here-the-total-shared-documents-that-have-been-shared-to-one-extent-or-another-over-the-years-from-2016-to-2023-documents-are-both-in-danish-and-english/>

Here I want to share documents, that support my posts, **that the Danish state is a part of the corruption among Danish authorities**, which judges and partners in large Danish law firms are directly involved in.

I have here shared some of the emails, that I have written to Denmark's Nationalbank, the Danish Financial Supervisory Authority, the Ministry of Justice, the Danish Courts Agency, the Government, the Prime Minister's Office, Kromann Reumert, Horten, Lund Elmer Sandager, Lundgrens.

www.banknyt.dk

<http://banknyt.dk/05-06-2020-appendix-list-to-the-complaint-against-lundgrens-lawyers-for-being-bribed-not-to-submit-their-clients-claims-against-the-jyske-bank-group/>

This is an act of undermining the legal security of the Danish people, which the prime minister is passively involved in covering up.

Please note that **no one**, has responded to not even one of my many inquiries.

I have called for a review of my evidence since 2019.

No one has wanted to answer me, as the government wants to cover up Danish organizations that, like the Jyske Bank group, are behind extensive crime and violations of the law.

The state's silence can only be due to the fact, that the Danish State is covering up the criminal Danish companies in which the state has financial interests. In that the state is complicit in subversive activities against the legal security of the Danes, I would like to personally present to the ambassador.

Dear everyone who is on this email.

It is letters and emails with texts like this, that I will send to every embassy in Denmark, and with a copy to the respective governments.

Before I make the first letters with documentation, I ask if any of you have any corrections to what I have written on www.banknyt.dk and elsewhere.

If you have corrections, please call me.

If you would like to meet with me, so that we can review my documentation for Jyske bank's criminal law violations, please call me.

If you want me not to share documentation with other nations, for Jyske bank's many offences, call me.

Anders Dam and Remember with regard to the letter your board member Philip Baruch wrote on February 1, 2019, to Lundgrens, where Jyske Bank accused me of committing criminal acts, please enter in a peace agreement that this was not the case.

Or that we hold a meeting about the content of Jyske Bank's accusations against me.

Do you agree with everything I have written, and want me to do all the advertising I want about Jyske Bank's fraud, and that the Danish state is aware of Jyske Bank's organized crime, which the Prime Minister ther is contributor in covering up, and that they are doing subversive activities against the Danes' legal certainty.

Then you have the opportunity to reply and tell me that you will be happy if I stop writing.

I have urged Jyske Bank's manager to draw up a peace agreement, or a draft that we can sign, the bank is silent.

Udenrigsminister Lars Løkke Rasmussen

Kære Lars Løkke Rasmussen, jeg skrev første gang april 2019. da du var Danmarks statsminister.

Jeg delte oplysninger med dig og Folketinget om Jyske Banks mange lovovertrædelser.

Oplysninger og dokumentation du valgte at ignorere.

Siden har jeg fremlagt regeringen ved statsminister Mette Frederiksens, oplysninger om Jyske Banks brug af bestikkelse.

Og senest at Jyske Bank igen har overtrådt tinglysnings loven.

I den forbindelse mener også at Jyske Bank har overtrådt grundlovens paragraf 73.

Alle oplysninger findes delte i min dagbog www.banknyt.dk

Lars Løkke Rasmussen du er blandt dem med magt, og som har valgt at ignorere alle mine henvendelser.

Jeg vil dele oplysninger og dokumenter for Jyske Banks mange lovovertrædelser med samtlige nationer, hvor jeg giver meddelelse at den Danske stat dækker over Jyske Bank, og dermed modarbejder befolkningens retssikkerhed, når danske banker laver bedrageri.

Jeg vil undlade at foretage mig disse henvendelser til de udenlandske ambassader, såfremt staten, regeringen og Jyske Bank koncernen giver ønske herom.

UDENRIGSMINISTERIET er ikke en del af mine oplysnings kampagner om korrupion i Danmark.

Jeg formoder at Udenrigsministeriet er fuldt ud bekendt med at Jyske Bank koncernen gentagne gange har vist, at banken ikke ønsker at overholde reglerne for at kunne drive finansiel virksomhed.

Dette er blot en orientering, hvis i eller andre i regeringens måske Statsminister Mette Frederiksen har spørgsmål eller kommentarer måske rettelser.

Så vil jeg gerne have et møde, for gennemgang af mine dokumenter der viser og understreger at Jyske Bank bør fratages retten til at drive finansiell virksomhed i Danmark.

Inden jeg skriver til samtlige ambassader, vil jeg gerne opfordre Jyske Bank koncernen til dialog, så det ikke bliver nødvendigt.

Dette med dialog og en fredsftale mellem Jyske Bank og mig, hvilket Anders Christian Dam helt klar over er det jeres arbejder for.

Med venlig hilsen

I am not naive, and I know that I cannot stop corruption in the Danish State alone, therefore I need your help to share my many information about the Danish criminal bank, and in particular information about the Danish Prime Minister, Mette Frederiksen there refuses to launch an investigation into the corruption, that the Prime Minister herself is instrumental in covering up, by ignoring all my meeting requests, as I want to present documentation to the government, about Jyske Bank's extensive offenses. Would you for me to contact the Danish Prime Minister stm@stm.dk, and say that I want to have a meeting with the Minister Mette Frederiksen, regarding Jyske Bank's organized crime. The Bar Association in Denmark, with the chairman and Supreme Court Judge Kurt Rasmussen, and the Martin Lavesen Managing Partner in DLA Piper has helped cover up the corrupt Lundgrens lawyers, and contributed to undermining legal certainty for the population.

Where the management, such as Supreme Court judge Kurt Rasmussen and Martin Lavesen DLA Piper, have deliberately and dishonestly worked to undermine the Danes' legal certainty, by depriving the client of self-determination, and depriving the client the right to a fair trial.

Since the Danish Government has major financial interests in the opposite party, the criminal Danish bank Jyske Bank.
