DET ER EN OVERTRÆDELSE AF TINGLYSNINGS LOVENS PARAGRAF 11.

Jyske Bank A/S
Vestergade 8-16
8600 Silkeborg

Der er forår i luften og bilen der i daglig tale i gennem de seneste 8 år. er bedst kendt under navnet Jyske Bank bilen skal ind og stå i København igen.

Har Jyske Banks direktion noget særligt ønske til hvor bilen bliver parkeret, så fremsæt jeres ønsker til mig på 22227713.

Jeg har skrevet til jer mange gange, og ikke en enste gang har nogle af jer ville svare mig.

DET ENSTE JEG ØNSKER FRA JYSKE BANKS LEDELSE S SIDE ER.

At Jyske Banks ansatte og advokater anderkender loven, og at Jyske Bank A/S og dennes medarbejdere, samt advokater holder op med at lyve i noget som helst sammenhæng.

Jeg vil tillade mig at gentage det som jeg mange gange har sagt og skrevet.

JYSKE BANKS DIREKTØR OG BANKENS DIRKTION, JEG ØNSKER AT BANKEN INDRØMMER OVERTRÆDELSE AF LOVENS BESTEMMELSER.

OG AT JYSKE BANKS DIREKTION OG BANKENS DIREKTØR CEO LARS STENSGAARD MØRCH STARTER MED AT INDRØMME OG UNDSKYLDE FOR.

At Susanne Sørensen for Jyske Bank Servicecenter Silkeborg har lavet overtrædelse af tinglysningslovens bestemmelser, nærmere bestemt Pragraf 11.

Derudover har jeg for nok.1 til 2 års tid siden stillet forslag til koncernledergruppen, Jurdisk, direktion, bestyrelsen at banken gennemgår de lovovertrædelser som jeg har fundet dokumation for at Jyske Bank A/S står bag.

Jeg skal henvisnise til de første joutube videoer af maj 2021, hvori jeg siger at Jyske Bank har lavet dokumentfalsk og bedrageri, hvilket Jyske Bank er bevidste om.

Jeg har ligeledes kontinuerligt givet Jyske Bank koncernen opfordringer til, at vi sammen kunne gennemgå det jeg har skrevet siden 2016, og som er delt i min dagbog, hvis der er sket fejl eller misforståelser har jeg tilbudt at rette, og slette det som eventuelt kunne være forkert, Jyske Banks advokater ved Martin Skovsted-Nielsen, direktion ved CEO Anders Christian Dam, og også Lars Stensgaard Mørch sammen med de øvrige advokater og Ledelses medlemmer har ikke svaret.

Alt som jeg har skrevet i dagbogen eller på de reklame søjler som jeg privat bestemmer over, brugs til at skrive min afhandling om Jyske Banks lovovertrædelser eller om bankens forretnings metoder.

DET ENSTE JYSKE BANK SKAL GØRE FOR AT JEG VIL VÆRE TILFREDS, OG FULDT UD KONCENTRERE MIG OM MIN AFHANDLING OG HISTORISKEN OM JYSKE BANKS FORRETNINGS METODER.

ER AT BANKENS DIRKTION GIVER INDRØMMELSER, OG DER STARTER MED AT INDRØMME.

At Jyske Bank A/S at indrømme og undskylde for at Susanne Sørensen uden samtykke har lavet forandring af mit private pantebrev, hvor Susanne Sørensen I den forbindelse mod den instruks som jeg har skrevet til min tidligere Bankrådgiver Tina Agergaard, og som blev delt med Jurdisk afdeling ved Morten Ulrik Gade, samt også blev delt med Jyske Banks advokater Lund Elmer Sandager.

Her skræv jeg gentagende at Jyske Bank skulle give mig mit pantebrev med pant på 3.000.000 dkk tilbage.

HVIS JYSKE BANK KONCERNEN VED JURIDISK DIREKTØR MARTIN SKOVSTED-NIELSEN STADIG BENÆGTER, MED HENVISNING TIL HANS SVAR PÅ MINE MANGE TIDLIGERE MAILS, HVOR JEG BLOT BEDER JYSKE BANK OM AT INDRØMME OG UNDSKYLDE FOR 1 ELLER FLERE AF JYSKE BANKS LOVOVERTRÆDELSER.

MED HENVISNING TIL AT ADVOKAT OG JURIDISK DIREKTØR SKOVSTED-NIELSEN.

DEN 11-07-2023. SKREV:

AT DET ER IKKE EN LOVOVERTRÆDELSE, AT JYSKE BANK KONCERNEN, **DIREKTE I MOD EJERENS INSTRUKS, UDEN SAMTYKKE.**

SLETTER DETTE 3 MILLION KRONER PANT I EJENDOMMEN.

JEG SKRIVER MED HENVISNING TIL EJERPANTEBREVET, MED PANT PÅ 3.000.000 DKK I DEN FASTE EJENDOM, PANTET DER NU IKKE LÆNGERE EKSISTERER.

GRUNDET AT JYSKE BANK KONCERNEN HAR OVERTRÅDT TINGLYSNINGSLOVENS PARAGRAF 11.

JYSKE BANK A/S DER ER AF DEN HOLDNING, AT DET IKKE ER PANTEBREVS EJEREN DER BESTEMMER OVER SIT PRIVATE PANT, HVORFOR JYSKE BANKS LEDELSE VED DEN JURIDISKE DIREKTØR MARTIN SKOVSTED-NIELSEN AFVISER OG NÆGTER AT ERKENDE OG UNDSKYLDE FOR AT HAVE SLETTET KUNDENS PANT PÅ 3.000.000 DKK. UDEN DEN LOVPLIGTIGE SAMTYKKE.

Jeg skal igen gøre Jyske Bank opmærksom på at jeg ikke ønsker denne her for Jyske Bank uværdige krig om Bankens handlinger, som jeg siden starteden af 2016 i min dagbog www.banknyt.dk har skrevet om.

Jeg gentager igen mit forslag til en fredsaftale, Jyske Banks direktion giver indrømmelser for nogle af de lovovertrædelser jeg i mange år hekt privat har skrevet om.

Og med hensyn til indrømmelser så starter Jurdisk direktør Martin Skovsted-Nielsen på vejene af dirktionen ved CEO Lars Stensgaard Mørch, Niels Erik Jakobsen, Per Skovhus og Peter Schleidt at undskylde for at Jyske Bank har overtrådt tinglysningslovens bestemmelser, nærmere bestemt paragraf 11.

Jeg ønsker kun at dirktionen underskriver en erklæring hvor ledelsen erkender lovovertrædelser, og at vi sammen starter men at enses om at Jyske Bank indrømmer overtrædelse af tinglysningsloven.

Så gennemgår vi sammen de øvrige overtrædelser, og hvilken af disse som Banken ønsker at indrømme.

Dette er gratis og koster ikke andet end 5 minutter af bankens kostbare tid.

Jeg vil dog for andres kunders skyld, bede Jyske Bank at love at koncernens ansatte ikke igen vil lyve over for nogle.

Det min AFHANDLING og bøgerne også handler om er løgn, altså at Jyske Banks ansatte og advokater gentagende er taget i at lyve.

Hvis ikke Jyske Banks Juridiske afdeling og dirktionen mener at Lund Elmer Sandager advokater over for retten i september 2015. og igen februar 2016. Har løjet ved eksempelvis at fremlægge falske oplysninger overfor retten i den sag, som min tidligere virksomhed ved direktøren førte sag i.

Hvis ikke Jyske Banks Juridiske afdeling og dirktionen mener at Jyske Banks ansatte i afdelingen på gammel Kongevej 136 på Frederiksberg løj, da en medarbejder siger at intet af det der står på bilen er sandt.

Den ansatte lyver også da hun 2 gange siger at sagen er tabt i landsretten, hvilket den ansatte siger før sagen overhovedet er blevet berammet.

Hvis ikke Jyske Banks Juridiske afdeling og dirktionen mener at den ansatte Nicolai Hansen har løjet over for kunden at kunden har lånt 4.328.000 dkk for en rentebytte.

Hvis ikke Jyske Banks Juridiske afdeling og dirktionen mener at den ansatte Nicolai Hansen sammen med Casper Dam Olsen har løjet over for kunden at kunden har omlagt det bagvedlæggende lån for rentebytten, under henvisning til rentebytten på 4.328.000 dkk for det bagvedliggende lån på 4.328.000 dkk.

Hvis ikke Jyske Banks Juridiske afdeling og dirktionen mener at den ansatte Jeanett Kofoed-Hansen har lavet fuldmagtmisbrug da hun ved bortfaldet fuldmagt forsøger at optage lån 4.328.000 dkk omkring 1/2 år efter tilbud bortfaldet

Så vil jeg gerne mødes og gennemgå også disse dokumenter, og rette hvis jeg ikke har læst korrekt, som som når jeg har skrevet at Bankens tidligere bestyrelsesmedlem som var partner i Lund Elmer Sandager advokater overfor retten, løj at det fandtes et bagvedliggende / underlægende lån til den rentebytte den sag handlende om.

JEG ØNSKER OG HÅBER ALENE PÅ AT JYSKE BANK KONCERNEN INDRØMMER AT BANKENS ANSATTE OG BANKENS ADVOKATER GENTAGENDE GANG HAR LØJET, SAMT AT JYSKE BANK KONCERNEN HAR LAVET OVERTRÆDELSE AF TINGLYSNINGS LOVENS PARAGRAF 11.

VIL BANKEN INDRØMMER DETTE, OG UNDSKYLDE SAMT LOVE IKKE UDSÆTTE ANDRE FOR DET SAMME, SÅ ER JEG TILFREDS.

Og har Jyske Bank nogle spørgsmål eller rettelser til det jeg har skrevet i dagbogen www.banknyt.dk siden vist 2013. Så ring til mig på +4522227713

Så lad os mødes og sammen gennemgå dagbogen, og har i korrektioner eller rettelser, så tilbyder jeg igen at gennemgå dette med banken, jeg har intet ønske om at skrive andet end mine tanker og sandheden.

Frem til Jyske Bank giver indrømmelser for mindst overtrædelse af tinglysningslovens bestemmelser, og lover at det ikke sker igen, er en advarsel mod Jyske Bank det jeg skriver.

WELCOME TO MY THE DIARY AND STORY ABOUT CORRUPTION AND BRIBERY BETWEEN LARGE DANISH COMPANIES. IN WHICH THE GOVERNMENT, TOGETHER WITH SEVERAL JUDGES AND LAWYERS, ARE DIRECTLY PARTICIPATING IN, BY INDIVIDUALLY COVERING UP THE LAW VIOLATIONS, THAT THE SECOND BIGGEST DANISH BANK IS BEHIND.

This is a WARNING against some of the largest Danish criminal companies, as the Danish Bank JYSKE BANK A/S.

JYSKE BANK BILEN. / About criminal Danish banks and corrupt Danish lawyers. The Banking News. UPDATED LATEST 20-12-2023. Time. 14.00.

I am writing in my diary to emphasize that Jyske Bank's board and management have no interest in complying with the applicable laws and regulations, as otherwise the bank would immediately admit violations of the Land Registration Act, and apologize and promise that Jyske Bank will in future take hard action against the employees who violate the law for Jyske Bank.

That is what I want from Jyske Bank A/S

Jyske Bank er samfunds skadelig, så længe banken laver bondefangeri og vanhjemmel.

Read here some of the e-mails with links to other e-mails that I have sent to the Danish State and Jyske Banks management, without a single one having answered me.

Om this adwadvertisement that was shared 31. juli 2017. Customer would then like to talk to Jyske bank about the bank's use of mandate fraud ,fraud theft usury lies document fake, Jyske Bank's management has never wanted to respond or initiate an investigation to rectify if it was simply a mistake.

Here in my diary, I write about my personal experiences with Jyske Bank A/S, and about those who in Jyske Bank have lied, to cover up the use of forged documents and fraud, most recently it is about the bank's employees having also violated the land registration act.

Jyske Bank is for many years have been invited to review with me the bank's various offences, Jyske Bank's board of directors, management and lawyers have not wanted to talk to me, about the various offenses that I have written about here in the diary at least since 2016.

I have repeatedly suggested that Jyske Bank admit violations of the law, as part of a peace agreement, the Jyske Bank A/S group by legal director Martin Skovsted-Nielsen refuses to admit or apologize for Jyske Bank's violations of the law.

Despite the fact that this is completely free for Jyske Bank, i.e. without any financial costs for Jyske Bank A/S

Jyske Bank's board and management refuse to admit, that the bank has raised interest by an interest rate swap 4.328.000 dkk, on an alleged loan 4.328.000 dkk. that never have existed, where several of the bank's employees chose to lie to the customer, there could not remember after a major brain haemorrhage. “STROKE” which Lund Elmer Sandager Advokater also chose to lie about to the courts.

But now, I just want the Jyske Bank group to admit that Susanne Sørensen in the Jyske Bank service center Silkeborg, on the 26 February 2021 have violated the land registration act. which in my view falls under Document falsification in the penal code, Jyske Bank’s management and CEO refuse to respond to some inquiries.

But now, I just want the Jyske Bank group to admit that Susanne Sørensen in the Jyske Bank service center Silkeborg, on the 26 February 2021 have violated the land registration act. which in my view falls under Document falsification in the penal code, Jyske Bank’s management and CEO refuse to respond to some inquiries.

Everything in my diary is written for use in my dissertation and books about, among other things, Jyske Bank A/S which is a bank where several employees are caught in lying.

Jyske Bank, if you have the courage and dare to meet to review my evidence for the bank’s offences, call me on +4522227713, it will take 5 minutes.

If you find errors or misunderstandings, please let me know and I will correct any errors.

This image for advertising for Jyske Bank was shared here on banking News on 31 May 2018, the same day it was put on the car, it was send in an email to Morten Ulrik Gade for Jyske Bank, with question, if he had anything against this advertisement, Morten Ulrik Gade did not respond at all.

Today, Thursday 18 January, I am picking up my old mortgage deed from the Danish fraud Bank, JYSKE BANK A/S HELSINGOER. **Read the latest email here. of 17 January to the criminal organization**.

And Read my mail from today 18 January to the Danish criminal organization.

It is a serious offense, when an employee like Susanne Sørensen from Jyske Bank A/S service center Silkeborg violates the provisions of the Land Registration Act § 11.

And since neither Susanne Sørensen nor other employees, as well the Bank's many lawyers and others like friends of the bank, ther will not disclose, who asked Susanne Sørensen to violate the law, it is therefore quite natural that I must summoncall in Susanne Sørensen in a lawsuit.

On 12 January 2024. I have notified Jyske Bank's management and lawyers, as well as Legal Director Martin Skovsted-Nielsen of this scandal in the big Danish Bank.

I am in a bit of a doubt as whether I should summon Susanne Soerensen, from Jyske Bank Service Center Silkeborg, as she is one a person, and a face of Jyske Bank.

And Susanne Soerensen is the one, who personally have violated the law § 11 on behalf of Jyske Bank A/S Helsingoer, or whether I should simply summon Regina Hjort Ernstsen from the Jyske Bank branch I. L. tvedesvej no 7. Helsingoer.

14-06-2023. dokumenter der samlet viser Jyske banks overtrædelse af tinglysningsloven, brug af falsk fuldmagt og ved ond tro udsletter pant, mod instruks. samt nok over laver overtrædelse af grundlovenes § 73.

Since the documents in the link above, shows that it must be the Bank adviser Regina Hjort Ernstsen, +4589891778 Jyske Bank Helsingør, who as my Bank advisor, there has given Susanne Sørensen instructions, to delete my mortgage on the property of 3 million Danish kroner, contrary to what the law says.

13-01-2024. ENDELIGT MØDE REFERAT AF 8. JANUAR 2024. I SAG OM JYSKE BANK A/S LOVOVERTRÆDELSE. UDFØRT AF SUSANNE SØRENSEN DER FORETOG OVERTRÆDELSE AF TINGLYSNINGSLOVENS § 11. SAMT HAR LAVET EN MULIG OVERTRÆDELSE AF GRUNDLOVENES § 73.

When Tina Agergaard in the email of 15 January writes that she will send my email to Regina Hjort Ernstsen, as she is my Bank advisor, the fact must be that it is Regina Hjort Ernstsen, who has informed Susanne Soerensen, that shee have to delet the mortgage in the property, which I clearly wrote may not be deleted.

I have not received information about which email address Regina Hjort Ernstsen has, and have therefore written to Tina Agergaard, who was the adviser for my company I had contacted.

I make it here clear, that Tina Agergaard has nothing to do with the fraud, that Nicolai Hansen together with Jeanett Kofoed-Hansen in union, ther in collaboration with Casper Dam Olsen previously for the Jyske Bank A/S group, and have exposed my company to organized crime.

I has repeatedly made it clear, that Tina Agergaard is fully aware of the fact that she is employed in the same department in Jyske Bank Hilleroed, and there works closely together with both Nicolai Hansen and Casper Dam Olsen, those who together in association took part in, and continued the fraud, that Nicolai Hansen together with Jeanett Kofoed-Hansen started back in 2008/2009.

And therefore together in union exposed my “now earlier” company to organized fraud.

Shall I summon Regina Hjort Ernstsen Holmenevej 20, 3140 Ålsgårde, from Jyske Bank Helsingør, as Tina Agergaard from Jyske Bank Hillerød Slotsgade 19. who together with Jyske Bank’s lawyers repeatedly during the period 12 January 2021. Like this mail 15 January 2021. and up to 26 February, continuously had been instructed, that Jyske Bank **was NOT allowed to cancel my private mortgage**. Which Susanne Sørensen Silkeborg on February 26, 2021. in bad faith does anyway.

Tina Agergaard has informed me, that she has received my inquiries about not having to terminate my private mortgage of DKK 3,000,000, by informing me, that Tina Agergaard has forwarded my email to the department at I.L. tvedesvej 7. 3000 Helsingør Regina Hjort Ernstsen, that I today know have given Susanne Soerensen an order to violate section § 11. of the Property Registration Act, and presumably at the same time having committed an act contrary to the constitution.

Jyske Bank Legal and the involved parties from the group will not respond, as they have chosen for employees of Jyske Bank, to stick together in order to be able to cover up the crimes, that the individual employees of Jyske Bank are behind.

Jyske Bank’s employees and lawyers, I have constantly write, that I want my private mortgage deed back, and these inquiries have all chosen by Jyske Bank by to ignore me.

08-01-2024. LINK. Att Danish. The preliminary report of the meeting on January 8. Please respond if Jyske Bank’s management or lawyers have any objections or corrections to my claim to the documents that support Jyske Bank's violation of the land registration act.

Several Danish authorities have already covered up Jyske Bank's many and gross crimes, and since Jyske Bank does not want to talk to me as a victim, of the extensive criminal that has been documented, that Jyske Bank A/S is united by several employees is behind.

I must sue Jyske Bank within 3 years of the offense for the bank's latest known offence.

"It is public knowledge that Jyske Bank aims for the limitation period of 3 years, in order to avoid punishment."

Foto advokatsamfundet. Dommer Kurt Rasmussen.

The court must then state whether it is an violation of law, not to comply with the legislation.

It is a simple case that can document cronyism, i.e. corruption among the Danish judges, or an opportunity for the courts this time to judge according to what is in the law.

I expect that the Danish state and government will continue, to cover up the Danish bank's organized violations of the law, but in that case, this will simply emphasize that Denmark is a state that is governed by cronyism among the most powerful organizations and the criminal Danish enterprises.

Read my letter 5 January time pm 01.12. 2024. to the criminal Danish bank Jyske Bank here, to Legal Director Martin Skovsted-Nielsen, CEO Lars Stensgaard Mørch and to the Danish Parliament. “is in Danish.”

When I says that Jyske Bank is socially harmful to Danmark, which the Danish State itself cooperates with, and with reasonable probability therefore covers up the highly criminal Jyske Bank A/S, knowingly that Jyske Bank have commits organized fraud, uses forged documents, uses exploitation, uses bribery and much more.

Now it is a matter of getting the Danish courts to show how corrupt they are, when the state’s partner Jyske Bank who is working together, in Cort is being accused of violating section 11 of the Land Registration Act.

Jyske Bank A/S has constantly been given the opportunity to admit violations of the law, but the Legal Director Martin Skovsted-Nielsen has simply chosen to deny all Jyske Bank’s offences.

Martin Skovsted-Nielsen.
Jyske Bank.
foto Jyske Bank.

11-08-2023. 14.55. Jeg ønsker kun fred, men også at vi sammen løser hvad vi skal have løst, Hvorfor mødes vi ikke bare over en kop kaffe og gennemgår det jeg har skrevet, jeg vil gerne slette hvad der måtte være fejl og misforståelser.

On 11 August 2023 Martin Skovsted-Nielsen tried to threaten me into silence, by demanding that I sign a dictated agreement between Jyske Bank A/S and me, Carsten Storbjerg Skaarup, stating that I was not allowed to speak about the organized crime in Jyske Bank A/S, which several of the Bank's employees together have exposed customers like me to.

JYSKE BANK threatens me, that if I don't sign, Martin Skovsted-Nielsen and the banks lawyer's will investigate the bank's legal options, I naturally refused to sign the agreement dictated by Jyske Bank's lawyers, as I am in no way afraid of the criminal organization like Jyske Bank A /S is denoted to be.

Then the banks lawyer together with the powerful CEO Lars Stensgaard Mørch and more, chooses to deny any offense of which Jyske Bank A/S is proven to be behind, i have to go to the Danish courts.

Regardless of the fact that I have mentioned that there is corruption among the judges in the Supreme Court, who hold the greatest power in Denmark, and who can freely decide which criminal organizations they want to cover up

Jyske Bank who only seemed wants to talk to those customers, whom the banks employees has exposed to extensive fraud. in the Danish courts, with whom the Danish bank already has a good cooperation with.

It is in this connection, I am forced to summon the Jyske Bank A/S group to get the court's word, that Jyske Bank has violated the law by Susanne Soerensen on 21 February 2021.

This is a case that can emphasize that the Danish courts are in no way independent, when the Danish State's cooperation partners are involved in obvious violations of the law.

Den Jyske svindler, der med statens beskyttelse laver bedrageri og anden kriminalitet.

The Prime Minister's Office Mette Frederiksen.

Legal Director in Jyske Bank Martin Skovsted-Nielsen.

Kollundvej 4. 8600 Silkeborg.

As I have said and written for several years.

I am not afraid of some of you, see the YouTube video.

If Jyske Bank's employees have not lied and broken a single law, then go to the police, and ask them to investigate my many accusations and the shared evidence as here at my diary www.banknyt.dk.

Or you can talk to me, and find a solution, call me on +4522227713.

When Jyske Bank deceives customers, the Danish state says.
Do not see.
Do not speak
Do not hear.
All to cover up Jyske Bank's many crimes.

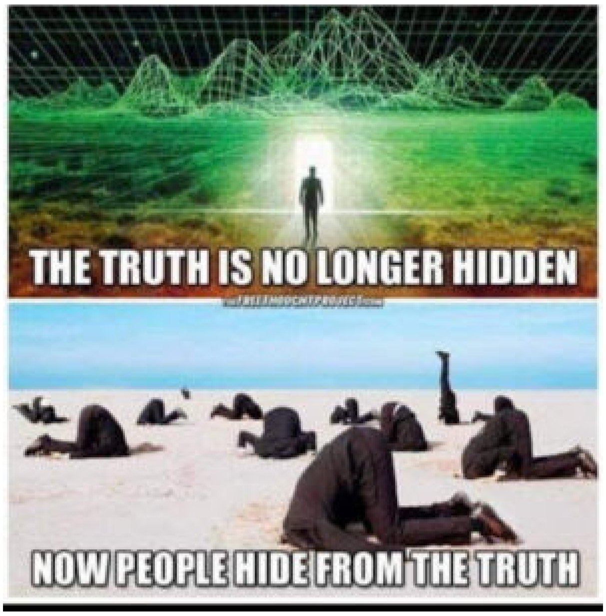
DONATE. To help me, to inform about corruption in Denmark, as well as about the criminality that the Danish by the prime minister Mette Frederiksen, and state covers up, in particular over the Danish Bank Jyske Bank A/S.



Read here my email 30 dec. 2023. In the LINK.

and

Read the attached letter, in this LINK. of 30 December 2023. to Jyske Bank A/S.

SEE here some more sheared letters and mails to Jyske Bank.

And this mail today 30.12.2023. to the Jyske Bank A/S is as well also to the entire Danish State, the elite with the parliament / the government at the head of Justice, who all of them op to this date have ignored all my inquiries, with information about Denmark's second largest BANK, Jyske Banks use of forgery, bribery, fraud, abuse of power of attorney, violation of the Land Registration, Act and much more.

But at this time the Danish criminal Bank is facing their first victim, who partly has full documentation of Jyske Bank's many violations of the law, and who wants to present this evidence to the Danish State as vell as the Government through the Prime Minister Mette Frederiksen.

But dear Jyske Bank, I as the victim of the bank's financial crime, is also wants to draw attention to the corruption that governs Denmark.

Do you or the Danish State have anything to say about that ?.

Read here on Banknyt.dk some of the many posts, that I have shared since 2016, and get a better understanding of perhaps Denmark's biggest business scandal ever.

Its is about Jyske Bank's abuse of ther power to commitfraudcrime, which could actually close the Danish Bank Jyske Bank, if not the Danish authorities, judges and lawyers continue to cover up the bank's crimes.

All those that I have written to, in order to get a meeting, and that I personally want to present the full documentation for Jyske bank's various crimes, all you in my mails have chosen to be passive and silent, and that to all my inquiries.

And as always, if you have corrections for anything, call me on +4522227713

HAPPY NEW YEAR TO YOU ALL.

Jyske Bank lyver, og er bedst i test
Klik ind på **Banknyt.Dk**

Since libel and slander is a serious matter, and can result in up to 2 years in prison, in short if what I write about corrupt Danish companies.

Such as employees in the Danish authorities and courts is covered up organized crime in Denmark. Such as the Jyske Bank A/S is behind fraud, document forgery, bribery, exploitation, power of attorney abuse and other offences, as the management and the board refuse to stop, or to apologize ore excuse for some of the many offences.

I have for several years given the Jyske Bank group and their accomplices to fraud a clear invitation.

File a police report against me and say I'm lying, when i for years have written and talked openly about the organized fraud, that the Jyske Bank group is behind.

I cannot say or write it more clearly than as said in my YouTube videos from the period after May 18, 2021. see them all here.

And ask why not a single one, of those mentioned has responded or commented on just one of the nearly 300 videos. ?.

If not, this is probably Denmark's biggest bank and government scandal, which the Danish state are doing everything to cover up, since Jyske Bank does not live up to requirements to conduct banking business in Denmark.

The Danish State puts Jyske Bank's survival above the people's rights and legal certainty, in order to cover up the criminal Danish Bank JYSKE BANK A/S

Try asking the highly criminal Danish bank, Jyske Bank, why the bank does not dare to make a police report, even if the Danish government "the state." themself is instrumental in covering up the criminal Danish Bank.

Jyske Bank's management and board of directors as well as the legal department, is all know very well that they can say nothing about the truth which I write about, in my opinion in my books about the criminal Danish companies.

If you want to contribute and help me, write about the state-supported economic crime that the Jyske Bank group is behind, please contact me here at this link. or call my +4522227713. Please note that my English is not so good.

But again, if not.
At least Nicolai Hansen, together with Jeanett Kofoed-Hansen, and that again with the help of Casper Dam Olsen, has committed fraud, and if not that a several lawyers in Jyske Bank, including lawyer Morten Ulrik Gade, have helped Jyske Bank A/S to cover up this organized fraud.

So contact the police and ask them about your options, as Martin Skovsted-Nielsen wrote on 11 August 2023. where he wrote that if I did not sign a dictated agreement, the Jyske Bank group would investigate their options.

Now Jyske Bank refuses to talk with me, and that not a single one have answered me to some inquiries, and that the Legal Director Martin Skovsted-Nielsen has refused to admit to some of the many violations of the law, that I have demonstrated that the Jyske Bank group is behind.

What are Jyske Bank's options to stop me from writing about the many violations of the law, that the Jyske Bank group is behind, and that the Danish state is covering up.

And so one.

Med hensyn til det møde jeg har indkaldt til, så ved Juridisk direktør Martin Skovsted-Nielsen og dirktionen godt at banken ikke er forpligtet til at deltage i dette møde, men jeg opfordre på det kraftigste at Jyske Bank A/S deltager, og at vi gennemgår de punkter jeg indkaldt til.

PS jeg mener at det alene er Jyske Bank A/S der skal stævnes for en anderkendelses dom, med hensyn til overtrædelse af tinglysningslovens paragraf 11.

Og at Susanne Sørensen, Regina Hjort Ernstsen samt Tina Agergaard og formentlig og Morten Ulrik Gade blot bliver vidne indkaldt, for at i retten få afklaret hvem har gjort hvad, hvem bad Susanne Sørensen slette mit pant I ejendommen Søvej 5. 3100 Hornbæk.

Hvis vi holder et møde og Jyske Bank fremlægger dokumenter der viser hver der i Jyske Bank gav ordre til at udslette mit private pant på 3.000.000 dkk. Så ville det utvivlsomt hjælpe på ekspedition

JYSKE BANK I SKAL INDRØMME OVERTRÆDELSE AF TINGLYSNINGS LOVENS PARAGRAF 11.

OG DERUDOVER SKAL I BETALE ERSTATNING PÅ DE OMKRING 1660 KR. SOM DET KOSTER AT LAVE ET NYT PANT.

Jeg ønsker kun fred fat det, og ring til mig på +4522227713 så det her ikke vokser.

Jeg ønsker stadig at gennemgå Jyske Banks / Lund Elmer Sandager advokaters brev af 1 februar 2019 til Lundgrens advokater som også var Jyske Banks advokater.

Fra min dagbog www.banknyt.dk

Jeg fastholder at en advarsel mod at bruge og sammenarbejde med en Bank, der nægter at overholde lovgivningen, med henvisning til overtrædelsen af Tinglysningslovens paragraf 11, samt hvor det er dokumenteret at flere ansatte har løjet er på sin plads.

Hvis der er uenighed om noget at det jeg har skrevet, og som Jyske Bank koncernen siden 2016 har været bekendt med, uden at svare mig, så er her igen chancen for dialog.

Med henvisning til også den

Pakken jeg sendte til Anders Christian Dam I 2017 eller i 2018. Med en T-shirt magen til den på billedet med skelettet på Jyske Bank's dør.

Der var i Pakken 3 eller 4 kuglepenne med reklamer fra mobilix, deres slogan var.

Samtale fremmer forståelsen.

Med venlig hilsen
